Workstation Bookings

Active Researchers are automatically added to our online booking system and will receive an email with further instructions. Bookings must be made by **4:30PM the day prior** to when you plan to come into the RDC.

Please visit the Workstation Booking section of our [website](#) to find further information or to request a new login link.

COVID-19 Policies

RDCs are operating at full capacity and following Health Canada's [occupational health guidance](#). **Masks are no longer required.** However, the RDC is a **mask-friendly space** and we will continue to have **masks available for use**. **Cleaning and disinfecting protocols** will still be in place. We also continue to ask those that are **feeling ill to stay home**.

IMPORTANT!

New RDC Proposal guidelines are now available. Please review the new guidelines and template [here](#).

New Regina RDC Projects

Canadian Residential Schools & Diabetes: A Correlational Study; Datasets being used: Aboriginal Peoples Survey ([APS](#)); PI Sherrie Bellegarde

Application and development of survival analysis methodologies for modelling the length of stay distribution in Canadian hospitals and the factors affecting the length of stay; Datasets being used: Discharge Abstract Database, National Ambulatory Care Reporting System, and Ontario Mental Health Reporting System linked to the Canadian Vital Statistics Deaths Database ([CIHI CVSD](#)); PI James McVittie

Effects of Physical and Non-Physical Extracurricular Activities on the Self-Concept of Adolescents; Datasets being used: Canadian Health Survey on Children and Youth ([CHSCY](#)); PI Saad Waqas

Rates of Trans and Gender Nonconforming Identity in Autistic Youth Compares to Neurotypical and ADHD Samples in the Same Data Set; Datasets being used: Canadian Health Survey on Children and Youth ([CHSCY](#)); PI Michaela Williams

NEW DATASETS IN THE RDC

BUSINESS ECONOMIC ANALYSIS MICRODATA Coming Soon!

The **Business Economic Analysis Microdata (BEAM)** files are an extraction of the Canadian Employer Employee Dynamics Database ([CEEDD](#)). This linkable employer-employee dataset is based on processed administrative data sources from Statistics Canada (StatCan), Canada Revenue Agency (CRA), Employment and Social Development Canada (ESDC) and Immigration, Refugees, and Citizenship Canada (IRCC).

CRIMINAL ORGANIZATION AND STREET GANG OFFENCES New!

The **Criminal Organization and Street Gang Offences (COSGO)** files identify a cohort of individuals that were involved in police-reported criminal organization/street gang offences between 2016 and 2021, as well as their involvement in previous and subsequent police-reported incidents. The files include data from the Uniform Crime Reporting Survey (UCR), the Integrated Criminal Courts Survey (ICCS), and the Integrated Correctional Services Survey (ICSS)/Canadian Correctional Services Survey (CCSS). These files are supplemented with the Canadian Index of Multiple Deprivation (CIMD).

SURVEY OF EMPLOYEES UNDER FEDERAL JURISDICTION New!

The **Survey of Employees under Federal Jurisdiction (SEFJ)** collects information from a sample of employees working for businesses under federal jurisdiction, including regular, seasonal, term, and casual or on-call employees.

NURSING AND RESIDENTIAL CARE FACILITY SURVEY New!

The **Nursing and Residential Care Facility Survey (NRCFS)** will be used to standardize national, provincial, and regional statistics on nursing and residential care facilities in Canada. This will allow governments and researchers to examine the correlation between facility operations and personnel, health outcomes of residents, and system-level performance during pandemics or other emergencies.
