Mission Statement

The Faculty of Arts serves the University of Regina, its students, faculty and staff, and the communities that surround and support us. Our goals are the creation, discovery, and communication of knowledge.

We affirm the value of creative and critical thought, innovative research, free discussion, courageous enquiry, and social change. We embrace the particular challenges facing the diverse communities, including the Indigenous communities, of our region. We foster an intellectual environment in which diversity is reflected and celebrated. We interpret our pasts and help to shape the futures of Saskatchewan and beyond.

Educational Policy

1. The members of the Faculty of Arts believe in a University whose purpose is the preservation, transmission, interpretation, and enhancement of the cultural heritage of humans, and the acquisition and expansion of new knowledge and understanding.
2. They seek to fulfill this purpose by interpreting the past, examining, and clarifying contemporary thinking, and anticipating the possibilities of the future. Their efforts should be sustained by a sensitivity to change, and an enthusiasm for investigation and creativity.
3. The Faculty derives its strength from a unity of purpose combined with a diversity of outlook which requires it to examine every facet of life and uphold the higher human values implicit in the arts, the humanities, and the sciences.
4. The Faculty will serve the needs of society but, in so doing, it will also be society's critic, encouraging independent thinking, free discussion, and the pursuit of truth.
5. The Faculty is jealous of its freedom, which it will exercise without fear or favour, promoting in its members and students the spirit of courageous enquiry.
6. The Faculty recognizes that the constitution and function of the University itself should be open to re-examination by the academic community as a whole.
7. The Faculty maintains that to serve society best, the University must be self-determining in academic matters.

Structure

The Faculty of Arts consists of the following departments: Anthropology; Economics; English; Gender, Religion, and Critical Studies; Geography and Environmental Studies; History; International Languages; Justice Studies; Philosophy and Classics; Politics and International Studies; Psychology; and Sociology and Social Studies. In addition to the general admission requirements for the Faculty of Arts, some programs have additional admission requirements. Please refer to the [Table of Admission and Residency Requirements](#) of this section.

Qualifying Year

Students with high school graduation averages between 60.00-69.99% will be admitted to the Faculty of Arts and required to complete the Arts Qualifying Year in their first two terms, as follows:

Term 1	Term 2
ACAD 100 or RDWT 120 (3.0 credit hours)	ENGL 100 (3.0 credit hours) and Writing Lab
SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit) *	SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit) *
Faculty of Arts course (3.0 credit hours)	Faculty of Arts course (3.0 credit hours)
ARTS 099 (0.0 credit hours)	Faculty of Arts course (3.0 credit hours) (optional)
*Additional program fees are required above standard registration and course fees.	

To proceed to Term 2, students must successfully complete and pass each requirement in Term 1. Failure to do so will result in the student being required to discontinue from studies in the Faculty of Arts for a minimum of three terms.

To successfully complete the Arts Qualifying Year, students must:

- Receive a 50% (pass) in ACAD 100 or RDWT 120, ENGL 100, and all other courses completed in the program;
- Receive a "P" (pass) in ARTS 099; and
- Receive a "P" (pass) in SSW ACT in both terms.

Unsuccessful completion of the Arts Qualifying Year will result in the student being required to discontinue studies in the Faculty of Arts for a minimum of three terms. Students who have completed the Arts Qualifying Year will not be accepted to the Academic Recovery Program (ARP) in the Faculty of Arts in future terms.

Arts Transition Program (ATP)*

All students admitted, or re-admitted, to the Faculty of Arts with an undergraduate grade point average (UGPA) between 50.00-59.99% are required to successfully complete the Arts Transition Program in their first two terms.

The GPA will be calculated on either (i) all U of R courses attempted - when students have attempted 15.0 credit hours or more at the U of R (i.e. UGPA); or (ii) all recognized post-secondary courses attempted - when students have attempted less than 15.0 credit hours at the U of R (i.e., AGPA).

Term 1	Term 2
ACAD 100 or RDWT 120** (3.0 credit hours)	ENGL 100 (3.0 credit hours) and Writing Lab
SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit)*	SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit)*
Faculty of Arts course (3.0 credit hours)	Faculty of Arts course** (3.0 credit hours)

*Additional program fees required above standard registration and course fees. **Students admitted through the First Nations University of Canada must complete INDG 104 (3.0 credit hours) and RDWT 120 (3.0 credit hours). Students admitted to the University of Regina, Campion College or Luther College must complete ACAD 100.	

To proceed to Term 2, students must successfully complete and pass each requirement in Term 1 and, achieve a Term Grade Point Average (TGPA) of 60.00%. Failure to do so will result in the student being required to discontinue from studies in the Faculty of Arts for a minimum of three terms.

To successfully complete the Arts Transition Program, students must:

- Receive a 50% (pass) in ACAD 100, ENGL 100, and all other credit courses completed in the program;
- Achieve a minimum Term Grade Point Average (TGPA) of 60.00% in both terms while in the ATP program;
- Receive a “P” (pass) in ARTS 099;
- Receive a “P” (pass) in SSW ACT in both terms; and
- Must have a minimum UGPA of 60.00%.

Students who successfully complete the requirements of ATP yet still have an UGPA below the minimum standard of 60.00%:

- Will be allowed to extend studies in the Faculty for an additional 15.0 credit hours,
- Will be limited to a maximum of 12.0 credit hours per term, and
- Must have a minimum UGPA of 60.00% by the end of the 15.0 credit hour extension or the student must withdraw (MW) from the university.

Program Policies

If a student has already passed ACAD 100, INDG 104, RDWT 120, and/or ENGL 100 another Faculty of Arts course may be substituted.

Students who have completed the ATP will not be accepted to the Academic Recovery Program (ARP) in the Faculty of Arts in future terms.

While in the Arts Transition Program, students on university-level academic probation will not have their attempted credit hours counted toward the 24-credit hour probationary period.

Students who receive a failing grade in a third completed attempt at ENGL 100 must withdraw (MW) from the university as outlined in the [Academic Regulations](#) section of the Undergraduate Calendar.

Students cannot appeal the requirements of the ATP.

Transferring into the Faculty of Arts Requirements

Students who have taken university courses must meet the requirements as outlined in the [Admissions](#) section.

Students who do not meet the criteria to transfer into the Faculty of Arts may appeal for admission, in writing.

Refer to the deadlines, guidelines, and appeals procedures outlined in the Admissions section.

Re-admission or Transfer after being Required to Discontinue (RTD) or Forced to Withdraw (MW)

Students who have been forced to withdraw from the University of Regina or required to discontinue from another faculty or another post-secondary institution must appeal for admission or re-admission in writing. Refer to the deadlines, guidelines, and appeals procedures outlined in the [Student Code of Conduct and Right to Appeal](#) section.

Residency and Transfer Credit

Transfer of credit from other universities and colleges, refer to the Admissions section for transfer credit regulations.

Students in the Faculty of Arts may complete courses at other post-secondary institutions only if they obtain permission in advance. They are strongly encouraged to consult with an [academic advisor](#) to ensure their eligibility and that such courses contribute to their Arts program, as well as to familiarize themselves with the timelines involved. The Faculty (or federated college) will normally grant permission to students who are in good academic and financial standing at the time of the request. Good academic standing means that the student has the minimum UGPA, PGPA and Major GPA required to graduate from their program; has completed the appropriate prerequisite for the credit to be granted at the University of Regina and that the credit to be awarded by the University of Regina has not previously been attempted more than twice (or in the case of ENGL 100, three times). Good financial standing means that there are no financial holds on a student’s account that would preclude registration at the University of Regina.

Credit may be granted only for courses that satisfy a student’s Faculty of Arts program requirements. Students must provide the Faculty (or federated college) with a course syllabus, whenever possible, from the other institution, as well as ensure that the other institution sends an official transcript to the University of Regina. The official transcript must be received before the Faculty (or federated college) issues a subsequent letter of permission. Failure to do so or poor academic performance on courses completed elsewhere may result in the Faculty, or

Federated College, denying a student subsequent permission to take courses elsewhere for credit.

Students studying at a Saskatchewan Post-Secondary Distance Education member institution may be exempted from some of the above requirements. The onus is on the student to make the request for an exception. ***Note:** Grades in courses awarded transfer credit are not used in the calculation of GPAs except for some students admitted to the BA in Police Studies program and/or students who are members of the RCMP and have had the residency requirement relaxed.

Prior Learning Assessment and Recognition (PLAR)

In consultation with appropriate members of departments/programs, the Faculty of Arts may evaluate and grant credit for qualifying informal learning up to a maximum of 15 credit hours. Credit may be granted on a case-by-case basis and according to the Recognition of Prior Learning (RPL) assessment process. Credit will only be awarded for demonstrated learning which includes knowledge, skills, and abilities. It will not be awarded for experience alone.

The University of Regina processes used for evaluating prior learning include:

- Credit may be granted as elective transfer credit, as credit specific to courses in the Faculty of Arts, or as a combination of both (i.e., Level credit in a particular discipline), up to the maximum of 15 credit hours that may be used toward any program offered by the Faculty of Arts.
- In the case of elective transfer credit, two faculty members, from relevant disciplines in the Faculty of Arts, will be asked by the Associate Dean (Undergraduate) or the federated college Dean or designate to evaluate a portfolio supplied by a student who is seeking such credit.
- In the case of course-specific credit, the Associate Dean (Undergraduate) or the federated college Dean or designate will ask the Head/Coordinator of the applicable Department/Programs to consult with one or more content specialists and to evaluate a portfolio supplied by a student seeking credit for that course. Credit will be awarded for demonstrated learning equivalent to the standards of the specific course(s) as required by the Departments/Programs in which the credit is sought.

An individual interested in seeking credit for prior learning assessment is strongly encouraged to contact the Centre for Continuing Education Student Services or an academic advisor in the Faculty of Arts or federated college. They will assist students with the process to facilitate a focused application. The approval of credit is at the discretion of the Associate Dean (Undergraduate) or the federated college dean or designate.

Residency Requirements

In each program, students must complete a certain minimum number of courses or credit hours from the University of Regina. Further to the general admission guidelines of the Faculty of Arts, some programs have additional admission requirements. These requirements are indicated in the following table.

For the Honours BA, three 400-level courses, including the honours paper, must be taken from the University of Regina. For the BHI, students must still meet the specific course requirements, and they must complete JS 490 and JS 492 through the University of Regina (although the actual placement may be outside of Regina).

Normal admission, program, academic standing, and graduation regulations apply, with the exception that grades in courses taken at other post-secondary institutions are included in the calculation of program and major GPAs. Students pay tuition and other required fees at whatever institution they are attending. Applicants must indicate "RCMP" on their application for admission form and give their badge number.

Academic Advising and Registration

Academic Advising

Academic advising is designed to help students to understand their academic options and to build a degree program with academic integrity, tailored to their interests and goals. Students who enroll in the Faculty through Campion College, Luther College, or the First Nations University of Canada receive all academic advising from their college and should consult the federated college section of this Calendar or their college's academic or registrar's office for more information. Students who enrol in the Faculty directly are encouraged to arrange for academic advising upon receipt of their letter of admission or transfer by calling the Arts Student Services Office at 306-585-4137 or by e-mail at: arts.studentservices@uregina.ca.

Advising is recommended prior to registration in the first term. The Faculty recommends that students consult an advisor at least once a year.

The Arts Student Services Office will provide a printed program audit on [request](#).

Students may also obtain other general information regarding programs, academic regulations, and registration from the Arts Student Services Office website at www.uregina.ca/arts.

Students are required to follow the [Student Code of Conduct](#).

Registration

The Faculty's standard method of registration is online using [UR Self-Service](#). Students who enroll in the Faculty directly should contact the Arts Student Services Office (CL 411) if they have any questions about registration procedures. Students who enroll through Campion College, Luther College, or the First Nations University of Canada should contact their college.

Students are responsible for ensuring that program requirements and academic regulations are met. Online registration does not prevent students from registering in courses that do not apply to their degree

program or for which they have not met the prerequisite(s). Students must choose their courses to satisfy the prerequisites of the course (refer to course descriptions in [UR Self-Service](#)) and the requirements of their degree program(s) (refer to degree program requirements listed in the departmental sections). Students should confirm their registration in UR Self-Service.

Course Load

The normal maximum course load for the fall and winter terms may not exceed 15 credit hours and the spring/summer term may not exceed 12 credit hours. Students with incomplete deferrals should refer to the [Academic Regulation](#) section, Maximum Course Load Including Deferrals.

Students can request permission from the Arts Student Services Office (or, for students registered through a federated college, from their college's Academic or Registrar's Office) to carry up to 3 additional credit hours. To be eligible for consideration, they must have successfully completed 30 credit hours and have a UGPA of at least 70.00%.

Prerequisites

Students are responsible for ensuring that they have the required prerequisite(s) before taking a course. Students who fail a course that is a prerequisite for one in which they are already registered must make appropriate changes to their registration.

Registration Permit/Override Permission

Under certain circumstances students must obtain permission before they can register online for certain course sections. Students requiring such permission must complete a [Registration Permit/Override Permission form](#), obtain all the required signatures, and deliver the form to the Arts Student Services Office (or to the appropriate federated college if they are registered with a college). The form is available online or from the Arts Student Services Office.

Permission must be obtained in the following instances (and is not automatically granted, nor does it guarantee space in a course):

- A third attempt in a course (or fourth attempt for ENGL 100);
- The required prerequisite has not been completed;
- Permission of department head or a placement test is required to register;
- The faculty, college, program, or major restriction is not met;
- Scheduling conflicts.

Registration Requirements for Students Granted Mature Admission

Students granted mature admission are limited to registering in a maximum of 12 credit hours in their first term. They may register in more than 12 credit hours if they have the equivalent of 12 credit hours of transfer credit from another recognized post-secondary institution with a grade point average of 65.00% or better.

Evaluation of Academic Performance

Refer to the University's Academic Regulations under the heading Grading System and Descriptions (see [Academic Regulations](#) section).

Dean's Honours List

The Dean's Honours List is compiled each term. The list has two parts, one for full-time students and the other for part-time students.

To be included on the full-time list students must have completed a minimum of 12 credit hours of numerically graded University of Regina courses in the current term and have achieved a term grade point average (TGPA) of at least 85.00%.

Students will be included on the part-time list if they took at least 3 but less than 12 credit hours of numerically graded University of Regina courses in the current term and achieved a GPA of at least 85.00% across all of the most recent terms needed to complete a minimum of 12 credit hours of numerically-graded University of Regina courses since the term in which they were last on the Dean's Honours List (or, in the case of students who have never previously been on the Dean's Honours List, since they were admitted to the University of Regina).

Inclusion on the Dean's Honours List will also be noted on students' official transcripts.

Probation and Mandatory Withdrawal

The Arts Student Services Office (or the relevant college) audits students' academic performance after each term (for this purpose the spring and summer terms are treated as a single term). Letters are e-mailed in May, September, and January to students who are placed on academic probation or forced to withdraw (MW) their studies. When MWs are assessed, they are effective immediately. Students may appeal being forced to withdraw but must do so before the deadlines indicated in their letters. Appeals received by the deadline are heard within the term; late appeals will not be heard.

When the Arts Student Services Office (or the relevant college) evaluates academic performance, it may discount some failed courses from other faculties, if the course(s) are not required for the student's current program of study as anything other than open electives. Students who have voluntarily sat out a period of not less than two years may also have failures before this voluntary discontinuance discounted when their academic performance is evaluated.

Students who have been forced to withdraw from their studies must apply to be re-admitted to the Faculty. The decision of the Faculty on such applications is final and cannot be appealed. Students who are re-admitted may have conditions placed upon them.

Requirement to Discontinue from the Faculty of Arts

The following additional regulations apply only to students registered in the programs indicated:

Arts Transition Program and the Academic Recovery Program

Students who fail to complete the requirements of either the first or second term of the Arts Transition Program will be required to discontinue their studies in the Faculty of Arts for a minimum of three terms. If a student has previously been unsuccessful in the Academic Recovery Program, then the student will be forced to withdraw from the University of Regina indefinitely. Upon completion of the relevant period of discontinuance, students may petition for re-admission to the Faculty and may then have to complete the outstanding requirements of the program.

BA in Police Studies

Students who are dismissed from their police service position before completing the internship will be required to discontinue indefinitely from the BA in Police Studies.

BA in Journalism and Bachelor of Journalism

Students may be required to discontinue indefinitely from these programs if they cannot maintain a minimum TGPA of 65.00% or if they fail a required course.

Students may also be required to discontinue indefinitely from these programs if they fail their internship or if they do not maintain satisfactory academic performance or professional development. Re-admission to the program is at the discretion of the School. A student has the right to appeal the School's decision to the Student Appeals Committee of the Faculty of Arts.

Time Limit and Graduation Requirements

Applying and Approval to Graduate

Students who wish to have their degree conferred as soon as possible after completing their requirements should apply upon registration in their final term of courses. Students who will be finishing in December need to apply by November 30 to have their degree conferred in January. Students who will be finishing in April need to apply by January 31 to have their degree conferred in May. Students who will be finishing during Spring/Summer session need to apply by July 31 to have their degree conferred in October. Students who plan to attend the Convocation ceremony should note the relevant deadlines in the [Graduation](#) section.

Certificates

Students who completed the requirements for a Certificate while working toward completion of a degree program may not apply to have the Certificate awarded if more than one year has elapsed since the degree was awarded.

Faculty of Arts

Graduation Requirements

Please refer to [Calculation of Grade Point Averages \(GPAs\)](#) in the Academic Regulations section for definitions and calculation of GPA.

Undergraduate GPA: The UGPA is based on all University of Regina courses taken, but when a course has been repeated, only the grade in the most recent approved attempt is used.

Program GPA: For all degrees, diplomas, and most certificates, the Program GPA is calculated on all courses used in the program. For the

Advanced Certificates and Honours Certificate, the PGPA is calculated on the aggregate of degree, diploma, and certificate courses.

Major and Minor GPA: Calculated on the courses used to meet the major and minor requirements.

BA Honours GPA: For Honours degrees and certificates, the BA Honours GPA is calculated on the courses used to meet the BA Honours Major Requirements. Second (non-Honours) major and minor GPAs are calculated on the courses used to meet the major or minor requirements.

Requirements for Special Mentions

Students who believe they qualify for a *Bilingual mention*, *Co-operative Education*, or *International designation* must indicate this on their application for graduation. Awards of “Distinction,” “Great Distinction,” and “High Honours” are made automatically by the Faculty.

Bilingual mention/mention bilingue

A minimum of 40% and maximum of 60% of courses counted towards the degree program taken in French, including at least three (3) courses from departments other than French (but must be from the Faculties of Arts, Media, Art, and Performance, or Science).

Co-operative Education Designation

Completion of at least three (3) Co-op work terms.

International Designation

Completion of at least one of the following international experiences:

1. A one term (or more) out-of-country co-op work term, internship, or practicum; or
2. A three-credit hour (or more) University of Regina course (or a course taken on a letter of permission at another Canadian post-secondary institution) that includes at least two weeks out of the country. If the course includes less than two weeks out-of-country experience, the approval of the Dean or designate will be needed for the student to receive international designation; or
3. Participation in an international exchange program, completing three or more credit hours; or
4. A minimum of three credit hours of courses taken by prior permission of the University of Regina at an out-of-country post-secondary institution.
5. Other international experiences will be considered on a case-by-case basis.

Distinction

For degrees (except Honours), a minimum graduating program GPA of 80.00%.

Great Distinction

For degrees (except Honours), a minimum graduating program GPA of 85.00%.

High Honours

For the BA Honours, a minimum graduating program GPA of 85.00%.

Other Faculty Regulations

Awarding of Concurrent and Additional Degrees and Programs

Students may receive from the Faculty of Arts only one certificate, diploma, degree, major and/or minor, in a principal area of study at one time. That is, the academic emphasis of each program must be distinct from any other programs a student pursues at the same time. No more than half of the courses taken by the student to satisfy the requirements of one certificate, diploma, or degree, major and/or minor can be used toward the requirements for another for both to be awarded concurrently.

Deferral of Final Examination and/or Course Work

Students who are unable to complete a course for serious medical or personal reasons may be eligible to defer some of the course work. Students in this situation should consult the Arts Student Services Office, or the Academic or Registrar's Office of the relevant federated college, as quickly as possible.

Extensions on deadlines for completion of assignments or writing of final examinations may be granted to students on the basis of illness, accident, or other extreme and legitimate circumstances beyond their control. If students become very ill or encounter other serious difficulties early in the term or when no course work has yet been completed, withdrawal may be a better option.

Courses

Outdated Courses

Students who are admitted or re-admitted to the Faculty, having completed courses in their proposed major more than 10 years ago, may be required by the Faculty to update their knowledge by repeating or taking additional courses in their major. These decisions are made by the Faculty's Undergraduate Student Appeals Committee on the recommendation of the head of the department offering the major. The earlier attempt at any passed courses that must be repeated under this regulation can be counted for elective credit.

Failed Courses

If students fail a course that is a prerequisite to one in which they have enrolled in the ensuing term, it is their responsibility to drop the latter course. Whether or not they drop, they will be refused credit for the latter course, even if it is successfully completed.

Introductory Courses

For Faculty of Arts programs, a maximum of 48 credit hours may be in 100-level courses.

Elective Courses

The following courses are not considered to be university-level and so may not be taken for credit towards an Arts degree or certificate program: CHEM 100; AMTH/PMTH 091 and 092.

Students will receive elective credit for ACAD 100 towards any Arts program if it is completed prior to the successful completion of ENGL 100, if completed as part of the Arts Transition Program or Academic Recovery program, or with permission of the Associate Dean (Undergraduate), or designate, if taken afterward.

A maximum of six credit hours of activity-based KHS courses may be included in a Faculty of Arts certificate, diploma, or degree program. These courses include KHS 131, 132, 135, 231, 232, 233.

Repeating Courses

Normally students may only repeat a course once (the exception is English 100, which may be repeated twice).

Students wishing to repeat a course more than once (or more than twice in the case of English 100) must make written application to the Faculty of Arts Student Services Office (or, for students registered through a federated college, to their college's Academic or Registrar's Office). Such requests are approved only in exceptional circumstances, as indicated in a guide that is available from the Arts Student Services Office, from federated college Registrars, or on the web at www.uregina.ca/arts/student-resources/registering-classes/repeating-courses.html.

Students must also obtain Registration Permit/Override Permission from the Arts Student Services Office or their college to register online in a third (or fourth for ENGL 100) attempt at a course.

For students with repeated courses, GPAs will be calculated using the most recent grade attained in that course.

***Note:** BA and BA Honours degrees in International Studies require four language courses in the same language.

Students who, as part of their admission to the Faculty of Arts, had to complete an English Language Proficiency test or who completed ESL 050 at the University of Regina or those who already write another language are exempt from this requirement. Previous knowledge in a language other than English requires a pre-registration assessment. Contact the Arts Student Services Office or the Department of International Languages for further information.

Major (36-72 credit hours)

The Faculty of Arts offers majors as listed in the Academic Programs in Arts table.

Majors require between 36 and 72 credit hours (12- 24 courses), with at least nine credit hours at the 300- or 400-level. Departments may also specify up to 15 credit hours in courses in related ("cognate") subjects. Combined majors have a minimum of 60 credit hours (20 courses).

Students can choose to do two majors. The second major can be in another subject offered by the Faculty of Arts, or in a subject offered by either the Faculty of Media, Art, and Performance or the Faculty of Science, or La Cité.

Individual Major

If concentration in one subject area does not completely fulfill the pursuit of a specific goal, students have the option of pursuing an individualized interdisciplinary major. Students have the flexibility to create major involving courses from several different subject areas which share a common theme. Individual majors have been pursued in topics such as Canadian studies, cognitive science, development studies, and social sciences.

Students who want to pursue the interdisciplinary study of a different theme should consult the Arts Student Services Office (or, for students registered in a Federated College, their College's Academic or Registrar's Office) for information about individual majors.

Minor (optional) (18 - 24 credit hours)

Available minors are listed in Academic Programs in Arts table. Students may declare up to two minors.

Arts students are permitted to complete a minor in Media, Art, and Performance, Kinesiology, Science or La Cité (refer to the respective faculty's section for minor requirements).

Electives

Degree-credit courses offered by this University can be counted towards a student's program as an elective. Refer to Elective Courses for regulations governing elective courses. Students are encouraged to consult an advisor in the department offering their major for help in constructing a well-rounded program.

A maximum of 60 credit hours of courses outside the Faculties of Arts, Media, Art, and Performance; Science, or La Cité may be counted towards a BA program.

Bachelor of Arts Honours Overview (BA Hons)

A BA Honours program is one that allows more specialization than is possible in the BA. It is designed for students who wish a deeper insight and more intensive training in their subject of special interest and who can meet the higher standards set. Students interested in entering an honours program should consult the head of the department concerned as early as possible in their academic programs, so that the program of studies may be planned in conformity with the requirements of the proposed honours program.

Requirements

The BA Honours program consists of a minimum of 120 credit hours and must include the following:

1. All of the BA core requirements.
2. A requirement of 51 to 66 credit hours in the major as determined by each department, including a minimum of 12 credit hours at the 400 level in not fewer than 3 courses. Students should consult with the department concerned for specific requirements.
3. An honours paper, a program of honours courses, and/or a comprehensive oral or written examination. Students should consult with the department concerned for specific requirements.
4. A maximum of 48 credit hours of introductory courses are allowed towards the program.

Application Procedures for Honours Programs

Requirements for admission to Honours programs are outlined in the [Table of Admission and Residency Requirements](#). There is a formal application procedure for the Honours programs; application forms are available from the Arts Student Services Office and College Registrar's Offices or on the web at: <https://www.uregina.ca/arts/student-resources/choosing-program/honours-programs.html>. Students can apply in the term in which they will complete the minimum requirements for their major as identified in the Table of Admission and Residency Requirements.

Advanced Certificate in Arts

The Advanced Certificate in Arts provides the equivalent of a four-year BA degree to holders of a three-year BA from the University of Regina or another approved university. The Advanced Certificate in Arts may be in a major different than that of the underlying BA program.

Students must complete at least 30 credit hours in addition to the courses in the three-year BA, including any remaining requirements of their chosen major. Students whose BA is from another university must complete at least 15 credit hours in the major subject as part of the certificate.

Each student's program must be approved by the head of the department offering the major. The certificate requires the same graduating GPAs (calculated on the aggregate of degree, diploma, and certificate courses) as the BA degree.

Bachelor of Arts Honours Certificate

The BA Honours Certificate provides the equivalent of a four-year Honours degree to holders of a three-year BA or a four-year bachelor's degree from the University of Regina or another approved university. The Honours Certificate may be in a major different than that of the underlying degree program.

Students must complete at least 30 credit hours in addition to the courses in the bachelor's degree, including any remaining requirements of the BA Honours in (and any remaining core requirements if their previous degree is not a BA from the University of Regina), and must meet the residency requirements. The BA Honours Certificate is governed by the same regulations, has the same admission criteria and procedure, and requires the same graduating GPAs (calculated on the aggregate of degree, diploma, and certificate courses) as the BA Honours degree.

Arts Work Experience Internship (AWEI)

The Faculty offers a Work Experience Internship Program for Arts Students. The program serves to enhance the educational experience of students by adding a work experience that integrates conceptual and applied learning in the workplace. Interns work at host organizations on a designated project. Host organizations in turn, receive help in completing projects and research, and can assess the quality of students as potential future employees.

Under this program, students work 8-12 hours a week doing practical research-oriented work in various provincial organizations and receive 3 credit hours for a course, as well as valuable work experience. If appropriate, the course can be used to fulfill a major requirement. Con-

sult [UR Self-Service](#) for course description. More information and internship postings can be found at:

www.uregina.ca/arts/work-experience/internship.html.

Co-operative Education Program in Arts

Co-operative education is a degree option that allows students to combine their academic studies with career-related work placements, enabling them to integrate academic theory with practice in the field. The Faculty of Arts offers programs in co-operative education in all degrees, except for those with an internship or practicum component (Bachelor of Health Studies, the Bachelor of Human Justice, the BA in Police Studies, the BA in Journalism, and the Bachelor of Journalism).

Students spend alternate four-month periods taking university courses and working in fully-salaried jobs, often related to their discipline, with participating employers. Students in this program would complete a minimum of 3 four-month work terms in addition to their course work, so that it may take an additional 8-12 months to complete the degree requirements.

The benefits of co-operative education include improved motivation and academic performance, practical work experience that will help in career selection, financial gain while in school, and improved salaries and employment placement upon graduation.

Criteria for Entrance into the Co-op Program in Arts

1. Declaration of a major in Arts or a BSc or BSc Honours offered by the departments of Economics, Geography and Environmental Studies, or Psychology. Students completing the Bachelor of Health Studies, the Bachelor of Human Justice, the BA in Police Studies, the BA in Journalism, and the Bachelor of Journalism are required to complete an internship and so are not eligible to participate in the Arts Co-operative Education program.
2. Completion of a minimum of 45 and a maximum of 84 credit hours in acceptable degree programs as noted above in point 1. Students may apply in the term in which they will complete 45 credit hours.
3. A program grade point average (PGPA) of at least 67.50% and a major GPA of at least 70.00%.
4. Completion of ENGL 100 and one of the Faculty's Textual Studies requirements: ENGL 110; RLST 245, 248; PHIL 100 or SOST 110
5. Completion of at least two courses in their major.

Students will be expected to demonstrate minimal standards of computer literacy, specifically knowledge of word processing, spreadsheets, and presentation software.

Students who are completing two programs or degrees at the same time will be allowed to participate in the Co-operative Education Program in Arts, unless one of their programs requires a practicum, work placement, internship, or professional training.

Registration in the Co-op Program

Students participate in the Co-operative Education Program under the direction of the Academic Co-op Coordinator. Policies, procedures, and deadlines for Co-operative Education programs must be adhered to. Details are contained in the General Information for Students sec-

tion of the Undergraduate Calendar or see the Co-op Student Handbook at:

<https://www.uregina.ca/careercentre/coop/current-students/handbook.html>.

Students register in and complete ARTS 001-004.

Continuation in and Completion of the Co-op Program

Successful completion of three work terms (which may be in different departments) is required for the Co-op designation, with a fourth work term being optional. A student's final term must be academic study. Upon graduation there will be an appropriate designation on the diploma and transcript of each student who meets the requirements of the Faculty of Arts for the Co-operative Education program.

To continue in the Co-op program, students must maintain a PGPA 67.50% and major GPA of 70.00%. Students who have one "F" grade for work terms will normally be required to withdraw from the Co-operative Education Program in the Faculty of Arts. Students must comply with the rules specified in the Co-op Student Handbook.

Failure to follow the rules results in an automatic failure for the work term. The Associate Dean (Undergraduate) of Arts, or designate, will resolve problems. Appeals may be made to the Faculty of Arts Students Appeal Committee.

Please contact the Co-operative Education Office, the Arts Students Services Office, or consult our web page at

www.uregina.ca/arts/work-experience/coop.html for further information.

First Nations University of Canada Co-op Program

The First Nations University of Canada Co-op program parallels the policies and procedures of the University of Regina Arts Co-op program with the exceptions that (1) students will enroll in the First Nations University's Arts Co-op work terms, regardless of their degree program, and (2) the evaluation process is designed to meet the First Nations University of Canada's vision for students to understand the non-First Nations system by retaining First Nations values.

Department of Economics

Website: www.uregina.ca/arts/economics/

General Information

The Department of Economics offers four-year Bachelor of Arts degrees in: Economics, Economics and Business Administration, Economics and Geography (Admissions suspended), Economics and History, Economics and Society, and Philosophy, Politics and Economics. It is also possible to do a minor in Economics, an Economics Certificate, or a Bachelor of Science degree with a major in Economics or a combined major in Statistics and Economics.

The majors in Economics (both BA and BSc) are good choices for students who plan to work as professional economists, whether in the private or public sectors, or non-profit organizations. These majors place greater emphasis on theory and quantitative analysis. The major in Economics and Society, and the combined majors, are designed for students who want liberal arts and interdisciplinary approaches to economics, who are preparing for professional schools (e.g., law), or who plan to complete graduate programs in business, public administration, or international relations. Compared to the majors in Economics, these majors place more emphasis on policy and applications. Students taking the Economics and Society major are strongly urged to combine it with a minor or major in another social science or with the Diploma of Business Administration.

The BA Honours in Economics (both BA and BSc) are the best choices for those planning on a career as a professional economist or hoping to pursue graduate studies in economics. The BA Honours ins require more economics courses than any of the other economics majors, including more courses that emphasize theory, mathematics, and quantitative methods. They are more intensive and theoretically oriented than the other majors but do open more career opportunities.

For all degree programs in Economics, ECON 100 is highly recommended, but not mandatory. Students who have received credit for either ECON 201 or 202, or any ECON course numbered 300 or higher may not take ECON 100 for credit. Students who have already received credit for both ECON 201 and ECON 301 may not retake ECON 201 for credit. Likewise, students who have already received credit for both ECON 202 and ECON 302 may not retake ECON 202 for credit.

BUS/ADMN 340, Government Finance, may be counted as 200-level credit in economics (but see note to ECON 232 in Course Descriptions).

Religious Studies Programs

General Information

The academic study of religion applies the techniques of the humanities and social sciences to the vast spectrum of human practices that claim to be grounded in a transcendent, superhuman, or otherwise extraordinary level of reality. The student may aim to understand specific religious traditions or specific religious phenomena better and more rigorously in their historical, social, linguistic, and cultural contexts. Others may wish to explore questions of more global and comparative significance, with a view to making sense of religion (or aspects thereof) as shared, cross-cultural, broadly human behaviors. Courses are not designed to foster personal religious commitments or to evaluate to that end the relative merits of various religious practices, traditions, and points of view.

Religious practices and beliefs figure prominently in a wide array of human activities, from music, film, and the visual arts to literature; from politics, economics, and collective meaning-making to personal coping mechanisms. The study of religion therefore can serve as an entry point or a supplement to any number of fields of academic study, as well as professions associated with public policy, health, social work, education, or business and administration.

Women's and Gender Studies Programs

Website: www.uregina.ca/arts/womens-gender-studies/

General Information

Women's and Gender Studies programs are interdisciplinary programs that engage both social science and humanities' perspectives, and provide critical reading, writing, and thinking skills in order to contribute to the development of Canadian society and the world at large. Drawing upon and contributing to methods, theories and data related to history, English, sociology, religious studies, philosophy of science, film theory, philosophy, justice studies and so forth, Women's and Gender Studies broadens knowledge and understanding of human social and cultural systems. In Women's and Gender Studies there is a critical engagement with gender, race, class, ethnicity and their interconnection with knowledge formation and power differentials. Those of us teaching in Women's and Gender Studies are part of a larger community of feminist scholars, writers, artists, and activists within and outside of the university. In Women's and Gender Studies there is a commitment to provide transformative feminist frameworks for viewing and changing the conditions of women's lives and gender relations.

Women's and Gender Studies courses are open to all students in every faculty. Instructors in Women's and Gender Studies are specialists in a number of traditional disciplines whose research concentrates on gender, sex, sexuality, race, women, and men. Thus, the Women's and Gender Studies department provides a rich source of experience and expertise.

Students may establish an area of focus in the Women's and Gender Studies major and BA Honours in programs. "Themes and Theorizing" indicates a focus in feminist theories, and categories of analysis, while "Health and Environment" indicates a focus in women's issues related to health and the environment. Health Studies Program

Website: www.uregina.ca/kinesiology/health-studies.html

General Information

The Bachelor of Health Studies and the Certificate of Health Studies are joint initiatives between Faculty of Arts and the Faculty of Kinesiology and Health Studies in partnership with First Nations University of Canada. The Bachelor of Health Studies degree aims to provide students with an integrated understanding of the ways in which a) social, economic, and cultural "determinants of health" shape b) individual beliefs, attitudes, and practices, which in turn c) affect physiological and biological functioning of individuals. The degree promotes an interdisciplinary understanding of health, drawing on both the social sciences and the natural sciences, and aims at promoting knowledge development and action conducive to health. This program meets the needs of Saskatchewan and Canada as health issues continue to dominate public policy choices. A key feature of this program is its emphasis on understanding Indigenous health needs.

Admission to Health Studies

Students apply to be admitted to the Bachelor of Health Studies or Certificate in Health Studies through the Faculty of Kinesiology and Health Studies or the Faculty of Arts (including Campion College or Luther College) at the University of Regina, or the First Nations University of Canada.

Several articulation agreements have been approved with Saskatchewan Polytechnic (Combined Lab-X-ray Technologist; Health Information Management; Advanced Care Paramedic, Cytotechnology), in addition to Dental Hygiene.

For further information about application to admission to the Bachelor of Health Studies Program, please visit www.uregina.ca/kinesiology/health-studies.html.

Fieldwork

The Health Studies Program believes that a well-conceived professional Fieldwork Program is essential for the facilitation of learning and personal growth of undergraduate students. Experiential learning is one of the critical steps a student takes in preparing for a career. Hence, the 'placement' of a student in a supervised educational experience is an integral part of a student's education in which a student may observe, inquire, participate, contribute, and learn.

KHS 300 (Pre-Fieldwork Seminar) is designed to provide an in-depth overview of the Fieldwork Program. If the student wishes to complete their Fieldwork requirement outside the province of Saskatchewan, it is highly recommended that the student complete KHS 300 two terms prior to registering for HS 448 (Fieldwork - BHS) to allow for enough preparatory time.

HS 448 is designed to assist the student with the transition from the academic present to the professional future. It is an opportunity to engage in the practical application of theories in a real-world environment. Fieldwork is considered to be a senior part of the academic program and must be completed within 12 months of completion of KHS 300 (Pre-Fieldwork Seminar).

Bachelor of Health Studies Fieldwork Substitution Students who show that they have substantial and relevant work experience can apply to the coordinator to waive HS 448 (Fieldwork).

Instead, they will take HS 449 (Health Field Experience Paper) and will substitute the remaining 12 credit hours with courses approved by the coordinator(s).

Deadlines for Registration in HS 448 (Fieldwork)

- spring/summer and fall term March 25
- winter term November 25

For more information on the Fieldwork Program please refer to the Fieldwork section of www.uregina.ca/kinesiology.

Scheduling of Fieldwork

HS 448 must be taken within twelve months (three terms) of completion of KHS 300 (Pre-Fieldwork Seminar). The Fieldwork Coordinator reserves the right to require a student to re-take KHS 300 (Pre-Fieldwork Seminar) if the organized Fieldwork Practicum falls outside of the three-term time restriction.

Indigenous Communication Arts Program First Nations University of Canada

General Information

A two-year, 72-credit-hour program of studies, the Diploma in Indigenous Communication Arts (INCA) is offered through the First Nations University of Canada.

Indigenous Communication Arts (INCA) provides academic training and professional experience that supports the entry of Indigenous people into all areas of the communications industry, including Indigenous and mainstream media and public relations. INCA graduates are also eligible to apply to the University of Regina School of Journalism. *Admission to the U of R Journalism school is suspended as of May 1, 2023.*

INCA prepares students by requiring that they complete courses including Indigenous history and politics, oral traditions, community-based research, business management, traditional and contemporary communication systems, languages, and art. INCA students master basic skills needed for reporting for print and broadcast media and the web and can also study strategic communication planning for public relations.

Admission to Indigenous Communication Arts

To qualify for admission to INCA, students must be eligible for admission to the First Nations University of Canada/University of Regina. Proficiency in English must be well above average, and it is strongly recommended that applicants have basic computer skills.

Upon being accepted by First Nations University of Canada/University of Regina, students must contact the Faculty for academic and professional advising.

Diploma in Indigenous Communication Arts

The basic requirements of the INCA program are those of the Pre-Journalism Program. INCA students take INDG 281 and 282 and INCA 283 and 284 as electives in the Pre-Journalism Program of the Faculty of Arts. In addition to the pre-journalism requirements, INCA students take INCA 200 (Summer Institute in Indigenous Communication Arts) and INCA 290 (Internship).

Indigenous Languages Program

General Information

No culture can survive without the retention of its language. One goal of the First Nations University of Canada Languages and Linguistics program is thus to strengthen First Nations identity by ensuring the survival of the languages of Saskatchewan's First Nations. The department aims to instill in its students a sense of pride in the knowledge and use of the Indigenous languages.

The Indigenous Languages Program offers courses in Cree, Anihšīnāpēmowin, Nakota, Dakota, and Dene languages, and in general linguistics. For the First Nations languages of Saskatchewan, introductory courses teach conversational fluency and an awareness of how each language works. More advanced courses explore the structures, writing systems, and literatures of Saskatchewan's Indigenous languages, as well as principles of translation, expository and creative writing, oral tradition, and directed studies. Introductory courses include language lab activities as well. While most of the language and linguistics courses are offered in Regina, the Saskatoon and Northern campuses of First Nations University of Canada also offer full-credit Cree courses each term. Dene (Chipewyan) is offered through extension courses in the north.

[More Indigenous languages certificate programs](#) are listed in the Centre for Continuing Education section of the calendar.

Linguistics majors are encouraged to take:

- courses in multimedia studies (e.g., Indigenous Communications Arts);
- LING 210 before taking LING 211 or any courses in historical linguistics; and
- LING 211 before taking LING 213.

Intercultural Leadership Program

General Information

The Intercultural Leadership Program is intended to prepare undergraduate students for employment and leadership positions with the Saskatchewan crown corporations and other organizations. Students complete a 30-credit hour certificate that will prepare them for leadership in an intercultural context to serve in both the public and private sectors of Saskatchewan and beyond. Students will discover both the similarities and differences of their own cultural backgrounds and those of other students and will explore leadership from different worldviews through developing knowledge of the ideas, values, and backgrounds of other students. Emphasis will also be placed on the value of community resources, including the role of Elders, and the importance of leadership in a community context. This cross-cultural understanding is pertinent to envisioning the broad picture necessary for developing leadership for change.

Department of International Languages

Website: www.uregina.ca/arts/international-languages/

The Department of International Languages offers programs in Chinese, German, Japanese, and Spanish.

How to Choose a Language Course

Students with prior experience in a language (study, family background, or any other experience) must consult the Department of International Languages to determine appropriate course placement before registering in courses in that language.

Students with grade 12 standing in a language will not normally receive credit for the first introductory course in that language (numbered 111), however, students whose grade 12 (level III) second-language standing dates from five or more years previous to their registration in a University of Regina language course, and who, in the interim, have not taken any courses in that language, may choose to meet the second language requirement of the BA, and receive credit, by taking the introductory sequence of 111 and 112.

The Department has, or is developing, options for students to study and obtain program credit abroad. Please contact the Department for more information.

School of Journalism

Website: www.uregina.ca/arts/journalism/

Admission to the School of Journalism is suspended as of May 1, 2023.

General Information

Two degree programs are offered: the Bachelor of Arts (BA) in Journalism and the Bachelor of Journalism (BJ). The BA in Journalism is a four-year, 120-credit hour degree consisting of two stages: two years of pre-journalism in the Faculty of Arts and a two-year program in the School of Journalism. The BJ is a two-year, 60-credit hour degree designed for students with a previous degree who seek a specialization in journalism. (Please note: First year BJ is the pre-qualifying program that degree-holding students who do not have a prior journalism degree or experience are required to take in preparation for entering the MJ program.)

The School provides broadly-based courses in print-online, radio, and television journalism. Digital radio and television studios, cameras, editing, and mixing equipment are available to students. The School offers desktop publishing and Internet facilities for the dissemination of student-produced stories. Students will critically analyze journalistic practice as well as produce stories for print and online newspapers, magazines, and radio and television newscasts.

1. Students are admitted to the School of Journalism once a year. A special application form must be requested from the Enrolment Services office at the University of Regina, and applications must be submitted to the Enrolment Services office by February 15 for the following fall term. University of Regina students apply directly to the School. Admission to the School is competitive. Those seeking admission must meet the following requirements: For the BA in Journalism, have a minimum PGPA of 70.00% upon completion of the 60 credit hours of academic work in the pre-journalism stage;
2. There is intense competition for spaces in the BA in Journalism and Bachelor of Journalism programs and applicants who meet the requirements are not guaranteed admission.

- Second term (winter): JRN 308, JRN 305 and/or JRN 306 to meet the prerequisites for JRN 401 and/or JRN 402, and any necessary electives. Students are encouraged to take all 300-level JRN classes offered in this semester to prepare for internships
- Internship terms (spring/summer and/or fall): JRN 400. The placement is determined by the School. Students may also take an elective or two in a semester "off", or in addition to the internship (special permission is required to take a course in the same term as the internship).
- Final term: 9 credit hours of JRN 4XX courses, which must include JRN 401 or 402, and any remaining electives.

Evaluation of Academic Performance

A minimum GPA of 65.00% per term in journalism, with no failures, is required for students to continue in the program. Students failing to meet these criteria will be required to discontinue indefinitely from the program.

For eligible degree-holding students wishing to advance into the Master of Journalism program, a minimum CGPA of 70.00%, and successful internship completion, are required for MJ admission. A student who fails the School's internship may be required to discontinue indefinitely from the program. A student may be required to discontinue from the program indefinitely for unsatisfactory academic performance or professional development. Re-admission to the program is at the discretion of the School. A student has the right to appeal the decision by the School to the Student Appeals Committee of the Faculty of Arts. Students must also meet the University and Faculty academic performance standards.

Sequencing of the Bachelor of Human Justice

Students are expected to gain a broad foundation in liberal arts and science (especially the social sciences) on which to build their Human Justice program, and so will concentrate on the Faculty's core requirements in the early stages of their program.

BHJ students shall sequence JS 090 (Justice Studies Orientation), JS 100 (Introduction to Justice), 290, (Introductory Field Placement), and 291 (Professional Communication and Writing) among the first five Justice Studies courses taken. Students should take JS 280 and 319 as soon as possible after JS 100 and 290 and 291. JS 230 and 280 must be taken before the Advanced Practicum courses: JS 490 and 492.

JS 490 (Advanced Field Placement) and 492 (Major Justice Project) are the capstone of the BHJ program and should be taken near the end of the student's program.

Gaining Professional Experience

Professional education involves the acquisition of knowledge, skills and attitudes through academic study and supervised practice. To ensure that graduates have developed a sound appreciation of professional practice, the program requires two terms of field practice experience, JS 290, Introductory Practicum: Field Placement and Seminar, and JS 490, Practicum II (Advanced) Field Placement and Seminar.

Introductory Practicum: Field Placement (JS 290) and Professional Communication and Writing (JS 291)

A 65.00% program average is required to enroll in JS 290 and 291.

JS 290 consists of a work placement (typically three days per week) in an approved organization. The course is graded pass/fail and earns six academic credits. The goal of the course is the integration of academic work and practice. JS 291 explores professional communication skills and writing. Students may register in six credit hours in addition to JS 290. Both courses must be among the first five Human Justice courses taken. JS 290 is offered in the winter and fall terms. JS 291 is offered in fall terms.

Advanced Practicum: Fieldwork (JS 490) and Major Project (JS 492)

A 65.00% average in the major is required to enroll in JS 490 and 492.

The advanced practicum occurs at the end of a student's program. It is an opportunity to apply the theoretical and practical knowledge that has been acquired throughout the program. The advanced practicum experience involves one term of full-time work (4-days per week) in an approved setting. Advanced practicum students can expect to be given independent responsibility during their placement. In addition to working 4- days per week, students participate in practicum seminars to further the link between theoretical learning and practical application. For those students who have considerable

Professional experience in a justice context, other advanced practicum options are available.

JS 490 is offered in the fall and winter terms and JS 492 is offered in the winter terms. Students interested in an International Practicum should apply to the Practicum Coordinator one year in advance to ensure that there is adequate time for all arrangements to be completed.

Application Procedure for JS 290 and JS 490 Application forms for the practica are available from the Department, the Arts Student Services

Office, Federated College Registrar's Office, or the Justice Studies website. Information to apply for a Practicum is available on the Department website. The completed application must be uploaded to www.placeprocanada.com by the following deadlines:

- For winter term placements, October 1
- For fall term placements, April 1

Human Justice Courses

Since many JS courses have been re-numbered over the past several years, students must ensure that they do not register for courses they have already taken. If in doubt, please consult the Department.

Bachelor of Arts in Police Studies

The four year, 120-credit hour Bachelor of Arts in Police Studies (BAPS) is offered by the Department of Justice Studies. The BA in Police Studies is a professional degree consisting of three years of liberal arts and justice studies course work followed by a fourth year of either (1) professional training and practicum with a police service or (2) advanced academic course work in justice and police studies and a police-related practicum leading to the completion of the degree.

Entry into the Police Studies program is no guarantee that students will be accepted into a police service. Students planning to enter the professional track in the fourth year of their police studies program are responsible for applying to and being hired by a police service or other law enforcement agency on their own accord. Police recruitment is a very competitive process, and students not hired by a police service can still earn a degree in Police Studies by completing the academic track in the fourth year of their police studies degree.

Police Studies Professional Training (30 credit hours)

Entry into the professional track of the Police Studies Program (typically the fourth year) is dependent on students securing employment with an approved sponsoring police service. The professional training year (30 credit hours) for the BA in Police Studies will comprise approved police college training (or equivalent) and practicum (JS 494 or JS 495) with an approved sponsoring police service. Students will receive 15 credit hours of transfer credit for the approved police college training (or equivalent). The final 15 credit hours involves training with a partnered police service and submission of an assigned paper, the format of which varies depending on the student's background. Students enrolled in the professional track of the BA in Police Studies any time before employment with a police service or who have less than five years of service upon application for admission to the BA in Police Studies must complete JS 494, a 15 credit-hour course. Students who have at least five years of police service upon application to the BA in Police Studies and who were never enrolled in professional track of the BA in Police Studies must complete JS 495, a three credit-hour course, and receive 12 credit hours of transfer credit for professional training already completed. These 12 credit hours of transfer credit cannot be used toward another degree program in the Faculty of Arts.

Liberal Arts Programs

Liberal Arts Diploma

The Liberal Arts Diploma is designed to recognize students who, during their first two years of university-level studies, have followed a curriculum consistent with the liberal-arts tradition. In this tradition, with roots in classical antiquity, students are introduced to a relatively wide range of subjects in order to acquire knowledge and intellectual capacities that are general to all walks of life, rather than specific to a particular profession or trade. The Diploma also encourages students to find a field of study that most excites their curiosity and to begin development a deeper understanding of that field.

The Liberal Arts Diploma is available to any student registered at the University of Regina. To be eligible, students must have successfully completed (and/or received transfer credit for) 20 University of Regina courses (60 credit hours). Eligibility further requires that students have:

- Successfully completed (or received transfer credit for) a set of courses capable of satisfying the requirements for any minor defined within the Faculty of Arts portion of the Undergraduate Calendar;
- Taken at the University of Regina at least 50% of the 20 courses used to satisfy the requirements of the diploma;
- Attained a PGPA of at least 60.00% in the 20 courses used to satisfy the requirements of the diploma.

International Studies Program

General Information

The International Studies degree is an interdisciplinary program that aims to provide students with the necessary intellectual tools to study the relationships between the local, regional, international, and global levels on the one hand, and the complex connections and interactions between society, culture, politics, economics, and the environment on the other hand. This blending of international and regional studies is a unique aspect of the International Studies degree not found in other international or area studies programs. The International Studies Degree provides students with skills to understand global processes and structures that connect and affect countries and regions of the world. It also enables students to situate different regions in the broader context of global issues.

BA in International Studies

The BA in International Studies is a 120-credit-hour degree. In addition to the Arts core requirements, students must complete the major requirements which include: (1) the International Studies core requirements; (2) the International Studies language requirements; and (3) either the International Affairs concentration or the International Development concentration. The remaining courses are open electives. As part of their open electives, students should plan to complete the prerequisites for the senior courses they wish to take in their major. A maximum of 48 credit hours of courses at the 100-level is permitted.
