GETTING STARTED

Students regularly access specific programs to register for classes, take courses, and communicate with instructors as well as other student matters during their time at the U of R. Please ensure you become familiar with how to use these programs. We also recommend that you also watch the [U of R's New Student Videos](#).

UR SELF-SERVICE

[UR Self-Service](#) Login is a secure, web-based program, which enables students to obtain and/or change confidential information as well as register in or drop courses and more.

The User ID is your U of R student number (9 digits.) Your PIN is 6 digits. First-time users will have the pin set as birth date in daymonthyear (e.g. 020694). Contact the [U of R Information Services Help Desk](#) at: 306-585-4685 or 1-844-585-4685 if you encounter problems.

UR WEBMAIL

Students are assigned a UR email address using [UR Webmail](#). UR webmail is the primary method of communication to students from the U of R. Students should check their email on a regular basis and are responsible for ensuring they are receiving emails.

UR COURSES

[UR Courses](#) is the primary Online Learning Environment (OLE). Access to courses is available at the start of the semester. Students who enroll after the semester starts, will have access to the course approximately 24 hours after enrollment.

If you are missing a course in UR Courses or have questions regarding assignments, exams, or course materials, contact your instructor. If you are registered in a fully online course, visit [Flexible Learning's Online Course Support page](#) for additional information.

PERSONAL INFORMATION

You can update your personal contact information mailing address and telephone number in UR Self-Service. Changes to name, email addresses must be submitted to the [Registrar's Office](#).

CONFIRMATION OF ENROLMENT

This can be obtained for a fee of \$10 through UR Self-Service using [MyCredits™](#) (Go to Student > Student Records > Document Requests > Choose Confirmation of Enrolment > Select the appropriate term.)

TUITION

[Tuition](#) is due on the first day of lectures (Note: tuition does not cover [cost of attending undergraduate studies](#).) Use UR Self-Service to obtain amounts owing and pay your tuition using one of the [payment options](#). Refund information can be found in UR Self-Service in "My Refund Schedule."

The Saskatoon Campus general office does not accept tuition payments.

STUDENT PHOTO IDENTIFICATION

[U of R Student Photo ID Cards](#) can be used for Confirmation of Enrolment for exam writing purposes and access to many services, including student discounts.

You can request your new Student ID card online through UR Self-Service (Go to Student Services > Student Records > U of R Photo ID Card Request.) A digital photo and a copy of valid government issued photo ID are needed for uploading. Allow 3-5 days for processing.

TEXTBOOKS

Saskatoon Campus textbooks can be ordered from the [U of R Campus Bookstore](#). To obtain a textbook list 2 weeks prior to semester start, log in to UR Self-Service. Textbooks purchased from the bookstore will be shipped to you by for a nominal fee for each purchase.

If the textbook is not listed in the Campus Bookstore, refer to the course outline for more information.

REGISTRATION

Students are responsible for independently registering themselves in classes. Advising may be used to discuss course sequencing and planning; however, advisors do not select or register classes for students. The [Recommended Course Sequencing](#) should be reviewed on a regular basis and students can check for [tentative course offerings](#) for the current and upcoming academic year to help with course planning. Students should become familiar with the Faculty of Social Work [registration information](#) and U of R [registration information](#).

Registration begins in March for the full year including Spring/Summer, Fall AND Winter courses (you will register for courses for all of these semesters.) **Course offerings and time tickets (registration eligibility) will be viewable approximately a few weeks prior to the registration period opening.** Note: You will not be able to register for SW 348 and 448 in advance; the field education team will notify students when they are able to register in their respective SW 348 and SW 448 seminar sections.

Your **time ticket** is your registration date and time, which is based on the total credit hours completed. You can find your time ticket in UR Self-Service; this is viewable a few weeks prior to the registration period opening. Students outside of Regina and Saskatoon are eligible for a time ticket by contacting Special.Registration@uregina.ca to request it.

Courses fill up quickly so **students should register as soon as possible to secure a seat!**

COURSE OFFERINGS

Students have options to take courses face to face, remotely, and online. Flexible Learning course options can be viewed [here](#). Note: Certain sections of online classes are reserved for students outside of Regina and Saskatoon, and Yukon sections are reserved for BSW Yukon Program students only; Please check for restrictions!

These are tools which help students with planning, selecting and registering for classes:

[Visual Schedule Builder \(VSB\)](#)

VSB allows students to search and select classes to visually pre-plan a course schedule. The program does not register students in courses; UR Self-Service must be used to register. It is recommended that students also use UR Self-Service to check for course details, such as pre-requisites, restrictions, location and modality. Please take some time to go through the Visual Schedule Builder tutorial when you begin using the program.

[Advisor Degree Audit](#)

Advisor Degree Audit tracks your completed courses and how they meet the BSW requirements, which courses you have remaining to take as well as help you plan courses for future semesters. We recommend referring to Advisor Degree Audit to assist with course planning and selection prior to registration and review their program prior to advising appointments. Please view the Advisor Degree Audit tutorial in UR Self-Service before using the program.

WAITLISTS

If a class is full, students can add their name to the waitlist. All courses - except SW 348 & 448 - are scheduled with waitlists. Students must follow the [waitlist instructions](#). Waitlists do not confirm a seat in the class. **Students cannot request overloading a course if there is a waitlist.**

If the waitlist notification email is sent prior to the first day of classes, there will be 24 hours to register for the class.

If the waitlist notification email is at 10:00am on the first day of classes until the waitlist deletion sent for Fall/Winter terms, there will be 12 hours to register for the class.

If the student has not registered within those times, the spot will go to the next student on the waitlist.

Waitlists are deleted at 11:59 p.m. on the seventh calendar day after classes begin; waitlist deletion deadlines can be found [here](#).

Once the waitlist has been deleted, students can then request overloading a class.

OVERLOADING A CLASS

Only when the waitlist has been dropped, a request to overload a class can be made. Requests are first come first serve basis. Requesting an overload/late registration does not guarantee a seat in the class. Instructors or advisors will not grant permission to overload prior to the waitlist drop date; **any requests prior to the drop date will not be reviewed or approved.**

To overload a class, a student must:

1. Ask the instructor for permission (must be done AFTER the waitlist has been dropped);
2. If the instructor is willing to take an additional student, complete the Faculty of Social Work [Registration Permit/Overload Form](#). Ensure an instructor signature is included OR an email from the instructor providing permission is attached;
3. Email the completed form to SW.StudentServices@uregina.ca

COURSES AT OTHER INSTITUTIONS

Some students at the Faculty of Social Work have taken or are taking courses through other institutions. This includes students who are taking the Blended Approach and are dual students at the University of Saskatchewan and the University of Regina. There may be other students who may take a course through another institution because it is not offered at U of R in a given semester. Students may receive potential transfer credit for these courses. **Transfer credit is recognition of a course from another institution which is considered equivalent to a course at the students' home institution** (i.e., the course is considered equivalent to an existing U of R course.)

If a student has taken a course at another institution and has a final mark, transcripts with final marks can be submitted to the University of Regina Enrolment Services to receive potential transfer credit. Students can check for U of R equivalents using the [Transfer Credit Database](#). Please be aware that it can take up to 4 weeks to have the transfer credit assessed, and there is a \$100 fee. When the assessment is complete, you will receive email notification from the Transfer Credit office.

If a student wants to take a course at another institution, they can request a letter of permission. A [Letter of Permission](#) (LOP) is a letter that permits a student to take a course at another institution as a "Visiting Student." Please be aware that there is a \$30 fee per approved course. If a student would like to request taking a course at another institution, they must:

1. Ensure the class(es) requested are not available at the U of R in that semester.
2. Ensure that they are in good academic standing.
3. Meet with an advisor first to discuss this option.
4. Use the [Transfer Credit Database](#) to check for course equivalency and determine if a LOP is appropriate.
5. Ensure the [form](#) is completed correctly.
6. Send the completed form to [Student Services](#).

Forms should be submitted far in advance prior to the start of the semester. Once the form has been completed and the class(s) have been verified and approved for transfer equivalency, the course will be listed as in progress with a grade of TCNR on the student academic record.

Upon completing of a class, students must send transcripts with final marks to the University of Regina to receive potential transfer credit. This should be done after each semester has been completed. Please be aware that there is a \$100 fee to have a transfer credit assessment. Once the transcript has been received and processed, the transfer credit will show on the students' academic record.

Official transcripts with final marks can be sent using [MyCredits](#) and can be sent directly from the learning institution to:
Registrar's Office (AH 108)
University of Regina
3737 Wascana Parkway
Regina SK S4S 0A2

Any inquiries regarding transfer credit can be sent to transfer.credit@uregina.ca or 306-585-4591. Expect up to 4 weeks of processing time. Please note that transcripts should not be mailed or dropped off at the Saskatoon Campus.

FINAL EXAMS AND FINAL PAPERS

COMMON QUESTIONS

Can I take the program at the Saskatoon Campus?*

Students have been taking social work courses from this campus for over 30 years and have a full compliment of social work faculty and staff. We have the same number of social work courses in Saskatoon as compared to the Regina campus and offer in-person, remote and online social work courses to our students. We offer a few general university studies courses in person as well.

Where is the Saskatoon Campus located?*

We are located at Innovation Saskatchewan - Saskatoon at [116 Research Drive \(The Concourse.\)](#) The main office is Room 111 and the classrooms are Rooms 121 and 123.

Although we are close to the University of Saskatchewan, our campus is NOT affiliated with this university. The program and the campus are considered a part of the University of Regina, which happens to be in Saskatoon.

Is there a place to study?*

Students can quietly study or do their work in the Computer Lab and AV Lab, which are Rooms 123.2 and 121.3, respectively. These rooms are open from 8:30am to 4:30 pm. After business hours, students will be limited to the common areas of the Concourse Building; however, most of the other tenants will not be in the building after 5:00pm. Note: Please use earphones if you are using these rooms to attend remote courses.

Is there parking?*

There is paid parking near the Concourse building and nearby buildings at Innovation Place. You may use the metered parking spots using the PayByPhone App (\$2/hr). You can also request a day pass for \$9 or monthly student parking pass for \$50 by emailing saskatoon@innovationsask.ca, then picking up the pass at [210-15 Innovation Boulevard, Galleria Building \(2nd floor.\)](#) Student proof of enrolment or a valid student ID is required. The [Innovation Saskatchewan interactive map](#) lists both visitor parking (metered) and student parking. The student lot is in pink below.

How can I access the building after hours?*

To access the building after 5:30pm an access card must be obtained. Access cards can be requested by emailing saskatoon@innovationsask.ca and picking up the card at [210-15 Innovation Boulevard, Galleria Building \(2nd floor.\)](#) Proof of enrolment or a valid student ID is required.

As a U of R student in Saskatoon, will there be recreational facilities for me to use?*

Saskatoon Students can access Saskatchewan Polytechnic's Fitness Facilities, intramurals, In-person or remote Group Fitness Classes, personal consultations, and entry into wellness challenges for free. The Fitness Centre is in Rm 116, the weight room and main office is in Rm 118, and the gymnasium is in Rm 110.

U of R Saskatoon students interested in obtaining a fitness membership must first create an account by clicking [here](#). After creating an account, students are required to email wellness@saskpolytech.ca to notify them of the account creation. Saskatchewan Polytechnic will generate a membership. Students can then download the Sask Polytech Fitness & Rec App to obtain a barcode, which allows you to scan into the facilities.

Your U of R Confirmation of Enrolment and photo identification will also allow you to purchase a reduced, monthly membership at the U of S Physical Activity Centre.

Do I get a bus pass?*

City of Saskatoon Transit Semester Bus Passes: U of R students are eligible to purchase a City of [Saskatoon student bus pass](#). Note: Route #13 makes regular trips to Innovation Saskatchewan.

Access Transit: Provides services, upon individual request.

Do I have medical and dental coverage?

Saskatoon Campus students are provided [URSU Health and Dental Plan](#) through mystudentplan.ca and new insurance carrier, Canada Life (policy number 177841.) Policies are effective on September 1st or January 1st (depending on opt in date) and ends on August 31st for both periods. Your student ID number is your plan ID number.

Students who do not wish to receive this service must opt out prior to a deadline date (approx. one month into start of semester) by completing and submitting the [Opt Out Form](#).

Is there somewhere to print assignments?

Student printer is in Student Lounge: Suite 119, Concourse. Printing fees will be charged to your U of R account and can be paid through U of R Self-Service. Printing is not permitted at the front desk.

Will the General Office give me contact information for one of my instructors?

The Social Work Student Services Office (Room 111) does not distribute contact information for instructors or students. Instructors may be contacted via information provided to students in course syllabuses only. Student contact information can only be provided with consent from the individual student.
