## Workstation Bookings

Our new workstation booking system is up and running! If you are an Active Researcher, you are automatically added to the system and should receive an email with further instructions.

Please visit the Workstation Booking section of our [website](#) to find further information or to request a new login link.

Bookings must be made by **4:30PM the day prior** to when you plan to come into the RDC. For example, if you plan to come in Wednesday at 9AM, you must book your workstation by 4:30PM the Tuesday before.

## COVID-19 Policies

RDCs are operating at full capacity and following Health Canada's [occupational health guidance](#). This means that **medical grade masks are required when a physical distance of 2 metres cannot be maintained**.

## New RDC Projects

**Households' Decision on Parental Leave and Gender Pay Gap**; Datasets being used: [CEEDD](#); PI Safoura Moeeni

**A Comparison between Canadian Males and Females who Experience Sexual Harassment in the Workplace: An Analysis of the Survey on Sexual Misconduct at Work February 2020 - June 2020**; Datasets being used: [SSMW](#); PI Kayla Inglis

## Congratulations!

Psychology graduate students, **Danielle Adedun, Kylie Arsenault, Daria Chernova, Kelsey Haczkevicz, Siham Hagi Hussein, Laura Kinsman, Katie MacDonald, Aaron Philipp-Muller, Megan Poulter, and Erin Thomsen**, successfully completed *PSYC 802: Applied Multivariate Statistics*. This course, taught by **Dr. Richard MacLennan** with assistance from **Christie Newton**, used data from the Canadian Community Health Survey ([CCHS](#)).

# NEW DATASETS IN THE RDC

## CANADIAN SOCIAL SURVEY WAVE 1 - WELL-BEING, SHARED VALUES AND TRUST

The **Canadian Social Survey Wave 1 - Well-being, shared values and trust** ([CSS](#)) collects information about well-being, shared values, trust in people, and confidence in Canadian institutions.

## CANADIAN SOCIAL SURVEY WAVE 2—WELL-BEING AND CAREGIVING

The **Canadian Social Survey Wave 2 - Well-being and caregiving** ([CSS](#)) collects information about well-being, unpaid caregiving and paid care work.

## CANADIAN SURVEY OF CYBER SECURITY AND CYBERCRIME

The **Canadian Survey of Cyber Security and Cybercrime** ([CSCSC](#)) collects information on The measures organizations have implemented for cyber security, including employee training, the types of cyber security incidents that impact organizations, and the costs associated with preventing and recovering from cyber security incidents

## SURVEY ON BEFORE AND AFTER SCHOOL CARE IN CANADA **New!**

The **Survey on Before and After School care in Canada** ([SBASCC](#)) collects data on the different types of learning and child care arrangements used by families, difficulties some families may face when looking for care, as well as reasons for not using child care.

## SURVEY ON FINANCING AND GROWTH OF SMALL AND MEDIUM ENTERPRISES **New!**

The **Survey on Financing and Growth of Small and medium Enterprises** ([SFGSME](#)) collects information on barriers to growth, the financial position of small and medium enterprises, the characteristics of ownership and the extent to which the enterprise is involved in innovation and intellectual property.
