This will take you to your application wizard.

Application Wizard Step by Step

Step 1 – Application

In Step 1 it will show you the eligibility of all of the scholarships that you have chosen to apply for.

There are a few things to note at the top of the screen that are important to your application. On the top left hand side, it will tell you which competition it is and your application number, ie. ***This application number is very important to remember.*** If you have any issues with your application, we must have this number in order to check details for you.

The screenshot displays the 'Application' step of a wizard. At the top, a progress bar shows five steps: 'Application' (active), 'Main Scholarship Awards', 'Publications and Presentations', 'Awards Held', and 'Research or Study Proposal'. A 'Next >' button is in the top right. Below the progress bar, the title is 'Spring Term 2023 - Application # 102742'. A status box on the right shows 'In-Progress' and buttons for 'Cancel Application' and 'Submit Application'. Instructions below the title advise clicking 'Next >' to proceed and a printer icon to review completion letters. The 'Student Information' section lists: Scholarship Type (Main Scholarship Awards), Application Number (102742), First Term Registered in Current Program (201830), Student ID (200325842), Last Name (Polsom), and First Name (Jonathon). The 'Program Information' section lists: Degree Program (MA English Thesis), Faculty (Arts), and Department (English). The 'Awards being applied for' section is currently empty. The 'Award Selection' section shows a selected award: 'Award - Groome Family Fellowship in Health Research - Application # 102742'. Below this, a table lists 'Eligibility Category' (Groome Family Fellowship in Health Research) and 'Eligibility Criteria' (Main Scholarship Awards, Kinesiology & Health Studies). A description at the bottom states: 'There will be 1 award at \$23,500 or 2 awards at \$11,750. Presented annually to a Master's or Doctoral student in a Kinesiology and Health Studies program who meets the following criteria: - Entering or continuing student, and must be enrolled full-time during the tenure of the fellowship - Has a minimum CGPA (cumulative grade point average) of 80% - Developing, or has

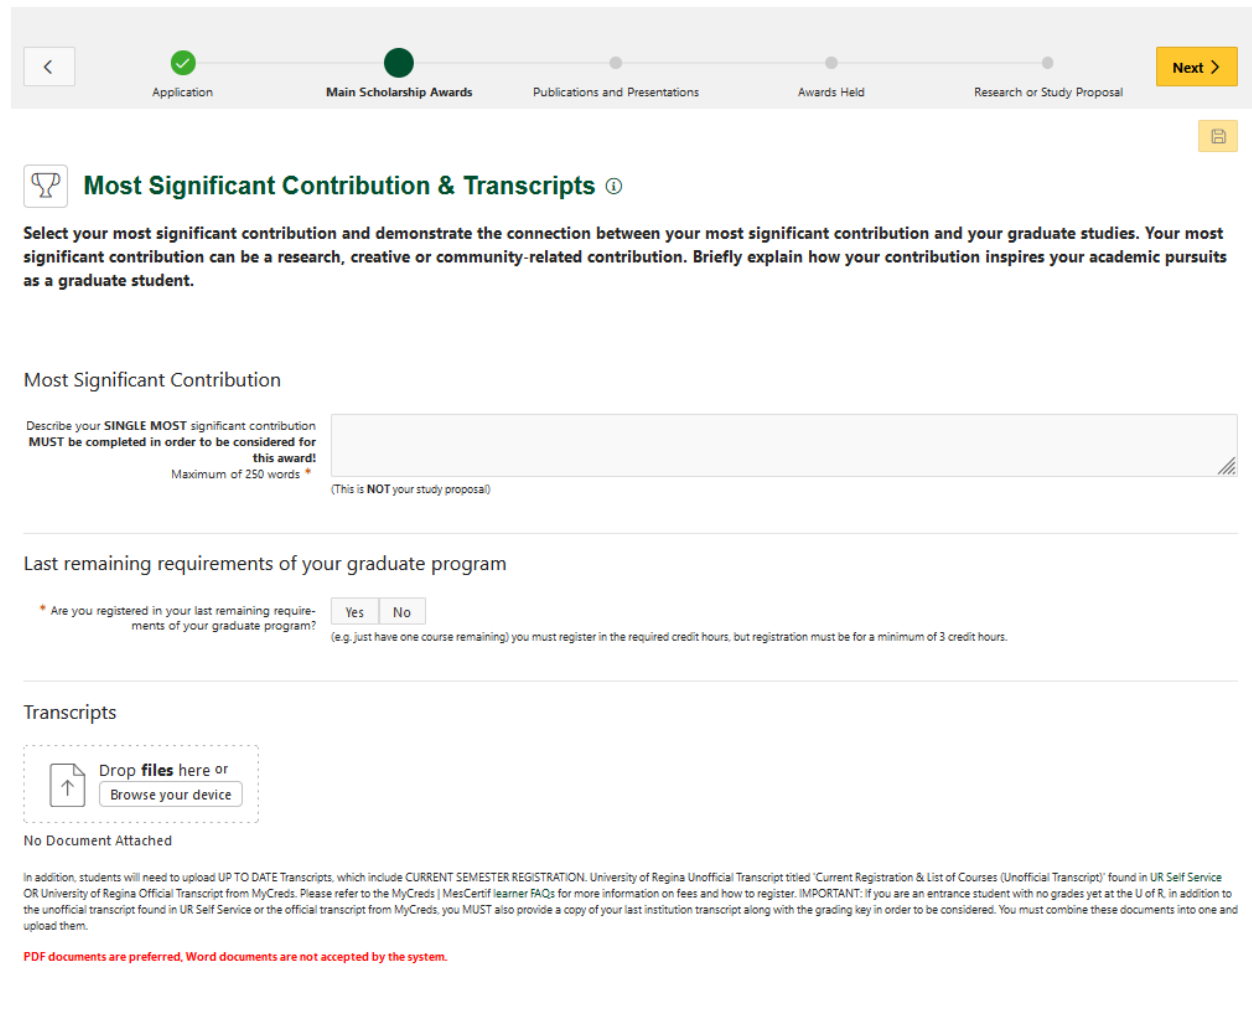

Also on the top right hand side you will see your application status. When you are filling out your application, your status will say that it is **In-Progress**. This will change to **Submitted** once you have completed all of your application and you click on the **Submit Application** button. ***This is very important that after you have completed all steps that you go back into STEP 1 - Application and click on the Submit Application. If you do not submit it we cannot review your application.***

You will also notice that there is a **Cancel Application** button. You can choose to cancel your application at any time during this process before you click on the **Submit Application** button.

You can now click on the yellow **Next** button on the top right hand side of the page to continue to move through the wizard.

Step 2 – Main Scholarship Awards

This is where you will enter your **Most Significant Contribution & Transcripts**. You may copy and paste into this field if you choose to. Please note that this is not your study proposal. Select your most significant contribution and demonstrate the connection between your most significant contribution and your graduate studies. Your most significant contribution can be a research, creative or community-related contribution. Briefly explain how your contribution inspires your academic pursuits as a graduate student.

You will also upload your transcript here. Please upload the following:

University of Regina Unofficial Transcript titled "Current Registration & List of Courses (Unofficial Transcript)" found in UR Self Service. **OR** you can attach your official transcript from MyCreds. Please refer to the **MyCreds™ | MesCertif™ learner FAQs** for more information on fees and how to register. **If this is your first semester at the University of Regina** with no grades yet, in addition to the unofficial transcript found in UR Self Service *or* the official transcript from MyCreds, you **MUST** also provide a copy

of your last institution transcript along with the grading key in order to be considered. **You must combine these documents into one and upload them.**

Click the yellow **Next** button at the top right hand side of the page and it will save your progress and move you onto **Step 3**.

Step 3 –Publications and Presentations

If you entered publications in your Student Profile they will show up here. If you do not have any Publications, then you can click on **No**. If you want to add another Publication that is the same type as some of the other ones you have already listed **please copy and paste it into the same box**. If it is a new type you can click on the on the yellow **Add another Publication Type** and then fill in the information in the boxes. *Please make sure that all like publications and presentations types are copy and pasted together in the same box. Only use the type from the drop down box once and then copy and paste all like types together.*

The screenshot shows a web interface for 'Publications and Presentations'. At the top, a progress bar indicates the current step is 'Publications and Presentations', with previous steps 'Application' and 'Main Scholarship Awards' completed, and 'Awards Held' and 'Research or Study Proposal' pending. A yellow 'Next >' button is in the top right. Below the progress bar, the title 'Publications and Presentations' is displayed with an information icon. Instructions state: 'Please list all publications, presentations, performances and/or exhibitions completed, beginning with the most recent. Please copy and paste ALL LIKE types together. Please know that any changes to your Publications/Presentations/Contributions, must be updated in your Student Profile. If you make changes on a specific scholarship application to your Publications/Presentations/Contributions, that will NOT be saved in your student profile. When available, include web links and/or DOI (digital object identifier) to the publications and presentations. Review information on this form click the Next > button on the right to proceed.' A question 'Do you have any Publications or Presentations?' has 'Yes' selected. The main section is titled 'Publications' and contains a 'Listing of your Publications and Presentations' box. This box has a dropdown menu set to 'Refereed Books' and a text area for descriptions. Below the listing box is a yellow button that says '+ Add another Publications and Presentations'.

Please know that if you add a new publication here, it will not be saved to your Student Profile. It will only be part of this specific application. If you want your addition/change to remain on your GAP profile, please add it to your Student Profile in GAP.

Click on the yellow **Next** button on the top right hand side and it will save your progress and move you onto **Step 4**.

Step 4 – Awards Held

If you entered Scholarships/Awards held in your Student Profile, they will show up here. If you do not have any Scholarships/ Awards Held, then you can click on **No**. If you want to add another Scholarship or Award to the list, you can click on the yellow **Add another Awards Held** and then fill in your information. **Please know that if you add a new Awards Held here in your application it will not be saved to your Student Profile. It will only be part of this application. If you want it to remain on your GAP profile, please add it in to your Student Profile in GAP.**

Click yellow **Next** button on the top right hand side of the page and it will save your progress and move you onto **Step 5**.

Step 5 – Research or Study Proposal

In your Student Profile you would have entered your Research or Study Proposal. It will pull this information in from your Student Profile. **Please know if you make any changes in this screen it will not change in your Student Profile. If you want it to remain on your GAP profile, please add it in to your Student Profile in GAP.**

The screenshot shows a web application interface for the 'Research or Study Proposal' step. At the top, a progress bar indicates the current step is 'Research or Study Proposal', with previous steps like 'Application', 'Main Scholarship Awards', 'Publications and Presentations', and 'Awards Held' marked as complete. A yellow 'Next >' button is in the top right corner. Below the progress bar, the title 'Research or Study Proposal' is displayed with a document icon and an information icon. The form is divided into two main sections: 'Course-Based Students' and 'Research-Based Students', each with a list of instructions. A note states: 'Please know that Award applications will be adjudicated by academics from a wide variety of fields and therefore the description of your research should be intelligible to non-specialists, as well as specialists. Please present your research in easy to understand language, for all reviewers.' Below this, a 'Review information on this form click the Next > button on the right to proceed.' instruction is provided. The 'Research Information' section features a 'Program Route Selection' dropdown menu currently set to 'Thesis'. Below this is a text area for the 'Research or Study Proposal Description' with a note: 'Research or Study Proposal Description (The proposal should not exceed one typed page) MUST be completed in order to be considered for this award.*'. At the bottom, a warning states: 'Please know that you MUST HIT SUBMIT in Step 1, in order for this application to be submitted. If you do not, it sits PENDING, until you submit and will not be considered for review.'

Click on the yellow **Next** button on the top right hand side of the page and it will save your progress and move you onto **Step 6**.

Step 6 – Additional Items

Certain awards/scholarships will require Additional Items. It will give you a description of the additional item required. Then you can click on the **Browse your device** to add a document.

If you are adding in a financial needs statement, in your statement please tell us your story as to WHY or the nature of your financial need.

The screenshot shows a progress bar at the top with seven steps: Application, Main Scholarship Awards, Publications and Presentations, Awards Held, Research or Study Proposal, Additional Items (highlighted in dark green), and Letter of Support. A yellow 'Next >' button is on the right. Below the progress bar, the page title is 'Additional Items' with a document icon and a help icon. A paragraph of instructions follows, mentioning a 'Next >' button. A red warning states: 'PDF documents are preferred, Word documents are not accepted by the system.' The main content area is titled 'Additional Items' and features a card for the 'Dr. E.C. Leslie Graduate Student Entrance Scholarship'. The card lists the award name, a description of a '1 page document demonstrating leadership potential, volunteer accomplishments and financial need.', and an 'Additional Item Upload' section with a dashed box containing a file icon, the text 'Drop files here or Browse your device', and 'No Document Attached' below it. A footer note reads: 'Please know that you MUST HIT SUBMIT in Step 1, in order for this application to be submitted. If you do not, it sits PENDING, until you submit and will not be considered for review.'

Click yellow **Next** button on the top right hand side of the page and it will save your progress and move you onto **Step 7**.

Step 7 – Letter of Support

Please know that SOME of our Main scholarships will require a **Letter of Support**. Please know that some scholarships may require more than one Letter of Support and it will be noted in the **Description** if it is **Letter of Support 1, 2 or 3**, for that award. **Please read the eligibility criteria in the award/scholarship to see if one is required.**

The **Award Name will be listed and will** tell you which scholarship the letter of support is for. Then you will enter the Professors' email address, the Professor's name.

The screenshot shows a web application interface for the 'Letter of Support' step. At the top, a progress bar indicates the following steps: Application, Main Scholarship Awards, Publications and Presentations, Awards Held, Research or Study Proposal, Additional Items, and Letter of Support. The 'Letter of Support' step is currently active. Below the progress bar, there is a 'Letter of Support' section with a title 'Dr. E.C. Leslie Graduate Student Entrance Scholarship'. The form contains the following fields: 'Award' (Dr. E.C. Leslie Graduate Student Entrance Scholarship), 'Description' (Letter of Support), 'Professor Email Address' (with a red asterisk indicating it is required), and 'Professor Name'. A 'Next >' button is visible in the top right corner. Below the form, there is a note: 'Please know that you MUST HIT SUBMIT in Step 1, in order for this application to be submitted. If you do not, it sits PENDING, until you submit and will not be considered for review.'

We recommend that before you even submit your application that you ask your professor if they will be willing to provide you with a Letter support.

An email will be sent to your professor requesting a Letter of Support for you, once you submit your application. Once we receive your Letter of Support **by email** from your professor, we will attach it to your application in the GAP system.

Submitting your Application

Once you have entered all of your information, then click on the yellow **Next** button, and it will take you to back to **Step 1 – Application**. Now that your application is complete, you should click on the **Submit Application** button at the top right hand side of the page in order to complete your application process. If you do not click **Submit Application**, your application will simply sit on your account and not be sent forward for review/consideration.

Once you submit your application you will receive an email that your application has been successfully submitted. Your **Application Number** will be noted on this email. ***Please make sure you keep your Application # handy, because if you have any questions regarding your application, we will require this number to look into your inquiry for you.***

Checking the Status of your Application AFTER Submission

Now that you have submitted your application, you will have to wait for the adjudicators to review the applications.

When the adjudication period is done you will receive an email notification titled **Award Competition Completed Notification**. It will tell you to log into GAP and check the results of the competition.

When you log back into GAP, on the right hand side of the screen you will need to look under two statuses for your success and regrets letters.

My Awards that have been Declined in the Past 6 Months this is for scholarships that you were not successful in. When you click on this header you will get a popup that will show you the Application #, Award Name, Date Submitted and Status. If you click on the **green application #** it will take you into the screen where you will find your regret letter. Click on the **paper clip** button on the top right hand side of the screen. Then click on the Regret letter file in there and it will bring up your letter in PDF form.

The screenshot shows a popup window titled "My Awards that have been Declined in the Past 6 months". The popup contains a table with the following columns: Application #, Award Name, Date Submitted, and Status.
