

Economics Mentorship Program

Coordinated by the Economics Student Association

Transitioning to university isn't always easy. The Economics Student Association would like to help you get the most out of your academic journey. We offer a flexible program to accommodate our mentees in the most comfortable and effective way for each individual.*

Our Goals/Mission:

- Improving your academic experience.
- Sharing knowledge and experience.
- Providing inspiration, advice, encouragement, insight, and coaching.
- Increasing comfort and satisfaction in student life.

What we provide to our mentees:

- Providing social/networking opportunities
- Academic guidance**
- Economic career/discipline discussion

How we provide it:

- 1 on 1, student to student partnership
- Group mentorship, multiple mentors and mentees
- Professor hosted workshops

*Note: First year students will be given priority.

**Note: We are not a tutoring service, but will help guide you to the proper programs.

To become a mentee please fill out the brief questionnaire below:
