TAKE UNIVERSITY CLASSES WHILE IN HIGH SCHOOL

Attention Grade 11 and 12 students! Start your university experience in the High School Accelerated (HSXL) program at the University of Regina!

WHY YOU SHOULD JOIN HSXL

Become a U of R student before you start your first year.

Ease into university with one or more U of R courses.

Gain skills and knowledge that make the transition to university easier.

Free up your schedule in your first year of studies.

Earn university and high school credit with a HSXL dual credit course.

Join the program from anywhere with online and remote courses.

DUAL CREDIT COURSES

Get closer to high school graduation and get university credit at the same time. U of R dual credit courses cover the content of a university-level course and corresponding high school course. Some U of R courses qualify for dual credit. This means that while you get a university class that can be applied to U of R programs, you could also get a high school credit that will count toward your high school graduation requirements. Reach out to us today to learn more!

DUAL CREDIT COURSES

University Credit	High School Credit
ART 220	Art 30L
BUS 100	Entrepreneurship 30
CHEM 100	Chem 30
CHIMIE 100	Chimie 30
CREE 100	Cree 30
ENGL 100	English B30
FRENCH 100	French 30
INDG 100	Native Studies 30
MATH 110	Calculus 30

HSXL TUITION

REIMBURSEMENT AWARD

Planning to study at the U of R after high school? The HSXL Tuition Reimbursement Award is an initiative designed for high school students to take U of R course while still in high school. Take a HSXL course and earn your tuition back upon commencing your first year at U of R.

Scan the QR code to learn more.

Your path to higher education just got more rewarding!
