

I see you
when you're
sleeping

A close-up photograph of a plush toy's face. The toy has a large, rounded orange face with two small black dots for eyes and a small orange nose. It is wearing a white, textured, fuzzy hat or collar. A white speech bubble with a black outline is attached to the top left of the face, containing the text "I see you when you're sleeping". The background is a dark red surface.

I see you
when you're
sleeping

I know...

I see you
when you're
sleeping

I know...

A painting of a person on a horse in a snowy mountain landscape. The person is wearing a hat and a patterned poncho, riding a dark brown horse. A second, lighter-colored horse is partially visible behind it. The background features snow-covered mountains, evergreen trees, and some trees with autumn-colored leaves. A white speech bubble with a black outline is overlaid on the scene, containing the text "When you're awake." The speech bubble has a tail pointing towards the left.

When you're
awake.

When you're
awake.

When you've
been bad.

When you've
been bad.
