

How to Search the Graduate Awards Portal (GAP) for Scholarships/Awards:

If you are not a Graduate Student at the University of Regina yet and you would like to see what we have to offer for Scholarships/Awards, you can login as a *Guest* and view the Scholarships/Awards that we offer. Go to the [GAP](#) home page now to follow along. Click on **Continue as Guest**.

The screenshot shows the University of Regina login interface. It includes a logo, a 'Log In' heading, and input fields for 'User ID' and 'Password'. There are checkboxes for 'Remember me' and a link for 'Forgot your password?'. A yellow 'Log In' button is present, and below it, the 'Continue as Guest' button is highlighted with a green rectangular border. At the bottom, there is a link for 'New to UoR GAP Application?' and a 'Create an Account' button.

This will take you to a listing of **All Awards** that GAP has to offer. To search an award, look at the column, **Scholarship Name**, on the left hand side of the page.

Clicking on the green **Scholarship Name** will take you into the Award Eligibility screen. (next page)

Eligibility for Asia Pacific Studies Graduate Special Project

 **Eligibility for Asia Pacific Studies Graduate Special Project** 

Award Information

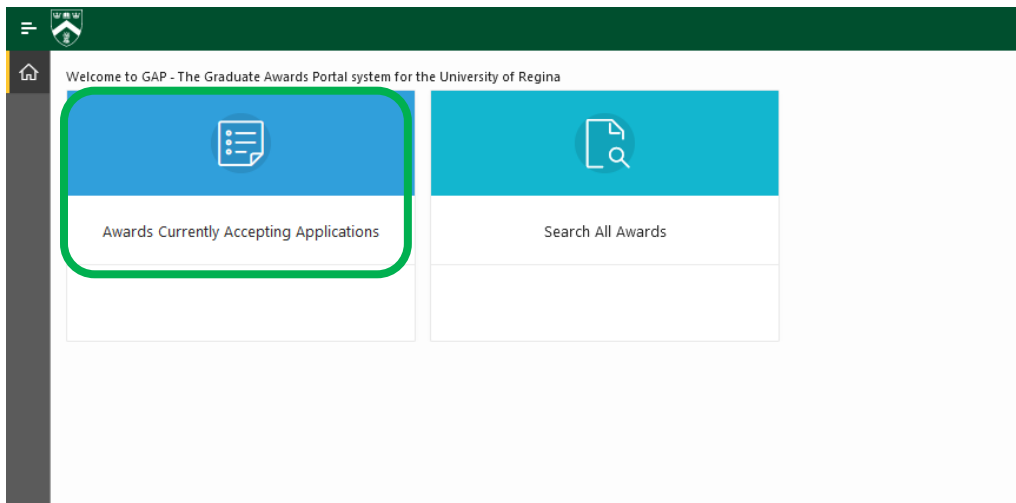

Scholarship Type	Main Scholarship Awards
Award	Asia Pacific Studies Graduate Special Project
Award Description	This award is in the form of travel funding to support the participation of a student in carrying out research focused on aspects pertinent to the Asia Pacific region, and/or to participate in language training courses and other course work relevant to Asia Pacific studies.
Area of Study	Unrestricted

Eligibility Information

Eligibility Description	<p>The award will be presented to a University of Regina graduate student who meets the following criteria:</p> <ul style="list-style-type: none">- fully-qualified graduate student in good standing in any degree program;- registered full-time during the semester the scholarship is awarded (minimum of 6 credit hours or as defined in the graduate calendar);- minimum cumulative grade average (CGA) of 80%; and- research must be focused on the Asia Pacific region; however, consideration may be given to proposals that involve only a program of relevant course study.
Applications	<p>In addition, students will need to upload the following:</p> <ul style="list-style-type: none">- One or two page outline of the research or course work to be undertaken, how it relates to the student's degree program and a proposed schedule of activities;- A proposed time for the travel and estimated costs; and- University of Regina Unofficial Transcript from your U of R Self Service titled "Current Registration & List of Courses (Unofficial Transcript)". If you have no grades yet at the U of R, you MUST provide a COPY of your last institution transcript and you must also include the Grading Key, in order to be considered.

To see **Awards Currently Accepting Applications**, you can also click on the **house** at the top left hand side of the screen. It will take you to a page where you can click on the icon **Awards Currently Accepting Applications**. This allows you to see the scholarships that are currently accepting applications. You must have a be accepted to a graduate program as a Fully Qualified graduate student with no holds or conditions on your admission in order to setup a GAP. Please see the instructions on **How to create a Profile in GAP**, to setup your GAP account and student profile. (note: if blank then there are no current competitions open)

When you are looking through the **Search All Awards** or **Awards Currently Accepting Applications** screens you can search different ways through the awards.

To look for awards by **Faculty**, click on the **Search** filed and type in the *Faculty* name. It does not need to be the full Faculty name for example for Faculty of Engineering & Applied Science put in **Engineering** then click on **Go**.

Search All Awards

It will then show you awards that are only for students in the Faculty of Engineering & Applied Science. Please know that even if you are an Engineering student you will still need to meet all of the criteria listed in the Eligibility Screen to apply.

Another way to search is by using the column headers along the top of the list of scholarships. You can click on a column to search scholarships by that column.

For example you can click on the **Female** header and choose **YES** if you would like to search for awards that apply to Female's only.

This is the same for the **Indigenous** column header. You can click on the **Indigenous** header and then choose **YES** if you would like to search for awards that apply to Indigenous people.
