

IMPORTANT DATES

October 1 – End of penalty-free payment period
October 2 – End of 50% refund period
October 14 – Thanksgiving Day (Most University Offices Closed)
October 17 – Fall Convocation

UPCOMING EVENTS

October 21 – Thesis Defense Info Session (Grad Defense)
October 23 – Coffee Party in ED 436.14 at 230PM

SAFETY ORIENTATION AND TRAINING

If you are a new graduate student, make sure you complete the “Engineering Safety Orientation” on UR Courses. You will be enrolled shortly! This has valuable information and health/safety resources for all graduate students and is valid for one year. It is also required for access to student offices, MEng lounge, and all labs. Instructions for requesting office/lab keys are included within the orientation.

GRADUATE KEYS AND OFFICE SPACE

Graduate students must use the faculty’s Key Request Workflow for new access requests and annual renewals. This is for MEng, MAsc, PhD, and Visiting Students. The Workflow and further instructions are found within the “Engineering Safety Orientation” on UR Courses.

If you are not yet enrolled in this orientation, please contact Engg.Safety@uregina.ca”.

Graduate Student Offices:

Thesis students may be assigned a graduate office during their studies for their degree, and while they are presently active (i.e. currently registered and/or not on leave). This is a desk, chair and filing drawer in a shared space in either the RIC, PTRC or GG buildings. Professors that have dry lab space with cubicles will be asked to place their students there first.

How do I apply?

To be added to the waitlist for office space, you will want to fill out this form and then email it to engg.grad@uregina.ca. We will send you a confirmation email that you have been placed on the waitlist. [Waitlist Form](#)

How long will it take before I hear back?

We may have to put your name on our waiting list (there is approximately a one (1) semester wait, and some even have a two (2) semester wait depending on the number of requests.

Until when can I keep this office & Key returns

Within one (1) month of defending your thesis, you must return your key to the Engineering Main office along and email the key return form and photo of your cleaned desk to engg.grad@uregina.ca. If you require an extension, please contact engg.grad@uregina.ca

CONFERENCE

CSCE Winnipeg Conference, Manitoba - May 28-30, 2025

Call for abstracts!

We are pleased to announce that the upcoming Canadian Society for Civil Engineering (CSCE) annual conference will take place in Winnipeg in May 2025. Our conference theme is "Empowering communities through sustainable and resilient engineering solutions". The City of Winnipeg, Manitoba, is well known as "the cultural cradle of Canada", and the home to a very diverse population, the world-class Canadian Museum for Human Rights, the world's most comprehensive Arctic species exhibit, the Forks, the historical Exchange District, the French-flavored St. Boniface and many other attractions. The Fairmont Hotel is in the heart of downtown Winnipeg, in easy walking distance from these attractions. A variety of activities are being planned to entertain conference delegates and their guest family and friends. For more, please visit: <https://www.csce2025winnipeg.ca/>

We look forward to seeing you at CSCE Winnipeg 2025! If you have any questions regarding the CSCE Environmental Engineering Specialty conference, please contact Dr. Kelvin Tsun Wai Ng (kelvin.ng@uregina.ca)

GRAD DEFENSE

Thesis submission deadlines:

Fall term PhD thesis submission deadline: October 25, 2024.

Fall term Master's thesis submission deadline: November 8, 2024.

For more information about thesis submission and defense email: grad.defense@uregina.ca

Convocation deadlines:

2025 Spring (June 2025) Convocation application deadline: January 31, 2025.

For more information about applying to graduate email: grad.defense@uregina.ca

Workshops:

Thesis Jumpstart!

Friday, November 22 - Saturday, November 23, 2024

8:30 am - 5:00 pm (lunch provided)

Two days of expert presentations, writing time and supports designed to help Masters and PhD students focus and build momentum towards their thesis writing goals.

Space is limited! Participants must commit to attend both days.

Registration will open October 1 and close October 31: <https://uregina.libcal.com/event/3840159>

Thesis Thursdays - mornings: Write UR Thesis (aka "Shut Up and Write")
Thursdays, September 12 - December 5, 2024 (no meetings October 17, 2024 - Fall Convocation) 9:30 am to 12:00 noon
To register: <https://uregina.libcal.com/event/3816230>

Thesis Thursdays - afternoons: Thesis Information Sessions
Thursdays, September 12 - December 5, 2024 (no meetings October 17, 2024 - Fall Convocation) 1:30 - 3:00 pm
To register: <https://uregina.libcal.com/event/3816266>

The Student Success Centre and the Department of English have graduate-level peer writing supports available this Fall term. To schedule your appointment:
<https://uregina.mywconline.com/>

GRAD FUNDING

Funding for Engineering – October 2024

In October we open the Saskatchewan Innovation and Excellence Scholarship for application. The competition runs from Oct 10-24th. This scholarship offers a variable number of awards of various amounts for both entering and continuing students. Those that are eligible must complete an application in the GAP system.

GRADUATION PHOTOS

If you are completing all the requirement classes by December 2024, please book an appointment to get your photo taken. To book a graduation photo session with Camera One, please sign up on-line at www.cameraone.ca or call [\(306\)533-3347](tel:3065333347).

There are many options for appointments, including the week of Convocation. Out-of-town Graduates coming to Regina are encouraged to sign up early to reserve a time for when you are here. Graduates that are photographed will be included on the Class Composite.

All portrait sessions will be held in-studio and academic regalia will be provided by Camera One.

TURNITIN

Turnitin is an originality checking and plagiarism prevention service that checks your writing for citation mistakes or inappropriate copying. When you submit your paper, Turnitin compares it to text in its massive database of student work, websites, books, articles, etc.
<https://apus.libanswers.com/writing/faq/2160>

If you would like to have access to this tool, please send an email to engg.grad@uregina.ca stating your name and student ID.

L2M BIPOC + WOMEN-IDENTIFYING & NON BINARY DISCOVER COHORT

“L2M Discover,” a new program in the [Lab2Market](#) Suite is being launched. SFU VentureLabs and e@UBC are collaborating to deliver this initiative, which aims to help students, faculty, and staff understand how to commercialize research and explore entrepreneurial paths. The program will kick off in October 2024.

This will be L2M's first Discover cohort with an EDIA focus, offering two streams—one for Women-identifying and Non-Binary individuals and another for the BIPOC community. Our goal is to create an empowering and inclusive environment with expert facilitators who are part of our target audience to ensure the content is relevant and impactful. While each stream is open to everyone, including allies, the material will be specifically tailored to address the unique challenges and experiences of each group.

About L2M Discover:

Program Overview: An early-stage program focused on raising awareness of entrepreneurial pathways and research commercialization.

Audience: We're targeting students (undergraduate/graduate), faculty, and staff, with a focus on Women-identifying and Non-Binary individuals, as well as the BIPOC community.

Format: A free, ten-week webinar series, with one-hour sessions each week covering various topics related to entrepreneurship.

Goal: To introduce participants to entrepreneurship and its opportunities.

Timing: October - December 2024

Registration is open - you can find more information and sign up [here](#). Please also see a one-pager attached with additional details.

Should you, or anyone else in your network, find this program of interest and have any questions, please contact Carolina Almeida, SFU Program Manager at carolina@venturelabs.ca

TOUR OPPORTUNITY

Behind the Scenes

Discover the University's Hidden Tunnels!

Ever wonder how the university stays up and running?

Curious about how essential services like water, heat, and electricity are delivered across campus?

Join IISE and our expert guide, Mike Selinger, for an exclusive behind-the-scenes tour of the university's underground tunnel system! Get a firsthand look at the complex network that keeps the campus functioning smoothly.

Sign up now by scanning the QR code below!

Stick around afterward for food and drinks—it's the perfect way to wrap up the tour!

EVENT DETAILS:

Date: October 3, 2024

Time: 1:00 pm

Meet up spot: Education Pit
