Dr. Lloyd Barber Faculty Recital

Dr. Lloyd Barber was the President and Vice-Chancellor of the University of Regina from 1976 to 1990. His ability to plan for the future while remaining focused on the present meant his leadership was instrumental in laying the foundations for today's U of R.

To celebrate Dr. Barber's vision and spirit, the Faculty of Media, Art, and Performance invites the community to the season kick-off recital, featuring the debut of the fully restored 1916 Nordheimer grand piano donated by Ada Lou Watson to the Department of Music in 2019. It was restored this year in honour of Ada Lou and her brother, Dr. Lloyd Barber. What better way to begin a year of the U of R 50th Anniversary celebrations!

Faculty scheduled to perform:
