Important Dates and Deadlines

Academic Schedule for 2024-2025

The Academic Schedule is subject to change without notice, and in some cases, the start and end dates of classes may vary from the dates listed below. The dates reported in [UR Self-Service](#) are the official version. Information on applying to the University of Regina and application deadlines can be found in the [Admissions section](#) of this calendar. The Academic Schedule outlines the start and end patterns and dates associated with the delivery of instruction. The Academic Schedule is subject to change. The dates reported in UR Self-Service are the official version.

Students who have not formally withdrawn are registered students, liable for fees, and if at the end of the term are still registered, are assigned a failing grade of NP. Deadlines are effective at 11:59 p.m. in UR Self-Service on the stated day. In-person business hours are normally 8:30 a.m. to Noon; 1:00 p.m. to 4:30 p.m. For example, the deadline for dropping a class through an office is 4:30 p.m. on the stated day.

Right to Refuse Admission

The University reserves the right to refuse admission even when the stated requirements for entrance have been satisfied. The decision of individual faculties on the granting of admission, re-admission, transfer, and transfer credit is final.

Application Fee for First-Time Admission

The application fee for first-time undergraduate admission to the University of Regina in any program is \$100 (subject to change without notice). This fee is non-refundable and is payable only once. Applications will not be processed until the fee is paid.

Change of Name

Students are required to use their current full legal name when applying. Any previous legal names should also be listed on the application form. The University may request proof of a legal name change. For information about acceptable forms of documentation and to print the required Change of Name form, refer to:

www.uregina.ca/student/registrar/resources-for-students/printable-forms.html or consult the Registrar's Office.

Applications may not be processed until proof is provided.

Fraudulent and Incomplete Applications

The University reserves the right to revoke admission and registration if an application form is discovered to be inaccurate or incomplete, or if supporting documents are discovered to be fraudulent. Any applicant who presents a fraudulent document in support of an application for admission will be identified to other Canadian universities and colleges. Applicants must list all post-secondary institutions attended. Transfer credit will not be awarded for courses taken at institutions that are not listed on application forms.

Freedom of Information and Protection of Privacy

The University of Regina collects and creates information about students ("personal information") under the authority of the *University of Regina Act*, and in accordance with the *Local Authority Freedom of Information and Protection of Privacy Act* (Saskatchewan), for purposes of admission, registration, and other decisions on students' academic status, and the administration of the University and its programs and services. Information regarding the admission of current high school students may be shared with the student's current high school as needed. Any misrepresentation may be shared with other post-secondary institutions.

The University of Regina shares specific and limited personal information with the University of Regina Students' Union (URSU). URSU uses this information to conduct elections and/or referenda, to communicate with students to advertise and promote URSU's services, and to provide those programs and services to student members.

By enrolling in courses at the University of Regina, students consent to the collection, use, and disclosure of personal information as described above.

The University of Regina is a member of the Regina Human Services Partnership, whose members have implemented the Violence Threat Risk Assessment (VTRA) protocol. When there is a threat of violence, VTRA response may include engagement of a multi-disciplinary team including external community agencies. Information may be shared on an as-needed basis in order to protect the physical safety of students, faculty, staff, or others. Additional information is available in the [Violence Prevention Policy](#).

If you have any questions about the collection, use, or disclosure of this information by the University, please contact the Head, Access to Information and Protection of Privacy, 306-585-5163.

Disclosure to Statistics Canada

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at post-secondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand 'outcomes'. In order to conduct such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates. Institutions collect and provide to Statistics Canada student identification information (student's name, student ID number, Social Insurance Number), student contact information (address and telephone number), student demographic characteristics, and enrolment information.

The federal *Statistics Act* provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used for statistical purposes only, and the confidentiality provisions of the *Statistics Act* prevent the information from being released in any way that would identify a student.

Students may contact Statistics Canada via e-mail if they have any questions: statcan.PSIS-SIEP.statcan@canada.ca.

Proficiency in English

The primary language of instruction and assessment at the University of Regina is English. All applicants to the University of Regina must demonstrate an appropriate level of proficiency in the English language through one of the following credentials or test scores.

High School Credentials for English Proficiency

One of the following:

- For students from countries on the University of Regina English Test Exemption list: successful completion of at least three years of formal, full-time study in English at a secondary school that is a recognized school or institution where English is the primary language of instruction.
- GCSE/IGCSE/GCE O-level English, English Language, or English as a Second Language with a minimum grade of '6' or GCE A/AS/AICE Level English or English Language with minimum grade of 'C'.
- Advanced Placement English with a grade of 3 or better.
- International Baccalaureate Higher English with a grade of 4 or better.

Post-Secondary Educational Credentials for English Proficiency

Successful completion of at least 24 credit hours (University of Regina degree level equivalent) in an approved English-language post-secondary institution, including at least 6 credit hours in humanities or

social science subjects and with a minimum UGPA of 60.00% or equivalent is considered acceptable demonstration of proficiency in English. Post-secondary institutions that meet this requirement must be verified by the University of Regina using industry-recognized higher education resources.

For the Faculty of Nursing, post-secondary studies from a country that is not on the [ELP List by Country](#) must have been completed within two years of application to the Faculty in order to meet English Language proficiency.

Approved Tests of Proficiency in English

For all faculties, except for the Faculty of Nursing, one (1) of the following tests will also be accepted with the minimum scores indicated. Test results must be received by the appropriate Enrolment Services office directly from the testing service before the deadline for receipt of application documents. Test scores are valid within two years of the test result date.

- University of Regina's English for Academic Purposes (EAP) Placement Test with a minimum average score of "Level 110."
- Test of English as a Foreign Language (TOEFL) with a minimum overall score of 83 on the internet-based test (iBT), with minimum section scores of Reading 20, Listening 20, Speaking 20 and Writing 20. Institutional TOEFL and paper based TOEFL will not be accepted.
- International English Language Testing System (IELTS) - Academic, with a minimum overall score of 6.5, and no band score less than 6.0.
- Canadian Academic English Language Assessment (CAEL) with a minimum score of 60.
- Michigan English Language Assessment Battery (MELAB) with a minimum score of 85.
- Comprehensive English Language Test (CELT), restricted to francophone students, with a minimum score of 60.
- Pearson Test of English (PTE) Academic with a minimum overall score of 59 and minimum score of 59 in each area.
- Cambridge Certificate in Advanced English (CAE), also known as C1 Advanced (formerly known as Cambridge English: Advanced) with an overall minimum score of 180 and a minimum score of 169 in each skill (Reading, Use of English, Writing, Listening, and Speaking).
- Cambridge Certificate of Proficiency in English (CPE), also known as C2 Proficiency (formerly known as Cambridge English: Proficiency) with an overall minimum score of 180 and a minimum score of 169 in each skill (Reading, Use of English, Writing, Listening, and Speaking).
- Duolingo English Test (DET) with a minimum overall score of 120, a minimum score of 90 in the subscore of Production, and a minimum score of 105 in the remaining subscores of Literacy, Comprehension, and Conversation.

Faculty of Nursing English Proficiency

Applicants to the Faculty of Nursing who need to provide evidence that they meet the University's ELP requirement via an IELTS (Academic) exam with a minimum overall score of 7.0 and minimum band scores of 7.0 in Speaking, 6.5 in Writing, 7.0 in Listening, and 6.5 in Reading.

English as a Second Language

The University of Regina offers the English for Academic Purposes (EAP) program to strengthen students' language skills in order to meet University admission requirements for English Language Proficiency.

A passing grade in the EAP program's final courses, EAP 100 Advanced English Reading and Communication and EAP 101 Advanced English Writing and Research; or a minimum average score of "Level 110" on the EAP placement exam, is considered an acceptable demonstration of proficiency in English for admission into a University of Regina undergraduate program.

Students who are enrolled in Advanced EAP (EAP 100 and EAP 101) may be offered conditional admission to an academic program if they meet the academic admission requirements.

Students who qualify to take Advanced EAP (via passing EAP 090 or by achieving an appropriate score on the EAP placement exam or by an overall IELTS Band score of 6.0 with no band score less than 5.0) and who are offered conditional admission to a credit undergraduate academic program at the University of Regina (in the Faculties of Arts [Economics only], Business Administration, Engineering and Applied Science, Science or the Centre for Continuing Education) will qualify for participation in the EAP + 1 program. EAP students participating in this program may take an undergraduate credit course from the authorized course list while enrolled in Advanced EAP.

Because students must pass Advanced EAP 100 and 101 to be admitted to the University, students must pass both Advanced EAP and the credit course in order to receive credit for the credit course.

Students who initially fail Advanced EAP but pass the credit course, and subsequently successfully complete Advanced EAP and are admitted to the University, may then receive credit for the previously completed credit course.

Advanced EAP (EAP 100 and 101) is offered by:

English as a Second Language Department

Centre for Continuing Education

Wakpá Tower, Room 114

University of Regina, Regina, SK S4S 0A2

Telephone: 306-585-4585; Email: esl@uregina.ca

Students who have successfully completed an English for Academic Purposes program at another Canadian university (or equivalent) that qualifies them to meet the English Language Proficiency policy of that institution, may be considered to have met our policy. The student must supply proof of course completion and evidence that the course(s) completed meet the English proficiency policy of that institution.

Undergraduate Admissions

Undergraduate Admission Deadlines for New Applications, Re-Admissions, and Transfer Students

The application form, fee, and documents must be submitted in person by 4:30 p.m. or on-line before midnight on the stated deadline unless there is an alternate document deadline indicated. When a deadline falls on a weekend or University holiday, the deadline becomes the next business day. Applications for non-competitive programs completed after the deadline will be processed for the next available term that the program accepts applications. All deadline dates listed are for new applications, re-admissions, and transfers. If deadlines are changed, they will be posted online at www.uregina.ca/admissions/undergraduate.

Supporting Documents

Applicants to an undergraduate faculty will be required to submit supporting documentation for their application depending on educational background attained and the approved faculty-specific admission requirements.

Official Transcripts

Official transcripts at either the secondary or post-secondary level may be requested. A secondary transcript is considered official when the original, official document issued by the Ministry of Education (or government authority that oversees Education) has been submitted to the appropriate undergraduate Enrolment Services office. A post-secondary transcript is considered official when it is received at the University of Regina directly from the issuing institution or is submitted in a sealed institution-issued envelope which bears the official university stamp across the seal. Transcripts in languages other than English or French must include a certified English translation. Official transcripts should be submitted to the appropriate undergraduate Enrolment Services office.

Ownership of Documents

All documents that are supplied in support of applications for admission, re-admission, or transfer become the property of the University of Regina.

Applicants with non-Canadian credentials who are issued a single irreplaceable copy may supply a copy of the original document at the time of application and then present the original, official document for verification at the appropriate undergraduate Enrolment Services office upon arrival.

Unavailable Documents

Applicants who are unable to obtain all or some of their academic documents for reasons beyond their control may apply for special consideration from the appropriate undergraduate Enrolment Services office by submitting a letter outlining their qualifications, what steps they have taken to obtain their official documents, and the reason why missing documents cannot be submitted.

Copies of Documents

Requests for copies of documents that are part of the official student record will be provided in accordance with *The Local Authority Freedom of Information and Protection of Privacy Act*, Part II. Requests are to be made through the [Registrar's Office's Online Store](#) and must be accompanied by a \$20 administrative fee. Students can expect that it may take up to 30 days for requests to be fulfilled.

Copies of documents will only be provided to the student for pick up, via regular mail, or as a secured PDF via email. Copies will not be mailed or forwarded to a third party. Documents pertaining to a student's achievement at another institution, which may have been received by the University, will not be notarized or certified.

General Educational Development (GED)

The University of Regina does not accept the GED for admission to any faculty.

Early Conditional Admission for Current High School Students

High school students who expect to graduate in June can apply during their Grade 12 year until June 15 for early conditional admission to the next fall term, by submitting the following to the appropriate undergraduate Enrolment Services office:

- The appropriate application form(s).
- The application fee.
- An official transcript or a school-certified transcript (with school seal or signature of guidance counselor) of results to date.
- A schedule or list of the courses they are taking in Grade 12 (these may be listed on the application form).

The same procedure may be followed by students who are applying for the winter term (semester) admission and who will graduate from high school following an accelerated fall term (semester) that finishes in December. Students who will complete their final Grade 12 semester in January should apply for regular admission for the spring/summer term (semester) or the following fall term (semester).

Applicants who are refused early conditional admission will be reconsidered for regular admission if they supply an official transcript, by August 15, which shows their final high school grades and graduation.

Basis of Evaluation for Early Conditional Admission

To be considered for early conditional admission, applicants must be registered in the Grade 12 courses required by the faculty to which they are applying. The minimum early conditional admission average will be calculated as follows (using the Saskatchewan curriculum-other curricula may be considered if deemed to be equivalent):

Faculty	Requirements

Each requirement must be different subjects except for English Language Arts (or equivalents) which may be used twice. 5. Minimum admission averages must be met as per faculty-specific admissions policy. 		

Early Conditional Admission to the Faculty of Education (For Current High School Students)

Applicants to degree programs in the Faculty of Education are required to complete the online Teacher Education Profile or Baccalauréat en éducation Application in place of the general Application for Undergraduate Admission.

Adult 12 Early Conditional Admission

Adult 12 students are eligible for early conditional admission if:

- they will have attained Adult 12 standing prior to the start of the term;
- they have final grades in a minimum of half the required final admissions subjects to the faculty; and
- the average of all final grades (in admission subjects only) available at the time of admission meets the admission average of the faculty.

Transcripts for Final Admission

Early conditional applicants must arrange for one official transcript of their final high school grades to be sent to the appropriate undergraduate Enrolment Services office by August 1. Photocopies and faxes of transcripts are not accepted as official documents for review of the final admission requirements. Saskatchewan students are encouraged to have grades submitted electronically by the [Saskatchewan Ministry of Education](#).

An exception to the deadline for receipt of transcripts will be made for applicants applying for fall admission who are writing departmental examinations in August or completing summer school, and for applicants to the winter term (semester) who will complete their final high school semester in December. It is the applicant's responsibility to contact the appropriate undergraduate Enrolment Services office with this information before the transcript deadline and to arrange for the final official transcript to be sent as soon as results are available.

Any applicant who does not provide an official transcript by the deadline will have their conditional admission revoked and registration in courses cancelled.

Final Admission Decisions

Once the official transcript showing graduation is received, students are re-evaluated for final admission based on the faculty-specific requirements (see the section "Undergraduate Programs Admission Requirements from Canadian Schools" or "Admission from a Non-Canadian High School") and are notified in writing of the final decision.

Gap Year Program

The Gap Year Program is offered to current, direct-entry high school students (excluding Nursing; Education requires special permission) applying to the fall intake. It allows these students, once accepted, to defer their admission and any University of Regina funded automatic entrance scholarships (excluding the Chancellor's Scholarship) for one year.

Competitive Programs

Averages needed for admission to faculties and programs with limited enrolment may be higher than the minimums stated. Enrolment in any faculty or program may be limited at any time without notice to the number of students who can be accommodated. Quotas are set annually for admission to the following listed programs.

Faculty of Education

Applicants to the Education programs must complete the Teacher Education Application. Applicants to the Baccalauréat en éducation programs must complete the application for Baccalauréat en éducation.

Applicants to the Indigenous Education programs must complete the [Indigenous Education application](#) (Teacher Admission Profile).

Selection of applicants is made based on all information provided. For certain programs, interviews may also be scheduled. The annual application deadlines may be extended selectively by program until quotas are filled.

Language Proficiency

Applicants to the Baccalauréat programs are required to demonstrate proficiency in both French and English. Refer to the Proficiency in English section for the English requirements, and the Faculty of Education admission requirements section for the French requirements.

Saskatchewan Urban Native Teacher Education Program (SUNTEP)

Applicants to this program must submit an application for admission to the appropriate undergraduate Enrolment Services office at the University of Regina and the SUNTEP student application form to the Gabriel Dumont Institute of Native Studies and Applied Research. More information about the SUNTEP program can be found in the Faculty of Education section.

Yukon Native Teacher Education Program (YNTEP)

Applicants to this program must submit an application for admission to the appropriate undergraduate Enrolment Services office at the University of Regina and the YNTEP student application form to Yukon University. More information about the YNTEP program can be found in the Faculty of Education section.

Saskatchewan Collaborative Bachelor of Science in Nursing

The SCBSn is offered jointly with Saskatchewan Polytechnic. Admission categories including high school, post-secondary, Licensed Practical Nurses (LPN), upper year, bilingual, and after degree. Admission is a competitive process based on academic proficiency. Students are able to qualify for admission consideration based on either high school or post-secondary criteria. Meeting the minimum requirement does not guarantee admission. Applicants to the four-year program apply directly to Saskatchewan Polytechnic. Applicants to the after degree, LPN, and upper year categories apply directly to the University of Regina. Information and applications can be found at: www.sasknursingdegree.ca. In addition, applicants for the Bilingual Option must meet the French language proficiency requirements as identified by La Cité universitaire francophone: <https://lacite.uregina.ca/en/centrefr/assessment/tef>.

Faculty of Social Work

There are two entry points into the Faculty of Social Work: Pre-Social Work, and the Bachelor of Social Work (BSW). Applicants must complete a minimum of 30 credit hours of prescribed University courses prior to gaining admission to the BSW and can do this through the Pre-Social Work program. Admission is granted to qualified applicants to the Pre-Social Work program. Admission to the BSW is competitive and not all qualified applicants are accepted. Applicants to the BSW program must [apply online](#). More information about the BSW requirements can be found in the Faculty of Social Work section.

There are three entry points into the Faculty of Social Work, Indigenous Social Work program, offered in partnership with the First Nations University of Canada's School of Indigenous Social Work: Indigenous Social Work Qualifying, the Bachelor of Indigenous Social Work (BISW), and the Diploma of Indigenous Social Work (DISW). Admission is granted to qualified applicants to the Indigenous Social Work Qualifying program. Admission to the BISW and DISW is competitive, and not all qualified applicants are accepted. Application to either of these programs can be done online or using a printable Application for Undergraduate Program Admission form online at www.uregina.ca/admissions/apply.

Students can only be admitted to one School of Indigenous Social Work program at one time. More information about the Indigenous Social Work program requirements can be found in the Faculty of Social Work section.

High School Admission Requirements

The admission average is calculated on all courses required for admission, as shown in the following tables, unless an applicant is eligible for post-secondary transfer, or mature admission. Equivalent courses from earlier curricula or locally developed courses are accepted at the discretion of the appropriate undergraduate Enrolment Services office.

The Faculty of Social Work does not accept students directly from high school to the Bachelor of Social Work, Bachelor of Indigenous Social Work, and the Diploma in Indigenous Social Work programs. High School applicants submit an application for the Faculty of Social Work to complete the Pre-Social Work or Indigenous Social Work Qualifying studies.

Undergraduate Admissions

Admission from a Saskatchewan High School

Applicants must achieve Saskatchewan Secondary Level or Adult 12 Standing and meet the specific requirements of their chosen faculty as shown in the following table. Equivalent courses from earlier curricula or locally developed courses are accepted at the discretion of the appropriate Enrolment Services office.

Applicants must meet the provincial equivalents of the subject requirements of their chosen faculty, as shown in the preceding table. Courses in French and courses from earlier curricula will be accepted at the discretion of Enrolment Services. When one course meets two admission requirements, another approved elective will be used in the calculation of the admission average.

Undergraduate Admissions

Admission from Non-Canadian High Schools

Applicants who have graduated from a non-Canadian high school are required to have achieved secondary level standing and must meet the admission average and any other requirements of their chosen faculty. Faculty-specific averages listed below are the Canadian minimum averages required. Applicants to conjoint programs must meet the requirements of both faculties.

Applicants from curriculums with alternate grading scales will be converted accordingly. Admission is typically based on up to 6 secondary courses at the grade 12 level, will vary by credential, and must include the specific courses required by their chosen faculty as follows:

Faculty	Non-Canadian High School Requirements	Additional requirements
Arts (U of R, Campion, Luther, or FNUniv)	Minimum 70% average using the following courses: <ul style="list-style-type: none"> • One Language Arts course¹ • Two Language, Math, Science, or Social Science courses • One additional course in an approved academic subject 	<p>Economics Applicants require a 70% in a senior secondary mathematics course.</p> <p>Arts Qualifying Year Students with high school graduation averages between 60.00-69.00% will be admitted to the Faculty of the Arts and required to complete the Arts Qualifying Year in their first two terms.</p> <p>Note: Bachelor of Arts, major of Linguistics, suspended effective May 1, 2023.</p>

¹ Applicants from educational systems in which the language of instruction is not English may present a final year secondary (Grade 12 equivalent) literature course in the language of instruction in lieu of the required English literature courses, in combination with EAP 100 & 101, or test results demonstrating English language proficiency.

Undergraduate Admissions

Admission from Universities and Colleges Including Transfers from Other University of Regina Faculties

Applicants who have attended another recognized university or college must disclose this information to the university on their application form and provide an official transcript. To be considered for admission on the basis of post-secondary studies, applicants must have completed the minimum credit hours in an academic based program required by the faculty from a recognized post-secondary institution. The admission grade point average (AGPA) will be calculated using all academic courses attempted as identified in the below. Re-admission or faculty transfers for previous or current University of Regina students will be assessed on either the AGPA or the UGPA (the weighted average of all combined U of R undergraduate courses) as identified in the section below.

Students who have completed less than the required number of credits at the post-secondary level will be admitted based on high school admission criteria and must provide an official high school transcript, unless they are over 21 years of age and qualify for Mature Admission.

Applicants in unsatisfactory standing at their last institution may have to petition for admission.

Application Procedures for Re-admission and Faculty/College Transfers

Students applying for re-admission or those applying to a new faculty or college must submit a completed Application for Re-Admission/Faculty Transfer to the appropriate undergraduate Enrolment Services office by the posted deadline along with required documents. There is no application fee for re-admission or faculty/college transfer. Students who have attended another recognized post-secondary institution since they were last at the University of Regina must have one official transcript sent directly to the appropriate undergraduate Enrolment Services office from the institution(s) they attended.

Admissions from Outside Canada

All applicants must provide evidence of English language proficiency.

Montana and North Dakota Tuition Agreement

The University of Regina grants students the right to pay the same tuition and fee rates of Canadian citizens if they are US citizens and have been residents of North Dakota or Montana for at least one full year prior to the time of admission. In order to qualify for this, students must provide one of the following documents at the time of application:

- Montana or North Dakota Driver's License
- Montana or North Dakota Voter Registration
- Student Authorization (visa).
- DD214 from the Department of Defense
- Military dependent ID

Jay Treaty Tuition Agreement

The University of Regina recognizes the Jay Treaty which offers the same tuition and fee rates of Canadian citizens to Native American US citizens. Applicants must provide one of the following documents:

- An identification card from the Ministry of Indian and Northern Affairs, or
- A written statement from an official of the tribe from which you or your ancestors originate, substantiated by documentary evidence (tribe records and civil long form birth certificate bearing the names of both parents).

Required Credentials and Grade Conversions

United States of America (US)

Applicants who do not have the equivalent of 15 credit hours of courses at a recognized US post-secondary institution must have graduated, or will be graduating in the June before admission, from a recognized US high school. Applicants must meet the following high school core curriculum requirements:

- 4 English credits
- 3 Math (Algebra I and above) credits
- 3 Laboratory Science credits
- 3 Social Studies credits
- A minimum of 16 credits total

Additionally, the following faculty-specific subject requirements must be met, as well as the minimum faculty-specific average (see [Admission from Non-Canadian High Schools](#)):

Faculty	Subject
Business Administration	Pre-Calculus or Algebra 2
Engineering & Applied Science	Pre-Calculus or Calculus, Chemistry, and Physics
Kinesiology & Health Studies	Pre-Calculus and either Biology, Chemistry, or Physics
Nursing	One Math from Pre-Calculus, Algebra 2 or Calculus; and Biology and Chemistry
Science	Pre-Calculus and two of Biology, Calculus, Chemistry, Computer Science, or Physics

Note: Advanced Placement (AP), International Baccalaureate (IB), or SAT II courses may be used in place of the following Maths or Sciences. The AP courses listed may receive transfer credit with a grade of four or higher. The IB courses listed may receive transfer credit with a grade of 5 or higher.

	Mathematics	Biology	Chemistry	Physics
AP: grade of 3 or higher	Calculus AB or BC	Biology	Chemistry	Physics B or C Mechanics or Electricity and Magnetism)
IB higher level: grade of 4 or higher	Mathematics	Biology	Chemistry	Physics
SAT II (score variable)	Math Level 2	Biology Ecological or Molecular	Chemistry	Physics

Cambridge International Examinations

The University of Regina recognizes the following Cambridge A level exams for transfer credit. A minimum grade of B must be achieved to be considered eligible for credit. Students must request an official transcript from Cambridge International Examinations to be sent to the University of Regina for transfer credit consideration.

Cambridge A Level Exam	University of Regina Recognition
Biology	BIOL 100 – Biology I (3 Credit Hours) and BIOL 101 – Biology II (3 Credit Hours)
Chemistry	CHEM 104 – General Chemistry I (3 Credit Hours)
Economics	ECON 201 – Introductory Microeconomics (3 Credit Hours) and ECON 202 – Introductory Macroeconomics (3 Credit Hours)
English	ENGL 100 – Critical Reading and Writing I (3 Credit Hours) and ENGL 110 – Critical Reading and Writing II (3 Credit Hours)
Mathematics	MATH 110 – Calculus I (3 Credit Hours)
Mathematics (Further)	MATH 111 – Calculus II (3 Credit Hours)
Physics A	PHYS 109 – General Physics I (3 Credit Hours)

Other Countries

Required credentials and grade conversions vary by country. For information, please consult the University website:

www.uregina.ca/admissions/undergraduate or the appropriate enrolment services office. Contact information is found at the beginning of this section.

International Qualifications Assessment Service

Applicants who feel that their non-Canadian credentials have not been correctly evaluated may apply to the following agency for an independent assessment:

International Qualifications Assessment Service
9th floor, 108 Street Building
9942 108th Street
Edmonton AB T5K 2J5
Tel: 780-427-2655

Applicants are responsible for the fees for this service. IQAS assessments are not binding by the University but may be used as a tool in evaluation of eligibility for admission and transfer credit.

International Baccalaureate (IB) Diploma

A score of at least 24 points on the International Baccalaureate Diploma will be accepted as evidence of satisfactory secondary standing. Applicants with this credential must still meet the Faculty-specific course admission requirements and other requirements of their chosen Faculty.

Mature Admission

Mature applicants may be admitted to the following faculties and programs: Arts; La Cité universitaire francophone; Education (including the Indigenous Education Program, SUNTEP and YNTEP programs); Media, Art, and Performance; Kinesiology and Health Studies; Science (through the Science Qualifying Program); Social Work; and the Centre for Continuing Education.

Mature admission to undergraduate programs may be granted to applicants who meet the following criteria:

- Canadian Citizen, Refugee, Protected Person, or Permanent Resident of Canada;
- 21 years of age before the start of the term to which they are applying;
- attempted fewer than 15 credit hours of approved post-secondary courses; and
- can demonstrate the ability to succeed at university through life or work-related experiences.

Applicants applying for mature admission must submit the following:

- application for undergraduate admission;
- application fee;
- personal statement;
- high school transcript, if out of secondary school for fewer than five years;
- faculty-specific supplementary information, if applicable; and
- proof of language proficiency.

Admission of Home-Based Learners

Home-Based Learners may be admitted to the following faculties: Arts; Social Work or Media, Art, and Performance. Home Based Learners with an interest in applying to other faculties should contact the Enrolment Services office.

Applicants applying for admission as a home-based learner must submit the following:

- Application for Undergraduate Admission
- Application fee
- Admission Profile for Home-Based Learners
- A Home-Based Learner transcript detailing grade 11 and 12 courses

Applicants applying for admission as a home-based learner must meet the following criteria:

- A minimum score of 1100 (Critical Reading and Math portions) in the SAT I or a minimum average of 24 in the ACT; and
- One of the following:
 - a minimum grade of 60% in one university course in a relevant admission subject. The course may be taken from the University of Regina or another accredited university; or
 - a minimum grade of 65% in one 30-level high school course. The course must appear on the official provincial transcript of high school grades; or
 - a minimum grade of 4 in an approved Advanced Placement course; or
 - a minimum score in the 70th percentile on one SAT II subject examination.

Evidence of achievement, provided by the following documents, must be sent directly from the responsible institution or agency, to the appropriate Enrolment Services office. Documents are not accepted from applicants, unless otherwise noted.

- Test scores: official statement of results sent directly from the testing agency.
- 30-level high school course: one official provincial high school transcript (may be accepted from applicant).
- University of Regina course: no documentation required.
- Other university course: one official post-secondary transcript.
- AP course: official statement of results sent directly from the College Board.

Special Admissions (Non-Degree)

Please note that not all courses are open to students admitted to these categories and that some of the following categories do not receive priority in registration.

Application Deadline for Special Admissions

The deadline for application for all categories of special admission is the last day that the course may be added without the instructor's and Dean's permission.

High School Accelerated Program for High School Students and Home-Based Learners

Applicants who are currently enrolled in high school or as home-based learners (minimum age 16) may be admitted to the University to take a maximum of two courses per term (semester). Applicants must submit a completed Application for Admission and Registration for Accelerated Students with the application fee to Student and Instructor Services (Credit), Centre for Continuing Education with an up-to-date high school transcript.

Admission Requirements

- Minimum 65% on five academic subjects on a combination of two years of secondary level courses.
- These courses will be taken from subjects normally used for admission purposes (refer to approved list of high school courses in the admissions section of the General Calendar).

Students who wish to receive special project credit on their high school transcript for successful completion of a University of Regina credit course must complete a special project application form available from their high school. Students taking a dual-credit eligible course should submit their University of Regina transcript to their high school upon successful completion of their University of Regina course.

All applicants must meet English Language Proficiency requirements via one of the following:

- Successful completion of Grades 9 and 10 English, or Grades 10 and 11 English, taken in sequence, as part of two full academic years in a high school using a provincially- or state-accredited Canadian or US curriculum, or equivalent international qualification.
- A grade of 80% or better in a Grade 12 provincially-examined English course, as part of one full term of study, or equivalent international qualification.
- An approved test of proficiency in English.

Audit Only Students

Applicants who want only to audit courses (that is, to listen to lectures without receiving degree credit) do not have to be formally admitted to the University but must be formally registered for courses they are attending. Students who are on university-level forced withdrawal (MW) are not permitted to audit courses.

Casual Students

The Casual Student Program is designed to allow members of the general public to take courses for general interest. The following restrictions apply to this program:

- Applicants must be aged at least 18 (if under 18, they must have already graduated from high school).
- Students who are currently ineligible to register due to a faculty requirement to discontinue (RTD) or university-level forced withdrawal (MW) at the University of Regina, or another post-secondary institution are not eligible to participate.
- Students can register in open registration.
- The maximum registration for any term is 6 credit hours.
- The maximum length of time students are allowed to stay in the Casual Student Program before applying to transfer to a faculty is 24 credit hours.

Regular evaluation of academic performance applies to Casual Students. Academic performance is evaluated following each term. If Casual Students already have full or part of a U or R degree and come in with more than 24 credit hours, those credit hours count towards evaluation of academic performance and application of academic policies.

Casual students apply by submitting an [Application for Casual Student Admission and Registration](#) and are registered through Student and Instructor Services (Credit), Centre for Continuing Education. Casual students who have not previously attended the University of Regina are required to pay the application fee. Students must meet University of Regina English Language Proficiency requirements prior to admission. High school and post-secondary transcripts are not required unless a desired course has prerequisites. These transcripts can be unofficial and are accepted directly from the applicant.

Academic advising is not required but is available from the Career and Professional Development Division on request. Contact Student and Instructor Services (Credit) at 306-585-5807 to book an appointment.

Casual Students who may wish to transfer into a faculty at some time in the future are strongly encouraged to seek preliminary advising from the faculty and complete the [online application for admission](#). Casual Students may apply to transfer to a faculty or another program at any time and must meet the admission/transfer regulations then in effect, including provision of official transcripts.

The new faculty will evaluate all courses completed in the Casual Student Program and determine their applicability to the new program. Applicants who have completed courses through the University of Regina's Centre for Continuing Education or Casual Student Program must achieve a UGPA of at least 60.00% on all University of Regina courses taken. Those who do not meet this criterion may submit a petition to the appropriate undergraduate Enrolment Services office for review by the faculty. The decision of the faculty with respect to admission and conditions for continuation is final.

General Studies Students

General Studies is designed for students who are not currently admissible to a Faculty at the University of Regina, including students who are unable to provide admission documents by stated deadlines, those who apply after the published deadlines, or who do not currently meet stated Faculty admission requirements (including early conditional students who do not meet final admission requirements). This program is intended for first-time University of Regina students. Students must meet the University of Regina English Language Proficiency requirements prior to admission.

The University of Regina Enrolment Services will refer potential general studies students to the Student and Instructor Services (Credit), Centre for Continuing Education after reviewing their admission applications and determining eligibility for General Studies.

General studies students are guided by the following criteria:

- Students are admitted to General Studies for two terms only, during which they must work to provide admission documents and/or meet stated Faculty admission requirements.
- Students who are ineligible to register due to a Faculty requirement to discontinue (RTD) or University-level forced withdrawal (MW) at the University of Regina or another post-secondary institution are not eligible to participate.
- Deadline for admission to General Studies is the first day of classes.
- Mandatory advising is required before registering for courses.
- Students are permitted to register in a maximum of 12 credit hours and four courses (which may include AMTH courses, ACAD 100, or 0 credit hour courses) per term. Early conditional students who do not meet final admission requirements but who are already registered in courses will have their courses adjusted.
- The maximum length of time students are allowed to stay in either the General Studies Program before applying to transfer to a faculty is 24 credit hours.
- General studies students will register during open registration.
- All regular academic performance regulations apply.
- Transfer credit will be reviewed if necessary.
- As this program is designed for first-time University of Regina students, General studies students are not eligible for the Fresh Start program.

Visiting Students

The Visiting Student Program allows domestic or international students of another accredited institution to take courses at the University of Regina towards their program at the home institution.

Visiting students who are Permanent Residents and Canadian citizens are admitted and registered by the Registrar's Office. Applicants must submit a completed [Admission Application for Visiting Students](#), and a letter of permission from their home institution that lists the courses that they have permission to take. The letter of permission must be submitted to directly from the applicant's home institution to special.registration@uregina.ca.

Visiting students who are non-residents of Canada are admitted and registered by the UR International Study Abroad and Global Mobility Office. Applicants must submit a completed [Application for Admission and Registration for Visiting Students form](#), with the application fee, and a letter of permission from their home institution that lists the courses that they have permission to take. The letter of permission will be accepted either directly from the home institution or from the applicant. More information is available online at www.uregina.ca/international/study-abroad/visiting-students1/index.html.

Undergraduate Visiting Research Program

This program allows talented undergraduate research students the opportunity to work with University of Regina professors on current research projects. Students with this status will have access to the basic student services such as the University's library and recreational facilities. Students participating in this program must ensure that they have purchased appropriate International Health insurance coverage for the duration of their stay at the University of Regina. Students under this program will pay all appropriate admission fees. Information regarding the admission process and all eligibility criteria can be found online at www.uregina.ca/international/study-abroad/global-mobility/visitingresearchstudents/uvsr.html

Exchange Students

Exchange programs are based on formal agreements between the University of Regina and another university or college (the home institution) for a defined period of study of one or two terms.

The application for inbound exchange students and associated written procedures are available at the student's home institution. Applicants are admitted to the University of Regina faculty which offers the courses in which they are interested. Applicants should note that admission to courses in some subjects is restricted to University of Regina degree program students and should be prepared to make alternative selections.

Extension of an exchange visit from one to two terms is possible only if the agreement allows for a two-term exchange and the home and host institution approves the extension.

Special (Post-Graduate) Students

Individuals that have graduated from the University of Regina, or from another approved post-secondary institution in a discipline offered by the University of Regina, may apply for special admission (Post-Graduate). Students in the Special (Post-Graduate) category can take courses for personal interest or continuing professional development. Applicants are admitted to the faculty offering the discipline in which they graduated. The terms of their registration are determined by the faculty.

Applicants who have not previously attended the University of Regina must arrange for an official transcript to be sent to the appropriate undergraduate Enrolment Services office from the post-secondary institution from which they graduated. No other transcripts are required. Proof of proficiency in English is required of applicants who graduated from a university where the language of instruction was not English.

Non-Degree Professional Students

An applicant who requires Business Administration courses for completion of a professional designation (CPA, CIM, etc.) may apply for admission to the Faculty of Business Administration as a Non-Degree Professional student. A one-time letter of permission from the professional organization is required. Applicants must also demonstrate proof of English language proficiency,

Students in the Non-Degree Professional category cannot obtain a University of Regina certificate, diploma, or degree, or complete pre-Business requirements.

Transfers from Non-Degree Status

Former degree program students of the University of Regina who have since pursued a non-degree program, follow standard transfer procedures to return to a degree program. Students who are first admitted with non-degree status and who later wish to transfer to an undergraduate program, follow the procedures for first-time applicants, but do not pay the undergraduate application fee, if paid previously.

Completion of a Subsequent Credential

Individuals who have completed an undergraduate credential at the University of Regina or at another recognized post-secondary institution may seek admission to a subsequent credential when:

- the credential is in a different discipline; or
- the credential is at a higher level in the same discipline.

An exception may be granted at the discretion of the faculty/academic unit when:

- A credential has been completed from an institution that is not recognized.
- A credential has been evaluated by an international credential evaluation service and has been deemed to be not equivalent to a Canadian credential.
- A licensure organization requires an individual to repeat their credential.
- A credential is considered to be stale-dated, and the individual would substantially benefit from refreshing or updating their credential with more modern content.
- In unusual circumstances at the discretion of the Faculty's Dean (or designate).

See the [Subsequent Credential Guidelines table](#).

Note 1: While an international credential evaluation service may deem a credential not to be equivalent to a Canadian credential, individuals may only need to take a few courses to apply for professional licensure or accreditation in their profession. In those case, individuals are strongly encouraged to apply for admission as a Special Post Graduate Student so that they can take the necessary courses.

Note 2: The U of R reserves the right to refuse admission to a program where it has been deemed equivalent or of a lower level than a credential an individual has already received.

Enrolment in a Concurrent Credential

- Individuals who are enrolled in an undergraduate program at the University of Regina may enrol in one concurrent program at the same or lower level provided their Faculty regulations permit it.
- Unless Faculty regulations permit otherwise, students must complete at least 50% of their concurrent program with unique credits that have not been used to fulfill the requirements of the other program.
- Students may not enrol in concurrent programs of the same discipline unless they intend to complete a lower level credential that ladders into a higher level credential (a certificate that ladders into a baccalaureate for example).
- When students are in a concurrent program of the same discipline, the lower level credential must be completed first.
- Conjoint programs and double majors are distinct and are indicated in the Faculty sections of the Undergraduate Calendar and on the Application for Undergraduate Program Admission.
- Students who are enrolled in a conjoint program may enrol in a concurrent credential at a lower level only (certificate or diploma) unless their Faculty regulations specify otherwise.
- Students may not be enrolled in a concurrent program at another institution unless their Faculty regulations permit otherwise.

Note: Undergraduate programs that cannot be taken concurrently with another program are published in the relevant Faculty regulations.

Admission Requirements for Concurrent Programs

Students must meet the admission requirements of both programs.

Primary and Secondary Program

- The program at the highest level will serve as the student's primary program.
- When a student is concurrently enrolled in two programs at the same level, they must declare a primary and secondary program.
- Where Faculty regulations specify that the student's primary program must be within that Faculty, the primary program will be designated accordingly.
- When a student graduates from a primary program and the secondary program remains in progress, the secondary program becomes the primary program.
- Students may, after completion of a primary or secondary program, enrol in an additional concurrent program on conferral of their credential.

Applicants in Unsatisfactory Standing Petition Requirements

The provisions in this section are for students who have been required to discontinue studies at the University of Regina or another recognized post-secondary institution for unsatisfactory academic standing or misconduct. Even when students have been required to discontinue for a set period of time, admission is not automatic. Students may only be admitted to the University if accepted by a faculty or college. When a student has been admitted, and the University later receives a transcript showing an undeclared involuntary withdrawal from a previous institution, the student's admission will be revoked, and registration will be cancelled.

Petitioning to Return after Being Required to Discontinue (RTD) or Forced to Withdraw (MW) on Academic Grounds

Application Procedures for Students

Applicants follow normal application procedures for admission, re-admission, or faculty/college transfer, but must submit a petition letter, by the petition deadline (or faculty document deadline; whichever is earlier), to the appropriate Enrolment Services office. The petition letter should show cause as to why the student should be admitted or re-admitted and should include academic goals and information on what the student has been doing while away from the University of Regina or other post-secondary institution.

The letter, with other required documents, is forwarded by Enrolment Services to the requested faculty or college, which decides whether or not the applicant is to be admitted or re-admitted and any conditions for registration or continuance. The decision of the faculty or college is final. The faculty or college communicates its decision directly to the applicant. Applicants who are refused by one faculty or college may petition another for the next available term.

Once students have successfully petitioned a faculty or college, they must complete 9 credit hours in that faculty or college with a minimum grade of 60% in each course before transferring to another faculty or college or they will have to petition to transfer. Students wishing to return to a faculty or college from which they have been required to discontinue must petition that original faculty or college in order to be re-admitted or transferred even if the student has successfully completed academic work in another faculty or college since being required to discontinue.

Students who have been discontinued by other post-secondary institutions on academic grounds do not have to petition for admission if they have subsequently been admitted to an approved post-secondary institution and established satisfactory standing by successfully completing a minimum of 9 credit hours, provided that they meet the admission standards of the faculty to which they are applying.

Petitioning to Return after Being Required to Discontinue on Disciplinary Grounds

Application Procedures for Students

Students who have been expelled for misconduct from the University of Regina may submit an application for re-admission and letter of petition to the University Secretary, Room 509 Administration-Humanities, 306-585-4956, for consideration by the Council Discipline Committee. If their petition is approved by the Committee, students must still meet the academic requirements for admission, re-admission, or transfer to their chosen faculty.

Students who have been suspended for misconduct and who have sat out their allotted time are not required to petition. They must reapply and follow normal deadlines and procedures for admission, re-admission, or faculty/college transfer.

At the discretion of the Director of Enrolment Services, an applicant who has been dismissed for disciplinary reasons from another post-secondary institution may be required to petition to the Council Discipline Committee and receive permission to apply for admission before being considered on academic grounds. If the applicant is admitted, the previous dismissal may be considered in any future proceedings for misconduct.

Application Deadlines for Petitioning Students

Applicants must meet the following deadlines, or the program-specific deadlines listed in the General Deadlines for Applications to Undergraduate Programs section, whichever are earlier:

Term	Application Deadline
Fall	July 1
Winter	November 1
Spring/Summer	March 1

Note: General extensions of deadlines do not apply to applicants in this category; however, the Dean of the Faculty or Registrar of the Federated College may specifically extend the petitioning deadline. Returning Nursing applicants who were required to discontinue from the University of Regina Faculty Of Nursing may petition for re-admission in the fall, winter or spring/summer terms according to the regular petition deadlines. New Nursing applicants who were required to discontinue from another institution may petition for admission for the fall term according to the regular Nursing admission deadline.

University of Regina Restrictions on Applications

Forced to Withdraw from the University (MW)

Applicants who have been forced to withdraw (MW) from the University of Regina will not be considered for admission, re-admission, or transfer to any faculty until the period of their discontinuance has expired.

Requirement to Discontinue from a Faculty (RTD)

Applicants who have been required to discontinue from a faculty may petition for faculty/college transfer to another faculty, observing the normal deadlines and process for petitions, or may sit out the period of their discontinuance and petition for re-admission to the original faculty.

Requirement to Discontinue from a Program

Students who have been required to discontinue from a program and who wish to change programs within the same faculty must consult their faculty on application procedures. Applicants for first-time admission and applicants for transfer to a new faculty must follow the petition procedures and may apply for the next available term.

Recognition of Prior Learning

Recognition of Credits between Programs of the University of Regina

All undergraduate credit courses offered by faculties at the University of Regina are accepted for credit by the remaining faculties, to the extent allowed by program requirements. A student who enters a new program or faculty may have courses that are extra to the degree program. Graduate courses may not be credited towards undergraduate programs.

Transfer of Credits from Other Post-Secondary Institutions

Transfer credit refers to the recognition of the successful completion of post-secondary credits taken at other recognized post-secondary institutions. Transfer credit may be awarded on the basis of the evaluation of a course (course by course), a series of courses (two or more courses equivalent to one course), or a block of courses (a group of courses equivalent to a specified number of credit hours).

The University of Regina will recognize course work completed at the undergraduate level for transfer credit for courses that are deemed to be at the university level from all eligible institutions. Transfer credit awards will only be applied to a student's chosen program if they meet the minimum transfer grade point average (GPA) and grade requirements of the Faculty or Academic Unit and only to the maximum credit hours allowable under the published regulations for admission and/or degree completion. Students must complete the residency requirements of their chosen program.

Courses taken at the undergraduate level will not be recognized for graduate level transfer credit and courses taken at the graduate level will not be recognized for transfer credit at the undergraduate level.

More information on the regulations and processes associated with transfer credit at the University of Regina can be found at:

www.uregina.ca/student/registrar/transfer-credit/.

Transfer of Credits from IB and AP Programs

Advanced Placement (AP) courses with a grade of 4 or better and higher-level International Baccalaureate (IB) courses with a grade of 5 or better may be granted transfer credit. A list of currently transferable courses can be found at www.uregina.ca/student/registrar/transfer-credit/.

An official IB or AP transcript is required in addition to the provincial high school transcript and must be sent directly from the AP or IB main office to the appropriate undergraduate Enrolment Services office.

Transfer of Credits for Courses Taken after Admission (Letter of Permission)

With the permission of their faculty/college, admitted and current students may take courses at another recognized institution for transfer to their program. To be eligible for a Letter of Permission students must:

- be in good academic standing with their faculty/college by meeting the minimum academic standards of their program and without having any current academic actions (probation, RTD, MW, etc.); and
- be in good financial standing with the University.

The University of Regina retains the right to refuse the award of transfer credit for students who take courses at another institution and do not obtain a Letter of Permission in advance of taking those courses.

Credit by Challenge

Challenge examinations allow a student to obtain credit by demonstrating mastery of the course material in a comprehensive examination. The following restrictions apply:

- Students who have attended another university before the University of Regina may not apply for credit by challenge until the evaluation of transfer credits from their previous university program has been completed.
- Except in special circumstances and with the permission of the Dean of their faculty, students may not apply for credit by challenge if they have completed more than 15 credit hours at the University of Regina.
- Courses audited or taken for credit (whether passed or failed) at the University of Regina or any other university may not be challenged.
- No course may be challenged more than once.
- Students may not challenge a prerequisite course after successfully completing the advanced course except by permission of the department head.

Each faculty and department may decide which courses may be challenged. No business administration, education, or activity-based

courses are eligible for challenge. Each faculty and department also determine the method of conducting the challenge examination, which must be in a form that can be reassessed. Grading of a challenge examination is the same as that of the course challenged (that is, either numerical or pass/fail). A student may apply to have the grade assigned to a challenge examination reassessed.

Applications to challenge credit are made through the Registrar's Office, using an Application for Credit by Challenge. The fee for the examination is the same as tuition and fees for the regular course.

Prior Learning Assessment and Recognition (PLAR)

PLAR is facilitated through the Centre for Continuing Education. Some faculties and academic units on campus have formal policies on Prior Learning Assessment and Recognition: Other forms of PLAR in limited use at the University of Regina include the following:

- Block (transfer) or direct credit, or advanced standing, for work experience in selected programs that require this type of experience
- Evaluation based on portfolio

Specific information on PLAR regulations can be found in the faculty, federated college, or academic unit sections in the undergraduate calendar.

Application and Admission

Applicants to undergraduate programs follow the regulations for application and admission found in the Undergraduate Admissions section.

Applicants to graduate programs follow the regulations of the Faculty of Graduate Studies and Research (FGSR) and should consult the FGSR website.

Applicants to ESL programs follow the appropriate processes and should consult the ESL website.

The University of Regina is a Designated Learning Institution (DLI) and is approved by the government to host international students. The University of Regina's DLI number is O19425660270.

Requirement for a Study Permit

International students are required to obtain a study permit for engaging in academic, professional, vocational, or other education or training that is more than six (6) months in duration. There are some exemptions to this rule. Visit the [Immigration, Refugees and Citizenship Canada](http://www.ircc.gc.ca) (IRCC) website for more information on when a study permit is required and for information on exemptions. It is illegal to study without a required study permit. If a student cannot provide proof of eligibility to study at the University of Regina, it will lead to withdrawal from all classes, and may result in no tuition refund.

Protected Persons (Convention Refugees) in Canada

Pursuant to R215 (1) (g), protected persons, within the meaning of A95 (2), may apply for a study permit from within Canada. However, they must meet all the conditions required of study permit holders as identified in R216 (1). The requirement to leave Canada at the end of the authorized stay is satisfied by virtue of R216 (2).

Changes in Immigration Status

Any changes in an international student's immigration status must be reported to the UR International Student Services Office:

College West 109

University of Regina, Regina, SK S4S 0A2

Telephone: 306-585-5082; fax: 306-585-4957

Email: International.StudentServices@uregina.ca

Extending a Study Permit

It is the responsibility of the student to stay up to date on immigration regulations. International students must ensure to maintain their status and eligibility to study for the duration of their program(s) in Canada. Visit the IRCC website for more information on how to extend a study permit. If a student applied for an extension before the study permit expires, the student can stay in Canada under the same conditions as the current study permit until a decision is made. If a student's study permit expired, and they have not applied for an extension, the student must restore their status to be eligible to continue to study. Visit the following [IRCC](http://www.ircc.gc.ca) website for more information on restoration of status.

Registration Requirements for International Students

International undergraduate students must be registered full-time in each of the fall and winter terms. During the spring and summer term, international undergraduate students may register as a full-time or part-time student or take a break.

International undergraduate students that begin their studies in May must be registered full-time during the spring and summer term (May-August inclusive). International undergraduate students that begin their studies in July must be registered in a minimum six (6) credit hours for the spring and summer term (July-August inclusive).

Full-time registration for international undergraduate students is defined as registered in a minimum of nine (9) credit hours.

More information on the registration requirements for international undergraduate students, please refer to Registration Requirements for International Students in the Undergraduate Calendar, section.

International Graduate students should refer to the [Faculty of Graduate Studies and Research website](http://www.uregina.ca/graduate-studies) for registration requirements.

International ESL students, please refer to the [ESL Policies and Rules](http://www.uregina.ca/esl) handbook for further information.

International students may be eligible to work in Canada without a work permit as long as they meet the eligibility criteria. Visit the [IRCC](http://www.ircc.gc.ca) website for the specific regulations.

Co-op/Internship/Practicum Students

Students enrolled in programs with a Co-op, internship, placement, fieldwork, or practicum component are required to apply for a Co-op or internship work permit. The University of Regina considers a Co-op student with a Co-op work permit to have full-time student status during the “work experience” portion of their program. Visit the [IRCC](#) website for the specific conditions.

Post-Graduation Work Permit

Students who have graduated from a Designated Learning Institution (DLI), and want to stay in Canada temporarily while working, may be eligible to apply for a post-graduation work permit (PGWP). Visit the [IRCC](#) website for the specific eligibility requirements for the PGWP.

Tuition and Fees

Fees are assessed in Canadian dollars and are reviewed and approved by the U of R's Board of Governors each year. Changes in the rate of tuition and other fees normally become effective in the fall term of each year. The Board of Governors reserves the right to change fee rates without notice.

The [U of R Financial Services website](#) has information on the specific rates of tuition and fees that are assessed.

Application Fee

The U of R assesses a one-time, non-refundable undergrad application fee upon application to the University.

Tuition

Tuition is assessed at differential rates between domestic and international student status, and by program of study. Tuition is subsidized provincially and includes the cost of instruction and other costs related to the delivery of University services for students.

Audit Tuition

The tuition to audit a course is set at 50% of normal tuition. There may be additional fees based on the course being taken for audit. More information on how to register is available on the [Registrar's Office website](#).

Senior Citizens' Tuition Waiver

Tuition, subject to certain restrictions, may be waived for Canadian citizens or permanent residents of Canada 65 years of age and over (as of the end of the term in which they enrol) up to a maximum of 15 credit hours total during the fall and winter terms (September to April) and a maximum of 6 credit hours total in the spring and summer terms (May to August). The waiver applies to tuition only. There may be additional fees based on the course being taken. More information on how to register is available on the [Registrar's Office website](#).

International Student Tuition and Program Transfer Fee

The undergraduate tuition rate for international students on a study permit is 3.0 times the regular undergraduate tuition rate. Other fees are assessed at the same rate as for domestic students.

International Tuition Deposit

International students on a study permit are required to pay a non-refundable \$1000 tuition deposit upon acceptance of admission. The terms of the deposit include:

- Class registration cannot proceed for new students who have been offered admission until payment of the deposit is received.
- The deposit may be transferred between terms for the period the admission offer is valid.
- 100% of the tuition deposit is applied toward tuition and fees.
- The deposit is non-refundable.

Tuition While Awaiting Permanent Residence or Protected Person Status

International students who have applied for permanent residence or protected person status continue to pay the differential tuition rate until the residency or protected person status is granted by the Government of Canada. Students must submit a copy of their permanent residence or protected person status to the appropriate Enrolment Services office. Any change in tuition rate that results from a change of immigration status, takes effect in the following term upon receipt of a copy of the official documentation confirming permanent residency or protected person status.

International Student Program Transfer Fee

International students that request a faculty transfer and do not have any credit hours earned from the U of R will be required to pay an administration fee of \$150.

International Student Acceptance Letter Reprint Fee

International students who request a reprint of their acceptance letter from the UR International Enrolment Services office will be required to pay an administrative fee of \$50. Students who have their study visa declined or students who experience a University error will not be assessed this fee.

Diplomatic, Consular, or Other Representatives

Diplomatic, consular, and other representatives of foreign countries, the UN and other international agencies, their spouse and dependents are exempt from international tuition by holding diplomatic status or by being dependents of those holding such status.

For purposes of exemption, a dependent of a person includes: a) spouse, b) unmarried child, or c) spouse's unmarried child. Dependent status must be fully documented and must have been established for a minimum of three years.

Students must present a valid diplomatic visa or a certified copy of the diplomat's diplomatic visa as well as proof of dependent status to the diplomat.

Mandatory Fees

University Level Mandatory Fees

The following fees are mandatory for all University of Regina students:

- student union fees;
- student health and dental insurance¹;
- U-Pass (transit pass)²;
- academic technologies fee³; and
- student services, health, and wellness fee.⁴

Note 1: The student health and dental plan is assessed in the fall term for students who register in a minimum of 9 credit hours at the undergraduate level or 6 credit hours at the graduate level. Students who register in less than the minimum number of 9 credit hours or register in the winter or spring/summer terms must contact the University of Regina Students' Union to determine if they are eligible.

Note 2: The U-Pass is assessed to students, in the fall and winter terms, who take at least one on-campus course, unless the student is eligible to opt-out. Opt-outs are managed by the University of Regina Students' Union (URSU). Some of URSU's opt-out eligible groups include: students who reside on campus; students who live outside the Regina city limits; and students on nursing practicums and education internships outside of Regina. Students should contact URSU for more information about eligibility, opt-outs, and obtaining a U-Pass when not automatically enrolled.

Note 3: The academic technologies fee is assessed to all students on and off campus (including Federated College students). The fee will not be assessed for on campus or off campus contract classes.

Note 4: The student services, health, and wellness fee is charged to all students, regardless of location, as it provides partial funding for student services, wellness and recreation programming, online health resources, and fitness opportunities both remote and in-person, including programs such as:

- [U of R Mental Wellness Hub](#)
- [UR Fit Online and On-Demand Programming](#)
- [Revive and Thrive Program](#)
- [U of R E-Sports](#)

The fee also partially supports intramurals, athletic programs and in-person facilities at the Centre for Kinesiology & Health Studies, which includes funding student employment opportunities.

Program Level Mandatory Tuition and Fees

Some additional mandatory tuition and fees are assessed depending on the program a student is admitted to and include the following:

- equipment fees;
- NCLEX® and Canadian Nursing Association fees;
- student society fees; or
- other specific program related fees.

Course Level Mandatory Fees

Course specific fees are mandatory and may be assessed to cover costs associated with:

- special equipment;
- materials;
- field trips; or
- other items.

Other Mandatory Tuition and Fees

Other fees may be assessed to students on the basis of their admission route and participation in University learning activities. These tuition and fees can include:

- certificate courses fee;
- challenge examination fee;
- Co-operative Education fee;
- First Nations University of Canada building and association fees (for students admitted through the First Nations University of Canada);
- practicum and internship fees;
- English as a Second Language fees; or
- Prior Learning Assessment and Recognition (PLAR) fees.

Student Housing and Meal Plans

Student housing and meal plan rates vary in accordance with the housing and meal plans that are selected. More information on the [Housing Services](#) website.

Miscellaneous and Administrative Service Fees

Miscellaneous and administrative fees are assessed for specific requests for services. Examples include, but are not limited to:

- replacement of a photo ID and U-Pass;
- a replacement or duplicate parchment;
- printing services;
- external exam invigilation;
- appeal of grade; and
- other miscellaneous goods and services.

Students should consult the applicable service unit for more information on the specific fees that are required.

Due Dates and Payments

Due Dates for Tuition and Fees

Tuition and other student fees are due on the first day of classes in each term. Students have a grace period before late payment charges are added to their account. Please refer to the current [Academic Schedule](#) for the end of penalty-free payment dates.

Payment of Tuition and Fees

The University of Regina does not send tuition and fee statements through letter mail. Notification that electronic statements have been posted will be sent to a student's U of R email account. Students are responsible for checking their U of R email account regularly and for checking the balance of their account using [UR Self-Service](#).

Electronic Statement of Account

The electronic statement of account is a detailed analysis of fees owing to the University. Fall term fees are normally assessed in mid-July; winter term fees are normally assessed in mid-November and spring/summer term fees are normally posted when a student registers in classes.

Online Payments Using UR-Self Service

Payments can be made over the Internet with a Visa, MasterCard, or American Express credit card using [UR Self-Service](#).

Online Using Internet Banking

Payments can be made using Internet banking from all major Canadian Chartered Banks and Saskatchewan Credit Unions. Add the University of Regina as a payee and use the nine-digit student ID number as the account number. If payment is being made for a student registered with a Federated College (Campion College, Luther College, or First Nations University of Canada) select the Federated College as the payee.

Payments by Telephone

Payments can be made by telephone using Visa, MasterCard, Discover Card, or American Express by calling 306-585-4123. A student ID number will be required when making this kind of payment.

Payments by Mail

Payments by cheque, money order, or bank draft can be sent to:

Financial Services
3737 Wascana Parkway
Regina, SK S4S 0A2 Canada

In-person Payments

Payments by cash, cheque, money order, Interac Debit card, credit card (Visa, MasterCard, Discover Card or American Express), or U of R gift cards can be made in person at Financial Services, Room 205 in the Administration-Humanities Building.

Wire Transfer Payments

The U of R has partnered with [Flywire](#) to streamline the tuition payment process for our international students. Flywire allows you to pay from most countries and banks. They also offer excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks and credit card exchange rates.

Payment of Tuition and Fees by Student Loan or Scholarship

Student loans and scholarships paid directly to the University are held and used for the payment of tuition and fees based on the term for which the loan or scholarship is valid, as follows:

Term	
Spring/Summer	Tuition and fees are withheld
Fall	Tuition and fees are withheld*
Winter	Tuition and fees are withheld
*Fall and winter tuition and fees are withheld for dual-term loans.	

Students are responsible for paying any tuition and fees over and above the amount of student loans or scholarships.

More information on the regulations, policies, and procedures pertaining to student financial aid can be found in the Admissions section of this Calendar under Student Financial Aid.

Payment of Tuition and Fees by Sponsorship

Businesses, tribal councils, funding agencies, or organizations that are sponsoring a U of R student will be invoiced once a letter or a Student Sponsorship form is received from the funder. Students are responsible for paying any tuition and fees over and above the amount of sponsorship. The account is considered to be in arrears until payment is received by the funder. The sponsorship is considered to expire at the end of the term, at which point interest charges begin to accrue.

Late Payments

The deadlines for payment of tuition and fees without penalty each term can be found in the Academic Schedule. Students who have not paid their tuition and fees by the deadline are assessed late payment penalties of 1.5% of the total amount owing.

Outstanding Accounts

Students who owe money to the University will have a financial hold placed on their account and will not be allowed to register in classes, to obtain transcripts, or to receive parchments. Students who owe money may also be deregistered from future term courses.

Outstanding accounts are turned over to a collection agency after approximately six months.

Returned Payments

When cheque payments are returned by a Financial Institution as non-sufficient funds (NSF), a \$30 charge will be added to the student's account to cover the costs related to this transaction. When a credit card payment is charged-back, a charge of the greater of: \$30, or 2% of the transaction amount, will be added to the student's account.

Adjustment of Tuition and Fees

Students are responsible for consulting the Academic Schedule each term to familiarize themselves with important course add/drop deadlines. Students may also check [UR Self-Service](#) (My Refund Schedule) or the Class Refund Schedule to view the deadlines that are specific to the classes in which they have registered for each term or part of term.

Automatic Adjustment for Registration Changes

There are three drop deadlines each term:

- Deadline 1: 100% adjustment of tuition, mandatory term-based fees, and mandatory course-based fees.
- Deadline 2: 50% adjustment of tuition. All mandatory fees are not adjusted.
- Deadline 3: No adjustment of tuition or mandatory fees.

Adjustments generated by withdrawals in the 100% and 50% deadline periods are automatically credited to the student’s account.

Application for Adjustment of Tuition

Students who withdraw from one or more classes after the 100% deadline period may be eligible for an adjustment of tuition based on the portion of the term they were unable to attend for any of the following reasons:

- Serious illness or accident, including hospitalization
- Death or serious illness of an immediate family member; or
- Involuntary job transfer.

Mandatory term-based fees and mandatory course-based fees are not adjusted.

The date used to calculate the adjustment will be the date the student withdrew on [UR Self-Service](#) or the date the withdrawal request was received in writing from the student unless the student ceased attending classes on a date supported by documentation (for example - the date of hospitalization).

Adjustments for tuition for classes in Part of Term 1 are as follows:

Withdrawal in:		
Week 3: 77%	Week 7: 46%	Week 11: 15%
Week 4: 69%	Week 8: 38%	Week 12: 8%
Week 5: 62%	Week 9: 31%	Week 13: 0%
Week 6: 54%	Week 10: 23%	

Adjustment of tuition for classes in other parts of term are prorated proportionately to the days in the part of term.

A one-time adjustment of tuition may be possible when a student has made a registration error. Mandatory term-based and mandatory course-based fees are not adjusted. There will be no further fee adjustments for any subsequent errors.

Students are not normally liable for tuition or fees incurred as the result of a registration error by a University staff member. Students should ensure that they receive and keep a record of any registration or registration change made on their behalf, as they may be required to produce it.

Requests for adjustments are to be submitted to the Registrar’s Office on an [Application for Tuition Adjustment](#) which must include supporting documentation.

Reason	Documentation
Serious illness or accident including hospitalization	University of Regina Student Medical Certificate that has been completed by a Physician or Nurse Practitioner.
Death or serious illness of immediate family member	One of the following: Copy of death certificate or obituary. Letter from a Physician or Nurse Practitioner verifying the serious illness. Letter from a certified health professional (Social Worker, Counsellor, Psychologist, etc.).
Involuntary job transfer or call to military duty	A letter of support from the employer relating to the date of the required change.
Student registration error	A written explanation is required
University error	Complete details with supporting documentation. If supporting documentation is not available, provide dates and other information that will help support your request.

The University reserves the right to verify the authenticity of any supporting documentation that has been submitted.

The deadline for application is one calendar year from the end of the term for which the adjustment is requested.

Students may make a written appeal to the Registrar with respect to the outcome of their [Application for Tuition Adjustment](#). The Registrar’s decision is final.

Credit Balance

A credit balance resulting in an adjustment is retained on the student account unless:

- the student makes a request to the Financial Services Office to release the funds. Refunds are processed as credits back to the method the original payment was made (i.e. Credit card, Flywire, cheque);
- fees were paid by third-party sponsors, fees paid by the sponsor would be disbursed directly to the sponsor; or
- fees were paid by Canada Student Loans. Tuition and fees paid by a student loan are disbursed directly to Canada Student Loans.

Education Deduction Certificate (T2202)

Education Deduction Certificates are posted to student [UR Self-Service](#) accounts by the last day of February.

Student Awards and Financial Aid

General Information

The University of Regina supports the creation and distribution of financial awards to recruit and retain the best and brightest students to the University of Regina in recognition of academic accomplishments, community service, personal achievements, and leadership development, as well as to assist students who have financial need. The University of Regina offers a wide range of entrance and undergraduate awards either supported by the University of Regina or thanks to the generosity of many individual and corporate donors. For information about individual awards, consult the Student Awards and Financial Aid website at: www.uregina.ca/cost-aid/funding/index.html. All awards information is subject to change without notice. The amounts of awards are subject to change without notice and subject to the availability of funding.

Application Forms and Deadlines

Application forms and associated deadlines for awards for which students must apply are available on the University's website at www.uregina.ca/cost-aid/funding/index.html. There are several awards for which no application is required.

Advertised application deadlines are effective at 11:59 p.m. Saskatchewan time on the date advertised. If a deadline falls on a weekend or statutory holiday, the deadline becomes the next business day.

Awards

Types of Awards

The term "award" encompasses five major types:

- **Scholarship:** Recognizes exceptional talent/promise or academic excellence, as defined by:

- a minimum grade of 80% for students entering from secondary school; or
- a minimum grade point average of 80% for current students; or
- top academic performance, when an award evaluates students' marks in comparison to their peers.

In some cases, scholarships may also include non-academic criteria (e.g. financial need, residency, etc.).

Scholarships will appear on a student's transcript.

- **Award:** An award recognizes achievement or involvement in extracurricular activities such as sports, student clubs and societies, community service, student government, etc. Students must achieve a minimum grade point average of 65%. Awards will appear on a student's transcript.
- **Bursary:** Primarily designed to assist students with financial need. Recipients must be in good academic standing. Bursaries do not appear on a student's transcript.
- **Prize:** A prestigious recognition, which may or may not have monetary value. It recognizes academic achievement in a course, cluster of courses, field of study or an academic piece of work, as defined by:
 - a minimum grade point average of 80.00%; or
 - top academic performance when an award evaluates students' marks in comparison to their peers; or
 - talent or promise.

Prizes will appear on a student's transcript.

- **Athletic Award:** A grant of money to a student who participates in U Sports competition. U Sports regulations govern these awards. (www.usports.ca).
- **Entrance awards** are for students who will be attending the University of Regina for the first time.
- **Continuing awards** are for students who have already completed at least one term at the University of Regina.

Awards General Regulations

The University reserves the following rights:

- to refuse to disclose to an individual personal information that is evaluative, or opinion material compiled solely for the purpose of determining the individual's suitability for receipt of an honour or award;
- to consider fair distribution in the allocation of awards;
- to withhold an award in any year in which no candidate meets the selection criteria;
- to cancel and require repayment of an award if the recipient is not registered and/or has not remained registered in the required number of credit hours throughout the term, up to and including the last day of classes that is published in the

Deadlines and Important Dates section of the Undergraduate Calendar or online:

www.uregina.ca/student/registrar/registration/academic-schedule.html.

- For awards which require an application, students will only be considered for awards for which they have submitted a complete application package.
- Deferrals of awards are typically allowed in the following circumstances:
 - Students attending Université Laval as part of the Baccalauréat en Education program: the award will be deferred to the term of their scheduled return.
 - Students in the Gap Year program are eligible to have automatic university-funded entrance scholarships (excluding the Chancellor's Scholarship) deferred for a maximum of one academic year. The total amount of eligible awards will be deferred if the student attends the following fall term. Half of the amount of eligible awards will be deferred if the student chooses to end their Gap Year early and attends in the winter term.
- The monetary value associated with financial awards funded by the University of Regina is normally restricted to students registered in University of Regina courses or participating in a formal exchange program in which they pay tuition and fees at the University of Regina.
- Visiting students and students enrolled in off-campus programs may be eligible to receive financial awards to the maximum value of tuition and fees paid to the University of Regina.
- Students on a letter of permission from their faculty may be eligible for receipt of awards and will be reviewed on a case-by-case basis.
- Only University of Regina courses will be used in the calculation of averages for consideration of continuing scholarships, bursaries, awards, or prizes.
- To qualify for an award, a student must normally have removed all incomplete grades, completed deferred examinations, and had any grade changes completed within six weeks following the end of the term.
- Receipt of awards is conditional upon the recipient's compliance with all the terms, conditions, guidelines, and regulations outlined in the terms of reference.
- The maximum amount of internal award funding an undergraduate student can normally receive per academic year is as follows:
 - Student charged at domestic fee assessment rate: \$30,000
 - Student charged at differential fee assessment rate: \$45,000

Students may formally request a reconsideration of an award regulation by writing the Director, Enrolment Services c/o Student Awards and Financial Aid office to be accompanied by any required supporting documents.

Course Loads and Calculation of Averages

Admission Average Used for Entrance Awards

For the purposes of administering Entrance Awards, a student's admission average will be used as calculated at the time of admission. High school students who expect to graduate in June and apply during their grade 12 year of high school will be assessed for entrance awards using their early conditional admission average (refer to [Undergraduate Admissions](#)).

Minimum Course Load Requirements

To be eligible to earn undergraduate awards, a student must be registered in the minimum course load requirement in University of Regina courses as identified in the specific award criteria.

Accommodation on Course Load Requirements for Students with Disabilities

Students registered with the Centre for Student Accessibility (CSA) will be considered eligible at a 20% course reduction from the listed criteria in the award terms of reference. In exceptional cases, the required course loads (for award eligibility) may be reduced further, as determined on a case-by-case basis. The University reserves the right to adjust award values to reflect the reduced amount paid for tuition and books (by virtue of the reduced course load).

Externally Administered Awards

University of Regina students may apply for additional scholarships and bursaries that are administered by other organizations. Information on externally administered awards is posted on the University's website at www.uregina.ca/cost-aid/funding/additional-funding.html.

Government Student Financial Assistance

The Government of Saskatchewan offers a variety of financial assistance programs available to Saskatchewan residents, including the Canada - Saskatchewan Integrated Student Loans Program. This program is delivered jointly by the Governments of Canada and Saskatchewan and provides financial assistance to full-time and part-time post-secondary students. Students who apply for a Canada-Saskatchewan Integrated Student Loan will be automatically considered for most student grants from both the Government of Canada and the Government of Saskatchewan. Students also have the option to choose to receive only the grant funding when completing the application.

Saskatchewan residents must apply annually for financial assistance directly through the Saskatchewan Student Services and Program Development Branch and are encouraged to do so early to ensure timely receipt of funding. For more information about Saskatchewan Student loans and grants, visit:

www.saskatchewan.ca/residents/education-and-learning/student-loans.

Registration

Recipients of full-time Canada-Saskatchewan Integrated Student Loans or Grants must be registered in at least 60% of a full course load per term (40% for students with a permanent disability), which for undergraduate students at the University of Regina is nine credit hours per term (six credit hours for students with a permanent disability). Students who plan to take courses in the spring/summer term should check with Student Awards and Financial Aid to ensure that their chosen combination of courses meets registration requirements. Students who are on a Co-op term are considered full-time. Students must be registered in the required credit hours before the University can complete the confirmation of enrolment section of the student assistance document.

If a student drops below the full-time requirement for their student assistance for any given term, Student Awards and Financial Aid will report this information to the appropriate provincial student aid office.

Students taking part of their course load at another institution on a letter of permission from their faculty (refer to the Admissions section of this Calendar) must advise the Student Awards and Financial Aid office by email: safa@uregina.ca and provide proof of enrolment at the other institution. Proof of enrolment must include course date and credit hour information.

Confirmation of Enrolment/Loan/Grant Agreement Forms

Students registered through the University of Regina have their electronic confirmation of enrolment and/or student assistance agreement forms completed at Student Awards and Financial Aid (Room 108, Administration-Humanities Building).

Students registered through First Nations University of Canada, Campion College, or Luther College that are funded by a Canada-Saskatchewan

Integrated Student Loan will have their electronic confirmation of enrolment and/or student assistance agreement forms completed by their college. All out-of-province loans/grants are confirmed through the Student Awards & Financial Aid Office.

University of Regina photo ID or a photo ID driver's license is required to have the completed documents returned to the student. Under no circumstances can the confirmation of enrolment be completed more than 21 days before the period of study start date or beyond the period of study end date.

Students interested in government student financial assistance from other Canadian provinces or territories, or the USA, should seek advice from their home government regarding available financial assistance programs. Information on other provincial, territorial, and USA government financial assistance programs is available at <https://www.uregina.ca/cost-aid/funding/student-loans.html>.

Confirmation of enrolment and/or student assistance agreement forms for approved funding from other jurisdictions are completed by Student Awards and Financial Aid.

University of Regina Emergency Funding

The purpose of the Emergency Fund is to aid students whose continued education at the University of Regina is at risk because of unexpected financial pressures. Students may apply for funding which may be granted as either a bursary or a short-term, interest-free emergency loan of up to \$1000 once in their academic career at the University of Regina. Students must repay Emergency loans in the same term they are borrowed. For more information on the program, please visit: <https://www.uregina.ca/cost-aid/funding/additional-funding.html>.

Students should inquire about this program or other emergency assistance programs as follows:

Class Registration and Withdrawal

Registration Regulations

Eligibility to Register

Students are eligible to register for classes if they:

- have been admitted to the University;
- have registered at least once in the last three terms;
- have a financial account that is in good standing;
- are not currently subject to an academic action or penalty that prohibits registration in classes;
- have a valid time-ticket; and
- meet the required pre-requisites or, when appropriate, have obtained the required approval to register.

More information on admission and re-admission to the University can be found in the [Undergraduate Admission](#) section of the calendar.

Program Planning

It is a student's responsibility to ensure that course registrations and any changes to course registrations meet program requirements.

We strongly recommend that newly admitted students make an appointment with an [Academic Advisor](#). An Academic Advisor can help develop a program plan and provide important information about university and faculty, federated college, or academic unit regulations.

The University uses Advisor by Conclusive to support program plans and degree audits. Advisor by Conclusive is a self-service system designed to help students and Academic Advisors keep track of the progress made in the completion of program requirements.

Advisor by Conclusive is available to most University of Regina students. Also refer to the [Registration and Withdrawal](#) page on our website.

Searching for Classes and Building a Class Schedule

Searching for classes and building a class schedule is easy at the University of Regina. [Visual Schedule Builder](#) (VSB) is an online self-service tool that provides the ability to view schedule options and to build a class schedule that is based on the days and times that work best for students each term (depending on course availability and schedule). A [step-by-step tutorial](#) is available online.

Registering for Classes

Class registration is done through the [UR Self-Service](#) system. Choose "Student Services" then "Registration" then "Add/Drop/Search for Classes". Add the CRNs to the "Add Classes Worksheet" and click the "Submit Changes" button. A [step-by-step tutorial](#) is available online.

Financial Agreement

By registering for classes, students agree to:

- Pay all tuition and fees associated with courses in which they are registered.
- Follow formal add, drop, and withdrawal procedures of the University.
- Be financially responsible for any classes in which they remain registered after the full refund period ends.
- Be financially responsible for late fees, interest, service charges, collection costs, legal fees, and court costs and agree to pay any and all such charges if their account becomes delinquent.

Registration is not cancelled and classes are not automatically dropped for non-payment of fees. Students who decide not to attend must drop all classes prior to the first day of the term on [UR Self-Service](#) or request cancellation by contacting their [Academic Advisor](#).

Registration Dates

The academic schedules for all three (3) terms (spring/summer, fall, and winter) are available in mid-February every year. Registration for all three terms begins the first Tuesday in March.

Term	Registration Begins
Spring/Summer	First Tuesday in March up to the published add/drop deadline of the spring/summer term.
Fall	First Tuesday in March up to the published add/drop deadline of the fall term.
Winter	First Tuesday in March up to the published add/drop deadline of the winter term.

For information on full year registration **read the FAQs at www.uregina.ca/student/registrar/registration-withdrawal/full-year-registration-questions-and-answers.html**.

Registration Time-Tickets

Students register according to a priority system in which those who have earned the most credit hours register first. Transfer credit hours (which must already be granted by the Faculty and entered in the system) and credit hours in progress are included in the counts, which are not rounded.

Registration time-tickets are visible to students online in [UR Self-Service](#) approximately one month prior to the start of registration.

Students are not permitted to register or be registered by a University staff member in any classes in advance of their assigned time-ticket.

Course Availability

Some courses that are listed in the course catalogue may not be available each term. [Academic advisors](#) can assist students in determining the next term when a course should be available.

Maximum Class Size and Waitlist Registration

All classes have a maximum number of students that can register based on a variety of criteria. Once a class has the maximum number of student registrations, students who try to register in the class will receive an error message. For those classes that have waiting lists, students may add themselves accordingly. Students may review the [Waitlist Registration instructions](#) for more information on the processes and regulations that pertain to waiting lists.

Class Prerequisites

A prerequisite is a requirement that a student must meet before they are eligible to participate in a class. All students are required to meet the prerequisites for a class.

The U of R operates on an honour system where students may register in a class prior to completing the prerequisite so as not to impede their ability to secure a seat in a class pending completion of the prerequisite. If it is discovered that students do not have or have failed the required prerequisite, they will be withdrawn from the class and will incur all financial and academic penalties in accordance with the published deadline dates of the [Academic Schedule](#).

Class and Registration Restrictions

Some classes are restricted to students within a specific faculty or program. Only students who meet those restrictions will be eligible to register.

Other restrictions pertaining to classes and a student's ability to register may require permission and the processing of a registration permit override. It is a student's responsibility to consult the appropriate academic regulation, class, program, or degree section of the Undergraduate Calendar to determine if permission is needed and how to obtain that permission. Permission is not automatic and will be given only when the regulations are met.

Repeating Courses

With the exception of English 100 (ENGL 100), a course may be repeated once only. When a course is repeated, the grade obtained in the final authorized attempt becomes the grade of record for that course and used in the student's program of study. All courses officially attempted are listed on students' official transcripts.

English 100 (ENGL 100) may be repeated twice. Regardless of whether students pass or fail preceding attempts at ENGL 100, those that receive a failing grade for a third completed attempt at ENGL 100 must withdraw from the University for two years.

Courses successfully completed at the U of R cannot be repeated at another institution for transfer credit.

Adding and Dropping Classes

Students may make changes to their class schedule up to and including the add/drop deadline that is published in the [Academic Schedule](#). UR Self-Service is used to add or drop classes.

Maximum Course Load

The maximum number of registered credit hours a student may have in the fall and winter terms is normally 15. For the spring or summer terms, the normal maximum number of registered credit hours a student may have is 12 as follows:

Spring	Summer
3 credit hours each in parts of term 2 and 3 or, 6 credit hours in part of term 4	3 credit hours each in parts of term 5 and 6, or 6 credit hours in part of term 7

Maximum course load includes registered courses in the current term and any courses that are being deferred from the previous term. Some faculties and programs require or allow a course load that is higher than those described.

Attending Classes without Registration

Students are not allowed to attend classes in which they are not registered.

Late Class Registration

Registration in a class after the add/drop deadline is not permitted.

Registration by Proxy

Students may designate a proxy to register in classes on their behalf. A written and signed authorization or an email must be submitted from the student's U of R email account with the name of the proxy and the period of time they are providing permission to the proxy to register on their behalf. Authorization will be retained by the student's faculty, federated college, or academic unit.

Students are responsible for any registration activity made on their behalf by an authorized proxy. Students are also responsible for any registration activity made through the release of their [UR Self-Service](#) user ID and password to a third party.

Audit Registration

Some courses may be taken for audit. Audit students may attend classes but may otherwise participate in classes only to the extent permitted by the instructor. Audit registrations begin on the last business day prior to the start of classes.

Students may not register to audit a course that is full or a course with a waiting list.

Students who have been withdrawn from the University as a result of an academic action or penalty of academic or non-academic misconduct are not permitted to audit courses.

Audit Grades

Audit registrations are recorded on the official transcript with a grade of AU. Students who formally withdraw and students who are known to have ceased attending will have the grade of AW recorded on their official transcript.

Withdrawal

Failure to Withdraw

The University does not cancel class registration(s) on the basis of non-attendance. Students who do not formally withdraw are liable for assessed tuition and fees and failing grades.

Withdrawal from the University

Students who register and are subsequently unable to attend classes must either drop the classes online or contact their faculty, federated college, or academic unit in writing to cancel their class registration(s). If this is not done before the published add/drop deadline of the term, financial and academic penalties apply. The date the notification is received will be used in the processing of any course withdrawals.

Withdrawal from Classes

Students may drop classes up to the deadline for withdrawing without receiving a failing grade as published in the [Academic Schedule](#). The date of the withdrawal in [UR Self-Service](#), or the date a withdrawal request is received in writing, will be used to determine withdrawal eligibility.

Withdrawal due to Extenuating Circumstances

Students who are withdrawing from one or more courses, after the published refund periods, for reasons beyond their control (such as illness, accident, or involuntary job transfer) should complete an [Application for Grade Adjustment](#) at the time they withdraw. Supporting documentation is required. See the [Tuition and Fees](#) section of the Undergraduate Calendar for information about adjustments of tuition for withdrawals due to the reasons noted above.

Students who experience illness, the death or illness of an immediate family member, or an involuntary job transfer after the published Grade of W drop period has passed, or who unsuccessfully attempt to continue in classes after the deadline, should consult their faculty, federated college, or academic unit about the options available to them.

Retroactive Withdrawal

After the end of the term, in extenuating circumstances only and at the discretion of the students' faculty, federated college, or academic unit, students who might have been eligible for a medical or compassionate withdrawal may apply instead to their faculty or college for a retroactive withdrawal, which consists in the conversion of numeric grades and/or grades of NP to neutral grades of W. Only withdrawal from all courses in the relevant term will be considered. Students must complete an [Application for Grade Adjustment](#) and provide supporting documentation as described on the form, and an explanation of the reason for the lateness of the application. A retroactive withdrawal is an unusual privilege, not a right, and will be allowed no more than once in a student's academic career.

Student Code of Conduct and Right to Appeal

General Information

Preamble

Throughout these regulations, all references to the University include the University of Regina and its federated colleges. These regulations apply to all students at the University, and to all students at any other location who are taking courses through the University. All references to the term faculty, federated college, or academic unit refer to all U of R faculties, the Centre for Continuing Education, Campion College, Luther College, First Nations University of Canada, and La Cité universitaire francophone.

Jurisdiction

These regulations cover the conduct of all University students in University related activities, or with respect to and on University property, or involving any member of the University community. University related activities include activities of any type operated under University auspices at any location, whether on or off campus (including on any Co-op work placement, practicum, internship, or research project).

Definition of a Student

A student is an individual who:

- has accepted an offer of admission to an undergraduate, graduate, or ESL program; and/or
- is enrolled on a full-time, part-time, or visiting basis; or
- has an active status with the University; or
- is participating in a Co-operative Education work placement, a practicum, an internship, study abroad opportunity, or other sanctioned university activity.

The student code of conduct is in effect without regard to the physical location of the program.

Student Code of Conduct

Students of the University are expected to conduct themselves responsibly and with propriety both in their studies and in their general behaviour, and are expected to abide by all policies and regulations of the University. Misconduct, which may be academic (in academic studies) or non-academic (in general behaviour), is subject to disciplinary action.

Consideration for others and respect for each person is a principal way of life within the university community. The basic behavioral philosophy of the University is that students, academic staff, support staff, and administrators must be able to work and study in an environment that is free from harassment, discrimination, and intimidation, that all members of the community are entitled to fair and humane treatment, and that all will conduct themselves appropriately, respectfully, and responsibly.

A primary responsibility of the University is to provide its students with the opportunity for inquiry and the freedom to discuss and express one's views openly without fear of retaliation, or abuse of person or property. These attributes are the foundation of good citizenship.

To this end, students have an obligation to act in a fair and respectful manner toward their peers, the faculty, staff, administration, and the physical property of the University and others. Integrity and personal conduct, both on-campus and off-campus, are critical elements in achieving these goals. The University expects students to:

- Behave in a way that facilitates and promotes respect and equality toward all University staff, faculty, students, and others.
- Represent the University with professionalism and integrity on and off campus while attending a university event, an event of a registered student group, attending a conference, attending a student exchange or study abroad travel opportunity, participating in a Co-op work placement, during a practicum, or during an internship, as a U of R student.
- Understand the principles of Academic Integrity, Academic Misconduct, and Non-Academic Misconduct and to conduct themselves in a manner that upholds these principles to their highest standard.
- Read, understand, and comply with all university policies, procedures, academic regulations, program requirements, and deadlines.
- Be able to produce a University-issued student identification card (ID card) or other acceptable form of government-issued photo identification when asked to do so by Campus Security or any other University official.
- Carry a student residence ID card at all times when in secured areas of student residence buildings.

Determination of Misconduct Penalties

Determination of the penalty for acts of misconduct will be done on a case-by-case basis with consideration for similar incidents. In determining the appropriate penalty, consideration will also be given to the extent of the misconduct, whether there have been previous cases of misconduct, and other mitigating or aggravating circumstances. Following the principles of progressive discipline, repeated cases of academic and/or non-academic misconduct will normally result in more severe penalties.

Withdrawal from the University or from courses while an alleged violation is being investigated does not prevent the subsequent rendering of a disciplinary decision and assignment of a penalty if the misconduct is substantiated.

There may be academic and financial consequences for misconduct, including an appropriate notation on a student's transcript, and no adjustment of fees.

Academic Misconduct

Academic Integrity

Academic integrity requires students to be honest and responsible in all learning environments. Academic assignments exist to help students learn; grades exist to show how fully this goal is attained. Therefore, all work and all grades should result from a student's own understanding and effort. The principles of Academic Integrity include, but are not limited to:

- Completing your own work.
- Documenting your research and citing the works of others.
- Acting ethically and with integrity as you pursue your academic studies.
- Upholding the ethical or professional code of the profession for which you are preparing.
- Being accountable and taking responsibility for your actions.
- Learning from your mistakes.

Acts of Academic Misconduct

Acts of academic misconduct include acts which contravene the general principles of Academic Integrity. Some of these acts are described below. Others which are not explicitly described here may also be considered academic misconduct. All forms of academic misconduct are considered serious offences within the University community.

Cheating on Tests or Examinations

Cheating constitutes academic misconduct. Cheating is dishonest behaviour or the attempt to behave dishonestly. It includes, but is not limited to:

- using books, notes, diagrams, electronic devices, smart devices, or any other aids during an examination, either in the examination room itself or when permitted to leave temporarily unless explicitly authorized by the course instructor or examiner;
- copying the work of other students;
- communicating with others during an examination to give or receive information, either in the examination room or outside it or through the use of electronic communication devices;
- consulting others on a take-home examination unless authorized by the course instructor;
- commissioning or allowing another person to write an examination on one's behalf;
- not following the rules of an examination;
- using for personal advantage, or communicating to other students, advance knowledge of the content of an examination;
- altering answers on an assignment or examination that has been returned; or
- removing an exam or exam related materials from the examination room if not permitted to do so.

Note: In all cases of misconduct during an examination, students will have a notation made in the examination booklet detailing the type of behaviour observed, the date, and the time.

Plagiarism

Plagiarism is a form of academic misconduct where the work of another person is submitted without acknowledgement, whether from intent to deceive, lack of understanding, or carelessness. It is expected that students will examine and refer to the ideas of others unless the course instructor states otherwise. These ideas must be incorporated into the student's own analysis and must be clearly acknowledged through citations, footnotes, endnotes, or other practices accepted by the academic community. Students' use of others' expression of ideas, whether quoted verbatim or paraphrased, must also be clearly acknowledged according to acceptable academic practice. It is the responsibility of each student to learn what constitutes acceptable academic practice in each class. Plagiarism includes, but is not limited to, the following practices:

- not acknowledging an author or other source for one or more phrases, sentences, thoughts, code, formulae, or arguments incorporated in written work, software, or other assignments;
- presenting passages and/or portions of another person's paper, report, piece of software, etc., as an assignment for credit, even if that paper or other work is cited as a source in the accompanying bibliography or list of references. This includes copying sources of information found on the Internet; and
- paraphrasing text while maintaining the basic paragraph and sentence structure.

Students who are uncertain of what plagiarism is are encouraged to discuss it with their instructors and should consult the vast resources available on this topic that can be found on the internet and in most libraries. The APA and MLA citation guides are also valuable sources of information, but students may need to consult other sources of information to follow the format required by their instructor.

Other Forms of Academic Misconduct

In addition to the matters described above, academic misconduct subject to discipline also includes, but is not limited to, the following:

- copying the work of others;
- falsifying lab results;
- adding entries to a bibliography with works not read or used;
- enabling another student in an act of academic dishonesty; for example, writing a test or paper for someone else, or preparing materials for another student's studio project;
- using the intellectual property of others for distribution, sale, or profit without the authorization of the owner of that property. This includes providing the presentation materials, assignments, or exam materials used in a class to course-sharing or note-sharing websites such as Course Hero, OneClass, StuDocu, etc. without the authorization of the owner of those materials;
- providing false or incomplete information or supporting documents/materials on an application for admission, re-admission, or transfer;

- providing false information to obtain a deferral of course work or examination;
- using a fictitious name and/or ID number on an examination;
- altering or falsifying, or attempting to alter or falsify, grade information or other records of academic performance (one's own or someone else's);
- obtaining or attempting to obtain an academic advantage by non-academic means such as bribes or threats;
- hindering other students in obtaining fair access to University materials and facilities;
- theft of another student's notes;
- alteration or destruction of the work of other students;
- behaviour that interferes with the evaluation of another student's work, such as failure to participate in a group project;
- submitting the same work for credit in more than one course. Students who wish to submit work they have prepared for another course must consult the current course instructor(s) and receive permission to do so;
- working jointly, with another student or group of students, on an assignment that is to be graded if no explicit instructions are given by the instructor about group work. Students who wish to work together must request the instructor's permission in advance; or
- misleading or plagiarized statements on scholarship or grant applications.

Academic Misconduct Procedures

Reporting Academic Misconduct

Anyone may report academic misconduct. Anyone who has reason to believe that academic misconduct has occurred shall immediately notify the relevant dean or designate (the "Investigating Dean"). Where the alleged academic misconduct occurs in connection with a particular course, the dean or designate of the faculty, federated college, or academic unit offering the course shall be the Investigating Dean. For all other acts of alleged academic misconduct, the dean or designate of the student's faculty, federated college, or academic unit shall be the Investigating Dean.

For ESL, High School Accelerated, and Casual Studies students admitted through the Centre for Continuing Education, the student's dean is the Dean of the Centre for Continuing Education. For Visiting Students, the student's dean is the University Registrar. For graduate level students, the student's dean is the Dean of the Faculty of Graduate Studies and Research.

Investigation

Upon receiving notification, the Investigating Dean shall investigate the alleged academic misconduct immediately. The process will include offering an opportunity for the student to explain the incident and conducting any further investigation deemed necessary to ensure procedural fairness. Upon receiving notification, the Investigating Dean will also immediately notify the University Secretary (with a copy to the Registrar and the course instructor) of the alleged misconduct.

If the Investigating Dean is not the dean of the student's faculty, federated college, or academic unit, the Investigating Dean will also notify the dean of the student's faculty, federated college, or academic unit of the alleged misconduct. If the academic misconduct has been established, the Investigating Dean may take the appropriate academic action, and impose the appropriate penalty with respect to that course.

Academic Misconduct Penalties

The possible penalties for an act of academic misconduct include any one or more of the following, or any other appropriate penalty at the discretion of the Investigating Dean:

- reduction of a grade on an assignment, essay, report, or examination;
- notation on the student's file;
- zero credit on an assignment, essay, report, or examination;
- reduction of a grade in a course;
- zero credit in a course;
- a grade of XF (academic misconduct);
- loss and/or repayment of scholarships and other awards;
- requirement to take a course in ethics and/or academic integrity;
- suspension or expulsion from a program;
- suspension or expulsion from the University; or
- withholding or rescission of a credential.

Disciplinary Decision and Assignment of Penalty

The Investigating Dean will make the disciplinary decision on the academic misconduct. Where a student at the undergraduate level commits academic misconduct in two or more courses in the same term or there is a record of previous misconduct, the dean or designate of the student's faculty, federated college, or academic unit may assign a penalty additional to these assigned by the Investigating Dean. At the graduate level, the disciplinary decision is made by the Investigating Dean.

Notification of Disciplinary Decision and Assignment of Penalty

The Investigating Dean will advise the student of the disciplinary decision(s) in writing via the student's U of R email address. A copy of the disciplinary decision(s) will be provided to the University Secretary, the student's faculty, and the Registrar's Office.

Non-Academic Misconduct

Acts of Non-Academic Misconduct

Acts of non-academic misconduct include, but are not limited to, the following ("Violations"):

- a violation of the published rules, regulations, practices, procedures, or policies of the University or of any authorized rule-making body within the University, including all academic and administrative units, any residence, and a violation of any

professional code of conduct applicable to a student's faculty or department;

- theft, vandalism, and willful or negligent damage to the property of the University or of a member of the University community, the Student's Union, or any other university organization;
- disruption of instructional activities (being any conduct which makes it difficult to proceed with scheduled lectures, seminars, discussion group meetings, and related activities, or with examinations, tests, or use of library, laboratory, or research facilities);
- assault of any nature, or the threat of any assault;
- the unauthorized use or the misuse of any university facilities, equipment, or services;
- the violation or breach of any Federal, Provincial, or Municipal laws, so far as they are relevant to student conduct;
- harassment or discrimination in contravention of the principles articulated in the policies of the University, The Saskatchewan Human Rights Code, or the Canadian Charter of Rights and Freedoms;
- illegal drug use and/or distribution of illegal drugs;
- refusal to produce a University-issued student ID card or government-issued photo identification when asked to do so by a University officer or staff member;
- the failure to comply with the directions of officials of the University acting within the scope of their authority;
- any conduct which harms or threatens to harm the proper functioning of university programs or activities, the rights of members or guests of the University, the safety or well-being of members or guests of the University, or the property of the University, its members, and guests; and
- falsification or misuse of university records for improper or fraudulent purposes.

The reporting of a Violation, an investigation, and the assignment of discipline hereunder shall not disentitle an individual from seeking recourse or making a complaint under any other university policy, nor does the bringing of any complaint under the university policy prevent the University from investigating any violation and imposing any discipline hereunder, therefore. All rights and remedies under all university policies are cumulative, and a student may be subject to discipline for a violation under more than one policy, code of conduct, regulation, or procedure of the University or any authorized rule-making body within the University, including all academic and administrative units, residences, faculties, or departments.

It is recognized that an offence can be of one or more of a criminal, non-academic, and academic in character (e.g. theft of a key to obtain a copy of an examination paper). In these cases, it is understood that both academic and non-academic discipline, and criminal penalties may arise.

Non-Academic Misconduct Procedures

Reporting Non-Academic Misconduct

Any individual may report a Violation to:

- Campus Security;
- the dean of the student's faculty;
- the manager of the student's residence; or
- any other appropriate University officer or administrator such as a Vice-President, an Associate Vice-President, a Dean, the Registrar, or a Department Director.

Investigation

Upon receiving notification, the university officer will investigate the alleged violation immediately in conjunction with Campus Security, if appropriate. This process may include taking a statement from the complainant, informing the respondent of the allegation, offering an opportunity for the respondent to reply to the allegation, and conducting any further investigation deemed necessary to ensure procedural fairness.

Incident Report

Following an investigation that involves Campus Security, Campus Security will prepare an Incident Report. When Campus Security is not involved in an investigation, an Incident Report will be prepared by the investigating university officer. The Incident Report will summarize the investigation and findings and may recommend a penalty in respect of the violation, which may include referral of the matter to a law enforcement agency. The Incident Report will be provided to the University Secretary (and a copy maintained at Campus Security or with the investigating university officer). If the investigating university officer and/or Campus Security determine that the violation did occur, the Incident Report will also be forwarded to the "Investigative Lead". The Investigative Lead for undergraduate students is the Associate Vice-President, Student Affairs (or designate) and for graduate students the Dean of the Faculty of Graduate Studies and Research (or designate).

External Investigation

Where the violation falls within the scope of the Criminal Code of Canada or any other federal or provincial statute, the matter may be referred to law enforcement for consideration. Campus Security will liaise between the University and Law Enforcement Officials. The violation will concurrently be reviewed by the Investigative Lead for an internal disciplinary decision.

Notwithstanding that a violation may have been referred to law enforcement officials for external investigation and action (including judicial action), the University may choose to proceed with an internal investigation and disciplinary decision hereunder.

Presidential Intervention

The President (or the Acting President) has the power to exclude any individual from the University at any time. This will be done if, in the opinion of the President, this action is necessary to avoid disruption to the University, protect the interests of students, faculty, staff, or visitors to the University; or to protect the property of the University.

If there is no current investigation of non-academic misconduct, the incident(s) giving rise to the exclusion will be reported to the investigative lead, (or designate) for further investigation and decision as to penalty, including possible continued exclusion from the University. If there is a current investigation of non-academic misconduct underway, the continued exclusion of the student will be determined through the disciplinary process.

At the completion of the penalty period a student who has been excluded from the University must petition to the Council Discipline Committee for permission to apply for re-admission.

Non-Academic Misconduct Penalties

University penalties for acts of non-academic misconduct are assigned by the Investigative Lead (or designate). The possible penalties for an act of non-academic misconduct may include any one or more of the following, or another appropriate penalty at the discretion of the Investigative Lead (or designate):

- forfeiture of fees;
- restitution for damage;
- fines;
- university community service or remedial measures;
- mandatory counseling;
- alternative dispute resolution;
- loss of, and/or requirement to repay, scholarships or other awards;
- probation;
- eviction from residence;
- restriction of access or use of any University facilities, equipment, or services;
- expulsion from the Co-op program;
- suspension (dismissal from the University for a fixed period);
- termination of any internship, practicum, clinical, or research project, without any refund of fees;
- expulsion (dismissal from the University for an indefinite period and in no case less than two calendar years); or
- exclusion from university campuses, lands, buildings, and/or the online university systems.

Review, Disciplinary Decision, and Assignment of Penalty

Upon receipt of an Incident Report, the Investigative Lead (or designate) will review the misconduct in question and recommend a course of action, including an appropriate disciplinary penalty. The Investigative Lead (or designate) shall be entitled to call upon the assistance of an Advisory Team which shall comprise the following individuals: the Investigative Lead (or designate), the dean of the accused student's faculty, federated college, or academic unit, the director of Campus Security, or such other appropriate administrative personnel as may be required. The Investigative Lead (or designate) will make the disciplinary decision.

Notification of Disciplinary Decision and Assignment of Penalty

The Investigative Lead (or designate) will advise the student of the disciplinary decision in writing and will provide a copy of the disciplinary decision to the University Secretary. If the disciplinary decision involves suspension or expulsion, a copy shall also be provided to the student's dean and the Registrar's Office for action with respect to the student record.

Administration of Penalties of Suspension, Expulsion, and Exclusion from Campus

Suspension, Expulsion, and Exclusion - Withdrawal from Courses

A student who is suspended, expelled, or excluded from campus will be immediately withdrawn from course(s) in progress and assigned grade(s) of Compulsory Withdrawal (CW).

Suspension and Expulsion – Reinstatement in In-progress Classes and Registration in Future Terms

To be reinstated in in-progress classes, a student must make their intent to appeal known to the University Secretary within 10 business days of being notified of the suspension or expulsion. The formal appeal may follow this notification and must be received by the University Secretary within the timelines specified in the Appeals of Academic or Non-Academic Misconduct – Council Disciplines Committee section of the Undergraduate Calendar. Students who have been excluded from campus are not eligible to have their in-progress classes or future term class registrations reinstated on the receipt of notification of intent to appeal.

A student who is appealing a penalty of suspension or expulsion may continue to register for and attend classes until the appeal process has been exhausted unless the student has been excluded from campus.

Where the appeal process has been exhausted and a penalty of suspension or expulsion is the final outcome of that process, the student will be withdrawn from courses in progress with grades of CW ("compulsory withdrawal") and all registrations in future academic terms will be cancelled.

Reinstatement in Classes - Exclusion from Campus

A student who is suspended or expelled, and who is also excluded from campus will be reinstated in in-progress classes, if possible, if the outcome of their appeal is successful and the penalty is rescinded. Registrations in future academic terms will be reinstated to the extent possible.

Return to the University at the Conclusion of a Suspension Period

At the conclusion of the period specified in a suspension, students who have been suspended must reapply and follow the normal deadlines and procedures for admission, re-admission, or faculty transfer.

Return to the University at the Conclusion of an Expulsion Period

At the conclusion of the period specified in an expulsion, students who have been expelled must petition to the Council Discipline Committee for permission to apply for re-admission/re-instatement. There is no guarantee that a student will be granted re-admission/re-instatement to their chosen faculty, federated college, or academic unit after serving out the penalty of expulsion.

Exclusion from Receiving Transfer Credit on a Suspension or Expulsion

Students who have been suspended or expelled from the University and who are subsequently re-admitted to the University will not receive transfer credit for any courses they may have taken from other institutions during the period of their dismissal.

Application to Graduate and Participation in Convocation during a Suspension, Expulsion, or Exclusion

Students who have been suspended, expelled, or excluded may not apply to graduate or participate in Convocation ceremonies.

Student Appeals

Appeal of Grade

Students have the right to appeal any grade, including a grade in a practicum course. An appeal of grade can be made while the course is in progress for a specific piece of course work or when the course is finished. An appeal can be procedural or substantive as outlined below.

Deadline for Making an Appeal of Grade

For both procedural and substantive appeals, students must submit their appeal within 20 business days of receiving the grade for a piece of course work. In the case of an appeal of final grade the appeal must be made within 20 business days of the final grade being posted to their UR Self-Service account.

Deadline for Responding to an Appeal of Grade

For both procedural and substantive appeals, the deadline for a faculty, federated college, or academic unit to respond is 20 business days. This includes an appeal on a piece of course work or an appeal of final grade.

Potential Appeal of Grade Outcomes

An appeal of grade has three potential outcomes:

- the grade remains the same;
- the grade is raised; or
- the grade is lowered.

Procedural Appeal of Grade

A procedural appeal of grade is initiated when a student believes that there has been a procedural error in the calculation of their grade.

Procedural Appeal of Grade - Procedure

In these cases, the student will contact the instructor of the course and make a request for the calculation of their grade to be reviewed. The instructor will review the grading records and, if an error is found, the grade will be changed accordingly. A student who is unable to contact the instructor should contact the faculty, federated college, or academic unit offering the course so that it can be escalated to the appropriate faculty member for assistance. Grade changes will be submitted to the Registrar's Office. Grade changes at the graduate level are first submitted to the Faculty of Graduate Studies and Research for approval.

Substantive Appeal of Grade

A substantive appeal of grade is initiated when:

- a student believes a grade to course work was assigned on some basis other than academic achievement; or
- the published evaluation standards differ from the evaluation standards applied to the assigned grade.

The student must clearly state the reasons for initiating the appeal.

Substantive Appeal of Grade Procedure

A substantive appeal of grade is initiated by the student through having an informal discussion of the grade with the course instructor. This informal discussion can help to facilitate misunderstandings about the grade as well as to help the student understand how the grade was determined.

Formal Submission

If a student is not satisfied with the outcome of the informal discussion, they may submit a formal appeal of grade to the Registrar's Office. The following **must** be submitted:

- a completed [Appeal of Grade form](#);
- a letter specifying the grounds for the appeal and the date of the informal discussion with the instructor;
- the original (graded) copy of the course work (students are responsible to retain original (graded) copies of their course work, including downloading copies of graded course work from UR courses). Drop off at the Registrar's Office, AH 210 or email course work to registrar@uregina.ca; and
- the required fee.

Initial Review

The Registrar's Office will:

- confirm all required documentation and that the required fee has been received; and
- forward the appeal to the designated individual within a faculty, federated college, or academic unit to coordinate the review.

Determination of Grounds

The designated individual within a faculty, federated college, or academic unit will:

- decline to proceed if the student has not established sufficient grounds; or
- proceed with the appeal if sufficient grounds have been established; and
- notify the student via their U of R email address of the status of their appeal (declined or proceeding).

Review of Course Work

On the determination of sufficient grounds, the designated individual within a faculty, federated college, or academic unit will coordinate a review of the course work with an instructor, or instructors, in the same discipline. This may result in one of the following outcomes:

- the grade remains the same; or

- the grade is increased; or
- the grade is lowered.

Note: When a reviewer in the same discipline is not available, the University has the right to coordinate the review with a faculty member of the same discipline through a university that is a [Universities Canada](#) member.

Notification of Outcome

The designated individual within a faculty, federated college, or academic unit will:

- notify the student of the outcome of an appeal via their U of R email address; and
- notify the Registrar's Office of the outcome of an appeal; and
- submit a change of grade request to the Registrar's Office if the grade differs from the original grade. Grade changes at the graduate level are first submitted to the Faculty of Graduate Studies and Research for approval.

Grade Change and Refund of Fee

The Registrar's Office will:

- Process grade change requests.
- Initiate a refund of appeal of grade fee if the appeal is declined on the basis of insufficient grounds; or
- Initiate a refund of the appeal of grade fee if the grade is increased by more than 5% from the original grade.

The outcome of an appeal of grade is final.

Appeal of Academic Action

Students have the right to appeal an academic action. Academic actions include Faculty Probation, Required to Discontinue (RTD), and Must Withdraw (MW).

Deadline for Making an Appeal of Academic Action

Students must submit their appeal in writing by the deadline specified in the letter of notification. Late appeals will not be heard.

Potential Appeal Outcomes

An appeal of academic action has three potential outcomes:

- the action remains the same; or
- a previous action is extended; or
- the action is rescinded.

Class Registration/Attendance While Appealing an MW

Students with an academic action of MW are not permitted to attend or register in classes during the appeals process. Class registrations may be cancelled by the student's faculty, federated college, or academic unit.

Co-operative Education Work Placement, Practicum, and Internship Completion While Appealing an MW

At the discretion of the student's faculty, federated college, or academic unit, a student may be permitted to complete a Co-operative Education work placement, a practicum, or an internship that has already begun. Students must make their request to complete in writing to their faculty, federated college, or academic unit. Making a request to complete does not guarantee that the student will be permitted to complete.

Refund of Fees during an Appeal

Students whose class registrations are cancelled during the appeals process will receive a full refund of tuition, course fees, and term-based fees.

Transcript Record during an Appeal

MW and RTD academic actions will remain on a student's transcript during the appeals process. Faculty Probation does not appear on a transcript.

Appeal of Academic Action Procedure

An appeal of academic action is made to the designated authority as specified in the letter of notification. In most instances this is the Chair of the Student Appeals Committee of the faculty, federated college, or academic unit. For students at the graduate level, the designated authority is the Dean of the Faculty of Graduate Studies and Research.

Appeal Review and Deadline to Respond

The appeal of academic action will be reviewed at the next scheduled meeting of the faculty, federated college, or academic unit appeals committee.

Notification of Outcome

The designated authority will:

- Notify the student of the faculty, federated college, or academic unit appeals committee's decision on the appeal via their U of R email address.
- Submit a request to the Registrar's Office to change the academic action if the outcome of the appeal requires a change.
- Copy the University Secretary on the decision.

Further Appeals, Academic Actions, and Decisions

Except for matters to be heard by the Council Discipline Committee, all appeals and applications by students regarding faculty, federated college, or academic unit decisions will be heard by the Council Committee on Student Appeals. Formal requests for appeals must be submitted in writing to the University Secretary within 30 calendar days of the decision letter from the faculty:

The University Secretary

Email: student.appeals@uregina.ca

For more information about the Council Committee on Student Appeals and the Committee's Terms of Reference and Procedures visit the [Academic Appeals](#) website.

Appeals of Academic or Non-Academic Misconduct

Council Discipline Committee

Students may appeal the imposition or severity of a penalty for misconduct (academic or non-academic) to the Council Discipline Committee. Requests for a hearing must be submitted, in writing and within 30 days of the date of imposition of the penalty, to:

The University Secretary

Email: student.appeals@uregina.ca

Students who have been expelled for misconduct may submit an application for re-admission and letter of petition to the Council Discipline Committee. If their petition is approved by the committee, students must still meet the academic requirements and conditions imposed for admission, re-admission, or transfer to their chosen faculty. If the petition is denied by this committee, the decision is deemed final and a new time period may be allotted before the student can petition again to return.

The decision of the committee and the reasons for the decision are rendered in writing to the appellant and the Registrar for action relative to the student record.

At the discretion of the Registrar (undergraduate applicants) or the Dean of the Faculty of Graduate Studies and Research (graduate applicants), an applicant who has been dismissed for disciplinary reasons from another post-secondary institution may be required to petition to the Council Discipline Committee and receive permission to apply for admission or renewal before being considered on academic grounds. If the applicant is admitted, the previous dismissal may be considered in any future proceedings for misconduct.

Senate Appeals Committee

If the student or the university officer is dissatisfied with the decision of the Council Discipline Committee, either may appeal the decision to the Senate Appeals Committee. The onus is on the appellant to demonstrate that the decision of the Council Discipline Committee was manifestly unfair or contrary to the evidence presented at the Council Discipline Committee hearing. No witnesses are permitted, and no new evidence is entertained. Appeals can be submitted to:

The University Secretary

Email: student.appeals@uregina.ca.

Academic Regulations

Preamble

All University of Regina (U of R) students are responsible for complying with the rules, regulations, policies, and procedures contained in this section as well as those in other sections of the Undergraduate Calendar and other official University publications and announcements which may be issued from time to time.

The University reserves the right to change policies and regulations whenever such action is deemed appropriate or necessary.

Throughout these regulations, the term faculty, federated college, or academic unit refers to all U of R Faculties, the Centre for Continuing Education, Federated Colleges, and La Cité universitaire francophone.

Force Majeure

The U of R accepts no responsibility for the continuance of any class or course of instruction which may not be completed as a result of an act of God, fire, riot, strikes, lockout, any act of terrorism, or any other cause beyond the control of the U of R.

Instructor Responsibilities

Students of the U of R can expect their instructors to:

1. Provide them with a written course outline within the first three hours of instruction which should include:
 - the content of the course,
 - any prerequisites for the course,
 - the modality of exams,
 - a list of assignments and exams, with due dates if possible,
 - the grading scheme*: weightings of the assignments and exams,
 - the instructor's policy on attendance, and
 - the instructor's policy on late assignments and missed exams.

*Any proposed changes to the grading scheme must be circulated in writing and consented to by the students registered in and attending the course.

2. Maintain proper records of the work subject to assessment during the term and at exam time.
3. Retain final exam papers for a period of six months.
4. Participate in the appeal of grade process.
5. Submit grades for approval of the department head or dean (as appropriate) no later than five University business days after the date of the final exam. In the case of courses having no final exam, final grades must be submitted for approval of the department head and dean (as appropriate) no later than 10 calendar days (not including Sundays and statutory holidays) after the start of the fall or winter final exam period; or within five days of the start of the final exam period in Spring/Summer and other shorter parts of term.

6. Submit/enter the actual grade earned in the class for numerically graded courses.
7. Ensure that at least 75% of the work used to arrive at a student's grade is of a nature that it can be reassessed by an independent examiner. When an instructor wishes to deviate from established practices, and especially when methods of evaluation may make it impossible to follow these recommendations, such evaluation methods must be approved by the dean.
8. In the case of a practicum, adopt a method of evaluation that provides continuous information to students on their performance and maintain all of the documentation on which the evaluation is based.
9. When appropriate, conduct their courses in such a way as to obtain evidence of student writing skills, in term papers, essays, reports, or other written work, and to demand competence in writing to obtain a passing grade.
10. Report suspected cases of academic misconduct to the dean or designate of the faculty, federated college, or academic unit offering the course.
11. Ensure that there are no classes during the fall and winter breaks. No tests, quizzes, or exams can be held in the fall and winter break and, no class assignments can be due during this week.

For further information on academic misconduct refer to the [Student Code of Conduct and Right to Appeal](#) section.

Attendance

Regular and punctual attendance at classes provides a foundation for academic success and is expected of all students. When the persistent lateness or absence of a student jeopardizes the learning or the evaluation of the work of other students in the course, the student may be subject to penalty. One written warning will be provided to a student before action is taken. This includes, but is not limited to:

- being dropped from the course;
- being barred from writing the final exam; or,
- being barred from attending a class or components of a class.

Course Work

Course work comprises all assignments, exams, labs, and tests that are conducted during the term and contribute to the student's final grade in a course but excludes the final exam. All course work will be completed no later than the last day of regularly scheduled classes of the relevant term or part-of-term.

Audio and Video Recording of Classes

Students may audio-record or video-record classes only if they have received authorization from the instructor. Such authorization may come about as a result of a request made to the Centre for Student Accessibility. In the case of classes that involve participation by students, consent of the other students in the class is also required.

If students receive authorization, the following conditions apply:

- the materials remain the intellectual property of the instructor;
- the materials may only be used for the purposes of private study and may not be used by any other persons other than the student receiving the authorization;
- unless there is a different agreement between the student and the instructor, the materials must be destroyed immediately after the end of the term in which the class has taken place; and
- any violation of this policy will be considered an act of misconduct and will be dealt with through that process.

Religious/Cultural Accommodations

For the purposes of this regulation, an academic activity is one that requires a student's mandatory participation or attendance (exam, project, class, etc.).

1. The [University of Regina's Diversity Calendar](#) should be used as a reference in the planning of academic activities.
2. The University will accommodate students who identify a conflict between an academic activity and a religious or cultural observance. These students will be provided with an opportunity to make-up for course work or missed exams without penalty.
3. Instructors, whenever possible, should avoid scheduling mid-term exams and major class participation activities on days of cultural or religious significance. The Diversity Calendar can be consulted for this purpose.
4. The Registrar's Office will, whenever possible, avoid scheduling final exams on days of cultural or religious significance. It is recognized that this may not always be possible given the nature and time limits that are available in the yearly academic and exam schedules.
5. Students are responsible to identify religious and/or cultural conflicts related to their mandatory participation in an academic activity on receipt of their course outline and before the add/drop deadline of the course. See Religious and Cultural Accommodation Request Process.
6. Students will not be required to submit documentation from faith or cultural/community leaders to support requests for accommodation. It is expected that students will act in good faith when identifying such conflicts.

Religious and Cultural Accommodation Request Process

On receipt of the course outline and before the add/drop deadline for a course, students will complete the Request for a Religious and Cultural Accommodation Request form. Request forms submitted after the add/drop deadline date will not be considered.

Completed forms are submitted to the student's faculty.

Student Accessibility will screen and approve the request for accommodation and forward the approval for to the student's faculty to determine the appropriate accommodation.

Accommodations may include, but are not limited to:

- setting an alternate date for mid-term or final examinations;
- providing an alternate assignment to satisfy the course requirement;
- re-calculating the evaluation schedule to eliminate the component that has been missed when options a. and b. are not possible; or
- other on approval of the dean (or designate) of the faculty or academic unit.

When a dispute arises on the recognition of a religious or cultural observance, the Registrar shall be consulted and has the final authority on recognition.

Leave of Absence

Except for the Faculty of Nursing where a formal leave of absence is required (see [Faculty of Nursing](#)), University of Regina undergraduate students do not need a formal leave of absence for a period of 3 terms or less. Students will remain active in their programs for a period of 3 terms without having to formally register in courses. In situations of maternity or parental leave, students may apply for a formal leave of absence for an additional 2 terms for a maximum of 5 consecutive terms. Students must submit their leave of absence request a month prior to the end of the third term of course inactivity.

Note for International Students – International students who are studying on a study permit must ensure that they are, and remain, in compliance with the conditions of their study permit, as well as [Immigration, Refugees and Citizenship Canada](#) (IRCC) policies surrounding leaves from studies. International students may only take a leave of absence according to the circumstances outlined by IRCC (e.g., medical reasons, death or serious illness of a family member, etc.). It is the responsibility of the student to ensure they have proper documentation supporting their leave of absence should IRCC require proof or confirmation.

Exams

Exam Scheduling

The following regulations apply to the scheduling of exams:

1. No exams or tests worth more than 10% in the total evaluation of the course will be scheduled for credit courses in the last three hours of scheduled lectures, or in the day(s) between the end of lectures and the first day of the final exam period, without prior written approval from the instructor's dean, with a copy to the Registrar. Practical assessments such as lab exams, exhibitions, juries, and recitals are exempt.
2. Mid-term exams are to be scheduled during a regular class meeting and are held on the published date(s) listed in the course outline.
3. Final exams are held in a designated exam period. Courses with take-home final exams will use the scheduled final exam date as the due date.

4. Final exam locations are added to the web course schedule towards the end of the term.
5. Once an exam date and time have been published, they cannot be changed without the written consent of all students in the course and the approval of the instructor's dean.
6. Information about exams (including take-home finals) will be included in the course outline. The course outline must include the type of exam (paper based or online) and how it will be invigilated (on-site or remotely proctored).
7. The weighting and/or the pass/fail requirement of a final exam cannot be changed once it has been published in the course outline.

Exam Location

1. Students are expected to write their exams at the scheduled location. Final exams for in-person classes will be scheduled at an on-site location.
 2. Students registered in online or remote class sections (including live-streamed and blended courses) must refer to their course outline for instructions about exam delivery and on-site attendance requirements.
 3. When in-person invigilation is required for courses that are not delivered in-person on University of Regina or Federated College campuses, the final exam may be scheduled at the University of Regina campus or at designated, preauthorized locations within Saskatchewan.
 4. Students who reside in a location that precludes them from writing a final exam in-person at the scheduled exam location must receive approval from the faculty, federated college, or academic unit delivering the exam to write at a location other than what has been scheduled by completing an Application for Alternate Exam Location form (see Requirement for Exam Invigilation Approval).
 5. The University maintains the right to request documentation that confirms the student's place of residence and/or to refuse a proposed location and invigilator. Permission to write at an alternate location will not be granted to students registered for any in-person class in the same term as an online or remote class section.
4. In cases where a student wants to seek approval for an invigilator that is not on the approved invigilator list, they must apply to the faculty, federated college, or academic unit responsible for the course.
 5. Invigilators must meet the following requirements:
 - Provide a safe and quiet exam writing environment that is free from distraction and disruption.
 - Have a secure method of holding the exam information when required.
 - Have the ability to ensure that an exam is invigilated in accordance with University of Regina standards and in accordance with the Exam Invigilation Procedures of the exam.
 - Have the ability to ensure that a student does not have access to the exam outside of the scheduled write date and time.
 - Agree to ensure that the student writes the exam within the allotted time to do so.
 - Have the ability to provide a desktop or laptop computer that is compatible with the technology that is required to host the online exam when required and that the device is located in an environment that is suitable to the writing of the exam.
 6. A proposed invigilator must be fluent in written and spoken English, or the language of instruction of the course, and be a permanent employee in one of the following categories:
 - A professor or instructor at a recognized public or private post-secondary institution;
 - An administrative, professional, or library employee of a recognized public or private post-secondary institution;
 - An administrative, professional, faculty, or library staff member of a recognized public or private elementary, middle, or secondary school;
 - An administrative or professional staff member of a public library;
 - A ranking officer in the Armed Forces;
 - An official at an embassy or consulate office.
 7. A proposed invigilator may not be a friend, neighbour, co-worker, supervisor, family member, or relative of the student, and must not live at the same address as the student. The faculty, federated college, or academic unit must be confident that there is no conflict of interest between the approved invigilator and student.
 8. The University retains the right to refuse a proposed invigilator.

Requirements for Exam Invigilation Approval

1. If the University approves a student's Application for Alternate Exam Location, the student will be required to make invigilation arrangements.
2. The faculty, federated college or academic unit will provide a list of invigilators that are currently approved by the University of Regina.
3. Students are responsible for any additional costs that are incurred for exam invigilation and must ensure an invigilator can provide the necessary environment to invigilate an online exam when required.

Deadline for Application for Alternate Exam Location

The deadline for making a request is the 50% refund deadline of the course. For further information please check the MyRefund Schedule in UR Self-Service.

Failure to Make a Request for an Alternate Exam Location

Students who fail to make a request within the deadline will be required to write at the published exam location or withdraw from the

class section. Withdrawals will be processed in accordance with regulations of the Class Registration and Withdrawal section of this calendar.

Exam Regulations

Invigilation Requirement – Final exams delivered in courses offered in the remote and online formats, and courses that are offered off-campus (including live-streamed and blended courses), must be invigilated by a university-authorized, in-person invigilator or University approved remote proctoring service in accordance with the course delivery type, except for courses with take-home final exams or other assessment types that do not require invigilation/supervision.
Note – Students may be required to complete final exams for online, remote, and off-campus courses in-person at a scheduled location.

Requirement for Photo Identification – For in-person or remote invigilation, students must provide photo identification to the invigilator prior to writing. Photo identification may include a U of R Student ID card or a government-issued photo ID.

Electronic Devices – Students may not be in the possession of electronic devices during an exam unless otherwise permitted by the instructor. This includes, but is not limited to, smart devices, cell phones, wireless devices, calculators, and other electronic devices.

Access to Materials During an Exam – Unless permission has been granted otherwise, students are not to access any materials (physical or online) during an exam.

Admission to an Exam – No student will be permitted to commence an exam later than thirty minutes after the scheduled start time. No additional time will be provided to a student who arrives late to an exam.

Leaving an Exam – No student will be permitted to leave an exam prior to its completion, unless permission has been granted by the exam invigilator.

Exam Question Clarification – Students may only consult an invigilator for clarification of an exam question.

Communication – Communication with other students during an exam is strictly prohibited.

Academic Misconduct – students suspected of cheating during an exam will normally be allowed to continue writing although unauthorized materials or devices may be confiscated, if possible. Allegations of cheating will be reported by the exam invigilators in accordance with the University's Academic Misconduct Procedures and investigated accordingly.

Additional Exam Regulations for Online Exams

In addition to the Exam Regulations that apply to all exams regardless of modality, students who are completing an online exam are required to ensure they are familiar with the following additional regulations.

Exam Writing Space – Students must choose a quiet, disruption-free space for their online exams and no other individuals may be present in that space.

Onboarding – For exams delivered using a remote proctoring platform, students are required to onboard to the online exam platform well before their exam date (at least 72 hours prior) to ensure any technical difficulties can be resolved.

Identification for the Onboarding and Exam Processes – The preferred form of photo ID is a U of R Student ID card. Government-issued photo ID is also acceptable.

Admission to the Exam – Students are required to follow the published exam admission procedures of their course. No student will be allowed to take an online exam after thirty minutes of the exam opening. With the exception of students who are experiencing technical difficulties, late arrivals will not be accommodated with additional time.

Technical Difficulties – Students who are experiencing technical difficulties upon admission to or during the scheduled exam must immediately report the difficulty to their instructor and email to: IT.Support@uregina.ca. If a resolution is not possible during the scheduled exam, the University will proceed in accordance with the regulations of the [Cancellation of Exam Papers](#) section of the Undergraduate Calendar. Failure to immediately report a technical difficulty will result in no further action being considered.

Exam Question Clarification – Students must follow the process included in their exam instructions when seeking clarification on an exam question.

Communication – Communication with anyone other than the instructor, the instructor's assistants, or an exam invigilator during the exam is strictly prohibited.

Cancellation of Exam Papers

A student who becomes seriously ill or is informed of urgent family matters during an exam should report immediately to the person supervising the exam, hand in the unfinished paper, and request that it be cancelled. A dated, signed medical certificate or other supporting documentation must be provided to the student's faculty, federated college, or academic unit (final exams) or instructor (term exams) within three days following the date of the exam.

A request for cancellation after the fact, when an exam has been written and handed in for marking, will be denied.

Deferred exam policies and procedures apply to a cancelled final exam, while action taken with respect to a cancelled term exam is at the discretion of the instructor (see [Deferral of Final Exams or Course Work](#)).

Deferral of Final Exams or Course Work

Late Course Work Submission

Students may encounter situations that prevent them from submitting course work on time. In these cases, the instructor's policy on the late submission of course work applies.

Grounds for Deferral

Extensions of deadlines for completion of assignments or writing of exams, including final exams may be granted to students who are in good standing on the basis of:

- serious illness;
- accident;
- serious illness or death of an immediate family member;
- domestic affliction;
- participation in sanctioned university activities (varsity athletics or academic conference for example);
- involuntary job changes; or,
- other extreme circumstances beyond their control.

Deferrals will not be granted on the basis of personal or leisure travel arrangements made by the student or others on their behalf.

Deferral of Course Work and Term Exams

Requests to defer course work during the scheduled class dates must be requested prior to the due date of the course work and directed to the course instructor. The course instructor may extend the due date up to the date of the final exam. If there is no final exam in the course, deferred course work must be completed no later than five days after the scheduled end date of classes.

When an instructor approves the deferral of a term exam, they may assign a make-up exam or transfer the weight of the term exam to another exam or assignment that has not yet been submitted, including the final exam. The manner in which deferred course work is made up will be consistent with the policies on deferred course work in the faculty, federated college, or academic unit that is offering the course.

Requests for the deferral of course work that are made after the scheduled final exam date of a class are subject to the approval of the dean (or designate) of the student's faculty, federated college, or academic unit.

Students must submit a completed [Application for Deferral of Course Work and/or Final Exam](#), including supporting documentation, to their faculty, federated college, or academic unit for approval.

Requests must be received within three business days of the scheduled final exam date or they will be denied.

Deferral of Final Exam

Students who are unable to write their final exam must notify their course instructor or their faculty, federated college, or academic unit. Initial communication by telephone or by email is acceptable. Students must submit an [Application for Deferral of Course Work and/or Final Exam](#) including supporting documentation within three business days of the scheduled final exam date.

Maximum Length of Deferral

The maximum length of a deferral of course work or final exam that is approved by the dean (or designate) is as follows:

- Fall courses – by January 31
- Winter courses – by May 31
- Spring/Summer courses – by September 30

In cases of prolonged illness or other incapacity (an absence from the U of R for two weeks or more), a dean (or designate) may extend a deferral up to the end date of the following term in which the course was taken. A deferral for a fall course, for example, may be extended to the end of the winter term.

Course Instructor Procedures

The course instructor should keep a record of any deferral of course work or term exams that they approve. For this reason, the course instructor will communicate the terms of the approval via the student's U of R email account.

Faculty and Academic Unit Procedures

When a student requests a deferral of course work or the final exam to the dean (or designate), the dean (or designate) will consult with the course instructor to establish that the student has a reasonable chance of passing the course if the deferral were to be granted.

When a decision is made, the dean (or designate) will notify the student, the course instructor, the head of the department, the Registrar's Office (registrar@uregina.ca), and the student services area of the faculty, federated college, or academic unit offering the course in writing via their U of R email accounts. This communication will include the details of the deferral and the associated deadlines for completion.

In the absence of the course instructor, the department head is responsible for arranging, setting, and grading a deferred exam.

Supporting Documentation

Acceptable documentation in support of a deferral includes:

- **Illness or accident:** Students may submit a Student Self-Declaration of Illness form in support of their request for a deferral with the understanding that the U of R retains the right to request additional documentation. If further documentation is required, your medical professional must complete the Student Medical Certificate form stating your inability to continue your studies.
- **Death in the immediate family:** You must provide an obituary or death certificate.
- **Illness/accident of immediate family member:** If you needed to provide care to an immediate family member due to an unexpected illness or accident, the medical professional must complete the [U of R Student Medical Certificate](#) form.
- **Domestic Affliction:** Proof such as a letter from a lawyer, counsellor, etc.

- **Sanctioned University Activity:** Proof, including the date, of the activity from an officer of the University (athletic director, designate, instructor, etc.).
- **Jury duty:** The letter advising you have been selected and are required to attend.
- **Involuntary job changes:** A letter, on company letterhead, from your employer, confirming the date of the move.
- **Other extreme circumstances:** A letter from a professional familiar with the circumstances or other support documentation as determined by the dean (or designate).

The U of R retains the right to request additional documentation. The dean (or designate) of the student's primary academic unit will determine if additional documentation is required

Maximum Course Load Including Deferrals

The combination of incomplete deferrals and new course registration may not exceed 15 credit hours at the undergraduate level or 12 credit hours at the graduate level unless a cumulative overload is formally approved by the student's dean (or designate) of the student's faculty, federated college, or academic unit. For this reason, a deferral might not be granted if the deferral(s) exceed the maximum credit hours allowed.

Deferrals and Impact on Full-time Status

Deferrals only count as class registration in the original term of registration and cannot be used to achieve full-time status in a subsequent term.

Grading of Deferrals

If the student does not complete the course work or term exam as approved by a course instructor, a grade of zero is assigned to the course work or term exam that has been deferred and a percentage grade for the course is submitted.

When a deferral has been approved by a dean (or designate) an interim grade of DE (deferred) is assigned for a deferred exam or deferral of both final exam and course work.

A grade of IN (incomplete) is assigned for a deferral of course work alone.

When the deferred final exam and/or course work has been completed, the course instructor will grade the work and assign a percentage grade to replace the interim grade. In the absence of the course instructor, the department head (or designate) is responsible for grading the course work and assigning the percentage grade.

On the day following the deadline for completion of deferrals, the Registrar's Office will convert grades as follows:

- Grades of DE will be converted to NP (not passed).
- Grades of IN will be converted to a percentage grade or to a grade of NP as determined by the course instructor and approved by the dean (or designate).

Unexpected Delay in Course Delivery

When the delivery of a course is delayed for reasons intrinsic to the course, beyond the deadline for submission of grades, the dean (or designate) of the faculty, federated college, or academic unit offering the course may approve the assignment of the grade NR (not yet reported) for those students who are affected until the course can be completed.

Grading and Averages

Aegrotat Standing

In rare circumstances, aegrotat standing in one or more courses in a term may be granted on medical or compassionate grounds to a student who meets the following conditions:

- the student is prevented from completing the term by serious illness or other extreme circumstances beyond the student's control;
- the student's illness or other circumstances are certified by a professional in the relevant field or confirmed by other documentation acceptable to the dean;
- a deferral of course work and/or final examination is not appropriate because of the nature or severity of the illness or of the other circumstances;
- a medical or compassionate withdrawal is not appropriate;
- the student has completed at least 50% of the work contributing to the grade in the course; and,
- the instructor of the course confirms in writing that the student has demonstrated an understanding of the course material.

Aegrotat standing is granted by the dean (or designate) of the faculty, federated college, or academic unit in which the student is enrolled. The uncompleted work may be course work, the final examination, or a combination of the two.

Grading System and Descriptions

The U of R employs a percentage grading system. Unless otherwise specified, a grade of less than 50% is a failing grade for undergraduate programs.

Percentage Grades

Grade	Description
90-100	An outstanding performance with very strong evidence of: <ul style="list-style-type: none"> an insightful and comprehensive grasp of the subject matter; a clear ability to make sound and original critical evaluation of the material given; outstanding capacity for original creative and/or logical thought; an excellent ability to organize, to analyze, to synthesize, to integrate ideas, and to express thoughts both in speech and in writing.
80-89	Very good performance with strong evidence of: <ul style="list-style-type: none"> a comprehensive grasp of the subject matter; an ability to make sound critical evaluation of the material given; a good capacity for original, creative, and/or logical thinking; a very good ability to organize, to analyze, to synthesize, to integrate ideas, and to express thoughts both in speech and in writing.
70-79	Above average performance with evidence of: <ul style="list-style-type: none"> a substantial knowledge of the subject matter; a good understanding of the relevant issues and a good familiarity with the relevant literature and techniques; some capacity for original, creative, and/or logical thinking; an above-average ability to organize, to analyze and to examine the subject material in a critical and constructive manner, and to express thoughts both in speech and in writing.
60-69	A generally satisfactory and intellectually adequate performance with evidence of: <ul style="list-style-type: none"> an acceptable basic grasp of the subject material; a fair understanding of the relevant issues; a general familiarity with the relevant literature and techniques; an ability to develop solutions to moderately difficult problems related to the subject material; a moderate ability to examine the material in a critical and analytical manner, and to express thoughts in writing.
50-59	A barely acceptable performance with evidence of: <ul style="list-style-type: none"> a familiarity with the subject material; some evidence that analytical skills have been developed; some understanding of relevant issues; some familiarity with the relevant literature and techniques; partially successful attempts to solve moderately difficult problems related to the subject material and to examine the material in a critical and analytical manner; basic competence in writing.
0-49	Unacceptable performance.

Alphabetic Grades

Except for the grades of NP and XF (see "[Calculation of Grade Point Averages](#)," below), none of the following grades has a numeric value. Grades of AG, C, CRC, and P are passing grades. Grades of F, N, NP, and XF are failing grades. The remaining grades are neutral.

AG	Aegrotat	IP	In Progress
AU	Audit, no credit	MC	Maintenance Candidacy
AW	Audit Withdrawal	N	No Credit
C	Credit	NCC	No Credit-COVID-19 (Winter 2020 only)
CRC	Credit-COVID-19 (Winter 2020 only)	NP	Not Passed
CW	Compulsory Withdrawal	NR	Not Yet Reported
DE	Deferred	P	Pass
F	Failure	W	Withdrawal from Courses
IN	Incomplete (interim grade)	XF	Academic Misconduct

Approval Authority for Final Grades

The dean (or designate) has the responsibility to approve final grades including the authority to adjust grades as is deemed necessary.

Calculation of Grade Point Averages (GPA)

Academic standing is determined by use of a grade point average (GPA), calculated by (1) multiplying, for each course, the credit hours by the grade earned, (2) adding together the products of that multiplication, (3) adding together the credit hours for the courses used, and (4) dividing the first sum by the second. The calculation is not rounded but is truncated to two decimal places.

Only percentage grades, grades of NP, and grades of XF are used in GPA calculations. Grades of 0%-39% and NP are all counted as 40% in the calculation, grades of XF are counted as 0%, and grades of 40% to 100% are used as recorded.

Calculation

Multiplying, for each course, the credit hours by the grade earned:

$$\text{ENGL 100} \quad 3 \times 73 = 219$$

$$\text{BUS 100} \quad 3 \times 78 = 234$$

$$\text{INDG 100} \quad 3 \times 88 = 264$$

Adding together the products of that multiplication:

$$219 + 234 + 264 = 717$$

Adding together the credit hours for the courses used: $3 + 3 + 3 = 9$

Dividing the first sum by the second sum: $717/9 = 79.66$ GPA

The calculation is not rounded but truncated to two decimal places.

Types of GPA Calculations

The GPA calculation is applied to different selections of courses for different purposes. The following are the major kinds of GPA calculations:

GPA Type	Acronym	Description
Admission grade point average	AGPA	Calculated by combining all recognized academic post-secondary courses with any U of R courses attempted.
Cumulative grade point average	CGPA	The CGPA is based on all U of R courses taken, whether passed or failed, undergraduate and graduate, repeated or not.
Undergraduate grade point average	UGPA	The UGPA is also based on all U of R courses taken, but when a course has been repeated, only the grade in the most recent approved attempt is used (refer to the rules on repeating courses).
Program grade point average	PGPA	The PGPA is calculated according to UGPA rules but is based only on the courses that are used in a particular program.
Term grade point average	TGPA	The TGPA is calculated according to CGPA rules and is based on all courses taken in a particular term (fall, winter, or spring/summer).
Sessional grade point average	SGPA	The SGPA is based on all U of R courses taken during the prior academic year (May 1 – April 30). This includes the spring/summer, fall and winter terms in sequential order. When a course has been repeated during this same time period, only the grade in the most recent approved attempt is used (refer to the rules on repeating courses).

- a minimum grade required for all core courses in the program;
- regulations governing failed attempts at courses and/or withdrawals from courses;
- a higher minimum program grade point average (PGPA) as well as minimum GPA requirements within majors or minors within a program; and,
- a promotion policy which may require the student to withdraw from the program if the student does not attain the required minimum grades in specific courses or the required PGPA to advance in the program.

If you meet the minimum academic standards for your program, you are deemed to be in Good Academic Standing.

Students who owe money to the University will be restricted from accessing certain services. For more information, see [Outstanding Accounts](#) in the Tuition and Fees section of the calendar.

Dean’s Honours Lists

Students who obtain high standing in a term’s course work may receive the designation of “Dean’s Honours List” for that term on their official transcript. For this purpose, high standing is defined by the University as a TGPA of at least 85.00% on at least 12 credit hours of numerically graded courses on which the TGPA is calculated. Courses that are completed externally to the U of R are not eligible for inclusion in the minimum credit hour requirement. Some exceptions to this regulation can be found in the table below.

Students who are enrolled in two programs concurrently will be eligible for inclusion on the dean’s honours list in both programs.

A student will not receive the designation “Dean’s Honours List” in any term where the student has an academic misconduct notation on their transcript.

Academic Standing

Academic standing refers to the privileges of admission to, continuation at, and graduation from the University. Any changes to regulations governing academic standing apply to all students, including new students, continuing students, and re-admitted students.

Academic Performance Standards and Good Academic Standing

All University of Regina students are expected to maintain acceptable standards of academic performance. This is known as Good Academic Standing and is governed by these academic regulations as well as the specific academic regulations of each faculty.

Undergraduate students are considered to be in Good Academic Standing when they maintain a minimum undergraduate grade point average (UGPA) of 60.00% or higher and maintain the minimum prescribed academic standards of their faculty. The requirements to be in good academic standing varies by program and some programs may have higher and/or additional standards which may include:

Faculty	Dean’s Honour List Criteria
Centre for Continuing Education	The list for part-time students is compiled once an academic year at the end of the spring/summer term. To be included on the CCE Honours List, a student must be a CCE student and identify a CCE program as their primary academic program and must achieve a GPA of at least 85.00% on a minimum of nine numerically graded credit hours of U of R courses over an academic year (fall, winter, and spring/summer).
Faculty of Arts	The overall regulation applies to full-time students. Part-time students will be included on the part-time students honours list if they complete at least 3 credit hours, but less than 12 credit hours, in the current term and achieved a GPA of at least 85.00% across the most recent terms needed to complete a minimum of 12 credit hours of numerically graded courses since the term in which they were last on the Dean’s Honours List (or, in the case of students who have never previously been on the Dean’s Honours List, since they were admitted to the U of R).

Faculty	Dean's Honour List Criteria
Faculty of Business Administration	The overall regulation applies to full-time students. Students will be included on the part-time list if they took at least 3 but less than 12 credit hours of numerically-graded U of R courses in the current term and achieved a GPA of at least 85.00% across all of the most recent terms needed to complete a minimum of 12 credit hours of numerically-graded U of R courses since the term in which they were last on the Dean's Honours List (or in the case of students who have never previously been on the Dean's Honours List, since they were admitted to the U of R).
Faculty of Education	Students are required to complete 15 credit hours of courses, with 12 credit hours numerically graded.
Faculty of Nursing	Students are required to complete 15 credit hours of courses, with 12 credit hours numerically graded.
Faculty of Science	Students are required to complete 15 credit hours of courses with all being numerically graded.

When students are required to discontinue (RTD) from a faculty, federated college, or academic unit, they may be required to discontinue from one but not the other. When a student is required to discontinue from the primary program and the secondary program remains valid and current, the secondary program will become the primary program.

Conditions on Registration

When a faculty, federated college, or academic unit admits or re-admits a student on petition or appeal, it may set conditions on registration. These may include a limit on the number of credit hours that may be taken, mandatory academic advising, or performance conditions such as a requirement to pass all courses in the first term.

Notification of Academic Action

Students will be notified of probation, RTD, or MW actions via the student's U of R email account. It is the student's responsibility to check their U of R email account and to regularly update any changes to their personal information on [UR Self-Service](#).

University-Level Academic Probation

Students who do not maintain Good Academic Standing will be placed on university-level academic probation. Students on probation are permitted to continue studies and may also transfer faculties unless the regulations of the receiving faculty, federated college, or academic unit prohibit it.

Probation and Discontinuance

Academic Actions

Students who are not deemed to be in Good Academic Standing will be subject to academic actions such as

- probation;
- required to discontinue (RTD); or
- must withdraw (MW).

Grounds for Academic Actions

Grounds for academic actions include

- failure to meet the minimum academic performance standard;
- failure in a third completed attempt at ENGL 100 – Critical Reading and Writing I; or
- failure to meet a faculty, federated college, or academic unit or program regulation.

The first two grounds result in a university-level action and the third results in a faculty- or program-level action.

Concurrent Programs and Academic Actions

For students who are enrolled in two programs concurrently, academic performance regulations will be applied by the faculty, federated college, or academic unit of the primary program. If the programs are in two different faculties, each faculty, federated college, or academic unit will apply its faculty, federated college, or academic unit or program academic performance within the faculty, federated college, or academic unit and program.

Timing of Evaluation

The first assessment of students' grade point averages for the purpose of imposing university-level academic probation will occur at the end of the term in which the first 9 credit hours of study are attempted. The timing of subsequent assessments is at the discretion of the student's faculty, federated college, or academic unit, but will normally occur at the end of an academic term or part-of-term.

Process for Clearing University-Level Academic Probation

To clear a university-level academic probation, students must raise their university grade point average (UGPA) to a minimum of 60.00% by the time they complete 24 credit hours while on university-level academic probation.

Extending University-Level Academic Probation

A faculty, federated college, or academic unit may extend a student's university-level academic probation up to an additional 15 credit hours if the student achieves at least a 60.00% average over all credit hours completed while on university-level academic probation. Faculties may impose conditions such as mandatory attendance at study skills classes and restricted course loads on students granted an extension. If at the end of the extension the student has a UGPA of less than 60.00%, the student has not cleared probation and normally, no further extension is available.

Must Withdraw (MW)

There are three (3) academic situations in which a MW will be applied to a student:

1. Failure in a third completed attempt at ENGL 100 – Critical Reading and Writing I.
2. Regardless of whether they pass or fail preceding attempts at ENGL 100, students who receive a failing grade in a third completed attempt at ENGL 100 must withdraw from the university for two years.
3. Failure to clear academic probation.

Students who do not clear academic probation according to the university's regulations must withdraw from university for a minimum of one year beginning with the term immediately following the term to which the MW is applied. An MW begins on the first day of the term immediately following the term in which the student fails to clear probation.

Students may also consult with the Student Success Centre to see if admission to the [Academic Recovery Program](#) is an option.

Failure to Clear Conditions of Re-Admission after an MW

When re-admitted after a MW, students will be placed on university level probation and will have 24 credit hours of study to attain a UGPA of at least 60.00%. If these students do not clear university-level probation, they must withdraw from university for at least two years beginning with the term immediately following the term to which the conditions are applied. Such students should review the details of the [Fresh Start Program](#).

Re-Admission after the Completion of MW Period

Re-admission after an MW is not automatic. Applicants must submit a petition for re-admission to Enrolment Services and show cause as to why they should be re-admitted so that the relevant faculty, federated college, or academic unit can render a re-admission decision.

When an MW has been applied to a student, the student must withdraw from the University for a specified period. A student on a MW may not register in for-credit courses or proceed toward a degree, diploma, or certificate at the University and has none of the rights or privileges of a registered student, excepting that of appeal. Students on MW may not audit courses at the university. Students on an MW may not be eligible for transfer credit for courses taken during the MW period. Students need to consult their faculty, federated college, or academic unit for the specific regulations pertaining to transfer credit and an MW status.

Faculty Probation and Requirement to Discontinue (RTD)

Students may be placed on Faculty Probation or be required to discontinue (RTD) from their current faculty, academic unit, or program at the discretion of the faculty, federated college, or academic unit and in accordance with the specific regulations of the program. Students should review their faculty, federated college, or academic unit regulations of their program to ensure they are familiar with these regulations.

Minimum Length of a Faculty or Program RTD

The minimum length of a faculty or program RTD is two consecutive terms. An RTD that is considered to be indefinite has a minimum length of two calendar years.

Re-admission after RTD Period

Students are not guaranteed re-admission to a faculty, academic unit, or program after an RTD period is served. When a student is re-admitted after the RTD period on petition, they must meet the performance conditions imposed as part of the relief offered. Students who do not meet these conditions must withdraw from the university for at least two years (six consecutive terms).

Faculty Restricted Program

Students who have been required to discontinue from their faculty, federated college, or academic unit, but not the University, and who have missed the deadline for transfer to another faculty, federated college, or academic unit may be moved to a faculty restricted program.

Students in this category will

- be required to complete a transfer to a new faculty, federated college, or academic unit by the end of the term in which they are placed in this category;
- be allowed to register in only those courses open to all students;
- have no special access to courses offered by the restricting faculty, federated college, or academic unit; and
- continue to be assessed by the restricting faculty, federated college, or academic unit and have additional academic actions applied at the end of the term in which they are in this category.

The dean of the restricting faculty, federated college, or academic unit will continue to act as the student's dean for administrative purposes and the advisors in both the restricting, and potentially receiving faculties or academic units, will provide counsel to these students during the term the student is in a restricted program.

Appeal of Academic Action

Academic actions may be appealed to the faculty, federated college, or academic unit by the deadline set in the academic action notification sent to the student. Appeals received after the deadline will not be accepted. Students should consult their faculty, federated college, or academic unit regulations to determine the process for appealing.

Registration While Appealing

Students who have an academic action of must withdraw (MW) or required to discontinue (RTD) from the University are not permitted to remain in classes during the appeal process. Course registrations may be cancelled by the student's faculty, federated college, or academic unit. At the discretion of the student's faculty, federated college, or academic unit, a student who is registered in a co-operative education work term that has already begun may be permitted to complete the work term before beginning the period of discontinuance.

Refund of Tuition Fees

Students whose registration is cancelled receive a full refund of tuition and course- and term-based fees.

Transcript Record

Academic actions of must withdraw (MW) and required to discontinue (RTD) appear on official transcripts. Academic actions of university- or faculty-level probation will not appear on official transcripts.

Academic Relief Programs

Fresh Start Program

Students who are re-admitted to the U of R and who have previously failed courses while attending the U of R will be notified that they are eligible to participate in the Fresh Start Program. If students choose to participate, they will have all previously failed courses taken at the University of Regina excluded from the calculation of their Undergraduate Grade Point Average (UGPA) and Program Grade Point Average (PGPA) if:

- for six consecutive terms, prior to (re)admission a student has not registered in any credit courses at the University of Regina;
- in the first 12 credit hours after (re)admission a student achieves a minimum average of 60.00% in those 12 credit hours with no failing grades; and,
- upon satisfying the above conditions the student will submit the completed [application form](#) (as found on the U of R website) to their respective faculty, federated college, or academic unit office.

Students who are seeking readmission to a certificate or diploma program who have less than 12 credit hours to complete may petition for an exception. If granted the student will be required to maintain a GPA over the remaining courses in the program of no less than 60.00%.

Although the failing grades *will not* be used in calculating the UGPA/PGPA, all failing grades will remain on the student’s transcript.

A student who has previously been awarded a credential will be ineligible for the Fresh Start Program.

A student can only be granted a “Fresh Start” once.

All University of Regina regulations regarding students who have received an MW still apply.

Academic Recovery Program

The Academic Recovery Program (ARP) is a two-term program that gives students who have experienced difficulties in university an opportunity to strengthen their study skills, evaluate their education and career direction, and build strategies to aid with future academic and personal goals. Students will take credit courses and participate in other activities designed to help them succeed academically.

Program Admission

Students can gain admission to the program in either the fall term, the winter term, or the spring/summer term. Students admitted into the winter term may complete the program in the spring/summer, or in the fall term.

Program Eligibility

Any U of R student who needs extra support is eligible to apply to the ARP. Students facing a Must Withdraw (MW) are encouraged to apply to the ARP. Acceptance is dependent on faculty regulations.

Application and Deadline for Application

Admission to the ARP is not automatic. Students must submit a program application form. A meeting with the Intake Advisor may be needed to determine admissibility.

A personal statement by the student describing why they would be a good candidate for the ARP must accompany the application.

The deadline for submission of applications and acceptance into the program is the day before the last day to add/drop courses.

Cost and Funding

The cost of the ARP is \$1000 per term for six hours of equated credit, plus regular tuition and course fees for credit and non-credit courses.

Acceptance

The decision for acceptance to the program will be made by the Intake Advisor, following discussion with the student’s faculty, federated college, or academic unit. Upon acceptance, students are required to complete and enter into an agreement regarding requirements of the program.

Students who are subject to a MW have the ability to be sponsored by a faculty, federated college, or academic unit other than the students’ home faculty, federated college, or academic unit. Sponsorship is not automatic but may be considered upon recommendation of the Intake Advisor.

Academic Recovery Program Requirements	
Term 1	Term 2
SSW ACT * (6 equated credit hours) - required	SSW ACT* (6 equated credit hours) - required
One Course (3 credit hours) - required	ACAD 100 (3 credit hours) - required
One Course (3 credit hours) - optional	One Course (3 credit hours) - optional
	One Course (3 credit hours) - optional
*SSW ACT is a pass/fail zero-credit course required for students enrolled in ARP. There are weekly mandatory sessions and attendance is required. The course provides tools and strategies for academic success.	
A minimum of 3 credit hours per term is required. If a student has already passed ACAD 100, another course may be substituted.	

Completion of the Academic Recovery Program

Students must fulfill all requirements of the program to successfully complete the ARP, as follows:

- A minimum grade of 60% is required in each credit course.
- The non-credit portion must be passed, including adherence to the attendance policy.

Students with a RTD or a MW in the Appeals Process

Students who are in the process of appealing an academic action of RTD or MW have two (2) options:

1. They can opt to pursue their appeal and if it is successful, proceed in their program according to the conditions of the appeal. If the appeal is unsuccessful, students may decide to apply to the ARP in a future term; or
2. They can abandon the appeal process and apply for admission to the ARP.

Status of RTD and MW on Admission to and Completion of ARP

When students are successfully admitted to the ARP program their MW or RTD status will be placed on hold. The MW or RTD status will be reinstated in the event the student discontinues the program and/or is unsuccessful in the program on the date of withdrawal or the end of the term the student is deemed to be unsuccessful.

Program Status on Completion of ARP

Successful completion of the ARP, which includes meeting all conditions set out by the faculty, federated college, or academic unit and the ARP, will result in students being able to automatically continue in the faculty, federated college, or academic unit that approved their ARP application. Conditions may be placed on the student's continuance by the faculty, federated college, or the ARP. These conditions will be determined when students enter the ARP.

Students who continue their studies following successful completion of the ARP and have a UGPA that remains below the university minimum acceptable average (60.00%) will be allowed an additional 15 credit hours of probation.

Failure to increase the UGPA to 60.00% by the end of the term in which they complete the additional 15 credit hours will result in a Must Withdraw (for students who entered ARP facing an RTD) or a Must Withdraw Indefinite (for students who entered ARP facing an MW). These students are assessed by their faculties at the end of the term in which they complete the additional 15 credit hours.

Unsuccessful completion of the ARP will result in enforcement of the original academic action. In this case, credit courses taken as part of the ARP will be used toward determining further academic action.

Number of attempts for ARP

Students may complete the ARP only once.

Policies and Regulations within the Academic Recovery Program

- The Intake Advisor must approve all credit course selections made by program participants in conjunction with their [academic advisors](#). Students are limited to up to two 3 credit hour courses in the first term of the program, and three 3 credit hour courses in the second term of the program, including the mandatory credit course offerings.

- Students must succeed in all components of the program each term in order to continue their studies at the U of R.
- Students who enter the ARP as the result of an MW and do not successfully complete Term 1 or 2 of the program will have their MW reinstated and be forced to withdraw from the university. Students who enter the ARP as the result of an RTD and do not successfully complete Term 1 or 2 of the program will be assessed for further academic action and may be forced to withdraw from the University.
- Students who enter the ARP after they receive an MW and successfully complete Term 1, but do not enroll in Term 2 will have their MW reinstated and be forced to withdraw from the university. In normal circumstances Term 1 and 2 must be sequential, either fall to winter, winter to spring/summer or fall, or spring/summer to fall.
- Students who have not received an MW and enroll in ARP may not be required to complete both terms. The decision will be made by the student's faculty, federated college, or academic unit in consultation with the Academic Transition Programs Coordinator.
- Students may begin the program in either the fall, winter, or spring/summer terms.
- If students successfully complete the ARP, they will be allowed to continue in the faculty that approved their ARP application. Faculty- or federated college-specific conditions may be placed on the students upon entry into the ARP.
- If a student fails to complete the requirements of ARP and has previously been unsuccessful in the Arts Transition Program, then the student will be forced to withdraw from the University of Regina indefinitely.

Graduation

Governing Academic Program

Students follow the requirements of their academic program that were in effect in the year they were admitted to the program unless (a) that version of the program is terminated or (b) they obtain the permission of their faculty to follow a different set of requirements. In the case of programs requiring choice of a major, the governing program is the one in effect at the time the student chooses the major.

When a program or set of program requirements is terminated, the faculty will set a deadline for students who are currently in the program to complete its requirements. Students who are re-admitted or transfer to the faculty are required to follow a new program unless otherwise stated. Students who have not completed the old program requirements by the deadline must choose a new program.

If a program or set of program requirements must be terminated without notice, students will be assisted in finding courses to substitute for those that are no longer offered.

Residency Requirements

Residency refers to the minimum number of University of Regina credit hours that a student must complete within their credential completion requirements.

4-year Baccalaureate Programs

Unless otherwise specified within the program or faculty regulations, students must fulfill their program completion requirements with a minimum of 25% (30+ credit hours) with University of Regina coursework. Some programs may require the student to complete more than the minimum specified in this regulation but not less than the minimum specified.

3-year Baccalaureate Programs

Students must fulfill their program completion requirements with a minimum of 30 credit hours of University of Regina coursework.

Diploma or Certificate Programs

Students must fulfill their program completion requirements with a minimum of 15 credit hours of University of Regina coursework.

Microcredentials

Microcredentials have a 100% residency requirement.

PLAR and Transfer Credit

Credit for PLAR and Transfer Credit are not included or counted in University of Regina residency credit hours.

Subsequent Credential Completion Requirements

Students who have been admitted to a subsequent credential are subject to the following completion regulations:

- All program requirements must be met.
- Unless otherwise specified in the program regulations, students who have completed a program elsewhere must complete the minimum residency requirements of the Faculty/academic unit.

- For baccalaureate programs with a different major, students must complete a minimum of 30 unique credit hours of coursework and meet all other requirements as specified by their Faculty/academic unit regulations.
- All graduation requirement must be met.

Minimum Grade Point Averages to Graduate

A minimum undergraduate grade point average (UGPA) of 60.00% is required for graduation for all undergraduate degree, diploma, and certificate programs. In addition, all undergraduate students must also meet their program grade point average (PGPA) required for graduation. The PGPA will be calculated only on those courses which form part of the degree, diploma, and certificate program (failed courses and extra courses are not included). Students should check with their faculty advisor regarding these standards. Each faculty may set its own standards for graduation provided that they are not less than the University minimum.

Applying to Graduate

Graduation is not automatic upon the completion of a program.

Students must submit an online Application for Graduation through [UR Self-Service](#) for each degree, diploma, and certificate program they expect to graduate from. Applications for graduation will be processed in the order in which they are received. Students who complete their program requirements by the end of the fall term should apply to graduate at least three months before the end of the term to have their credentials conferred in January.

If an application is denied, the student must apply to graduate again once all requirements are completed.

Note: Students planning to attend a convocation ceremony should pay attention to application deadlines. See the [Convocation Ceremony](#) section.

Distinction and Great Distinction

Also refer to faculty specific graduation regulations.

Distinction and Great Distinction designations are awarded to students who have completed a degree program.

A minimum program grade point average (PGPA) of 80.00% is required for graduation with Distinction.

A minimum PGPA of 85.00% is required for graduation with Great Distinction.

Honours and High Honours

Honours and High Honours are awarded to degree programs in which students take a more intensive concentration in their major area. These standards are faculty specific and students should check with their faculty sections or their advisors regarding Honours and High Honours.

Other Institutional Honours

In accordance with University and faculty regulations, in addition to those noted above, the following institutional honours appear on students' transcripts, parchments, and in the convocation ceremony program. Students should also refer to their faculty regulations regarding Institutional Honours.

Institutional Honours are defined as follows:

Co-operative Education

Students who successfully complete the work terms required by their faculty will graduate with a Co-operative Education designation.

Internship (Engineering and Actuarial Science)

Students who successfully complete the number of work terms required by their faculty will graduate with an Internship designation.

Bilingual mention/mention bilingue

A minimum of 40% and a maximum of 60% of courses counted towards the degree program taken in French, including at least three courses from departments other than French (but must be from the Faculties of Arts; Media, Art, and Performance; or Science).

International

Refer to specific faculty regulations regarding this designation.

Financial Holds and Graduation

Students with an outstanding account with Financial Services, the Library, AV Services, Parking Services or a federated college may be approved for graduation, have their degree, diploma, or certificate conferred, and participate in the convocation ceremony. However, their parchment and any other graduation certification, including transcripts, letters of confirmation, and congratulatory letters, will be withheld until their account is cleared.

Personal and Contact Information

All potential graduates must review their personal and contact information in UR Self-Service, ensuring their full legal name, mailing address, and preferred email address are correct to receive pertinent documents and information regarding graduation and convocation without delay.

Exclusion from Graduation and Convocation

Students who have been suspended, expelled, or excluded from the U of R may not apply to graduate nor participate in Convocation ceremonies.

Approval to Graduate and Conferral of Degrees

The eligibility of all graduation applicants is audited by the faculty responsible for the program. For students registered through a federated college or academic unit, the initial review is done by the college or academic unit, then the final check is completed by the faculty. Applicants must successfully complete all the program requirements for the degree, diploma, or certificate for which they have applied and must meet the minimum UGPA of 60.00% and the minimum PGPA for graduation in that program.

When program requirements have been met, the faculty recommends the applicant for graduation approval to the Executive of Council, which meets monthly from September to November and January to June (for the current year's meeting dates, refer to the [Executive of Council](#) webpage).

The University's Chancellor confers the relevant degree, diploma, or certificate within one week after approval by the Executive of Council.

Note: Faculties may not meet monthly to recommend students for graduation approval. Students should consult with their student services office for information about specific processing timelines.

Posthumous Credentials

A degree, diploma, or certificate may be awarded posthumously when the requirements for a degree, diploma, or certificate are 75 per cent completed on the recommendation of the primary faculty of registration. The concurrence of the student's next of kin is required for the faculty to submit the application for graduation. Posthumous credentials will be acknowledged in the convocation ceremony program and may be acknowledged or presented at the ceremony.

A credential is not considered to be posthumous if the student dies following completion of the program requirements but prior to formal approval for conferral, or following conferral of the credential, but prior to the ceremony at which the credential would have been acknowledged.

Graduands on Letter of Permission

Students who, in the final term before graduation, are approved by their faculty or college to take a course towards their program at another post-secondary institution must have official transcripts sent from that institution to the University of Regina Registrar's Office certifying their final grade. The official transcript must be received in the Registrar's Office (AH 210) no later than five business days before the meeting of the Executive of Council to approve the lists of graduands. Refer to the [Executive of Council](#) web page for meeting dates.

Transcript Record

All degree, diploma, or certificate program information, except the date of conferral, appears on students' official transcripts as soon as they are approved for graduation by their faculty. The date of conferral appears on the official transcript once the Chancellor has conferred the degree (see [Approval to Graduate and Conferral of Degrees](#) section above).

Parchments

Parchments are issued at the convocation ceremony to attending graduates. For one week after the ceremony, graduates with proof of identity may collect their parchment at the Registrar's Office, AH 210. A graduate can request a third party to pick up their package by submitting a completed Third-Party release form to ur.graduation@uregina.ca. The third party will need to present a government-issued photo ID upon pick up.

Any remaining parchments after one week will be sent to the graduate's mailing address as recorded in the U of R's student information system. Students are responsible for ensuring their mailing address is correct in [UR Self-Service](#) by the end of their last term.

The graduate is responsible for remailing costs if the parchment is returned to the U of R.

Name on Parchment

Parchments are printed with the full legal name of the graduate, as recorded in the University's student information system at the time of graduation. All parchments issued on the MyCreds™ system will be in the full legal name of the student.

Duplicate and personal display copies may be produced for a fee. See [Duplicate Parchments](#) and [Personal Display Copy of Parchment](#).

Duplicate Parchments

Graduates may request a duplicate parchment in the following circumstances. The production of duplicate parchments will be subject to payment of the duplicate parchment fee.

1. Their parchment is lost, stolen, or damaged.
2. They have undergone a legal name change since the original parchment was issued.

In cases where a duplicate parchment has been issued, the word "duplicate" will appear in the bottom right hand corner of the parchment.

The graduate declares that in requesting a duplicate parchment, neither the original nor the duplicate parchment shall be used for fraudulent purposes, for forgery purposes, or to misrepresent the qualifications, training, and education of either their selves or another person. It is understood that if a graduate violates this declaration, the graduate shall be subject to disciplinary measures under the University of Regina [Academic Misconduct Policy](#).

Process to Request a Duplicate Parchment

Graduates may submit the Duplicate Parchment Request form and fee through the [Registrar's Office Online Store](#). **Note:** Students who have undergone a legal name change will be required to submit a [Change of Legal Name](#) form.

Personal Display Copy of Parchment

Graduates may request a personal display copy of their parchment in the following three circumstances. The production of personal display parchments will be subject of the payment of the personal display parchment fee.

1. They would like to have a parchment with a shortened version of their legal name. For example Sue instead of Susan, or the first initial S. with a middle name.
2. They would like to have a parchment with their Indigenous Traditional Name.

3. They have not yet changed their name legally and are using a first and/or middle name other than their legal first and/or middle name.

In cases where a personal display parchment is issued, the parchment will contain a statement that it is not an official legal document and is for display purposes only in the bottom right hand corner of the parchment. These parchments cannot be used or verified by the University for the purposes of employment verification, licensure requirements, student loan issuers, or for other education institution purposes.

Process to Request a Personal Display Parchment

Graduates may submit the Personal Display Parchment Request form and fee through the [Registrar's Office Online Store](#).

Other Conditions

1. The graduate's University of Regina financial account must have a zero balance. Orders will not be processed if there are amounts owing.
2. Duplicates and Personal Display copies are printed in the current style with the signatures of U of R officials in office and the original conferral date.

Digital Parchments (MyCreds™)

Once degrees, diplomas, or certificates are conferred by the Chancellor, the Registrar's Office issues secure digital parchments through [MyCreds™](#). Graduates will receive an email notification once issued.

Early Release of Parchment

Graduates who require a *paper parchment* before the convocation ceremony at which it is to be issued may order an "Early Release of Parchment," accompanied by the processing fee, through the [Registrar's Office Online Store](#). The request for an early release of parchment does not trigger early graduation approval by the faculty.

Deadlines to Order an Early Release of Parchment

- May 15 for spring convocation
- September 15 for fall convocation

Convocation Ceremony

Convocation is the assembly of the University Chancellor, the University Senate, and all graduands of the University of Regina. Convocation meets twice yearly to present graduates with their degrees, diplomas, and certificates and acknowledge scholarships and prizes. These ceremonies are normally held in early June and mid-October.

January 31 – deadline for receipt of applications for graduation for spring convocation. Students who apply to graduate between August 1 and January 31 and complete their program requirements no later than the end of the winter term are eligible to attend the spring convocation ceremony.

July 31 – deadline for receipt of applications for graduation for fall convocation. Students who apply between February 1 and July 31 and complete their program requirements no later than the end of the spring/summer term are eligible to attend the fall convocation ceremony.

Those eligible to attend the convocation ceremony will be notified by email when the ceremony information is available on the website. Limiting the number of guests per graduand may be necessary based on how many graduands plan on attending and the space constraints of the venue.

Students with questions about the ceremony can email ur.graduation@uregina.ca or consult the website: www.urconvocation.ca.

Academic Regalia

University regulations require graduands who are participating in the Convocation ceremony to do so in proper, approved academic regalia. The University of Regina graduands do not wear caps (mortarboards). All graduands wear black gowns except for the following: PhD students wear a scarlet gown with royal blue trim, facing, and cuffs; Federated College students wear the color of gown approved for the federated college – that is red for Champion College, sky blue for the First Nations University of Canada, and royal blue for Luther College.

Graduands are welcome to wear their Indigenous ceremonial dress, other cultural ceremonial dress, or their military or law enforcement dress uniform with, or instead of, the gown at the Convocation ceremonies. In these instances, graduands must still be hooded and wear the University of Regina hood.

Protocol inquiries about appropriate academic regalia should be directed to the Registrar's Office: ur.graduation@uregina.ca. A list of degree hoods and descriptions is found on the [convocation website](#).

University of Regina Alumni Association

The University of Regina Alumni Association (URAA) was established in 1974 to promote the accomplishments and support the development of the University of Regina, its students, and alumni. This is reflected in URAA's vision statement: "We are the leading proponent of our University and our alumni throughout the world." URAA's tag line echoes this sentiment: "Alumni driven, bridging the University of Regina with our global community." Membership is automatic to all who have earned a degree, diploma, or certificate from the University of Regina faculties and the Centre for Continuing Education. The Association is governed by a volunteer board of directors who are elected annually by the membership.

Through its many fundraising efforts URAA has supported and sponsored events and activities such as the Alumni Crowning Achievement Awards, Ten Thousand Coffees, Inspiring Leadership Forum, Welcome Week, spring and fall convocation, U of R Career Fair, the U of R Cougars Slam Dunk, and the U of R Student Emergency Fund.

URAA has established several scholarships for students that are sponsored annually. Further information is available at alumni.uregina.ca/uraa/scholarships. At each spring and fall

convocation, the URAA board member is honoured to welcome each graduate as a new alumnus to the Association.

U of R alumni receive a variety of benefits and services including Degree Frames, Home and Auto Insurance, Life Insurance, MasterCard, Degrees magazine, Alumni Connect Newsletter, promotions exclusive to alumni and information about upcoming activities and programs.

Alumni can update their contact information by contacting Alumni and Community Engagement at:

Graduate Retention Program

Only eligible for undergraduate programs.

In January each year, the Registrar's Office submits a list of graduates from the previous year to the Government of Saskatchewan, Ministry of Advanced Education. The Ministry of Advanced Education determines the eligibility of the individual graduate for the Graduate Retention Program (GRP) and issues the relevant certificates through the Advanced Education portal.

Students may consent to be included on the list by selecting "Yes" on the Application for Graduation in UR Self-Service and by providing their Social Insurance Number if it is not already in the student information system. Students who select "No" will not have their personal information submitted. They will then have to apply directly to the Ministry of Advanced Education to determine their eligibility.

IMPORTANT: All mandatory personal information required by the Government must be complete and formatted correctly in UR Self-Service by December 1. Mandatory information includes birthdate, gender, SIN, mailing address, telephone number, and preferred email address. Records with missing or incorrectly formatted information will not be included in the transfer. Follow the formatting standards outlined in UR Self-Service.

Student Activities, Facilities, and Support Services

Centre for Experiential and Service Learning (CESL)

At the Centre for Experiential and Service Learning, we're here to help you learn by doing, which is what experiential learning is all about! You'll have more opportunities to apply what you learn – not only in the classroom but across campus and in the wider community. This hands-on approach will help you retain what you learn and build valuable experience for your résumé and future employment. In the Centre, you will find many supports, including workshops, programs, and events to help you gain skills in your chosen educational path; digital badges you can add to your résumé to highlight your skills in areas like cultural awareness, leadership, and mentorship; and, find new ways to build work experience through volunteer and on-the-job training.

UR Path (Personal Achievement Tracking Hub)

UR Path is an online platform for students to access Student Success services from CESL and SSC (the Student Success Centre). On this platform, students can sign up for programs, book in one-on-one appointments, sign up for training or workshops, and find out new ways to get involved on campus. UR Path is accessible to new students starting in their first term of courses, to all current students, and to alumni up to one year after graduation.

Experiential Learning: Digital Badges

The Centre for Experiential and Service can help improve your employability with digital badges that recognize the skills and opportunities you participate in outside of the formal classroom. Get credit for your skills and experience-based learning when you begin your job searching journey. You can even add your digital badge recognition to your LinkedIn profile, résumé, or online portfolio to highlight specific abilities that can give you the edge in the job market.

Career Services

CESL also offers a broad range of Career Services and resources to support students with setting and realizing rewarding educational and career goals. For assistance with self-assessment, and exploring and narrowing down related options, students may book individual career counselling with our Career Services Coordinator. Students also may attend career sessions held throughout the year on choosing a career direction and developing other career skills (e.g., job searching, customizing résumés, interviewing). There are also one-on-one résumé reviews and mock interviews available for students to practice their career readiness skills. Additional resources and information are available on our website and UR Path

Volunteer Centre

Our student-run Volunteer Centre will help you find community-focused and accessible volunteer opportunities. Give back to the community and support others while you build transferable, employable skills. Get trained in community-based volunteering and take up volunteer opportunities that add the skills you want to highlight on your résumé.

Ambassador Program

The University of Regina's motto is "As One Who Serves," and as such, the Centre for Experiential and Service Learning encourages you to get involved on campus, strengthen your leadership skills, and meet new people through volunteering with the University of Regina Ambassador Program. By participating in the Ambassador Program, you will be leaving a positive legacy through the sharing of your skills and knowledge, and by providing inspiration for current and future undergraduates. There are multiple levels of involvement for students to choose the Ambassador path that best suits their schedule and skills.

Student Employment Services

Student Employment Services offers specialized services, career fairs, and job expos to support students in conducting a successful search for part-time and summer jobs, as well as full-time employment upon graduation. As needed, events will be held virtually. See the website for schedules and details.

CareersLink (Symlicity): Search a database of part-time, summer, full-time, and volunteer experience postings. Go to "Job Board" on UR Path to sign up/log in.

Collection of Job Search Databases: Search general and specialized databases for current job postings (all fields).

Career Fairs: Directly connect with employers to learn about opportunities in your field.

Bachelor of Arts

- Études francophones et interculturelles/ BA French and Francophone Intercultural Studies.

Faculty of Science

Bachelor of Science

- Actuarial Science (12- or 16-month internship option only)
- Chemistry/Biochemistry
- Geology
- Physics (including Honours Physics)
- Applied/Industrial Physics with emphasis in Electronics and Modern Physics
- Biology
- Computer Science
- Mathematics and Statistics
- Applied/Industrial Physics with emphasis in Computation and Physical Modeling
- Software Systems Development

University of Regina Co-operative Education programs meet the accreditation standards for commitment and quality set by Co-operative Education and Work Integrated Learning.

Admission to Co-operative Education

Application forms are available in the Centre for Experiential and Service Learning, RC 163 and online www.uregina.ca/careercentre/coop.

Students must meet the entrance requirements for acceptance into the relevant Co-op program and apply before they have exceeded the maximum credit hours shown in the [Co-operative Education Program Entrance Requirements](#) chart.

Application Deadlines for Co-operative Education Program

The deadline for application is in the first week of classes each term prior to commencing a work term. Please visit the Centre for Experiential and Service Learning in RC 163 for details.

Sequencing of Work and Academic Terms

Work terms last for a minimum of four to a maximum of eight months. Scheduling patterns vary by faculty but commonly alternate work and academic terms. Students must be registered as a fulltime student the term prior to going on a work term:

- Business Administration Students need to be in a minimum of 12 credit hours in their academic terms (only nine credit hours are required in the Spring/Summer term).
- All other faculties need to be registered in a minimum of nine credit hours.

Fees

Co-op students are required to pay a fee for each work term (refer to the Tuition and Fees section of this Calendar). The Co-op fee, which is not a job-finding fee, allows students to maintain their full-time status while on work terms. The Co-op fee is payable once Co-op employment is obtained.

Work Placements

Private and public sector employers from across Canada and internationally participate in the program. With approximately 40% of the placements outside of Regina, students should be mobile if they wish to fully participate in a Co-op program. Admission to a Co-operative Education program does not guarantee the availability of a work term placement. Many students find career-related work through the Centre for Experiential and Service Learning, but students are also encouraged to conduct their own job search.

Registration for Work Terms

As soon as students obtain a work placement, they register for work terms through their faculty (except for Engineering and Arts students who are automatically registered by their faculty). Students must register online for Co-op work terms. Once registered for a work term, students are not permitted to drop except for compassionate or medical reasons.

Grading of Work Terms

Students must complete a work term report for every work term. The student's employer also submits a work term performance evaluation. On the basis of those two evaluations, work terms are graded pass/fail.

Regulations

Policies, procedures, and deadlines for Co-operative Education programs must be adhered to. Details are contained in the Co-op Student Handbook at:

<http://www.uregina.ca/careercentre/coop/current-students/handbook.html>.

Withdrawal and Termination

Once registered, students may withdraw from a Co-op work term only for reasons beyond their control. Voluntary withdrawal at any point may result in a failing grade. For engineering students, see the Faculty of Engineering Co-operative Education Programs section.

Students may be terminated from a Co-op program in a variety of circumstances, including failing a work term, allowing PGPA to fall below the minimum required, or committing acts of Non-Academic Misconduct (see the [Academic Regulations](#) and [Student Code of Conduct and Right to Appeal](#) section in this Calendar).

Transcript Record

Students who successfully complete the number of work terms required by their faculty will graduate with a Co-operative Education designation that is noted on their official transcript and parchment.

Internships

Also part of the Centre for Experiential and Service Learning Internships are another option for students looking to support academic studies with career-related work placements, enabling them to integrate academic theory with practice in the field.

Actuarial Science Internship

The Actuarial Science Internship is for students between years three and four (72–108 credit hours) of the Actuarial Science undergraduate degree program.

Students participate in an assisted job search process to secure a paid internship placement of 12 to 16 months in duration, with each four-month period of employment worth one credit hour (three or four credit hours in total). See the [Program Entrance Requirements chart](#).

Engineering Internship

Engineering Internship is a single 12- or 16-month placement immediately preceding the two final academic terms of an Engineering Systems program.

Students who successfully complete the requirements of the program will receive an *Internship* designation on their transcript and parchment. Students who participate in Co-operative Education will not be eligible for the internship designation.

For more details, please refer to the [Faculty of Engineering and Applied Science Co-operative Education Internship Program](#).

Student Activities, Facilities, and Support Services

Co-operative Education Program Entrance Requirements

During the placement cycle, the Co-op Office uses a computerized Match process to place students with employers. The process lets employers select candidates for interviews from all students eligible for Co-op employment. After the Match process, a Direct Offer system is used. Employers submit job descriptions, which are posted continually. Interested students apply, and the Co-op Office sends resumes to employers and sets up the interview.

Area of Study	PGPA	Minimum credit hours*	Maximum credit hours	Number of work terms	Required courses
Actuarial Science	75.00%	72	108	1 (12 or 16 months)	ACSC 317, 318 + plan to complete first exam of the SOA before or during internship
Arts	67.50%	45	84	3 (optional 4 th)	ENGL 100, either ENGL 110, PHIL 100, SOST 110 or RLST 245 or 248, and at least two courses in the major

Mathematics	65.00%	45	75	3 (optional 4 th)	MATH 110, 111, 122, 213, 217, CS 110 + STAT 160
Physics	70.00%	30	60	4 (optional 5 th)	Five PHYS courses (including three at 200-level) + three MATH courses (including one at 200-level) + two CS courses (including UNIX and C Programming)
Statistics	65.00%	45	75	3 (optional 4 th)	MATH 110, 111, 122, STAT 160 and 251 or 252 + CS 110

* Minimum credit hours include those in which the student is registered when applying. Maximum credit hours include those in which the student is registered in the term preceding the first work term.

Admission is granted by the student's faculty. Students who do not meet the entrance requirements may appeal to their faculty. All information provided in faculty sections supersedes this section.

Study Abroad and Global Mobility

Exchange Opportunities

There are five major exchange programs under which students can study abroad. The U of R has access to a network of more than 450 Universities and Colleges in over 80 countries worldwide. Students can choose to stay for one term, a summer program, or up to a full academic year.

Depending on the program pathway, tuition is paid at the U of R or at the host institution. For exchange programs in which U of R tuition is paid, tuition is based within the students' faculty and is on a pay-per-class model. For in-person exchanges during a full fall/winter semester or a full-academic exchange period, students are required to maintain full-time academic status during their exchange term(s) and therefore are required to take at least 3 courses at their host institution. For students registered with the U of R Centre for Student Accessibility who may have an approved full-time status for less than 3 classes, please inform the UR Study Abroad & Global Mobility office accordingly so that arrangements can be made as needed.

Courses studied abroad are transferred to the U of R as credit toward a student's overall degree program, as per faculty discretion and approval. Students must consult with their faculty advisor about course selection to choose the courses acceptable for their program abroad. It is at the discretion of the student's faculty as to whether the host institution courses are transferred for credit toward their degree. Students may also inquire with their faculty if their exchange program renders them eligible for an *International* designation on their academic record.

Eligibility requirements include:

- Completed 30 credit hours;
- 70.00% cumulative average;
- A student with a 67.00-69.99% average may still be eligible to go on exchange; however, the student will need a letter of approval from the Dean of their faculty, which is provided at faculty discretion;
- Can prove financial responsibility and stability;
- Must return to complete their degree at the U of R;
- Must be in good academic standing at the time of applying and departure; and
- Pay a \$250 CAD application fee (non-refundable) for SEP, UMAP, CONAHEC and NSE programs; Pay a \$525 USD combined application and placement fee (non-refundable) for the ISEP program.

Scholarships and Funding

There are a variety of mobility scholarships, including the Global Skills Opportunity and the University of Regina Global Education Scholarship, to assist students planning to study abroad.

The Global Skills Opportunity is a national outbound student mobility program for Canadian undergraduate students. Jointly funded by the Government of Canada and the University of Regina, the program aims to minimize the barriers to participation in mobility programs,

targeting groups for whom international experiences have traditionally been less accessible. Students will realize life-changing experiences while gaining intercultural connections, competencies and skills that will service them, the community, and the world at large. The value of this scholarship ranges from \$500-10,000. More information can be found online at:

<https://www.uregina.ca/international/study-abroad/outbound/obscholarships/>.

Students are also eligible to apply for any scholarships they would regularly apply for (on- or off-campus), and may utilize RESPs, Indigenous Band Funding, Saskatchewan (or other provincial) Student Loans, etc. to finance their exchange program (funding conditions may apply).

Faculty Led International Study Tours

International Study Tours give students an opportunity to study and travel abroad without being away from home for an extended period of time. Study Tours are led by professors from the U of R who have a particular interest in an international field. UR International assists Study Tours participants with visa information and reliable resources, application for the Global Education Scholarship, and pre-departure information sessions.

International Internship, Practicum, or Fieldwork

Global internships give students the professional and personal skills for success in their future endeavors, anywhere in the world! International internship, practicum, and fieldwork placements are primarily a student-led process, in comparison to the traditional exchange and study tour program structures. Students should meet with the internship, practicum, or fieldwork placement coordinator within their faculty prior to meeting with UR Study Abroad staff to discuss their possibilities. Transfer credits for an international internship, practicum, or fieldwork placement is at the discretion of the student's faculty. It is the student's responsibility to discuss the course credit with their respective placement coordinator within their faculty.

It is the student's responsibility to ensure they have procured the correct immigration documents prior to their departure for their placement abroad. The University of Regina is not responsible, and will not be liable, for any decision to grant or deny entry at the border or port of entry of the host country.

Student Academic Support Services

Academic Advising

Academic advising is available through:

- Each student's faculty or college. Visit the Registration and Withdrawal section in this calendar.

- The Student Success Centre, with drop in advising times available every day. Visit www.uregina.ca/student/ssc/academic-advising for the schedule.

Learning Skills

Student Success Workshops are provided by Student Affairs. Each term the workshops are listed on the Student Success events calendar: www.uregina.ca/student-success-centre/events

Students can also make individual appointment to discuss learning skills. More information can be found on the Student Success Centre's website: www.uregina.ca/student/ssc

Mathematics and Statistics Services

The Student Success Centre provides free mathematics and statistics tutoring for students in most introductory and some 200-level MATH and STAT courses. Tutors will help students understand assigned tasks, problem-solving strategies, and use of principles and formulas.

Students can book an appointment online at: www.uregina.ca/student-success-centre/tutoring

The federated colleges provide mathematics support services, as well. Students should contact their college office for more information.

Writing Services

The Student Success Centre provides free writing support for students in all disciplines and at all levels. Students can book an appointment online at: www.uregina.ca/student-success-centre/writing-support.

The federated colleges also provide writing support services. Students should contact their college office for more information.

Tutor Registry

The Student Success Centre maintains a Tutor Registry. Tutors on this registry meet a minimum grade requirement of 80% in the particular course(s) they are tutoring for and have been recommended by their professors. Students can find the registry online: www.uregina.ca/student-success-centre/tutoring.

Career Exploration and Counselling

Career Exploration and Counselling offers a broad range of services and resources to support students with setting and realizing rewarding educational and career goals. For assistance with self-assessment, and exploring and narrowing down related options, students may book individual career counselling with a career counsellor. Students also may attend career sessions held throughout the year on choosing a career direction and developing other career skills (e.g., job searching, customizing resumes, interviewing).

Career Cruising and myBlueprint SK (career planning programs), and more resources and information are available on our website.

Computing Services

The IT Support Centre is your first point of contact for any IT related questions or assistance. Contact us by phone 306-585-4685, email IT.Support@uregina.ca, in person in ED137 or Archer Library main floor commons, or visit the Information Services website at <https://www.uregina.ca/is/>.

The University of Regina's Information Services department provides the following services free of charge for use by students:

- Internet wired and wireless access on campus.
- Wireless network access at other universities via Eduroam.
- Microsoft Outlook/Exchange Email account.
- Microsoft Office 365/M65 access.
- Personal web page hosting.
- Microsoft OneDrive cloud based file storage

A wireless data network is available across the University campus. When devices are correctly configured to access the network via Eduroam, students may access wireless networks at other Eduroam member institutions at no cost. Detailed information on wireless coverage areas and Eduroam configuration can be found at: www.uregina.ca/is/wireless.html. Use of the University network for the first time constitutes acceptance of the University policy governing the use of campus computing and network and other information resource facilities. Refer to: www.uregina.ca/policy/browse-policy/policy-OPS-080-005.html

Computer Labs

On-campus computer access is available at various locations on campus. Some labs have restricted access and schedules. All locations have laser printing available for a nominal fee. The Archer Library Commons also has colour laser printing available. Many labs accommodate laptop computer use, and all support wireless networking. For additional information on computer labs, refer to: <https://www.uregina.ca/is/computer-labs.html>

Access to Linux/Unix is available for web publishing and programs that require them.

Email and Internet

All employees and students are given a uregina.ca account, which provides access to MS Outlook email, lab/desktop computers, Microsoft Office 365, UR Courses, and printing. Students can obtain information about their email address and password at <https://www.uregina.ca/is/accounts-logins-passwords.html>.

Email can be accessed online at www.outlook.com, or via app on your mobile device.

The University has a pervasive data network that provides connections to both the commercial internet as well as to Saskatchewan's research network SRNet and its national counterpart CA*Net. Most areas on campus are also covered by a wireless (Wi-Fi) network.

Microsoft Office 365 and Cloud-Based File Storage

Students and employees have access to MS Office 365 and cloud-based file storage through MS OneDrive. The service can be used to store and share files with individuals or groups of employees and students.

University of Regina Student App

The University has a free mobile app available via Google Play and the App Store. The application provides access to class schedules, and other student experience related information. Details can be found wherever the app is available.

UR Self-Service

Using UR Self-Service, students can:

- Change their PIN (strongly recommended).
- Register for or drop classes and check their class schedule.
- Check their grades and transfer credits.

- Search up-to-date credit and non-credit course timetables.
- Academic advising and program planning.
- Graduate student services, including assistance with transfer, program extension, progress reporting, leave of absence, and changes to programs.
- Consult course descriptions, including variable content courses not printed in this calendar.
- Order and pay for textbooks.
- Update their contact information.
- Settle their account by credit card.
- View and print their T2202A Education Deduction Certificate.
- View and print a confirmation of enrolment or an unofficial transcript.

International Student Services

UR International offers personalized services and programs designed to promote and provide a positive learning environment for international students that will facilitate academic success, professional development and a smooth transition into the City of Regina and University of Regina communities. Services include:

International Student Orientation – At the beginning of each semester, UR International hosts tailored orientation programs to provide valuable information to new international students, while introducing students to faculty, staff, and fellow peers through engaging activities and presentations.

Global Learning Centre (GLC) – Open to all international students across campus, the GLC is where students will find high quality support for building a strong academic foundation, while engaging in a positive social environment. Housed within the GLC are services for academic support, intercultural skill development, and community building, offered through specialized programming, workshops, and information sessions.

Workshops/Sessions – A variety of workshops and sessions are provided for students every month to increase their awareness of on-campus services and how to succeed at the post-secondary level.

UR International Peer Advisor Program – The UR International Peer Advisor Program supports the mentorship of the global community on campus by offering all students the opportunity to engage in leadership and professional development opportunities, supplemented by peer-to-peer support. International Peer Advisors assist in easing new students' transition to university life, as well as support the continuing academic journeys of current students.

Immigration – All staff are trained and available to guide students through immigration policies, as well as provide assistance for application processes, including Study Permits, Co-op Work Permits, Post-Graduate Work Permits, and Entrance Visas in accordance with the regulations set by Immigration, Refugees and Citizenship Canada (IRCC).

Advising – Individually-based and personalized advising from experienced Life Skills Advisors is provided to students.

Referral Service – Staff will offer referrals to professionals, such as physicians, banks, SGI, etc., as well as national/cultural organizations, services, or clubs in the community that may be relevant to international students.

Saskatchewan Health – Support is offered to international students for applications for Saskatchewan Health Cards. Workshops and specialized information sessions are hosted to assist students with understanding the Saskatchewan healthcare system.

Welcome Services – Special welcome services are offered to large cohorts or special student groups.

Transition Services – UR International provides support to all new international students to ensure a smooth transition to their life in Canada. Assistance in transitioning from ESL to an undergraduate or graduate program is also provided.

Student Lounge – Computers are available for students to apply for immigration documents and assistance will be provided upon request.

Contact – UR International is the first point of contact for new international students, even before they arrive in Canada.

ta-tawâw Student Centre

Welcome. There is room. There is space.

taanishi (Michif), tanisi (Nehiyawewin), anin sikwa kin (Nahkawewin), edlanet'e (Dene), hau koda (Dakota), hau kola (Lakota), hau kona (Nakoda)

The ta-tawâw Student Centre provides a welcoming atmosphere that supports Indigenous ways of being-knowing-doing. Our mission is to provide a shared space for all First Nations, Métis, and Inuit students at the University of Regina. We encourage all students and visitors to gather, study, laugh, and learn with one another.

The vision of the ta-tawâw Student Centre is to guide Indigenous students within four directions of learning:

- Academic success programming
- Cultural teaching programming
- Career focused programming
- Leadership training programming

The Centre focuses on supporting Indigenous students with their involvement and belonging within the larger campus community. We strive to create meaningful opportunities for intercultural and inter-generational exchanges. We strive for successful student transition into the University, retention at the post-secondary level, and meaningful engagement in University events and activities. We trust that our approach to student engagement will strengthen the campus and expand the potential for continuous learning.

Orientation

Orientation is held prior to the start of the fall and winter terms and is designed to provide all new students with valuable information on university life, academic expectations, and practical skills to successfully transition to the university. Information about Orientation is emailed to newly admitted student and is also available online at: www.uregina.ca/orientation.

Placement Testing

Placement Testing in English

Two kinds of placement testing in English are offered:

1. By First Nations University of Canada for students enrolled through the college who did not complete Grade 12 English. As a result of the test, students may be required to take ENGL 090 and/or 091 (refer to course listings in the Courses section of this Calendar) or may be determined to be ready to take ENGL 100.
2. By the Centre for Continuing Education for students who are enrolling in the English as a Second Language Program. This test determines the level at which students enter the ESL program. Applicants who are attempting to demonstrate proficiency in English should register for the CanTEST or CELT (see the Admissions section in this Calendar).

French Pre-Registration Assessment Test

A pre-registration assessment is required for admission to certain programs and prior to enrolling in your first French course or course offered in French at the University of Regina. Its purpose is to place you in the course that is most appropriate for your current language level.

You can complete the test online:

<https://lacite.uregina.ca/placement/>

More information about French placement tests is online:

<https://lacite.uregina.ca/en/uni/placement>.

Placement Testing in Languages other than English and French

Students interested in taking the languages listed below and who require placement should consult the appropriate department:

- Chinese (Mandarin), German, Japanese, and Spanish: [Department of International Languages](#). Also refer to the Department of International Languages section in the Undergraduate Calendar.
- Cree, Dakota, Dene, Nakota, and Anihšināpēmowin: [Indigenous Languages Program](#), First Nations University of Canada.

Placement Testing in Mathematics

Students who have not completed a required high school mathematics course or have completed it with too low a grade or a number of years previously, may be required or can request to take a placement test in mathematics.

The purpose of these diagnostic tests is to assist students and advisors with course selection, by helping to ensure that students start University Mathematics classes at the correct level. Students can use these tests to assess their math skill and determine which level they are at. These are NOT to be used as an override for higher level math courses.

For information can be found online:

www.uregina.ca/science/mathstat/undergrad/resources/diagnostic-tests.html.

Students with international or other post-secondary credentials in mathematics that have not yet been evaluated for equivalency with the Canadian system may be referred by their advisor to the [Department of Mathematics and Statistics](#) for an evaluation.

UR Accommodated

UR Accommodated encompasses Student Accessibility, the Brad Hornung Accommodations Test Centre and Campus for All. The goal of UR Accommodated is to support all students in achieving academic success while enjoying a full and rewarding university experience.

Student Accessibility upholds the University's commitment to a diverse and inclusive learning community by providing services and support to enable students with disabilities to approach their studies in an equal and effective manner. Student Accessibility aims to encourage independence, self-advocacy and equality for all students, while maintaining personal, confidential service.

Students requiring an appointment or need to communicate with an Accessibility Officer, please contact us and we will do our best to respond in a timely manner.

Campus for All: Inclusive Post-Secondary Education

Campus for All is a four-year Inclusive Post-Secondary Education (IPSE) experience for adults experiencing intellectual disability who are committed to life-long inclusion. Students supported by Campus for All are non-degree seeking. Students audit one class per term, complete modified assignments and class work, establish social connections, and gain valuable employment experience. More information about Campus for All, the application process, and eligibility criteria is available online at:

www.uregina.ca/student/accessibility/campus-for-all.

Housing

Living on campus is a great way to make friends and fully engage in the university experience. All University of Regina Housing options are available for new and returning students and are located on campus within a short walking distance to classes and campus amenities. Students who live on-campus may be eligible for Housing Awards, employment opportunities, customized programming, and 50+ exclusive resident life activities per year.

UR Priority is a first-year housing experience designed to help students transition into university life. The UR Priority program aims to help participants develop important life skills, find social engagement opportunities, discover academic supports, and personal well-being techniques all within their residence building. Accessing this free program helps first-year students achieve better overall academic outcomes and become well-rounded students while living on campus. UR Priority programming is run through Kīšik Towers, which is a residence building primarily dedicated to housing first-year residents.

Returning residents also have the opportunity to participate in social activities and academic support programming geared to meet their academic and social needs so that they can find continued success while living on campus.

Students choosing to live on campus can also apply for a Living-Learning Community (LLC) or choose a special interest group (Grad and Mature Housing, Colourful Campus House, etc.). LLC's provide designated spaces for shared interests, values, or academic programs. The Housing Services team, in collaboration with LLC partners, provides additional programming that builds community, promotes academic success, and provides an environment that supports a rich and meaningful university experience. For more information, please visit the Housing Services website: www.uregina.ca/housing/.

Interested students can apply to living in housing as early as October prior to the start of their Fall & Winter academic year. Housing services

also offer housing accommodations for residents looking to stay for the Spring & Summer term.

Students can call 1-866-354-3394 or 306-585-5450 to receive additional information. For email inquiries:

Respectful University Services

The University of Regina is committed to a climate in which students, faculty and staff are provided with the best possible conditions for learning, living, and working, including an environment that is dedicated to excellence, equity and mutual respect. The University of Regina realizes this vision by establishing employment and educational practices that respect the dignity of individuals and make it possible for everyone to live, work, and study in a positive and supportive environment, free from harmful behaviours such as Discrimination and Harassment.

The Respectful University Policy promotes a respectful workplace and learning environment through the prevention and swift resolution of harassment and discriminatory incidents. Respectful University Services provides the following services for faculty, staff, and students:

- Education to raise awareness of the need for a respectful workplace and learning environment;
- Confidential consultations; and
- A variety of resolution options ranging from informal approaches, coaching, mediation and a formal complaint process.

More information on this policy and other information please visit the [Respectful University Services website](#) or visit Respectful University Services, located in Room 251.14, Dr. William Riddell Centre, or contact the office: Tel: 306-585-5400 or email at: respect@uregina.ca.

Inclusive Language Policy

The intent of the University of Regina's inclusive language policy is to ensure a broad representation of people in written, visual, and oral communication; to stress the ability rather than the disability of individuals; to treat individuals of all genders with the same dignity, respect, and seriousness; and to ensure that material that may be considered biased is treated critically. Inquiries may be directed to the University Secretary, AH 509 or by telephone: 306-585-4956.

Smoking (refer to the [Smoke-Free Campus Policy](#))

Smoking and the use of tobacco products is prohibited:

- in all University buildings owned or leased;
- on owned or leased University property;
- on outdoor University areas used for sports, meetings or other gatherings; and
- in University vehicles, or in vehicles parked on University leased or owned property.

Advertising or the sale of smoking and tobacco products on all University of Regina campuses is prohibited.

Exceptions

Tobacco is an integral part of cultural ceremonies and requests for guidance, knowledge or knowledge sharing; therefore, it may be burned on campus in accordance with policy [GOV-040-020 Smudging/Pipe Ceremonies](#). Smoking or tobacco products used for research purposes, other than Indigenous cultural practices, require a written exception request to this policy made to the Director, Health, Safety and Wellness. The Director, Health, Safety and Wellness will review and may approve these exceptions based on information provided.

Medical

Provincial Health

Students from outside Canada who are lawfully admitted to Canada with a Study Permit are eligible for benefits from the date they moved to Saskatchewan for the duration of their Canadian Study Permit. Students must register with Saskatchewan Health to obtain such

coverage. The benefit period may be extended by presenting a renewed authorization to Saskatchewan Health.

Health coverage benefits may be changed in the future. For current information, contact Saskatchewan Health, 306-787-3251.

Student Accident Benefit Plan

Under the Student Accident Benefit Plan, certain expenses that arise out of accidents and injuries sustained while participating in authorized University and related activities are paid by the University. The plan is intended as a supplement to the Saskatchewan Medical Care Insurance Act and not as an alternative to it. Copies of the regulations under which such payments may be made are available from Financial Services, the Faculty of Kinesiology and Health Studies.

This plan does not provide medical and hospital coverage during any waiting period when coverage would otherwise be provided under one of the Acts.

Campus Dentist

The Campus Dentist team is professionally trained to ensure every patient is treated with the highest level of service and care.

Located at Riddle Centre Room 228, they offer cleaning, checkups, fillings, wisdom teeth extractions and tooth whitening. New patients and emergencies welcome. Insurance plans accepted including your student plan. Tel: 306-352-1060; Email: regina@campusdentist.com; or www.campusdentist.com.

Student Mental Health

The University provides mental health services on campus for all students. The services address many of the concerns that students may encounter during their time at University. This may include personal, relational, and emotional problems that may interfere with academic progress and well-being. The clinicians are registered psychologists with extensive experience in treating a wide variety of mental health concerns. Services are provided in accordance with the principles of the Canadian Code of Ethics for Psychologists.

Information shared in sessions is confidential, including the fact that a student has received services. Personal health information is not disclosed to University faculty or staff, parents, or other persons and agencies without written permission. There are a few ethical and legal limitations to confidentiality that the clinician will discuss during the first session. For more information please visit: www.uregina.ca/student/counselling/.

Recreation and Athletic Services

Inter-University Athletics

The University of Regina is a member of the Canada West Universities Athletic Association, participating in the sports of men's and women's basketball, cross-country, ice hockey, swimming, and track and field as well as men's football, women's soccer, and women's volleyball.

Teams participate in league play for the right to advance to U SPORTS championships. League play is supplemented with non-conference play to enhance and prepare for the season.

The Faculty of Kinesiology and Health Studies provides the professional direction, coaching staff and detailed administration of the program. Additional information on Athletics is available from Office of the Director of Sport, Community Engagement, and Athlete Development (306-585-4018) or at www.reginacougars.com and www.reginarams.com.

Varsity Clubs

The Varsity Club sport program is designed to promote and develop the interests and skills of students in sport and recreation. It allows for student members to organize, manage, promote, and largely fund their own activities and affairs. Current clubs include curling, dance, flag football, golf, rugby sevens and 15's, softball, Ultimate, and triathlon. For more information visit the website at: www.uregina.ca/recservices.

Rec Sports Program (formerly Intramural Sports)

The Rec Sports Program provides members of the university community with opportunities to participate in a diverse program of individual and team sports, tournaments, special events, sport clubs and wellness programs as their interest, ability, and time will permit. The program also employs numerous students annually to act as program supervisors, scorekeepers, and league officials. For information about all program offerings and employment opportunities, call or email the Rec Sports office at 306-337-2247, intramurals@uregina.ca or visit the website at: www.uregina.ca/recservices.

Students' Union

The Students' Union (website: www.ursu.ca), an organization incorporated under The Non-Profit Corporations Act of Saskatchewan, is an autonomous body that represents students to the University, community, and government. The Students' Union also offers services to students to improve the quality of their lives while they attend the University. Visit them at RC 221. Follow on Facebook, Twitter, and Instagram.

Students' Union fees are assessed based on a base fee plus the number of credit hours in which a student is enrolled. These fees are used to operate the various services, programs, activities, and events of the Students' Union.

To manage the various programs, the Students' Union employs many full-time and part-time staff charged with maintaining and promoting the Students' Union. The Students' Union is governed by a Board of Directors comprised of constituencies corresponding to the faculties and federated colleges of the University as well as identity based at-large positions. For a full list of Board of Directors positions, visit: www.ursu.ca/governance.

In addition, students are entitled to vote for four full-time Executive on the board of directors:

- President pres@ursu.ca
- Vice-President Operations and Finance vpof@ursu.ca
- Vice-President Student Affairs ypsa@ursu.ca
- Vice-President External Affairs vpext@ursu.ca

Any student who is enrolled for credit at the University and pays Students' Union fees is entitled to seek and hold office subject to the limitations of The Non-Profit Corporations Act of Saskatchewan.

Students with questions about a program or service of the Students' Union can stop by the offices at the Dr. William Riddell Centre or telephone 306-586-8811, Ext. 201.

URSU Services, Benefits, and Groups

U-Pass

The U-Pass is a program designed for University of Regina students that will allow them to use Regina Transit as much as they like for a once-per-term fee. By paying the mandatory fee of \$87.60 each term, they will in turn get a city-wide transit pass valid for the whole term (4 months) at rate cheaper than current discounted student rates of \$78 per month. Students who live out of town or within the designated opt-out zones are able to opt out of the program. For more information visit www.ursu.ca/upass.

Student Handbook

The Students' Union publishes a handbook every fall, which is a reference guide for the Students' Union's services, University services, and a day planner all in one Student Handbooks may be obtained any time from the URSU Front Desk in the Riddell Centre, while quantities last.

Student Health and Dental Plan

The Students' Union offers its members affordable health and dental coverage. All students enrolled in 9 credits (6 credits for graduate students) or more on-campus/off-campus credit hours as of the last day to receive a full refund in the Fall term part of term 1 courses (Deadlines and Important Dates section in this Calendar) are assessed a fee that covers the cost of the URSU Health and Dental Plan. The Plan provides them with health and dental coverage for 12 months, from September 1 to August 31 of the next year. Students already covered through another plan may opt out of the URSU Health and Dental plan online no later than the last day to pay fees without penalty. Those members who are not automatically assessed the fee but wish to have coverage are able to enroll in the plan. URSU members can also enroll their spouse and/or dependents for an additional fee. For more information, consult the website at: studentcare.ca, or www.ursu.ca/services/health-dental-plan.

URSU Cares

URSU offers two main services to help students under the "URSU Cares" program; URSU Cares Community Fridges and the URSU Cares Pantry. There are two community fridges on campus. One is located on the second floor of Riddell Centre, beside the Students' Union front desk, and the other fridge is located on the main floor of the First Nations University of Canada. The fridges operate on a "take what you need, donate what you can" basis, and are accessible to campus members 24/7. The URSU Cares Pantry is a free service that URSU delivers every two weeks. Current students can receive fresh fruits, vegetables, pantry staples, personal hygiene items, and sometimes clothing! See the website for registration details and an updated schedule: www.ursu.ca/services/ursu-cares-pantry/

The Lazy Owl (Students' Union Pub and Restaurant)

The Lazy Owl offers a variety of food (including veggie options) and beverages to its patrons. The Lazy Owl offers exciting programming throughout the week and is a great place to relax during the day. Highlights include Wednesday trivia and Friday cabarets. All patrons are welcome until 8 p.m. After 8 p.m., patrons must be age 19 or older. <https://thelazyowlyqr.ca/>

The Students' Union Emergency Bursary Fund is to help students' who are in financial trouble. Students in a financial emergency may be eligible for funds for rent, food or other expenses. To apply for emergency funds please contact the Student Advocate.

Refugee Student Fund

Every time students pay their student union fees, they help to bring refugee students to the University of Regina. Working with World University Service of Canada (WUSC), the URSU provides funding for refugees to escape countries in turmoil and for the chance at a better life in Canada. To get involved with the refugee program, contact the Vice-President Operations and Finance or WUSC directly.

Student Clubs

All students can participate in the Students' Union's clubs and faculty societies. For more information on what clubs and societies are available, visit URSU Q-pay on www.ursu.ca.

Student Societies

The Students' Union funds faculty student societies through the President's Advisory Council. The Council is made up of campus Presidents of all major faculty student societies. Please see the website at: www.ursu.ca/clubs/find-a-club.

Good Food Box

The Good Food Box is packed with various fresh fruits and vegetables that can help you save up to 50% off your produce bill. Produce is received and packed by REACH Regina and shipped to depots across Regina the same day to ensure customers receive fresh items. URSU is proud to be a neighbourhood depot for the Good Food Box program. You can purchase a Good Food Box at the Students' Union Member Services Desk, or through the REACH website: www.reachinregina.ca/community-programs/good-food-box#order. Order deadlines and pickup dates can be found at the URSU Member Services Desk or on the REACH website. For more information please visit www.ursu.ca/services/good-food-box/

The Carillon

The students' newspaper covers news ranging from campus, student, and faculty events to provincial, national, and international items of interest, all contributed by the university community. All students are encouraged to join the newspaper by applying for vacant staff positions, contributing to the newspaper, or sitting on their Board of Directors as a student-at-large; no prior experience in journalism is necessary for any aspect of involvement. For information on deadlines, contribution ideas, policies, or any other topics pertaining to the newspaper, they can be contacted by email (editor@carillonregina.com), phone (306-586-8867), or on campus in their office located in room 227 of the Dr. William Riddell Centre.

Regina Public Interest Research Group

The Regina Public Interest Research Group (RPIRG) is a student-run, student-funded non-profit organization dedicated to community-based research, education, action, and awareness in the public interest. RPIRG exists to provide its members with the resources to be active citizens on the University of Regina campus and in the broader community. If you are studying at the University of Regina, including

any of its federated colleges, you are a member of RPIRG unless you opted out. As a member, you are eligible to apply for funding, be a board member, and attend workshops/events related to social and environmental justice issues. We also provide volunteering and employment opportunities to students throughout the year. RPIRG has been contributing to hundreds of student research projects, events, and initiatives throughout its existence, with over \$50,000 in much-needed funding each year. Learn more about our meaningful work on campus at www.rpirg.org.

Engineers Without Borders

Engineers Without Borders (EWB) is an international organization of engineers and engineering students dedicated to improving the lives of those in developing countries through their expertise in engineering. For additional information visit <http://uregina.ewb.ca>.

Varsity Club Athletics Board

The Varsity Club Athletics Levy was created in response to a loss of funding for the Varsity Club Teams at the University of Regina. These funds go towards supporting the teams and funding new teams. These funds are distributed based on recommendations by a board comprised of individuals from all the varsity club teams. For additional information please email the URSU VP Operations and Finance at vpof@ursu.ca.

Women's Centre

The Women's Centre works to establish equality for all students at the University. The Women's Centre provides peer counseling, referral services to various agencies, support for those lodging harassment complaints, and reference library for women's issues. It organizes events and programs around issues of equality. The Women's Centre is located in RC 226, 306-584-1255.

UR Pride Centre for Sexuality and Gender Diversity

The UR PRIDE Centre for Sexuality and Gender Diversity offers a range of services related to LGBTQI (lesbian, gay, bisexual, transgender, queer, or inter-sex) concerns. In addition to providing a safe space to meet, socialize, and explore relevant issues, UR PRIDE also assists members of the University community who need support, information, or research material related to LGBTQI issues or homophobia prevention. University of Regina policy guarantees a safe and welcoming environment for LGBTQI staff and students and the UR PRIDE Centre works closely with the University to make sure these values are upheld. All people, regardless of sexual orientation, are welcome, and students seeking opportunities to gain volunteer skills or leadership experience are always encouraged to get involved. Visit www.urpride.ca for additional information.

Lockers

Most lockers on campus are administered by the Students' Union. They can be rented for the fall, winter, and spring/summer terms for a nominal fee, plus an additional refundable deposit. Lockers are available near the Archer Library, the Laboratory Building, College West, Riddell Centre, the Centre for Kinesiology and Health Studies, and the Education Building.

URSU does not administer ALL the lockers on campus. Students looking for a gym locker should contact Recreation and Athletic

Services. There are also a limited number of lockers available in the La Cité (contact La Cité) and the Laboratory building.

For more information about URSU's Locker Rental Program, visit: <http://www.ursu.ca/lockers>.

Table Rentals

You know those tables you see as you're walking down the hall – the ones with people trying to give you information, or with the cool stuff for sale? Those are available to you too. Students who have an event or a club that they want to advertise, or sell tickets to, or if they have things that they want to sell, come and talk to the Front Desk at the Students' Union. Campus clubs and societies get those spaces to use for free (in fact we encourage it). Businesses can rent tables for reasonable daily rates.

Welcome Week

Before schoolwork gets too hectic, we're going to welcome you back in style! We've got so much for you to do in the first week of school in September that you're going to be longing for that second week of classes – just so you can get a break! Parties and activities are available for every group – new students and returning students; young students and mature students; drinkers and non-drinkers. Highlighted by the Concert on the Green and capped off by the biggest Friday night party of the year in the Owl, we've got something for you to do. Welcome Week is also a great opportunity to meet fellow students and get involved in a campus club or social justice group.

Campus Poster Boards

URSU has a number of Poster Boards around campus that are useful for advertising anything that might interest students. All posters hung on these boards require approval from URSU Member Services staff and must follow the URSU Poster and Tabling Policy. For more info contact Vice President Student Affairs, vpsa@ursu.ca

Graphic Design, Printing and Faxing

URSU offers, printing, graphic design, and faxing. The Fax Service is located at the Students' Union front desk (RC221). Students who wish to receive a fax at the URSU offices should make sure to have the sender clearly write the students' name on the fax. Fax: 306-586-8812.

Advertising

URSU TV is designed to provide information about upcoming events and ongoing services to students while also providing a feed of relevant information, including news and weather. It is also designed as an advertising medium for the university at large and for commercial businesses. For more information, please go to this link or email at marketing@ursu.ca.

24-hr Computer Lab

The Students' Union and the University of Regina's Computing services teamed up to provide students with a computer lab that is available 24 hours a day, seven days a week. The computer lab is located next to the URSU Member Services desk on the second floor of the Riddell Centre.

Faculty of Arts

Overview

Mission Statement

The Faculty of Arts serves the University of Regina, its students, faculty and staff, and the communities that surround and support us. Our goals are the creation, discovery, and communication of knowledge.

We affirm the value of creative and critical thought, innovative research, free discussion, courageous enquiry, and social change. We embrace the particular challenges facing the diverse communities, including the Indigenous communities, of our region. We foster an intellectual environment in which diversity is reflected and celebrated. We interpret our pasts and help to shape the futures of Saskatchewan and beyond.

Educational Policy

- The members of the Faculty of Arts believe in a University whose purpose is the preservation, transmission, interpretation, and enhancement of the cultural heritage of humans, and the acquisition and expansion of new knowledge and understanding.
- They seek to fulfill this purpose by interpreting the past, examining, and clarifying contemporary thinking, and anticipating the possibilities of the future. Their efforts should be sustained by a sensitivity to change, and an enthusiasm for investigation and creativity.
- The Faculty derives its strength from a unity of purpose combined with a diversity of outlook which requires it to examine every facet of life and uphold the higher human values implicit in the arts, the humanities, and the sciences.
- The Faculty will serve the needs of society but, in so doing, it will also be society's critic, encouraging independent thinking, free discussion, and the pursuit of truth.
- The Faculty is jealous of its freedom, which it will exercise without fear or favour, promoting in its members and students the spirit of courageous enquiry.
- The Faculty recognizes that the constitution and function of the University itself should be open to re-examination by the academic community as a whole.
- The Faculty maintains that to serve society best, the University must be self-determining in academic matters.

Structure

The Faculty of Arts consists of the following departments: Anthropology; Economics; English; Gender, Religion, and Critical Studies; Geography and Environmental Studies; History; International Languages; Justice Studies; Philosophy and Classics; Politics and International Studies; Psychology; and Sociology and Social Studies. As well, the Faculty of Arts offers the following programs: Health Studies, Indigenous Communication Arts*, Indigenous Languages*, Indigenous Studies*, Indigenous Literatures in English*, Police Studies; and Journalism.

Admission, Re-Admission, and Transfer

Please refer to Undergraduate Admission section.

In addition to the general admission requirements for the Faculty of Arts, some programs have additional admission requirements. Please refer to the [Table of Admission and Residency Requirements](#) of this section.

Qualifying Year

Students with high school graduation averages between 60.00-69.99% will be admitted to the Faculty of Arts and required to complete the Arts Qualifying Year in their first two terms, as follows:

Term 1	Term 2
ACAD 100 or RDWT 120 (3.0 credit hours)	ENGL 100 (3.0 credit hours) and Writing Lab
SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit) *	SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit) *
Faculty of Arts course (3.0 credit hours)	Faculty of Arts course (3.0 credit hours)
ARTS 099 (0.0 credit hours)	Faculty of Arts course (3.0 credit hours) (optional)
*Additional program fees are required above standard registration and course fees.	

To proceed to Term 2, students must successfully complete and pass each requirement in Term 1. Failure to do so will result in the student being required to discontinue from studies in the Faculty of Arts for a minimum of three terms.

To successfully complete the Arts Qualifying Year, students must:

- Receive a 50% (pass) in ACAD 100 or RDWT 120, ENGL 100, and all other courses completed in the program;
- Receive a "P" (pass) in ARTS 099; and
- Receive a "P" (pass) in SSW ACT in both terms.

Unsuccessful completion of the Arts Qualifying Year will result in the student being required to discontinue studies in the Faculty of Arts for

a minimum of three terms. Students who have completed the Arts Qualifying Year will not be accepted to the Academic Recovery Program (ARP) in the Faculty of Arts in future terms.

Arts Transition Program (ATP)

All students admitted, or re-admitted, to the Faculty of Arts with an undergraduate grade point average (UGPA) between 50.00-59.99% are required to successfully complete the Arts Transition Program in their first two terms.

The GPA will be calculated on either (i) all U of R courses attempted - when students have attempted 15.0 credit hours or more at the U of R (i.e. UGPA); or (ii) all recognized post-secondary courses attempted - when students have attempted less than 15.0 credit hours at the U of R (i.e., AGPA).

Term 1	Term 2
ACAD 100 or RDWT 120** (3.0 credit hours)	ENGL 100 (3.0 credit hours) and Writing Lab
SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit)*	SSW ACT – Student Success Workshops (non-credit 6.0 credit hours equated credit)*
Faculty of Arts course (3.0 credit hours)	Faculty of Arts course** (3.0 credit hours)
ARTS 099 (0.0 credit hours)	Faculty of Arts course (3.0 credit hours) (optional)
*Additional program fees required above standard registration and course fees. **Students admitted through the First Nations University of Canada must complete INDG 104 (3.0 credit hours) and RDWT 120 (3.0 credit hours). Students admitted to the University of Regina, Campion College or Luther College must complete ACAD 100.	

To proceed to Term 2, students must successfully complete and pass each requirement in Term 1 and, achieve a Term Grade Point Average (TGPA) of 60.00%. Failure to do so will result in the student being required to discontinue from studies in the Faculty of Arts for a minimum of three terms.

To successfully complete the Arts Transition Program, students must:

Receive a 50% (pass) in ACAD 100, ENGL 100, and all other credit courses completed in the program;

Achieve a minimum Term Grade Point Average (TGPA) of 60.00% in both terms while in the ATP program;

Receive a “P” (pass) in ARTS 099;

Receive a “P” (pass) in SSW ACT in both terms; and

Must have a minimum UGPA of 60.00%.

Students who successfully complete the requirements of ATP yet still have an UGPA below the minimum standard of 60.00%:

- Will be allowed to extend studies in the Faculty for an additional 15.0 credit hours,
- Will be limited to a maximum of 12.0 credit hours per term, and
- Must have a minimum UGPA of 60.00% by the end of the 15.0 credit hour extension or the student must withdraw (MW) from the university.

Program Policies

If a student has already passed ACAD 100, INDG 104, RDWT 120, and/or ENGL 100 another Faculty of Arts course may be substituted.

Students who have completed the ATP will not be accepted to the Academic Recovery Program (ARP) in the Faculty of Arts in future terms.

While in the Arts Transition Program, students on university-level academic probation will not have their attempted credit hours counted toward the 24-credit hour probationary period.

Students who receive a failing grade in a third completed attempt at ENGL 100 must withdraw (MW) from the university as outlined in the [Academic Regulations](#) section of the Undergraduate Calendar.

Students cannot appeal the requirements of the ATP.

Transferring into the Faculty of Arts Requirements

Students who have taken university courses must meet the requirements as outlined in the [Admissions](#) section.

Students who do not meet the criteria to transfer into the Faculty of Arts may appeal for admission, in writing.

Refer to the deadlines, guidelines, and appeals procedures outlined in the Admissions section.

Re-admission or Transfer after being Required to Discontinue (RTD) or Forced to Withdraw (MW)

Students who have been forced to withdraw from the University of Regina or required to discontinue from another faculty or another post-secondary institution must appeal for admission or re-admission in writing. Refer to the deadlines, guidelines, and appeals procedures outlined in the [Student Code of Conduct and Right to Appeal](#) section.

Residency and Transfer Credit

Transfer of credit from other universities and colleges, refer to the Admissions section for transfer credit regulations.

Students in the Faculty of Arts may complete courses at other post-secondary institutions only if they obtain permission in advance. They are strongly encouraged to consult with an [academic advisor](#) to ensure their eligibility and that such courses contribute to their Arts program, as well as to familiarize themselves with the timelines involved. The Faculty (or federated college) will normally grant permission to students who are in good academic and financial standing at the time of the request. Good academic standing means that the student has the minimum UGPA, PGPA and Major GPA required to graduate from their program; has completed the appropriate prerequisite for the credit to be granted at the University of Regina and that the credit to be awarded by the University of Regina has not previously been attempted more than twice (or in the case of ENGL 100, three times). Good financial standing means that there are no financial holds on a student’s account that would preclude registration at the University of Regina.

Credit may be granted only for courses that satisfy a student’s Faculty of Arts program requirements. Students must provide the Faculty (or

federated college) with a course syllabus, whenever possible, from the other institution, as well as ensure that the other institution sends an official transcript to the University of Regina. The official transcript must be received before the Faculty (or federated college) issues a subsequent letter of permission. Failure to do so or poor academic performance on courses completed elsewhere may result in the Faculty, or Federated College, denying a student subsequent permission to take courses elsewhere for credit.

Students studying at a Saskatchewan Post-Secondary Distance Education member institution may be exempted from some of the above requirements. The onus is on the student to make the request for an exception. ***Note:** Grades in courses awarded transfer credit are not used in the calculation of GPAs except for some students admitted to the BA in Police Studies program and/or students who are members of the RCMP and have had the residency requirement relaxed.

Prior Learning Assessment and Recognition (PLAR)

In consultation with appropriate members of departments/programs, the Faculty of Arts may evaluate and grant credit for qualifying informal learning up to a maximum of 15 credit hours. Credit may be granted on a case-by-case basis and according to the Recognition of Prior Learning (RPL) assessment process. Credit will only be awarded for demonstrated learning which includes knowledge, skills, and abilities. It will not be awarded for experience alone.

The University of Regina processes used for evaluating prior learning include:

- Credit may be granted as elective transfer credit, as credit specific to courses in the Faculty of Arts, or as a combination of both (i.e., Level credit in a particular discipline), up to the maximum of 15 credit hours that may be used toward any program offered by the Faculty of Arts.
- In the case of elective transfer credit, two faculty members, from relevant disciplines in the Faculty of Arts, will be asked by the Associate Dean (Undergraduate) or the federated college Dean or designate to evaluate a portfolio supplied by a student who is seeking such credit.
- In the case of course-specific credit, the Associate Dean (Undergraduate) or the federated college Dean or designate will ask the Head/Coordinator of the applicable Department/Programs to consult with one or more content specialists and to evaluate a portfolio supplied by a student seeking credit for that course. Credit will be awarded for demonstrated learning equivalent to the standards of the specific course(s) as required by the Departments/Programs in which the credit is sought.

An individual interested in seeking credit for prior learning assessment is strongly encouraged to contact the Centre for Continuing Education Student Services or an academic advisor in the Faculty of Arts or federated college. They will assist students with the process to facilitate a focused application. The approval of credit is at the discretion of the Associate Dean (Undergraduate) or the federated college dean or designate.

Residency Requirements

In each program, students must complete a certain minimum number of courses or credit hours from the University of Regina. Further to the general admission guidelines of the Faculty of Arts, some programs have additional admission requirements. These requirements are indicated in the table on the following page.

Table of Faculty of Arts Admission and Residency Requirements

Academic Program	Admission, Re-admission, and Transfer	Residency Requirements
Bachelor of Arts Bachelor of Health Studies	N/A	60 credit hours, including: <ul style="list-style-type: none"> • half of the credit hours required for the major (and for each component discipline of a combined major), • 9 credit hours in the minor (if any).
Bachelor of Arts Honours Majors in Geography and Environmental Studies; and Psychology	Minimum program GPA of 70.00% and minimum major GPA of 75.00% are required. These majors have different requirements for admission to their Honours programs. Students should consult the Geography and Environmental Studies or Psychology program sections.	60 credit hours, including: <ul style="list-style-type: none"> • half of the credit hours required for the major (and for each component discipline of a combined major), • all of the 400-level courses required for the major • the honours paper, • 9 credit hours in the minor (if any).
Bachelor of Human Justice	N/A	60 credit hours, including: <ul style="list-style-type: none"> • JS 290, 291, 490, 492, • five additional JS courses, • 9 credit hours in the minor (if any).
BA in Police Studies	N/A	60 credit hours, including: <ul style="list-style-type: none"> • half of the credit hours required for the major • Transfer of approved credit from other approved institutions is unrestricted for members of police services which have entered into formal partnership agreements with the Police Studies Program at the University of Regina. Students must still complete the specific course requirements. • Applicants requesting this relaxation must indicate such on their Application for Admission to the BA in Police Studies.
BA in Resource and Environmental Studies	Completion of the Saskatchewan Polytechnic Resource and Environmental Law Diploma with an average of 60.00% (Woodland Campus) or the Saskatchewan Polytechnic's Integrated Resource Management Diploma	Students will be granted 60 credits hours of block transfer credit. The remaining requirements, 60 credit hours, must be completed at the U of R.
Advanced Certificates	Completion of a 3-year BA.	<ul style="list-style-type: none"> • With a BA from the U of R, 15 credit hours, including half of the credit hours required for the major. • With a BA from another university, the full program must be completed at the U of R.
BA Honours Certificates	Completion of a three-year or four-year Bachelor of Arts degree. The requirements listed for the Bachelor of Arts Honours above also apply.	<ul style="list-style-type: none"> • With a degree from the U of R, 15 credit hours, including half of the credit hours required for the major and half of the 400-level courses required for their major, including the honours paper. • With a BA from another university, the full program must be completed at the U of R.
Liberal Arts Diploma	N/A	30 credit hours, including nine credit hours of the minor
Other Certificates	N/A	15 credit hours

RCMP Residency Requirement

The Faculty of Arts offers a relaxation of the BA and BHJ Residency requirement to members of the RCMP and their spouses. Transfer of approved credit from other approved institutions to the BA is unrestricted. For the Honours BA, three 400-level courses, including the honours paper, must be taken from the University of Regina. For the BHJ, students must still meet the specific course requirements, and they must complete JS 490 and JS 492 through the University of Regina (although the actual placement may be outside of Regina).

Normal admission, program, academic standing, and graduation regulations apply, with the exception that grades in courses taken at other post-secondary institutions are included in the calculation of program and major GPAs. Students pay tuition and other required fees at whatever institution they are attending. Applicants must indicate "RCMP" on their application for admission form and give their badge number.

Academic Advising and Registration

Academic Advising

Academic advising is designed to help students to understand their academic options and to build a degree program with academic integrity, tailored to their interests and goals. Students who enroll in the Faculty through Campion College, Luther College, or the First Nations University of Canada receive all academic advising from their college and should consult the federated college section of this Calendar or their college's academic or registrar's office for more information. Students who enrol in the Faculty directly are encouraged to arrange for academic advising upon receipt of their letter of admission or transfer by calling the Arts Student Services Office at 306-585-4137 or by email at: arts.studentservices@uregina.ca.

Advising is recommended prior to registration in the first term. The Faculty recommends that students consult an advisor at least once a year.

The Arts Student Services Office will provide a printed program audit on request. Students will submit the [Program Outline Request Form](#).

Students may also obtain other general information regarding programs, academic regulations, and registration from the Arts Student Services Office website at: www.uregina.ca/arts/student-services.

Students are required to follow the [Student Code of Conduct](#).

Registration

The Faculty's standard method of registration is online using [UR Self-Service](#). Students who enroll in the Faculty directly should contact the Arts Student Services Office (CL 411) if they have any questions about registration procedures. Students who enroll through Campion College, Luther College, or the First Nations University of Canada should contact their college.

Students are responsible for ensuring that program requirements and academic regulations are met. Online registration does not prevent students from registering in courses that do not apply to their degree

program or for which they have not met the prerequisite(s). Students must choose their courses to satisfy the prerequisites of the course (refer to course descriptions in [UR Self-Service](#)) and the requirements of their degree program(s) (refer to degree program requirements listed in the departmental sections). Students should confirm their registration in UR Self-Service.

Course Load

The normal maximum course load for the fall and winter terms may not exceed 15 credit hours and the spring/summer term may not exceed 12 credit hours. Students with incomplete deferrals should refer to the [Academic Regulation](#) section, Maximum Course Load Including Deferrals.

Students can request permission from the Arts Student Services Office (or, for students registered through a federated college, from their college's Academic or Registrar's Office) to carry up to 3 additional credit hours. To be eligible for consideration, they must have successfully completed 30 credit hours and have a UGPA of at least 70.00%.

Prerequisites

Students are responsible for ensuring that they have the required prerequisite(s) before taking a course. Students who fail a course that is a prerequisite for one in which they are already registered must make appropriate changes to their registration.

Registration Permit/Override Permission

Under certain circumstances students must obtain permission before they can register online for certain course sections. Students requiring such permission must complete a [Registration Permit/Override Permission form](#), obtain all the required signatures, and deliver the form to the Arts Student Services Office (or to the appropriate federated college if they are registered with a college). The form is available online or from the Arts Student Services Office.

Permission must be obtained in the following instances (and is not automatically granted, nor does it guarantee space in a course):

- A third attempt in a course (or fourth attempt for ENGL 100);
- The required prerequisite has not been completed;
- Permission of department head or a placement test is required to register;
- The faculty, college, program, or major restriction is not met;
- Scheduling conflicts.

Registration Requirements for Students Granted Mature Admission

Students granted mature admission are limited to registering in a maximum of 12 credit hours in their first term. They may register in more than 12 credit hours if they have the equivalent of 12 credit hours of transfer credit from another recognized post-secondary institution with a grade point average of 65.00% or better.

Evaluation of Academic Performance

Refer to the University's Academic Regulations under the heading Grading System and Descriptions (see [Academic Regulations](#) section).

Dean's Honours List

The Dean's Honours List is compiled each term. The list has two parts, one for full-time students and the other for part-time students.

To be included on the full-time list students must have completed a minimum of 12 credit hours of numerically graded University of Regina courses in the current term and have achieved a term grade point average (TGPA) of at least 85.00%.

Students will be included on the part-time list if they took at least 3 but less than 12 credit hours of numerically graded University of Regina courses in the current term and achieved a GPA of at least 85.00% across all of the most recent terms needed to complete a minimum of 12 credit hours of numerically-graded University of Regina courses since the term in which they were last on the Dean's Honours List (or, in the case of students who have never previously been on the Dean's Honours List, since they were admitted to the University of Regina).

Inclusion on the Dean's Honours List will also be noted on students' official transcripts.

Probation and Mandatory Withdrawal

The Arts Student Services Office (or the relevant college) audits students' academic performance after each term (for this purpose the spring and summer terms are treated as a single term). Letters are e-mailed in May, September, and January to students who are placed on academic probation or forced to withdraw (MW) their studies. When MWs are assessed, they are effective immediately. Students may appeal being forced to withdraw but must do so before the deadlines indicated in their letters. Appeals received by the deadline are heard within the term; late appeals will not be heard.

When the Arts Student Services Office (or the relevant college) evaluates academic performance, it may discount some failed courses from other faculties, if the course(s) are not required for the student's current program of study as anything other than open electives. Students who have voluntarily sat out a period of not less than two years may also have failures before this voluntary discontinuance discounted when their academic performance is evaluated.

Students who have been forced to withdraw from their studies must apply to be re-admitted to the Faculty. The decision of the Faculty on such applications is final and cannot be appealed. Students who are re-admitted may have conditions placed upon them.

Requirement to Discontinue from the Faculty of Arts

The following additional regulations apply only to students registered in the programs indicated:

Arts Transition Program and the Academic Recovery Program

Students who fail to complete the requirements of either the first or second term of the Arts Transition Program will be required to discontinue their studies in the Faculty of Arts for a minimum of three

terms. If a student has previously been unsuccessful in the Academic Recovery Program, then the student will be forced to withdraw from the University of Regina indefinitely. Upon completion of the relevant period of discontinuance, students may petition for re-admission to the Faculty.

BA in Police Studies

Students who are dismissed from their police service position before completing the internship will be required to discontinue indefinitely from the BA in Police Studies.

BA in Journalism, News Media, and Communications

Students may be required to discontinue indefinitely from these programs if they cannot maintain a minimum TGPA of 65.00% or if they fail a required course.

Students may also be required to discontinue indefinitely from these programs if they fail their internship or if they do not maintain satisfactory academic performance or professional development.

Time Limit and Graduation Requirements

Applying and Approval to Graduate

Students who wish to have their degree conferred as soon as possible after completing their requirements should apply upon registration in their final term of courses. Students who will be finishing in December need to apply by November 30 to have their degree conferred in January. Students who will be finishing in April need to apply by January 31 to have their degree conferred in May. Students who will be finishing during Spring/Summer session need to apply by July 31 to have their degree conferred in October. Students who plan to attend the Convocation ceremony should note the relevant deadlines in the [Graduation](#) section.

Certificates

Students who completed the requirements for a Certificate while working toward completion of a degree program may not apply to have the Certificate awarded if more than one year has elapsed since the degree was awarded.

Graduation Requirements

Please refer to [Calculation of Grade Point Averages \(GPAs\)](#) in the Academic Regulations section for definitions and calculation of GPA.

Undergraduate GPA: The UGPA is based on all University of Regina courses taken, but when a course has been repeated, only the grade in the most recent approved attempt is used.

Program GPA: For all degrees, diplomas, and most certificates, the Program GPA is calculated on all courses used in the program. For the Advanced Certificates and Honours Certificate, the PGPA is calculated on the aggregate of degree, diploma, and certificate courses.

Major and Minor GPA: Calculated on the courses used to meet the major and minor requirements.

BA Honours GPA: For Honours degrees and certificates, the BA Honours GPA is calculated on the courses used to meet the BA Honours Major Requirements. Second (non-Honours) major and minor GPAs are calculated on the courses used to meet the major or minor requirements.

Requirements for Special Mentions

Students who believe they qualify for a *Bilingual mention*, *Co-operative Education*, or *International* designation must indicate this on their application for graduation. Awards of “Distinction,” “Great Distinction,” and “High Honours” are made automatically by the Faculty.

Bilingual mention/mention bilingue

A minimum of 40% and maximum of 60% of courses counted towards the degree program taken in French, including at least three (3) courses from departments other than French (but must be from the Faculties of Arts, Media, Art, and Performance, or Science).

Co-operative Education Designation

Completion of at least three (3) Co-op work terms.

International Designation

Completion of at least one (1) of the following international experiences:

- A one (1) term (or more) out-of-country co-op work term, internship, or practicum.
- A 3-credit hour (or more) University of Regina course (or a course taken on a letter of permission at another Canadian post-secondary institution) that includes at least two weeks out of the country. If the course includes less than two weeks out-of-country experience, the approval of the Dean or designate will be needed for the student to receive international designation.
- Participation in an international exchange program, completing 3 or more credit hours.
- A minimum of 3 credit hours of courses taken by prior permission of the University of Regina at an out-of-country post-secondary institution.

Other international experiences will be considered on a case-by-case basis.

Distinction

For degrees (except Honours), a minimum graduating program GPA of 80.00%.

Great Distinction

For degrees (except Honours), a minimum graduating program GPA of 85.00%.

High Honours

For the BA Honours, a minimum graduating program GPA of 85.00%.

Other Faculty Regulations

Awarding of Concurrent and Additional Degrees and Programs

Students may receive from the Faculty of Arts only one certificate, diploma, degree, major and/or minor, in a principal area of study at one time. That is, the academic emphasis of each program must be distinct from any other programs a student pursues at the same time. No more than half of the courses taken by the student to satisfy the requirements of one certificate, diploma, or degree, major and/or minor can be used toward the requirements for another for both to be awarded concurrently.

Deferral of Final Examination and/or Course Work

Students who are unable to complete a course for serious medical or personal reasons may be eligible to defer some of the course work. Students in this situation should consult the Arts Student Services Office, or the Academic or Registrar's Office of the relevant federated college, as quickly as possible.

Extensions on deadlines for completion of assignments or writing of final examinations may be granted to students on the basis of illness, accident, or other extreme and legitimate circumstances beyond their control. If students become very ill or encounter other serious difficulties early in the term or when no course work has yet been completed, withdrawal may be a better option.

Courses

Outdated Courses

Students who are admitted or re-admitted to the Faculty, having completed courses in their proposed major more than 10 years ago, may be required by the Faculty to update their knowledge by repeating or taking additional courses in their major. These decisions are made by the Faculty's Undergraduate Student Appeals Committee on the recommendation of the head of the department offering the major. The earlier attempt at any passed courses that must be repeated under this regulation can be counted for elective credit.

Failed Courses

If students fail a course that is a prerequisite to one in which they have enrolled in the ensuing term, it is their responsibility to drop the latter course. Whether or not they drop, they will be refused credit for the latter course, even if it is successfully completed.

Introductory Courses

For Faculty of Arts programs, a maximum of 48 credit hours may be in 100-level courses.

Elective Courses

The following courses are not considered to be university-level and so may not be taken for credit towards an Arts degree or certificate program: CHEM 100; AMTH/PMTH 091 and 092.

Students will receive elective credit for ACAD 100 towards any Arts program if it is completed prior to the successful completion of ENGL 100, if completed as part of the Arts Transition Program or Academic Recovery program, or with permission of the Associate Dean (Undergraduate), or designate, if taken afterward.

A maximum of six credit hours of activity-based KHS courses may be included in a Faculty of Arts certificate, diploma, or degree program. These courses include KHS 131, 132, 135, 231, 232, 233.

Repeating Courses

Normally students may only repeat a course once (the exception is English 100, which may be repeated twice).

Students wishing to repeat a course more than once (or more than twice in the case of English 100) must submit a [Request to Repeat a Course](#) to the Faculty of Arts Student Services Office (or, for students

registered through a federated college, to their college's Academic or Registrar's Office). Such requests are approved only in exceptional circumstances, as indicated in a guide that is available from the Arts Student Services Office, from federated college Registrars, or on the web.

Students must also obtain Registration Permit/Override Permission from the Arts Student Services Office or their college to register online in a third (or fourth for ENGL 100) attempt at a course.

For students with repeated courses, GPAs will be calculated using the most recent grade attained in that course.

Faculty Appeal Procedures

Appeals of academic regulations or program requirements, and applications for admission or re-admission (following a discontinuance or failure to meet transfer requirements) are to be made in writing, and addressed to the Chair, Faculty of Arts Undergraduate Student Appeals Committee, Arts Student Services Office (CL 411), University of Regina, Regina, SK S4S 0A2. Appeal guidelines are available from the Arts Student Services Office and College Registrars' Offices or on the web.

The authority to approve substitutions or waive requirements in a major or minor rest with the Department offering that specialization, provided that the Faculty's basic requirements (minimum credit hours, minimum number of 300- and 400-level courses, etc.) are met. Appeals of Department decisions may be heard by the Council Committee on Student Appeals. The decision of the Faculty with respect to admission and conditions for continuation is final.

The Committee does not hear appeals of grades or placement on probation; consult the [Academic Regulations](#) section.

Bachelor of Arts (BA) Overview

The BA is a four-year, 120-credit-hour degree consisting of a set of core requirements (designed to achieve breadth), one or two majors (to achieve depth), and electives (free choices). Minors are optional. Students are allowed to count a maximum of 48 credit hours of 100-level courses towards their program.

Core Requirement Summary (30 credit hours)

As part of their degree programs, all students in the Faculty of Arts are required to complete one course from each of the following categories (two courses from the Language category):

Credit hours	Category	Core Requirement Courses
0.0	Academic Integrity	ARTS 099
3.0	Communication and Literary	ENGL 100
3.0	Indigenous Knowledge	INDG 100
3.0	Logical and Numerical Reasoning	One of: PHIL 150, ECON 224, any 100- or 200-level MATH course, SOST 201, or any 100- or 200-level STAT course
3.0	Humanities	Any 100- or 200-level Humanities course from the following: ARTS, CATH, CLAS, EAS, ENGL, HIST, HUM, INDL, IDS, LING, PAST, PHIL, RLST, WGST
3.0	Social Sciences	Any 100- or 200-level Social Sciences course from the following: ANTH, ECON, GES (except GES 121, 203, 207, and 297AA-ZZ), HS, ILP, IS, JRN, JS, NSLI, PPE, PSCI, PSYC, SOC, SOST
3.0	Indigenous Knowledge	Any 100- or 200-level Indigenous Knowledge course from the following: INCA, INHS, INDG (except INDG 100 and 104)
3.0	Media, Arts, and Performance	Any 100- or 200-level Media, Arts, and Performance course from the following: ART, ARTH, CTCH, FILM, INA, INAH, MAP, MU, MUCO, MUEN, MUHI, MUTH, THAC, THDS, THEA, THST, THTR
3.0	Science	Any 100- or 200-level Science course from the following: ASTR, BIOC, BIOL, CHEM (except CHEM 100), CS, GEOL, GES 121, 203, 207, or 297AA-ZZ, PHYS
6.0	Additional Language	Any two courses from the <i>same</i> Additional Language from the following: ARBC, CHIN, CREE, DAK, DENE, FRN, GER, JAPN, LANG, NAK, NISH, SPAN, CLAS 150 and 151, CLAS 160 and 161, RLST 184 and 284, RLST 188 and 288 *see note below.

***Note:** BA and BA Honours degrees in International Studies require four language courses in the same language.

Students who, as part of their admission to the Faculty of Arts, had to complete an English Language Proficiency test or who completed ESL 050 at the University of Regina or those who already write another language are exempt from this requirement. Previous knowledge in a language other than English requires a pre-registration assessment. Contact the Arts Student Services Office or the Department of International Languages for further information.

Major (36-72 credit hours)

The Faculty of Arts offers majors as listed in the Academic Programs in Arts table.

Majors require between 36 and 72 credit hours (12- 24 courses), with at least nine credit hours at the 300- or 400-level. Departments may also specify up to 15 credit hours in courses in related ("cognate") subjects. Combined majors have a minimum of 60 credit hours (20 courses).

Students can choose to do two majors. The second major can be in another subject offered by the Faculty of Arts, or in a subject offered by either the Faculty of Media, Art, and Performance or the Faculty of Science, or La Cité.

Individual Major

If concentration in one subject area does not completely fulfill the pursuit of a specific goal, students have the option of pursuing an individualized interdisciplinary major. Students have the flexibility to create major involving courses from several different subject areas which share a common theme. Individual majors have been pursued in topics such as Canadian studies, cognitive science, development studies, and social sciences.

Students who want to pursue the interdisciplinary study of a different theme should consult the Arts Student Services Office (or, for students registered in a Federated College, their College's Academic or Registrar's Office) for information about individual majors.

Minor (optional) (18 - 24 credit hours)

Available minors are listed in Academic Programs in Arts table. Students may declare up to two minors.

Arts students are permitted to complete a minor in Media, Art, and Performance, Kinesiology, Science or La Cité (refer to the respective faculty's section for minor requirements).

Electives

Degree-credit courses offered by this University can be counted towards a student's program as an elective. Refer to Elective Courses for regulations governing elective courses. Students are encouraged to consult an advisor in the department offering their major for help in constructing a well-rounded program.

A maximum of 60 credit hours of courses outside the Faculties of Arts, Media, Art, and Performance; Science, or La Cité may be counted towards a BA program.

Bachelor of Arts Honours Overview (BA Hons)

A BA Honours program is one that allows more specialization than is possible in the BA. It is designed for students who wish a deeper insight and more intensive training in their subject of special interest and who can meet the higher standards set. Students interested in entering an honours program should consult the head of the department concerned as early as possible in their academic programs, so that the program of studies may be planned in conformity with the requirements of the proposed honours program.

Requirements

The BA Honours program consists of a minimum of 120 credit hours and must include the following:

- All of the BA core requirements.
- A requirement of 51 to 66 credit hours in the major as determined by each department, including a minimum of 12 credit hours at the 400 level in not fewer than 3 courses. Students should consult with the department concerned for specific requirements.
- An honours paper, a program of honours courses, and/or a comprehensive oral or written examination. Students should consult with the department concerned for specific requirements.
- A maximum of 48 credit hours of introductory courses are allowed towards the program.

Application Procedures for Honours Programs

Requirements for admission to Honours programs are outlined in the [Table of Admission and Residency Requirements](#). There is a formal application procedure for the Honours programs; application forms are available from the Arts Student Services Office and federated college Registrar's Offices or on the web at:

www.uregina.ca/arts/assets/docs/forms/application-for-honours-fillable.pdf

Students can apply in the term in which they will complete the minimum requirements for their major as identified in the Table of Admission and Residency Requirements.

Advanced Certificate in Arts

The Advanced Certificate in Arts provides the equivalent of a four-year BA degree to holders of a three-year BA from the University of Regina or another approved university. The Advanced Certificate in Arts may be in a major different than that of the underlying BA program.

Students must complete at least 30 credit hours in addition to the courses in the three-year BA, including any remaining requirements of their chosen major. Students whose BA is from another university must complete at least 15 credit hours in the major subject as part of the certificate.

Each student's program must be approved by the head of the department offering the major. The certificate requires the same graduating GPAs (calculated on the aggregate of degree, diploma, and certificate courses) as the BA degree.

Bachelor of Arts Honours Certificate

The BA Honours Certificate provides the equivalent of a four-year Honours degree to holders of a three-year BA or a four-year bachelor's degree from the University of Regina or another approved university. The Honours Certificate may be in a major different than that of the underlying degree program.

Students must complete at least 30 credit hours in addition to the courses in the bachelor's degree, including any remaining requirements of the BA Honours in (and any remaining core requirements if their previous degree is not a BA from the University of Regina), and must meet the residency requirements. The BA Honours Certificate is governed by the same regulations, has the same admission criteria and procedure, and requires the same graduating GPAs (calculated on the aggregate of degree, diploma, and certificate courses) as the BA Honours degree.

Arts Work Experience Internship (AWEI)

The Faculty offers a Work Experience Internship Program for Arts Students. The program serves to enhance the educational experience of students by adding a work experience that integrates conceptual and applied learning in the workplace. Interns work at host organizations on a designated project. Host organizations in turn, receive help in completing projects and research, and can assess the quality of students as potential future employees.

Under this program, students work 8-12 hours a week doing practical research-oriented work in various provincial organizations and receive 3 credit hours for a course, as well as valuable work experience. If appropriate, the course can be used to fulfill a major requirement. Consult [UR Self-Service](#) for course description. More information and internship postings can be found at:

www.uregina.ca/arts/work-experience/internship.html.

Co-operative Education Program in Arts

Co-operative education is a degree option that allows students to combine their academic studies with career-related work placements, enabling them to integrate academic theory with practice in the field. The Faculty of Arts offers programs in co-operative education in all degrees, except for those with an internship or practicum component (Bachelor of Health Studies, Bachelor of Human Justice, BA in Police Studies, and BA in Journalism, News Media, and Communication).

Students spend alternate four-month periods taking university courses and working in fully-salaried jobs, often related to their discipline, with participating employers. Students in this program would complete a minimum of 3 four-month work terms in addition to their course work, so that it may take an additional 8-12 months to complete the degree requirements.

The benefits of co-operative education include improved motivation and academic performance, practical work experience that will help in career selection, financial gain while in school, and improved salaries and employment placement upon graduation.

Criteria for Entrance into the Co-op Program in Arts

1. Declaration of a major in Arts or a BSc or BSc Honours offered by the departments of Economics, Geography and Environmental Studies, or Psychology. Students completing the Bachelor of Health Studies, the Bachelor of Human Justice, the BA in Police Studies, and the BA in Journalism, News Media, and Communication are required to complete an internship and are not eligible to participate in the Arts Co-operative Education program.
2. Completion of a minimum of 45 and a maximum of 84 credit hours in acceptable degree programs as noted above in point 1. Students may apply in the term in which they will complete 45 credit hours.
3. A program grade point average (PGPA) of at least 67.50% and a major GPA of at least 70.00%.
4. Completion of ENGL 100
5. Completion of at least two courses in their major.

Students will be expected to demonstrate minimal standards of computer literacy, specifically knowledge of word processing, spreadsheets, and presentation software.

Students who are completing two programs or degrees at the same time will be allowed to participate in the Co-operative Education Program in Arts, unless one of their programs requires a practicum, work placement, internship, or professional training.

Registration in the Co-op Program

Students participate in the Co-operative Education Program under the direction of the Academic Co-op Coordinator. Policies, procedures, and deadlines for Co-operative Education programs must be adhered to. Details are contained in the General Information for Students section of the Undergraduate Calendar or see the Co-op Student Handbook at:

<https://www.uregina.ca/careercentre/coop/current-students/handbook.html>.

Students register in and complete ARTS 001-004.

Continuation in and Completion of the Co-op Program

Successful completion of three work terms (which may be in different departments) is required for the Co-op designation, with a fourth work term being optional. A student's final term must be academic study. Upon graduation there will be an appropriate designation on the diploma and transcript of each student who meets the requirements of the Faculty of Arts for the Co-operative Education program.

To continue in the Co-op program, students must maintain a PGPA 67.50% and major GPA of 70.00%. Students who have one "F" grade for work terms will normally be required to withdraw from the Co-operative Education Program in the Faculty of Arts. Students must comply with the rules specified in the Co-op Student Handbook.

Failure to follow the rules results in an automatic failure for the work term. The Associate Dean (Undergraduate) of Arts, or designate, will resolve problems. Appeals may be made to the Faculty of Arts Students Appeal Committee.

Please contact the Co-operative Education Office, the Arts Students Services Office, or consult our web page at:

www.uregina.ca/arts/work-experience/coop.html for further information.

First Nations University of Canada Co-op Program

The First Nations University of Canada Co-op program parallels the policies and procedures of the University of Regina Arts Co-op program with the exceptions that (1) students will enroll in the First Nations University's Arts Co-op work terms, regardless of their degree program, and (2) the evaluation process is designed to meet the First Nations University of Canada's vision for students to understand the non-First Nations system by retaining First Nations values.

Department of Economics

Website: www.uregina.ca/arts/economics/

General Information

The Department of Economics offers four-year Bachelor of Arts degrees in: Economics, Economics and Business Administration, Economics and History, Economics and Society, and Philosophy, Politics and Economics. It is also possible to do a minor in Economics, an Economics Certificate, or a Bachelor of Science degree with a major in Economics or a combined major in Statistics and Economics.

The majors in Economics (both BA and BSc) are good choices for students who plan to work as professional economists, whether in the private or public sectors, or non-profit organizations. These majors place greater emphasis on theory and quantitative analysis. The major in Economics and Society, and the combined majors, are designed for students who want liberal arts and interdisciplinary approaches to economics, who are preparing for professional schools (e.g., law), or who plan to complete graduate programs in business, public administration, or international relations. Compared to the majors in Economics, these majors place more emphasis on policy and applications. Students taking the Economics and Society major are strongly urged to combine it with a minor or major in another social science or with the Diploma of Business Administration.

The BA Honours in Economics (both BA and BSc) are the best choices for those planning on a career as a professional economist or hoping to pursue graduate studies in economics. The BA Honours ins require more economics courses than any of the other economics majors, including more courses that emphasize theory, mathematics, and quantitative methods. They are more intensive and theoretically oriented than the other majors but do open more career opportunities.

For all degree programs in Economics, ECON 100 is highly recommended, but not mandatory. Students who have received credit for either ECON 201 or 202, or any ECON course numbered 300 or higher may not take ECON 100 for credit. Students who have already received credit for both ECON 201 and ECON 301 may not retake ECON 201 for credit. Likewise, students who have already received credit for both ECON 202 and ECON 302 may not retake ECON 202 for credit.

BUS/ADMN 340, Government Finance, may be counted as 200-level credit in economics (but see note to ECON 232 in Course Descriptions).

Religious Studies Programs

General Information

The academic study of religion applies the techniques of the humanities and social sciences to the vast spectrum of human practices that claim to be grounded in a transcendent, superhuman, or otherwise extraordinary level of reality. The student may aim to understand specific religious traditions or specific religious phenomena better and more rigorously in their historical, social, linguistic, and cultural contexts. Others may wish to explore questions of more global and comparative significance, with a view to making sense of religion (or aspects thereof) as shared, cross-cultural, broadly human behaviors. Courses are not designed to foster personal religious commitments or to evaluate to that end the relative merits of various religious practices, traditions, and points of view.

Religious practices and beliefs figure prominently in a wide array of human activities, from music, film, and the visual arts to literature; from politics, economics, and collective meaning-making to personal coping mechanisms. The study of religion therefore can serve as an entry point or a supplement to any number of fields of academic study, as well as professions associated with public policy, health, social work, education, or business and administration.

Women's and Gender Studies Programs

Website: www.uregina.ca/arts/womens-gender-studies/

General Information

Women's and Gender Studies programs are interdisciplinary programs that engage both social science and humanities' perspectives, and provide critical reading, writing, and thinking skills in order to contribute to the development of Canadian society and the world at large. Drawing upon and contributing to methods, theories and data related to history, English, sociology, religious studies, philosophy of science, film theory, philosophy, justice studies and so forth, Women's and Gender Studies broadens knowledge and understanding of human social and cultural systems. In Women's and Gender Studies there is a critical engagement with gender, race, class, ethnicity and their interconnection with knowledge formation and power differentials. Those of us teaching in Women's and Gender Studies are part of a larger community of feminist scholars, writers, artists, and activists within and outside of the university. In Women's and Gender Studies there is a commitment to provide transformative feminist frameworks for viewing and changing the conditions of women's lives and gender relations.

Women's and Gender Studies courses are open to all students in every faculty. Instructors in Women's and Gender Studies are specialists in a number of traditional disciplines whose research concentrates on gender, sex, sexuality, race, women, and men. Thus, the Women's and Gender Studies department provides a rich source of experience and expertise.

Students may establish an area of focus in the Women's and Gender Studies major and BA Honours in programs. "Themes and Theorizing" indicates a focus in feminist theories, and categories of analysis, while "Health and Environment" indicates a focus in women's issues related to health and the environment. Any student interested in Women's and Gender Studies is encouraged to contact the department chair.

Health Studies Program

Website: www.uregina.ca/kinesiology/health-studies.html

General Information

The Bachelor of Health Studies and the Certificate of Health Studies are joint initiatives between Faculty of Arts and the Faculty of Kinesiology and Health Studies in partnership with First Nations University of Canada. The Bachelor of Health Studies degree aims to provide students with an integrated understanding of the ways in which a) social, economic, and cultural "determinants of health" shape b) individual beliefs, attitudes, and practices, which in turn c) affect physiological and biological functioning of individuals. The degree promotes an interdisciplinary understanding of health, drawing on both the social sciences and the natural sciences, and aims at promoting knowledge development and action conducive to health. This program meets the needs of Saskatchewan and Canada as health issues continue to dominate public policy choices. A key feature of this program is its emphasis on understanding Indigenous health needs.

Admission to Health Studies

Students apply to be admitted to the Bachelor of Health Studies or Certificate in Health Studies through the Faculty of Kinesiology and Health Studies or the Faculty of Arts (including Campion College or Luther College) at the University of Regina, or the First Nations University of Canada.

Several articulation agreements have been approved with Saskatchewan Polytechnic (Combined Lab-X-ray Technologist; Health Information Management; Advanced Care Paramedic, Cytotechnology), in addition to Dental Hygiene.

For further information about application to admission to the Bachelor of Health Studies Program, please visit www.uregina.ca/kinesiology/health-studies.html.

Fieldwork

The Health Studies Program believes that a well-conceived professional Fieldwork Program is essential for the facilitation of learning and personal growth of undergraduate students. Experiential learning is one of the critical steps a student takes in preparing for a career. Hence, the 'placement' of a student in a supervised educational experience is an integral part of a student's education in which a student may observe, inquire, participate, contribute, and learn.

KHS 300 (Pre-Fieldwork Seminar) is designed to provide an in-depth overview of the Fieldwork Program. If the student wishes to complete their Fieldwork requirement outside the province of Saskatchewan, it is highly recommended that the student complete KHS 300 two terms prior to registering for HS 448 (Fieldwork - BHS) to allow for enough preparatory time.

HS 448 is designed to assist the student with the transition from the academic present to the professional future. It is an opportunity to engage in the practical application of theories in a real-world environment. Fieldwork is considered to be a senior part of the academic program and must be completed within 12 months of completion of KHS 300 (Pre-Fieldwork Seminar).

Bachelor of Health Studies Fieldwork Substitution Students who show that they have substantial and relevant work experience can apply to the coordinator to waive HS 448 (Fieldwork).

Instead, they will take HS 449 (Health Field Experience Paper) and will substitute the remaining 12 credit hours with courses approved by the coordinator(s).

Deadlines for Registration in HS 448 (Fieldwork)

- spring/summer and fall term March 25
- winter term November 25

For more information on the Fieldwork Program please refer to the Fieldwork section of www.uregina.ca/kinesiology.

Scheduling of Fieldwork

HS 448 must be taken within twelve months (three terms) of completion of KHS 300 (Pre-Fieldwork Seminar). The Fieldwork Coordinator reserves the right to require a student to re-take KHS 300 (Pre-Fieldwork Seminar) if the organized Fieldwork Practicum falls outside of the three-term time restriction.

Indigenous Communication Arts Program
First Nations University of Canada

General Information

Indigenous Communication Arts (INCA) provides academic training and professional experience that supports the entry of Indigenous people into all areas of the communications industry, including Indigenous and mainstream media and public relations.

INCA prepares students by requiring that they complete courses including Indigenous history and politics, oral traditions, community-based research, business management, traditional and contemporary communication systems, languages, and art. INCA students master basic skills needed for reporting for print and broadcast media and the web and can also study strategic communication planning for public relations.

Admission to Indigenous Communication Arts

To qualify for admission to INCA, students must be eligible for admission to the First Nations University of Canada/University of Regina. Proficiency in English must be well above average, and it is strongly recommended that applicants have basic computer skills.

Upon being accepted by First Nations University of Canada/University of Regina, students must contact the Faculty of Arts or First Nations University of Canada for academic and professional advising.

Indigenous Languages Program

General Information

No culture can survive without the retention of its language. One goal of the First Nations University of Canada Languages and Linguistics program is thus to strengthen First Nations identity by ensuring the survival of the languages of Saskatchewan's First Nations. The department aims to instill in its students a sense of pride in the knowledge and use of the Indigenous languages.

The Indigenous Languages Program offers courses in Cree, Anihšināpēmowin, Nakota, Dakota, and Dene languages, and in general linguistics. For the First Nations languages of Saskatchewan, introductory courses teach conversational fluency and an awareness of how each language works. More advanced courses explore the structures, writing systems, and literatures of Saskatchewan's Indigenous languages, as well as principles of translation, expository and creative writing, oral tradition, and directed studies. Introductory courses include language lab activities as well. While most of the language and linguistics courses are offered in Regina, the Saskatoon and Northern campuses of First Nations University of Canada also offer full-credit Cree courses each term. Dene (Chipewyan) is offered through extension courses in the north.

[More Indigenous languages certificate programs](#) are listed in the Centre for Continuing Education section of the calendar.

Intercultural Leadership Program

General Information

The Intercultural Leadership Program is intended to prepare undergraduate students for employment and leadership positions with the Saskatchewan crown corporations and other organizations. Students complete a 30-credit hour certificate that will prepare them for leadership in an intercultural context to serve in both the public and private sectors of Saskatchewan and beyond. Students will discover both the similarities and differences of their own cultural backgrounds and those of other students and will explore leadership from different worldviews through developing knowledge of the ideas, values, and backgrounds of other students. Emphasis will also be placed on the value of community resources, including the role of Elders, and the importance of leadership in a community context. This cross-cultural understanding is pertinent to envisioning the broad picture necessary for developing leadership for change.

Department of International Languages

Website: www.uregina.ca/arts/international-languages/

The Department of International Languages offers programs in Chinese, German, Japanese, and Spanish.

How to Choose a Language Course

Students with prior experience in a language (study, family background, or any other experience) must consult the Department of International Languages to determine appropriate course placement before registering in courses in that language.

Students with grade 12 standing in a language will not normally receive credit for the first introductory course in that language (numbered 111), however, students whose grade 12 (level III) second-language standing dates from five or more years previous to their registration in a University of Regina language course, and who, in the interim, have not taken any courses in that language, may choose to meet the second language requirement of the BA, and receive credit, by taking the introductory sequence of 111 and 112.

The Department has, or is developing, options for students to study and obtain program credit abroad. Please contact the Department for more information.

School of Journalism

Website: www.uregina.ca/arts/journalism/

General Information

The BA in Journalism, News Media, and Communication is a four-year, 120-credit hour degree.

The School provides broadly-based courses in print-online, radio, and television journalism. Digital radio and television studios, cameras, editing, and mixing equipment are available to students. The School offers desktop publishing and Internet facilities for the dissemination of student-produced stories. Students will critically analyze journalistic practice as well as produce stories for multiple platforms.

Bachelor of Arts in Journalism, News Media, and Communication

Journalism, News Media, and Communication students will serve one term as an intern (JRN 400), either in a news medium (e.g. online, print, radio, or television) or communications role. Students must meet a required standard in this internship to obtain the degree. Prerequisites for the internship include JRN 100, 200, 201, 202 (or INCA 391AA), 320 or 321, and 330. Communications interns must also complete two of PR 100, PR 101, or PR 200. Moreover, JRN 320 and JRN 321 are preparatory for internships. Ideally, the internship will therefore take place in the term immediately following these latter two courses. Note: Placements are determined by the School of Journalism and special permission is required to take a course in the same term as the internship.

Journalism, News Media, and Communication students are advised to complete ENGL 110 and PHIL 150 among their core requirements. Complementing the core requirements of a Bachelor of Arts in Journalism, the Certificate in Public relations and the Certificate in Reconciliation Studies offer further opportunities to meet evolving societal needs and labour market demands.

Department of Justice Studies

Website: www.uregina.ca/arts/justice-studies/

Mission Statement of the Department of Justice Studies

The Department of Justice Studies provides students with an integrated, interdisciplinary education. This prepares graduates for academic and professional careers in criminal, legal, restorative, and social justice. Graduates will develop knowledge, skills and abilities in critical thinking and problems solving, professional writing and communications, research methods, policy analysis, and ethics as they apply to justice theories, phenomena and practices.

Sequencing of the Bachelor of Human Justice

Students are expected to gain a broad foundation in liberal arts and science (especially the social sciences) on which to build their Human Justice program, and so will concentrate on the Faculty's core requirements in the early stages of their program.

BHJ students shall sequence JS 090 (Justice Studies Orientation), JS 100 (Introduction to Justice), 290, (Introductory Field Placement), and 291 (Professional Communication and Writing) among the first five Justice Studies courses taken. Students should take JS 280 and 319 as soon as possible after JS 100 and 290 and 291. JS 230 and 280 must be taken before the Advanced Practicum courses: JS 490 and 492.

JS 490 (Advanced Field Placement) and 492 (Major Justice Project) are the capstone of the BHJ program and should be taken near the end of the student's program.

Gaining Professional Experience

Professional education involves the acquisition of knowledge, skills and attitudes through academic study and supervised practice. To ensure that graduates have developed a sound appreciation of professional practice, the program requires two terms of field practice experience, JS 290, Introductory Practicum: Field Placement and Seminar, and JS 490, Practicum II (Advanced) Field Placement and Seminar.

Introductory Practicum: Field Placement (JS 290) and Professional Communication and Writing (JS 291)

A 65.00% program average is required to enroll in JS 290 and 291.

JS 290 consists of a work placement (typically three days per week) in an approved organization. The course is graded pass/fail and earns six academic credits. The goal of the course is the integration of academic work and practice. JS 291 explores professional communication skills and writing. Students may register in six credit hours in addition to JS 290. Both courses must be among the first five Human Justice courses taken. JS 290 is offered in the winter and fall terms. JS 291 is offered in fall terms.

Advanced Practicum: Fieldwork (JS 490) and Major Project (JS 492)

A 65.00% average in the major is required to enroll in JS 490 and 492.

The advanced practicum occurs at the end of a student's program. It is an opportunity to apply the theoretical and practical knowledge that has been acquired throughout the program. The advanced practicum experience involves one term of full-time work (4-days per week) in an approved setting. Advanced practicum students can expect to be given independent responsibility during their placement. In addition to working 4- days per week, students participate in practicum seminars to further the link between theoretical learning and practical application. For those students who have considerable

Professional experience in a justice context, other advanced practicum options are available.

JS 490 is offered in the fall and winter terms and JS 492 is offered in the winter terms. Students interested in an International Practicum should apply to the Practicum Coordinator one year in advance to ensure that there is adequate time for all arrangements to be completed.

Application Procedure for JS 290 and JS 490 Application forms for the practica are available from the Department, the Arts Student Services

Office, Federated College Registrar's Office, or the Justice Studies website. Information to apply for a Practicum is available on the Department website. The completed application must be uploaded to www.placeprocanada.com by the following deadlines:

- For winter term placements, October 1
- For fall term placements, April 1

Human Justice Courses

Since many JS courses have been re-numbered over the past several years, students must ensure that they do not register for courses they have already taken. If in doubt, please consult the Department.

Bachelor of Arts in Police Studies

The four year, 120-credit hour Bachelor of Arts in Police Studies (BAPS) is offered by the Department of Justice Studies. The BA in Police Studies is a professional degree consisting of three years of liberal arts and justice studies course work followed by a fourth year of either (1) professional training and practicum with a police service or (2) advanced academic course work in justice and police studies and a police-related practicum leading to the completion of the degree.

Entry into the Police Studies program is no guarantee that students will be accepted into a police service. Students planning to enter the professional track in the fourth year of their police studies program are responsible for applying to and being hired by a police service or other law enforcement agency on their own accord. Police recruitment is a very competitive process, and students not hired by a policy service can still earn a degree in Police Studies by completing the academic track in the fourth year of their police studies degree.

Police Studies Professional Training (30 credit hours)

Entry into the professional track of the Police Studies Program (typically the fourth year) is dependent on students securing employment with an approved sponsoring police service. The professional training year (30 credit hours) for the BA in Police Studies will comprise approved police college training (or equivalent) and practicum (JS 494 or JS 495) with an approved sponsoring police service. Students will receive 15 credit hours of transfer credit for the approved police college training (or equivalent). The final 15 credit hours involves training with a partnered police service and submission of an assigned paper, the format of which varies depending on the student's background. Students enrolled in the professional track of the BA in Police Studies any time before employment with a police service or who have less than five years of service upon application for admission to the BA in Police Studies must complete JS 494, a 15 credit-hour course. Students who have at least five years of police service upon application to the BA in Police Studies and who were never enrolled in professional track of the BA in Police Studies must complete JS 495, a three credit-hour course, and receive 12 credit hours of transfer credit for professional training already completed. These 12 credit hours of transfer credit cannot be used toward another degree program in the Faculty of Arts.

Liberal Arts Programs

Diploma in Liberal Arts

The Diploma in Liberal Arts is designed to recognize students who, during their first two years of university-level studies, have followed a curriculum consistent with the liberal-arts tradition. In this tradition, with roots in classical antiquity, students are introduced to a relatively wide range of subjects in order to acquire knowledge and intellectual capacities that are general to all walks of life, rather than specific to a particular profession or trade. The Diploma also encourages students to find a field of study that most excites their curiosity and to begin development a deeper understanding of that field.

The Diploma in Liberal Arts is available to any student registered at the University of Regina. To be eligible, students must have successfully completed (and/or received transfer credit for) 20 University of Regina courses (60 credit hours). Eligibility further requires that students have:

- Successfully completed (or received transfer credit for) a set of courses capable of satisfying the requirements for any minor defined within the Faculty of Arts portion of the Undergraduate Calendar;
- Taken at the University of Regina at least 50% of the 20 courses used to satisfy the requirements of the diploma;
- Attained a PGPA of at least 60.00% in the 20 courses used to satisfy the requirements of the diploma.

International Studies Program

General Information

The International Studies degree is an interdisciplinary program that aims to provide students with the necessary intellectual tools to study the relationships between the local, regional, international, and global levels on the one hand, and the complex connections and interactions between society, culture, politics, economics, and the environment on the other hand. This blending of international and regional studies is a unique aspect of the International Studies degree not found in other international or area studies programs. The International Studies Degree provides students with skills to understand global processes and structures that connect and affect countries and regions of the world. It also enables students to situate different regions in the broader context of global issues.

BA in International Studies

The BA in International Studies is a 120-credit-hour degree. In addition to the Arts core requirements, students must complete the major requirements which include: (1) the International Studies core requirements; (2) the International Studies language requirements; and (3) either the International Affairs concentration or the International Development concentration. The remaining courses are open electives. As part of their open electives, students should plan to complete the prerequisites for the senior courses they wish to take in their major. A maximum of 48 credit hours of courses at the 100-level is permitted.

BA Honours in Psychology

The application process for the Psychology Honours Program is competitive, and admission into the program is not guaranteed.

Application to the Psychology Honours program requires the following:

- A minimum Program GPA of 80.00%;
- A minimum Major GPA of 80.00%;
- Completion of at least 60.0 credit hours;
- Completion of all Arts or Science Core Requirement courses (depending on whether registered in the BA or BSc program, respectively);
- Completion of the Honours Program Application Form (provided on the Department of Psychology website);
- A letter of intent (as described on the Department of Psychology website); and
- Unofficial copies of all undergraduate transcripts.

A student must have successfully completed 90 credit hours, all required PSYC 200-level courses, and Statistics in Psychology (PSYC 305) by August 31 prior to commencing the honours program.

Note that PSYC 405 must either precede or be taken concurrently with PSYC 400, and a minimum grade of 65.00% in PSYC 305 is needed to register in PSYC 405. Failure to meet these requirements will void the student's acceptance into the Psychology Honours Program, and the student will need to re-apply in a subsequent term.

Applications for the Psychology Honours Program must be submitted to the Department of Psychology by February 1 of the calendar year in which the student intends to enroll in the honours program.

Refer to Graduation section for BA Honours graduation requirements and to the Faculty of Science section for BSc Honours graduation requirements.

Undergraduate Programs

The Faculty of Business Administration's Hill School of Business offers programs of study leading to the Bachelor of Business Administration degree (BBA); the Diploma in Business Administration (DipBA); the Ideation, Creativity, and Entrepreneurship Certificate (ICE Certificate); and the Certificate in International Business. In addition, the Bachelor of Administration degree (BAdmin) and the Diploma in Administration (DipAdmin) are offered through the School of Indigenous Business & Public Administration, First Nations University of Canada.

Our programs are designed to prepare students for effective careers in the private, public, and not-for-profit sectors and for contributing to society as a whole. The programs focus on developing conceptual, technical, and interpersonal knowledge and skills.

Career Planning

Careers in Accounting

Accounting careers can be found in all sectors of society and can take a variety of forms. For students who are interested in pursuing a Chartered Professional Accountant (CPA) designation, all university-level required CPA courses are available at the University of Regina. By completing an **Accounting Major** and choosing the appropriate additional electives within their BBA program, students can complete the necessary courses for entry to the CPA program. Students should contact CPA Saskatchewan www.cpask.ca for further information. Other career options include tax consultant, business analyst, auditor, city administrator, or operations manager.

Careers as Entrepreneurs

Entrepreneurial ventures remain the single most significant influence in the business sector of the economy. Our **Ideation, Creativity, and Entrepreneurship Certificate (ICE Certificate)** helps prepare students to design and launch a small enterprise. Other career opportunities include: Small Enterprise Manager, Business Advisor/Consultant, Business/Management Analyst, Economic Developer, or others who work closely with start-up and operating enterprises and their owners. Students can complete the ICE Certificate courses as part of their BBA, BAdmin, or other University of Regina degree or diploma program.

Careers in Finance

A **Finance Major** is available for students interested in careers in finance such as a currency trader, stockbroker, investment or business analyst, financial manager, or fund manager. Students should also consider choosing their arts and science electives from the areas of economics, computer science, and statistics. Students interested in learning more about becoming a Chartered Financial Analyst (CFA), should contact the CFA Institute: www.cfainstitute.org (1-800-247-8132). Students interested in learning more about becoming a Certified Financial Planner (CFP) should contact the FP Canada: <https://fpcanada.ca> (1-800-305-9886).

Careers in Human Resource Management and Industrial Relations

A **Human Resource Management Major** is available for students interested in careers in human resource management and industrial relations such as a human resource manager, payroll administrator, recruiter, or employee benefits administrator. Students should also consider taking electives in the social sciences. Our BBA (Human Resource Management Major) is accredited by the Chartered Professionals in Human Resources (CPHR). To learn more about what University of Regina courses are required for exemption from the CPHR National Knowledge Exam (NKE), contact CPHR Saskatchewan: <https://www.cphrsk.ca> (1-306-242-2747).

Careers in International Business

Students interested in international business could consider completing our **Certificate in International Business**. Students can complete the courses for this certificate as part of their BBA, BAdmin, or other University of Regina degree or diploma program. Students interested in learning more about becoming a Certified International Trade Professional (CITP), should contact the following: Forum for International Trade and Training (FITT): www.fitt.ca (613-230-3553 or 1-800-561-3488).

Careers in Marketing

A **Marketing Major** is available for students interested in careers in marketing such as an advertising account executive, social media strategist, brand manager, or digital marketer. The major will prepare students to pursue a range of careers within the exceptionally diverse marketing field. Students should consider choosing arts and science electives from the areas of psychology, sociology, and statistics.

Admission, Re-Admission, and Transfer

Refer to the [Admissions](#) section of this Calendar.

High School Excellence Students

Excellence Students are those who have been conditionally accepted to the BBA program with a Canadian high school average of 85% or higher. Excellence Students receive a \$1,000 entrance scholarship.

More information can be found at:

www.uregina.ca/business/hill/prospective-students/excellence-scholarships

Faculty of Business Administration Admission Average

Please refer to the [Undergraduate Admissions](#) section of the Calendar.

Qualifying Status

Admission to a Faculty of Business Administration undergraduate program with qualifying status is available only to students for whom the following set of circumstances apply:

- (1) The student meets the high school average requirement or the post-secondary GPA requirement, as appropriate, for admission to an undergraduate program, and
- (2) The student lacks no more than one of the high school course requirements as outlined in the Admissions section of the Undergraduate Calendar.

Students who are admitted to a Faculty of Business Administration undergraduate program with qualifying status have the following conditions placed on them:

- The student must complete the missing high school course or approved post-secondary equivalent course within the first 30 credit hours of their program.
- Business Qualifying students will be allowed to take BUS 100.

Required High School Courses	Post-secondary Equivalent at U of R
English Language Arts A30 English Language Arts B30 (or non-Saskatchewan equivalent)	ACAD 100, RDWT 120, KIN 101, or any ENGL XXX course.
Foundations of Math 30 or Pre-calculus 30 (or non-Saskatchewan equivalent)	PMTH 092 or any MATH XXX course.

Re-admission Policy

Students applying for re-admission to the Faculty of Business Administration must meet the current admission requirements in place at the time of the application for re-admission. This policy applies to all Faculty of Business Administration undergraduate programs.

Transferring to the Faculty of Business Administration

Refer to the "[Admission from Universities and Colleges Including Transfers from Other University of Regina Faculties](#)" table.

Residency and Transfer Credit

Residency Requirements

A maximum of 60 hours of transfer credit, including a maximum of 30 credit hours of business courses, can be accepted towards the BBA degree.

A maximum of 30 hours of transfer credit, including a maximum of 15 credit hours of business courses, can be accepted towards the diploma of business administration.

A maximum of 6 hours of transfer credit can be accepted toward the Ideation, Creativity, and Entrepreneurship Certificate.

A maximum of 6 hours of transfer credit can be accepted toward the Certificate in International Business.

Transfer Credits

For information about transfer credit availability for newly admitted students, please refer to the Undergraduate Admissions section under Transfer Credit.

It is the student's responsibility to request transcripts from other institutions to be sent directly to the appropriate Enrolment Services office.

Students are required to achieve a minimum grade of 10 grade points above the institution's passing grade in a course in order to be eligible to receive transfer credit.

Current students in the Faculty of Business Administration may, in strictly limited circumstances, be allowed to complete courses at other institutions and receive transfer credit for them; however, prior permission must be granted. Students should speak to their program advisor to learn more about the circumstances under which permission could be granted.

Faculty of Business Administration students wishing to take courses at other institutions are required to be in good standing (academically and financially) and must request permission to take the course(s), provide a course description(s) to the faculty for evaluation, and should not register for the course until written permission has been provided.

Transfer Credit Agreements

The Faculty of Business Administration has transfer credit agreements with selected post-secondary institutions. See our website for more information.

Academic Advising and Registration

Academic Advising

Students are responsible for ensuring that their program requirements are met.

Pre-registration group counselling sessions are available to all Faculty of Business Administration students. Individual counselling sessions are available for those students who attend the group counselling sessions (during registration periods) and are available during non-registration periods to all students.

Any student interested in Faculty of Business Administration programs may contact the program advisor(s) for personal assistance or attend a group counselling session.

In selecting their business electives, arts and science electives, and open electives, students may seek the advice of an advisor even though they might not have any specific career objectives in mind. Advisors can provide students with insight and understanding into the nature of elective courses and the benefits that students might derive from taking a particular group of electives. Business students can book advising appointments online at www2.uregina.ca/business/advising.

Please note that program records for all students are maintained. Working copies that are used for administrative reference may be changed at any time without prior consultation or notification to the student.

Registration

Registration (class add/drop) is available to students through UR Self-Service. Information supporting registration and course selection will be posted on the faculty website and at: www.uregina.ca/student/registrar/registration-withdrawal.

See the Class Registration and Withdrawal section for the policy governing the assignment of a day and time when students are eligible to register (time ticket).

Students should consult the [Faculty of Business Administration](http://www.uregina.ca/faculty-of-business-administration) website for more information.

Prerequisites

Students may take only courses for which they have the required prerequisite(s). Obtaining the necessary prerequisites for business (or other) courses is the student's responsibility. Students who fail a course that is a prerequisite for one in which they are already registered must make appropriate changes to their registration. A student may be withdrawn from a course at any time for not having the proper prerequisites and may be subject to tuition and/or registration penalties.

Deferral of Exams or Course Work

For regulations relating to deferring exams or course work, please refer to Academic Regulation sections: [Deferral of Final Exams or Course Work](#) and [Deadlines and Procedures for Deferral Request](#).

For BUS courses, if a deferred examination is granted, the examination will be written on a date determined by the Faculty.

All deferred final exams will be scheduled in the first month following the end of the term except for special circumstances described in the [Deadlines and Procedures for Deferral Request](#) section.

Note: Arrangements with individual instructors may be made for mid-terms and assignment deferrals, however, deferrals for final examinations rest with the Associate Dean or designate.

Registration Overload

The normal maximum course load for the fall and winter terms is 15 credit hours and for the spring/summer term is 12 credit hours. Students who have successfully completed at least 30 credit hours and

have a PGPA over 75.00% can request permission from the Associate Dean to register in up to 3 additional credit hours.

Students with special circumstances may be granted permission to take 15 credit hours in the spring/summer term regardless of PGPA.

Registration Guidelines for Students in Other Faculties

Students who are in non-business programs that require specific, named business courses may register for these courses during their assigned registration time.

Students who wish to enroll in 200-level business courses may do so only after time-ticketed registration is complete, if course restrictions have been removed, and if space is available. Students not enrolled in the Faculty of Business Administration will be allowed to complete no more than 30 credit hours of Business/Administration courses.

Students may register only for courses for which they have the prerequisite. For further information, please contact the Faculty of Business Administration general office.

Concurrent Programs

- Business administration students may take a secondary program in other faculties (with some limitations).
- Students in other faculties cannot take the BBA or BAdmin program as a secondary program.
- Students in other faculties may take the DipBA or DipAdmin as a secondary program.
- Business administration students and students in other faculties may take the Ideation, Creativity, and Entrepreneurship Certificate or the Certificate in International Business as a secondary program.

Faculty Appeal Procedures

If a student chooses to appeal a faculty decision, a formal request in writing must be submitted to the Associate Dean (Undergraduate) in the Faculty of Business Administration for consideration.

Evaluation of Academic Performance

Minimum Academic Performance Standard in the Faculty of Business Administration

An undergraduate student of the Faculty of Business Administration must maintain a program grade point average (PGPA) of 65.00% or higher.

Dean's Honours List

The Dean's Honours List is compiled each term. This honour appears on the student's official transcript.

The Dean's list has two components, one for full-time students and the other for part-time students. The full-time list includes students who achieve a term GPA of at least 85.00% on a minimum of 12 credit hours of numerically graded University of Regina courses. Students will be included on the part-time list if they took at least three but less than 12 credit hours of numerically-graded University of Regina courses in the current term and achieved a GPA of at least 85.00% across all of the most recent terms needed to complete a minimum of 12 credit

hours of numerically-graded University of Regina courses since the term in which they were last on the dean's honours list (or in the case of students who have never previously been on the dean's honours list, since they were admitted to the University of Regina).

Probation, Discontinuance and Re-admission

Refer to the [Academic Regulations](#) and the [Student Code of Conduct and Right to Appeal](#) sections of this Calendar for University regulations that govern all students.

Faculty of Business Administration Academic Probation

An undergraduate student who fails to meet the Faculty of Business Administration minimum academic performance standard will be placed on Faculty of Business Administration Academic Probation. Students placed on probation will receive a communication describing the responsibilities and restrictions that will apply during the probationary period.

Clearing Faculty of Business Administration Academic Probation

To clear Faculty of Business Administration Academic Probation, a student must raise their PGPA to 65.00% or higher within 24 credit hours after having been placed on Faculty of Business Administration Academic Probation.

Requirement to Discontinue Studies in the Faculty of Business Administration (RTD)

A student falling into either or both of the circumstances below will be required to discontinue studies in the Faculty of Business Administration for a minimum of two consecutive terms (8 months):

- The student was placed on Faculty of Business Administration Academic Probation and was unable to clear probation by raising their PGPA to a minimum of 65.00% within 24 credit hours after having been most recently placed on probation.
- The student failed a required course in the program more than once (or ENGL 100 more than twice).

Consideration for Re-admission to the Faculty of Business Administration upon Completion of Discontinuance Period

Students who wish to be considered for re-admission to the Faculty of Business Administration upon completion of the discontinuance period must petition for re-admission. The decision on re-admission will be at the discretion of the dean or designate. A student who had been required to discontinue because the student had not cleared Faculty of Business Administration Academic Probation, could be considered for re-admission only if the student's PGPA was 65.00% or greater at the time the petition was made. A student who had been required to discontinue because they had failed a required course more than once (or ENGL 100 more than twice) will not normally be considered for re-admission. A student who has been re-admitted to the Faculty of Business Administration and then fails to meet the conditions of re-admission will be required to discontinue for two years.

Academic Misconduct

Students enrolled in business courses at the University of Regina are expected to adhere rigorously to principles of intellectual integrity.

Plagiarism or other forms of cheating on examinations or assignments is a serious offence that may result in a zero grade on the examination/assignment, a zero or XF in the course, or expulsion or suspension from the University. For more information on this matter, please consult the [Student Code of Conduct and Right to Appeal](#) section of this Calendar.

Graduation Requirements

Students follow the program that is in effect at the time of their most recent date of admission, transfer, or re-admission, but may choose to follow changes occurring after that date.

Program Grade Point Averages (PGPA)

A minimum PGPA of 65.00% is required for graduation.

A minimum PGPA of 80.00% is required for graduation with distinction.

A minimum PGPA of 85.00% is required for graduation with great distinction.

Students who wish to have their degree conferred as soon as possible after completing their requirements should apply while in their final term of courses.

Graduation Application Deadlines

Please refer to the University of Regina webpage "[Applying to Graduate](#)" for information on how and when to apply for graduation.

Institutional Honours: International

Students may apply to have Institutional Honours: International, added to their Bachelor of Business Administration OR Bachelor of Administration degree if they successfully complete BUS 308 and at least one of the following international experiences:

- a minimum of three credit hours of pre-approved course work taken at an out-of-country post-secondary institution as part of an approved International Exchange Program;
- a minimum of three credit hours of pre-approved course work taken at an out-of-country post-secondary institution as part of an approved Study Abroad Trip;
- a minimum of three credit hours of pre-approved course work taken at an out-of-country post-secondary via a Letter of Permission from the University of Regina; or
- a minimum three credit hour course offered by the U of R that includes a required minimum one-week out-of-country experience.

Other international experiences may be considered on a case-by-case basis. Students should meet with the Program Coordinator to determine if an international experience meets the criteria for Institutional Honours: International.

Academic Programs

Major Requirements

Students graduating with the Bachelor of Business Administration may declare one major upon completion of the requirements of the Bachelor of Business Administration degree. Students not declaring a major will be awarded the Bachelor of Business Administration with no major declared. Courses in these majors typically have prerequisite courses and/or credit hour requirements. Students are required to plan their programs to allow room for prerequisites and should consult UR Self-Service, or [their](#) advisor to ascertain prerequisites and course sequencing requirements.

Joint Bachelor of Business Administration/ Bachelor of Sport and Recreation Studies Program (BBA/BSRS-SRMI)

The description of the Bachelor of Business Administration and Bachelor of Sport and Recreation Studies Internship (Sport and Recreation Management Internship major) joint program can be found in the Faculty of Kinesiology and Health Studies section of the Calendar.

Combined Business Administration and Law Program

Students may combine programs of study in business and law to obtain the BBA and LLB degrees in less time than if the two programs were taken separately. The combined program in business and law normally requires a minimum of six years. Students wishing to enter this program should consult an Academic Program Advisor after they have been admitted to the Faculty of Business Administration.

Students enrolled in the business-law program will seek admission to an approved college of law and will enter that college following successful completion three years in the BBA program. During this initial three-year period at the University of Regina, the student completes 30 courses (90 credit hours) distributed as follows:

- BUS 007 and 12 other required Business Courses
- Six additional Business courses of the student's choice (Excluding BUS 307)
- Six required courses from Arts and Sciences
- Three introductory courses from Humanities/Social Sciences (see list under BBA Program template)
- Two courses beyond the introductory level in Humanities/Social Sciences (see list under BBA Program template), Mathematics and Statistics, and/or Computer Science
- One open elective

Major Requirements (FNUniv)

Students graduating with the Bachelor of Administration degree may declare one major upon completion of the degree requirements. Students can select one of the following majors: Accounting, Finance, Human Resource Management, Marketing, or General Business Studies. Students not declaring a major will be awarded the Bachelor of Administration with no major declared. Some courses require additional pre-requisites and students are required to plan their programs to allow room for pre-requisites. Students should consult UR Self-Service, or their advisor to ascertain pre-requisites and course sequencing requirements.

Please refer to the major requirement templates in the Bachelor of Business Administration above.

Co-operative Education Programs

Co-operative Education Program in Business Administration (U of R)

The faculty offers a program in co-operative University education whereby students spend alternate four-month periods taking University courses and obtaining business-oriented experience in organizations. Students in this program will normally take an additional eight months to complete the BBA degree requirements. This is compensated for by greater earning potential and greater job opportunities while attending University and after graduation.

Experience has shown that such an arrangement tends to improve students' motivation and academic performance. The practical experience aids students in choosing the area of studies best suited to their talents.

The criteria for entrance into the Co-operative Education Program for Business Administration students are:

- Students must apply in the term they will be completing between 54-81 credit hours in the BBA program (including the credit hours in the term of application to the Co-op Program).
- Application must be made to the Co-op office during the first week of a term.
- Students must have a passing grade in ENGL 100, BUS 007, BUS 260, and BUS 285.
- Students must have an entrance and maintenance PGPA of at least 67.50%.
- Students must be in good standing.

For students to earn the co-operative education designation through the Faculty of Business Administration, three (3) work terms are required. Students will have the option of completing a fourth work term; however, the student must submit in writing a request for a fourth work term supported by special circumstances. Permission must be granted by the faculty office. Business co-op students are allowed to take a maximum of two summer work terms and must end their degree on an academic term.

Students must be registered in at least 9 credit hours of classes in academic terms.

Note: The co-op program is not available to diploma, certificate, or part-time students. Refer to the General Information for Students section of this Calendar for the general regulations governing co-op programs.

Students are normally permitted to take a maximum of 3 credit hours while on a work term. If a student wishes to take more than 3 credit hours, written permission from the student's employer must be provided as well as approval by the program advisor.

Co-operative Education Program in Administration (FNUniv)

The FNUniv Administration Co-operative Education Program parallels the Business Administration Co-operative Education Program; however, the student evaluation process is designed for students to develop their own management style and approach that is consistent with their values and beliefs. The Co-operative Education Program in Administration is designed to:

- closely parallel human resources practices;
- assess and develop the knowledge, skills, and personal attributes that are deemed critical for aboriginal students to become successful in the workplace;
- incorporate culturally relevant methods of evaluating students' knowledge, skills, and attributes;
- provide students with the opportunity to work in First Nations and non-First Nations public and private sector organizations;
- ensure students understand the non-First Nations system but retain First Nations values.

Students will:

- spend alternate four-month periods taking University courses and working in fully-salaried jobs with participating employers related to their discipline;
- complete a minimum of 3 four-month work terms in addition to their course work. They have the option to complete a fourth work term; and
- spend their final term in academic study.

Entrance Criteria

Students must:

- Complete at least 54 credit hours and no more than 81 credit hours.
- Maintain a GPA of 67.5%.
- Be registered in a minimum of 9 credit hours.
- Have completed ENGL 100, ADMN 260, ADMN 285, and ADMN 007.
- Be in good standing to apply for the program.

Registration in the Co-op Program

Students participate in the First Nations University of Canada Co-operative Education Program under the direction of the FNUniv co-op coordinator. New students will register in and complete their first work term (ADMN 001-S01), which is graded on pass/fail basis. Upon successful completion of their first work term, students will continue to spend alternate four-month period taking University courses and working in full-salaried jobs with participating employers, related to their discipline. For each additional work term, students must respectively enroll in ADMN 002-S01 (second work term), ADMN 003-S01 (third work term), and ADMN 004-S01 (optional fourth work term).

Evaluation

Grading is on a Pass-Fail basis. A successful work term requires an acceptable work term report submitted by the student and an acceptable employer evaluation. An Indigenous Business and Public Administration program designate will evaluate the work term report.

Academic Performance

Upon graduation, students who meet the requirements of the Indigenous Business and Public Administration program for the First Nations University of Canada Co-operative Education Program will receive an appropriate designation on their parchment and transcript.

Students must comply with rules stated in the First Nations University of Canada Co-operative Education Program Student Information handbook and be in good standing. Failure to comply with either will result in an automatic failure for the work term.

Students who receive one "F" for work term reports will be required to withdraw from the FNUniv Administration Co-operative Education Program.

Appeals will be handled by the First Nations University of Canada Co-operative Education Program Appeal Committee.

The FNUniv Co-operative Education Program coordinator and the Indigenous Business and Public Administration program coordinator will resolve problems associated with the Co-operative Education Program.

Overview

Contact Information

The Faculty of Education offers a variety of programs. All programs are planned to meet the provincial Ministry of Education requirements for teacher certification in Saskatchewan. French elementary and secondary education degree programs, the Baccalauréat en éducation, and the Bachelor of Music Education/Bachelor of Music (BMusEd/BMus) degree also meet provincial requirements for certification. Certificate programs do not meet certification requirements. All questions concerning academic advising, registration, admission, transfer credits, and other related matters should be directed to:

Administrative Structure

The Faculty of Education has functioned with a non-departmental structure since 1971. The Faculty is comprised of the Arts Education, Baccalauréat en éducation, Elementary Education, and Secondary Education Program groups. The chair of each program group acts as liaison to the Dean's Office. The Dean is responsible for the overall administration of the faculty and is supported by the Associate Dean (Faculty Development and Human Resources) and the Associate Dean (Student Services and Undergraduate Programs). The Directors, Coordinators and Academic Program Advisors have specific responsibility for professional development and field experiences, program development and student program advising.

Teacher Certification and Accreditation

The University provides courses and programs in teacher education but does not issue teaching certificates or accreditations in specific teaching areas/subjects. The Faculty of Education sends a list to the Saskatchewan Professional Teachers Regulatory Board of the graduating students who are eligible for certification; however, it is the student's responsibility to apply for certification. Information on the certification process and an application can be obtained from the:

Provincial government regulations require all applicants for a teaching certificate to indicate whether or not they have been convicted or charged with any criminal offence of a sexual nature or involving a minor and to authorize a criminal record search. Applicants must also indicate whether or not a teaching certificate has been suspended or cancelled.

Aperçu

Coordonnées

La Faculté d'éducation offre une gamme de programmes qui sont tous conformes aux exigences du ministère de l'Éducation relativement à la certification du corps enseignant en Saskatchewan. Les programmes d'éducation primaire et secondaire en français, le Baccalauréat en éducation et le Baccalauréat en éducation de la musique/en musique (BMusEd/BMus) respectent aussi les exigences provinciales en matière de certification. Les programmes de certificat ne mènent pas à la certification pour enseigner. Pour toute question concernant le cheminement scolaire, l'inscription, l'admission, la reconnaissance de crédits et autre, prière de communiquer avec :

Structure administrative

Depuis 1971, la Faculté d'éducation fonctionne distinctement de la structure départementale. La Faculté comporte les programmes en éducation des arts, le Baccalauréat en éducation et les programmes en éducation primaire et secondaire. La direction de chaque groupe de programmes agit d'intermédiaire avec le décanat. Le décanat s'occupe d'administrer l'ensemble du corps professoral conjointement avec le vice-décanat (Développement du corps professoral et ressources humaines) et le vice-décanat (Service à la population étudiante et programmes de premier cycle). Les directions, les bureaux de coordination et les bureaux de conseils aux programmes académiques ont des responsabilités précises à l'égard du développement professionnel et de l'expérience pratique, du développement des programmes et de la prestation de conseils à la population étudiante pour les programmes.

Certification et accréditation en enseignement

L'Université offre des cours et des programmes en éducation, mais elle n'octroie pas de certification ou d'accréditation dans des domaines d'enseignement/matières spécifiques. La Faculté d'éducation envoie une liste des personnes diplômées admissibles à la certification à la Commission de réglementation des enseignant(e)s professionnel(le)s de la Saskatchewan (CREPS). La personne diplômée doit elle-même entreprendre les démarches de demande de certification. Pour plus de renseignements sur le processus de demande et de certification, prière de consulter les ressources suivantes :

Selon la réglementation provinciale, toute personne qui fait une demande de certification en enseignement doit indiquer si elle a été déjà été reconnu coupable ou si elle a déjà fait l'objet d'accusation pour un crime de nature sexuelle ou un crime sur une personne mineure. Elle doit aussi consentir à une vérification de ses antécédents judiciaires. De plus, la personne qui fait une demande doit indiquer si elle a déjà détenu une certification ou un brevet d'enseignement qui a été suspendu ou révoqué.

Admission, Re-Admission, and Transfer

Refer to the Admission section of this calendar, and especially to the Additional Information about Competitive Programs section.

Program Transfers within the Faculty of Education

Requests for program transfers or a change of major can be made to the Faculty of Education Office of Student Services by December 1 or September 1. Students who wish to change a major are advised to make an appointment with an academic advisor.

Transfer from Other Faculties or Post-Secondary Institutions to the Faculty of Education

Students who have taken university courses (from the University of Regina or other post-secondary institutions) and wish to transfer to the Faculty of Education must meet the requirements as outlined in the Admissions section.

Students who wish to transfer to the First Nations University of Canada Indigenous Education Program, Saskatchewan Urban Native Teacher Education Program or the Yukon Native Teacher Education Program should refer to the Admissions section and as necessary with the respective offices for application procedures and deadline dates.

Transfer Requirements

Transfer students are those Applicants who have attempted 15 or more credit hours of university courses (at the University of Regina, or another university) and have a minimum UGPA of 65% on their most recent 30 credit hours post-secondary courses will be considered for selection into a Faculty of Education Program. Applicants who have attempted less than 15 credit hours at the post-secondary will be assessed on the combination average on their post recent 30 credit hours of post-secondary work or; the high school admission requirements. For applicants that do not have an AGPA of 65% on the most recent 30 credit hour of post-secondary course attempted, their entire post-secondary record will be calculated. . In addition, applicants to the Elementary Teacher program require a PGPA of 70% to be considered for admission (with exclusion of SUNTEP, YNTEP, FNUniv, and Le BAC).

Articulation Agreement with Saskatchewan Polytechnic

The Faculty of Education has a block transfer agreement with Saskatchewan Polytechnic, which enables graduates from the Educational Assistant (EA) Certificate to transfer thirty (30.0) credit hours into the Bachelor of Education Early Elementary (PreK-5) or Middle Years (Grades 6-9) degrees. Students must have completed the EA Certificate through Saskatchewan Polytechnic with a Program Grade Point Average (PGPA) of 65.00% on or after June 30, 2021.

Admission, réadmission et transfert

Prière de consulter la section Admission du présent document, particulièrement les renseignements supplémentaires sur les programmes contingentés.

Transfert de programme au sein de la Faculté d'éducation

Les demandes de transfert de programme ou de changement de majeure doivent être déposées au bureau des services à la population étudiante de la Faculté d'éducation avant le 1^{er} décembre ou le 1^{er} septembre. Pour un changement de majeure, il est préférable de prendre un rendez-vous avec le bureau de conseils académiques.

Transfert d'une autre faculté ou d'un autre établissement vers la Faculté d'éducation

Si vous avez suivi des cours universitaires (à l'Université de Regina ou dans un autre établissement postsecondaire) et que vous souhaitez étudier à la Faculté d'éducation, vous devez répondre aux critères énoncés dans la section Admission.

Pour un transfert vers le programme d'éducation autochtone de l'Université des Premières Nations du Canada (FNUUniv), le programme de formation d'enseignants autochtones en milieu urbain de la Saskatchewan (SUNTEP) ou le programme de formation d'enseignants autochtones du Yukon (YNTEP), consultez la section Admission. Au besoin, communiquez avec les bureaux respectifs des établissements pour connaître les procédures et les dates limites.

Conditions pour les transferts

Pour être admissible à un transfert dans un programme universitaire en éducation, vous devez avoir été inscrit à au moins 15 heures-crédits (à l'Université de Regina ou dans une autre université), et avoir une moyenne pondérée cumulative (MPC) d'au moins 65 % sur les 30 dernières heures-crédits postsecondaire.

Le candidat ayant moins de 15 heures-crédits du niveau post-secondaire demandé sera évalué en fonction d'une combinaison de la moyenne des 30 dernières heures-crédits postsecondaire ou des critères d'admission basés sur le diplôme d'études secondaires.

Pour le candidat n'ayant pas une moyenne pondérée cumulative (MPC) d'au moins 65% sur les 30 dernières heures-crédits postsecondaire, c'est la totalité des cours postsecondaires qui sera calculée.

Pour l'admission au programme d'éducation primaire, vous devez avoir une MPC d'au moins 70 % (à l'exclusion de l'un des programmes suivants : SUNTEP, YNTEP, FNUUniv et Le Bac).

Articulation de l'entente avec Saskatchewan Polytechnic

La Faculté d'éducation a conclu un accord de transfert en bloc avec Saskatchewan Polytechnic, qui permet aux diplômés du certificat d'assistant pédagogique (EA) de transférer trente (30) heures de crédit au baccalauréat en éducation Early Elementary (PreK-5) ou Middle Years (6e -9e année). Les étudiants doivent avoir obtenu le certificat EA par l'intermédiaire de l'école Polytechnique de la Saskatchewan avec une moyenne pondérée cumulative (PGPA) de 65,00 % le 30 juin 2021 ou après cette date.

Residency and Transfer Credit

Residency Requirements

For all programs, students must complete at least half of the program at the University of Regina. Students may be required to do more than the minimum number of credit hours at Regina.

All students in the Bachelor of Education program are expected to do a substantial portion of the last two years of work at the University of Regina. Students who wish to continue to work on a degree at another institution after the completion of two years or less at the University of Regina should apply to transfer all credits to that institution and complete degree requirements there.

Students who have previously completed one year of teacher education courses from another university and want to complete a BEd degree at the University of Regina may request an assessment of previous course work from the Office of Student Services, Faculty of Education. Applicants may be selected to present their Professional Year (or equivalent) as partial requirement for the BEd degree. Students must complete a 3-year program to fulfill University of Regina requirements.

For information specific to their situation, applicants should consult the Faculty of Education Office of Student Services.

Transfer of Credits from Other Institutions

See the Admissions section. Students accepted into a Faculty of Education program will be permitted to transfer only those courses with grades of 60% or higher that meet program requirements.

Students who wish to attend another institution as a visiting student must contact the Faculty of Education Office of Student Services.

Prior Learning Assessment & Recognition (PLAR)

In consultation with appropriate members of Programs, the Faculty of Education may evaluate and grant credit for qualifying informal learning up to a maximum of 15 credit hours. Credit may be granted on a case-by-case basis and according to the Prior Learning Assessment & Recognition (PLAR) process. Credit will only be awarded for demonstrated learning which includes knowledge, skills and abilities. It will not be awarded for teaching experience alone.

Due to the requirements of the Saskatchewan Professional Teacher's Regulatory Board (STPRB) around Teacher Certification, the Faculty of Education will NOT consider PLAR for any field component (including internship and pre-internship as either stand alone or course embedded field) or courses specifically named by the SPTRB as certification requirements.

Cours hors établissement et reconnaissance de crédits

Conditions à respecter pour les cours hors établissement

Pour tous les programmes, une limite de 50 % du nombre total de crédits de cours d'un programme d'études peut être obtenue en reconnaissances d'acquis à l'Université de Regina. Vous pourriez avoir à réaliser plus que le minimum d'heures-crédits à l'Université de Regina.

Il est attendu que l'ensemble des étudiantes et étudiants au programme de baccalauréat en éducation réalisent la majeure partie de leurs deux dernières années à l'Université de Regina. Celles et ceux qui souhaitent, après deux ans ou moins à l'Université de Regina, poursuivre leurs études dans un autre établissement, doivent faire une demande de transfert de crédits vers l'autre établissement et terminer leurs études dans cet autre établissement.

Les étudiantes et les étudiants qui ont terminé une année d'études en éducation dans une autre université et qui souhaitent obtenir leur baccalauréat en éducation à l'Université de Regina peuvent faire une demande d'évaluation des cours réalisés auprès du Bureau du service à la population étudiante de la Faculté d'éducation. Dans ce cas, la présentation de l'année d'expérience professionnelle (ou l'équivalent) pourrait être exigée en tant que critère d'admission partiel au baccalauréat en éducation. Conformément aux exigences de l'Université de Regina, les étudiantes et étudiants doivent terminer un programme d'études de trois ans.

Pour toute question relative à votre situation, vous pouvez communiquer avec le Bureau du service à la population étudiante de la Faculté d'éducation.

Reconnaissance des crédits d'un autre établissement

Prière de consulter la section Admission. Pour toute admission dans un programme de la Faculté d'éducation, la reconnaissance de crédits sera accordée uniquement pour les cours qui correspondent aux exigences du programme et où la note est d'au moins 60 %.

Les personnes qui souhaitent étudier dans un autre établissement avec le statut de visiteur doivent communiquer avec le Bureau du service à la population étudiante de la Faculté d'éducation.

Évaluation et reconnaissance des acquis (ERA)

En consultation avec les membres concernés des programmes, la Faculté d'éducation peut évaluer et accorder des crédits pour l'apprentissage informel admissible jusqu'à un maximum de 15 heures de crédit. Des crédits peuvent être accordés au cas par cas et selon le processus d'évaluation et de reconnaissance des acquis (ERA). Les crédits ne seront accordés que pour les apprentissages

démontrés qui comprennent des connaissances, des compétences et des aptitudes. La reconnaissance des acquis ne sera pas uniquement décernée à l'expérience en enseignement.

En raison des exigences du Saskatchewan Professional Teacher's Regulatory Board (STPRB) concernant la certification des enseignants, la Faculté d'éducation ne considèrera PAS l'ERA en remplacement de l'expérience sur le terrain en milieu scolaire (incluant les stages de pré-internat et d'internat ainsi que les cours avec une pratique en milieu scolaire) ou pour les cours spécifiquement nommés par le SPTRB comme exigences de certification.

Academic Advising and Registration

Academic Advising

New students who have been accepted to the Arts Education, Elementary and Secondary Programs will be invited and encouraged to attend an Academic Advising session. Students accepted to the Baccalauréat programs must consult with the chair or director in the respective areas. The Office of Student Services provides support to continuing students in the Faculty of Education in the form of drop-in sessions and individual advising for specific issues. Students are strongly urged to check their University of Regina e-mail accounts on a regular basis for program/registration information and updates.

Registration

Students are responsible for ensuring that their program requirements are properly planned and are being met. Students also register according to a priority system in which those who have earned the most credit hours register first.

Pass/Fail Courses

Students may select up to six credit hours to be graded pass/fail. The declaration of this intention must be made at the time of registration on the registration form. Note that choice of pass/fail grading may make students ineligible for some scholarships and the Dean's Honours List.

Evaluation of Academic Performance

For definitions of the different grade point average (GPA) calculations mentioned in this section see the [Academic Regulations](#) section.

Dean's Honours List

To be included on the Dean's Honours List for a given term, students must achieve a term grade point average (TGPA) of at least 85.00% on a minimum of 9 numerically graded credit hours in a single term. The designation will be noted on the official transcript.

Progress in the Program

For regulations governing academic performance of all University of Regina students, refer to the [Academic Regulations](#) section.

Under current faculty regulations, progress in the program is based on academic standing and professional development. Faculty selection and review committees determine students' eligibility to progress into all professional terms, including pre-internship and internship. To proceed to pre-internship field experience in term six, students must be in good standing at mid-semester review. This includes completing assigned work in a timely fashion and demonstrating professionalism and collegial relationships. Those who are deemed to not be in good standing will be unable to proceed to pre-internship placements. To proceed to internship, students must maintain the required program averages (see Academic and Professional Development section) and pass the final evaluation of the three-week field placement in term six.

Faculty Action

At the end of each term, students with poor academic records and/or unsatisfactory professional development will be subject to faculty action; students may be required to discontinue or be placed on faculty probation.

Students must have a PGPA of at least 65.00%, for the Elementary Teacher Education Program and satisfactory professional development at the end of each term of the program. Students who have a PGPA less than 65.00%, (Elementary), and/or unsatisfactory professional development will be placed on faculty probation or required to discontinue (RTD) from the Faculty of Education for at least two terms including spring and summer sessions. Those students who are required to discontinue must re-apply for admission to the University and the Faculty of Education. Their application will be given a low place on the priority list for acceptance. Students who have been required to discontinue and who upon return maintain a poor academic record may be required to discontinue indefinitely from the Faculty of Education. Students may also be required to discontinue from one faculty but remain eligible for others. For information on applying for re-admission, refer to the Admission-Applicants in Unsatisfactory Standing section of this calendar.

Students who fail more than 15 credit hours during their Education program will be required to discontinue from the faculty indefinitely.

Students may be required to discontinue from the faculty for a specified period or indefinitely for unsatisfactory professional development.

Academic and Professional Development

In order to progress in a Teacher Education Program, including pre-internship and internship, a PGPA of 65.00% or higher is required. Students in the Secondary Program also require a minimum of 70.00% in their major teaching area to progress to the pre-internship term.

Satisfactory professional development, including demonstration of proficiency in written and oral English (French for le Bac programs), is required at all stages in all programs.

Request for Leave of Absence from the Faculty of Education

Students must apply, in writing, to the Associate Dean for a leave of absence. Normally, leaves are granted for one or two terms. Notice of the decision will be given in writing. If the request is denied, or students otherwise wish to discontinue studies in their program, they may choose to withdraw voluntarily by providing written notice to the Faculty of Education or to First Nations University of Canada. Students who have voluntarily withdrawn may later apply for re-admission to their original program.

Request for Part-time Status in Education Pre-Internship

Students who want to take part-time studies in pre-internship must apply, in writing, to the Associate Dean (Student Services and Undergraduate Programs) or the Program Coordinator of Indigenous Education, First Nations University of Canada, for a part-time status.

Conseils académiques et inscription

Conseils académiques

Les étudiantes et étudiants nouvellement admis dans un programme d'éducation des arts, d'éducation primaire ou d'éducation secondaire seront invités à une rencontre de conseils académiques. Les étudiantes et étudiants acceptés aux programmes de baccalauréat doivent consulter la direction de leur domaine respectif. Le Bureau du service à la population étudiante propose des rencontres sans rendez-vous et des consultations individuelles aux membres de la Faculté d'éducation. Vous êtes fortement invité à consulter fréquemment votre messagerie courriel de l'Université de Regina pour connaître les renseignements et les mises à jour concernant les programmes et les inscriptions.

Inscription

Vous devez vous assurer de respecter le bon cheminement dans votre programme et d'atteindre les exigences requises. L'inscription fonctionne sur une base de priorité, selon le nombre d'heures-crédits réussies.

Cours en notation échec/réussite

Un maximum de six heures-crédits notées échec/réussite peut être choisi. Vous devez indiquer votre intention sur le formulaire d'inscription. Il est important de noter que le choix d'un cours avec ce mode de notation pourrait nuire à l'admissibilité à certaines bourses ou à la liste d'honneur.

Évaluation du rendement scolaire

Prière de consulter la section Règlements scolaires pour connaître les définitions des différents calculs de moyenne pondérée cumulative (MPC).

Liste d'honneur du doyen ou de la doyenne

Pour être sur la liste d'honneur, vous devez avoir une moyenne pondérée cumulative de trimestre d'au moins 85 % avec un minimum

de 15 heures-crédits, dont 12 doivent avoir été évaluées en note numérique.

La mention « Liste d'honneur » est inscrite au relevé de notes officiel.

Avancement dans le programme

Pour connaître les règlements relatifs au rendement scolaire à l'Université de Regina, prière de consulter la section Règlements scolaires.

Selon le règlement en vigueur à la Faculté, l'avancement dans le programme dépend du dossier scolaire et du volet de développement professionnel. Les comités de sélection et d'évaluation de la Faculté déterminent l'admissibilité à poursuivre vers le cheminement professionnel, notamment au préinternat et à l'internat (stages). Pour être autorisé à poursuivre au préinternat de la sixième session, votre dossier scolaire doit être en règle au moment de l'évaluation de mi-session. Vous devez rendre vos travaux à temps, faire preuve de professionnalisme et entretenir des relations collégiales avec les autres. Les étudiantes et étudiants dont le dossier n'est pas en règle ne seront pas autorisés à poursuivre au préinternat. Pour avancer dans le programme et être en mesure de réaliser l'internat, vous devez maintenir les moyennes scolaires exigées par votre programme (prière de consulter la section Développement scolaire et professionnel) et réussir l'évaluation du stage de trois semaines du sixième trimestre.

Sanctions de la Faculté

À la fin de chaque trimestre, les étudiantes et étudiants dont le rendement scolaire ou professionnel est insatisfaisant se verront imposer des sanctions, ils pourraient notamment ne pas pouvoir poursuivre dans leur programme ou être mis en probation.

Pour chaque trimestre au programme d'éducation primaire une moyenne pondérée cumulative d'au moins 65 % doit être maintenue et le rendement dans le volet développement professionnel doit être jugé satisfaisant. Dans le cas d'une MPC inférieure à 65 % ou d'un rendement insatisfaisant dans le volet développement professionnel, la Faculté impose une probation ou une exclusion de la Faculté d'éducation pendant au moins deux trimestres, incluant les trimestres de printemps et d'été. Une personne exclue de la Faculté doit refaire une demande d'admission à l'Université et à la Faculté d'éducation. La demande sera placée au bas de la liste d'admissions. La personne réadmise qui ne maintient pas un bon dossier scolaire après une exclusion pourrait être rayée de façon permanente de la Faculté d'éducation. La personne exclue d'une faculté pourrait être admissible dans une autre faculté. Pour plus de renseignements sur les demandes de réadmission, prière de consulter le paragraphe Admission de la section Rendement insatisfaisant du présent document.

L'étudiante ou l'étudiant qui échoue plus de 15 heures-crédits de son programme en éducation sera exclu de la Faculté de façon permanente.

Une étudiante ou un étudiant qui n'obtient pas un rendement satisfaisant dans le volet développement professionnel pourrait être exclu de la Faculté de façon temporaire ou permanente.

Développement scolaire et professionnel

Pour progresser dans un programme en éducation, y compris dans les stages de préinternat et d'internat, vous devez avoir une moyenne pondérée cumulative d'au moins 65 %. Au programme d'éducation secondaire, vous devez avoir une moyenne d'au moins 70 % dans votre matière d'enseignement pour cheminer vers le préinternat.

À toutes les étapes et dans tous les programmes, vous devez démontrer un rendement professionnel satisfaisant pour continuer votre cheminement, y compris en anglais oral et écrit (français oral et écrit pour Le Bac).

Demande d'absence

Une demande écrite d'absence prolongée doit être déposée au vice-décanat. Les absences sont habituellement permises pour un ou deux trimestres. La décision sera remise par écrit. Si la demande d'absence est refusée, ou que la personne qui fait la demande décide de ne pas poursuivre dans son programme, elle peut se retirer volontairement en fournissant un avis écrit à cet effet à la Faculté d'éducation ou à l'Université des Premières Nations du Canada. Les personnes qui se retirent volontairement peuvent ultérieurement faire une demande de réadmission à leur programme.

Demande de statut d'études à temps partiel pour le préinternat

Si vous souhaitez étudier à temps partiel pendant votre préinternat, vous devez déposer une demande écrite au vice-décanat (Service à la population étudiante et aux programmes de premier cycle) ou au bureau de coordination des études de l'Université des Premières Nations du Canada.

Graduation Requirements

Time Limits

All degree requirements must be completed within eight years from the date that a student first enrolls in a BEd program. Students may be required to discontinue if they have exceeded the allotted time for completion of their program.

Academic and Professional Requirements

For a definition of program grade point average (PGPA), see the [Academic Regulations](#) section.

A PGPA of at least 65.00% is required for graduation.

A PGPA of at least 80.00% and an overall rating of one of the top three categories: Good, Very Good, or Outstanding is required on the internship placement profile for graduation with Distinction.

A PGPA of at least 85.00% and an overall rating of one of the top two categories; either Very Good or Outstanding is required on the internship placement profile for graduation with Great Distinction.

Professional competence is considered an integral element of a BEd degree.

Professional Ethics and Suitability

Education students are associate members of the Saskatchewan Teachers' Federation (STF). In addition to the University of Regina Student Code of Conduct, Education students are expected to demonstrate the ideals outlined in the STF Code of Professional Ethics throughout the program.

Requirements for Special Mention

International Designation

The Faculty of Education approves an International Designation for students successfully completing the following Faculty of Education undergraduate degrees:

- Bachelor of Education
- Bachelor of Education After Degree

To qualify for the International Designation, students must meet at least one (1) of the following graduation requirements:

- Successfully complete an approved out-of-country study term with a minimum of nine (9) credit hours such as an internship* or practicum*.
- Successfully complete a minimum of nine (9) credit hours of approved course work at an out-of-country post-secondary institution.
- Successfully complete a minimum of one (1) approved three (3) credit hour course with 'international' content on campus in combination with an out-of-country experience. The out-of-country experience will constitute no less than three (3) credit hours. Examples of courses designated 'international' could be a foreign language (not including French) or a course in global education. These courses can be accessed through other Faculties.
- International experiences such as internships or practicum will also require approval of the Director of Professional Development and Field Experiences.

Failed Courses and Low GPAs

Students are permitted to carry a maximum of 15 credit hours of courses failed as part of their degree programs. No student may graduate with more than a total of 15 credit hours of courses failed or courses graded IN (Incomplete) as part of a degree program.

Students who have met all other degree requirements except for an inadequate average may be permitted to take a maximum of 9 credit hours of additional or repeated courses for the sole purpose of raising the average. Failure to obtain a PGPA average of 65.00% or higher with a maximum of 9 additional credit hours will prevent students from obtaining the BEd degree; they will be required to discontinue from the faculty.

Applying and Approval to Graduate

Students who will be finishing in December need to apply by November 30 in order to have their degree conferred in February. Students who will be finishing in April need to apply by January 31 in

order to have their degree conferred in May. Students who will be finishing during spring/summer session need to apply by July 31 in order to have their degree conferred in September.

No fewer than twenty-five business days are required to process applications for students who complete in mid-term and for those who apply after completing requirements. Applications will be considered at the next scheduled meetings of the Faculty Council (which meets September to May) and of Executive of Council. Students who plan to attend the convocation ceremony should note the relevant deadlines in the Graduation section. For more information about graduation please refer the Graduation section or consult the University of Regina's Graduation/Convocation website.

Conditions pour l'obtention du diplôme

Temps alloué

Toutes les conditions d'obtention du diplôme doivent être remplies dans les huit années à partir de la date de commencement dans le programme de baccalauréat en éducation. Le non-respect du délai alloué pourrait mener à une exclusion du programme.

Exigences scolaires et professionnelles

La définition de moyenne pondérée cumulative de programme (MPCP) se trouve dans la section Règlements scolaires.

Une MPC d'au moins 65,00 % est obligatoire pour l'obtention du diplôme.

Une MPC d'au moins 80,00 % et la note générale d'une des trois meilleures catégories (Bon, Très bon, Excellent) pour le volet de stages est obligatoire pour recevoir la mention « avec distinction ».

Une MPC d'au moins 85,00 % et la note générale d'une des deux meilleures catégories (Très bon, Excellent) pour le volet de stages est obligatoire pour recevoir la mention « avec grande distinction ».

La compétence professionnelle constitue un élément intégral du baccalauréat en éducation.

Aptitude et éthique professionnelle

Les étudiants de la Faculté d'éducation sont membres associés de la Fédération des enseignants et enseignantes de la Saskatchewan (FES). En plus du code de conduite des étudiants de l'Université de Regina, les étudiants en éducation doivent démontrer les indéaux décrits dans le Code de déontologie professionnelle de la FES tout au long du programme.

Critères d'obtention de la mention spéciale

Distinction internationale

La Faculté d'éducation décerne une distinction internationale pour la réussite des programmes de premier cycle suivants :

- Baccalauréat en éducation
- Baccalauréat en éducation après diplôme

Pour être admissible à la distinction, vous devez répondre à au moins un des critères suivants :

- Avoir réussi un trimestre à l'étranger (reconnu) comportant au moins neuf (9) heures-crédits dans un internat ou un stage*.
- Avoir réussi au moins neuf (9) heures-crédits de cours (reconnus) dans un établissement postsecondaire à l'étranger.
- Avoir réussi au moins un (1) cours reconnu de trois (3) heures-crédits incluant du contenu « international » sur le campus ainsi qu'une expérience à l'étranger. L'expérience à l'étranger doit comprendre au moins trois (3) heures-crédits. Les cours de langue étrangère (excluant le français) ou les cours d'études internationales sont des exemples de cours « internationaux ». Ces cours peuvent être suivis dans d'autres facultés.

La direction du développement professionnel et des stages doit approuver l'internat ou le stage à l'étranger.

Échecs et moyennes basses

Une étudiante ou un étudiant peut accumuler un maximum de 15 heures-crédits de cours échoués dans un programme d'études. Nul ne peut obtenir de diplôme s'il cumule plus de 15 heures-crédits de cours échoués ou de cours notés IN (incomplet) dans son programme d'études.

Une étudiante ou un étudiant qui remplit toutes les conditions, mais dont la moyenne est insatisfaisante, pourrait être autorisé à suivre ou à reprendre un maximum de 9 heures-crédits supplémentaires dans le but de remonter sa moyenne. Si après 9 heures-crédits supplémentaires, la moyenne pondérée cumulative de programme est toujours inférieure à 65 %, le diplôme de baccalauréat en éducation ne sera pas décerné et il y aura exclusion de la Faculté d'éducation.

Demande d'obtention du diplôme

Quiconque termine son programme en décembre doit faire une demande d'obtention de diplôme avant le 30 novembre pour recevoir son titre en février. Quiconque termine son programme en avril doit faire une demande d'obtention de diplôme avant le 31 janvier pour recevoir son titre en mai. Quiconque termine son programme au trimestre de printemps/été doit faire une demande d'obtention de diplôme avant le 31 juillet pour recevoir son titre en septembre.

Une période d'au moins 25 jours ouvrables est nécessaire pour le traitement des demandes déposées à la mi-trimestre ou après avoir rempli les conditions. Les demandes seront examinées aux prochaines réunions du conseil de la Faculté (les rencontres ont lieu entre septembre et mai) et du conseil exécutif. Les étudiantes et étudiants qui souhaitent participer à la collation des grades doivent respecter les dates limites indiquées dans la section Diplomation. Pour plus de détails, prière de consulter la section Diplomation du présent document ou la page Diplomation/Collation des grades du site Web de l'Université de Regina.

Other Faculty Regulations

Course Prerequisites

Failure to adhere to course prerequisite requirements will result in mandatory withdrawal at the student's expense, or failure in the course. Written permission from the head of the academic unit offering a course must be on file in the Faculty of Education Office of Student Services for each course for which the student has had the prerequisite waived.

Education Course Restrictions

All Education courses with a field component are restricted. Only students admitted to a bachelor or certificate program in Education (BEd) are permitted to enroll in these courses.

Application Deadlines for Internship

Application deadlines for internship are April 15 for the fall term, and November 15 for the winter term.

Audit Registration

Only a small number of education courses may be audited; for further information please check with the Faculty of Education Office of Student Services.

Stale-dated Courses

Students who are admitted or re-admitted to the Faculty of Education and have completed courses in their degree program more than eight years previously, may be required to update their knowledge by repeating or taking additional courses. Please consult the [Faculty of Education Office of Student Services](#) or the Indigenous Education Program, First Nations University of Canada.

Credit by Challenge

No education courses may be challenged for credit.

Field Experience Components

Education programs include extensive field experiences. Students should expect that at least some of these field experiences will be located in schools outside Regina. School divisions require students to have criminal record checks and vulnerable sector checks completed prior to participating in a school placement. Please be advised that students with a criminal code conviction that has not been expunged will face serious restrictions limiting where they can complete teacher education field requirements. International students are also required to obtain co-op work permit to comply with Federal Government Regulations.

Accommodations for Field Components

Students with documented disabilities and who are registered with Student Accessibility may be eligible for accommodations for required field components. Students requesting such accommodations should contact the Faculty of Education's Field Coordinator to begin the process of determining which accommodations may be possible. Such determination will occur in consultation with the accommodations officer in the school division of the pending field experience. Accommodations may vary as per both school division policies and degree requirements, and in keeping with the field requirements of the Saskatchewan Professional Teachers Regulatory Board. Determined accommodations will be documented by Student Accessibility and provided to the student's cooperating teacher and in-school administrator. This process seeks to provide fieldwork students with reasonable accommodations while ensuring that they fulfill the essential academic and program requirements of Field Experiences within the Faculty of Education.

Repeating Internship

If an intern withdraws or is required to withdraw from internship, a second attempt may be approved by the Director of Field Experience based on demonstration of readiness to repeat.

Students seeking to repeat a field component are required to meet with the Director and/or Coordinator of Field Experience to review issues identified in the Internship Placement Profile and to discuss next steps towards their continuation in the program.

Typically, a maximum of two attempts at internship will be allowed. However, a student who is unsuccessful twice at internship may appeal to the Professional Development Committee for a third attempt. The Committee serves as an advisory board to the Director. Interns whose placements are changed by the Director or Coordinator within a term will be considered to have attempted internship one time.

Requests for Modifications of Course or Program Requirements

Requests for modification of course or program requirements must be submitted in writing to the Associate Dean, Student Services and Undergraduate Programs in the Faculty of Education. Students in Baccalauréat en éducation programs will submit their requests in writing to the Director of the Baccalauréat en éducation program.

Concurrent Program

The Faculty of Education is the prime designation for students in any undergraduate teacher education program. This is to ensure that the sequential and developmental nature of the programs and the requirements for teacher certification are maintained.

Students selected into the Faculty of Education may request to enroll in a concurrent undergraduate program upon formal application to the Associate Dean, Student Services and Undergraduate Programs. For further information, please refer to the Graduation section.

Faculty Appeal Procedures

The Faculty of Education recognizes the right of students to appeal faculty decisions based on academic or professional performance in particular programs. As the Dean's designate, the Associate Dean of Student Services and Undergraduate Programs will convene a Faculty of Education Student Appeal Committee.

Faculty probation and RTD letters are mailed in May, September, and January. When RTDs are assessed, they are effective immediately. The faculty probation and RTD letters will state the deadlines for appeals. Appeals received by the deadline are heard within the term; late appeals will not be heard.

Faculty of Education policies related to Attendance, Cheating, Late Assignments, Plagiarism, Punctuality, Student Appeals Policy and Unprofessional Conduct are available from the Office of Student Services.

Students should contact the Faculty of Education Office of Student Services to initiate the appeal process.

Autres règlements de la Faculté

Préalables

Une étudiante ou un étudiant qui ne détient pas les préalables devra obligatoirement se retirer du cours, et ce, à ses propres frais, ou la note échec sera inscrite au relevé. Une permission écrite du responsable de l'unité dans laquelle est offert le cours doit être remise au Bureau du service à la population étudiante de la Faculté d'éducation pour chaque exemption de préalable à un cours.

Restrictions

Tous les cours en éducation comportant un élément pratique sont restreints. Seules les personnes admises dans un programme de certificat ou de baccalauréat en éducation peuvent s'inscrire à ces cours.

Dates limites d'inscription aux internats

Les dates limites d'inscription aux internats sont le 15 avril pour le trimestre d'automne et le 15 novembre pour le trimestre d'hiver.

Inscription en audition libre

L'audition libre est uniquement permise dans un petit nombre de cours en éducation; pour plus de détails, prière de consulter le Bureau du service à la population étudiante.

Cours obsolètes

Une personne admise ou réadmise à la Faculté d'éducation qui a suivi des cours de son programme il y a plus de huit ans pourrait devoir à faire une mise à jour de ses connaissances en suivant un cours de nouveau ou en suivant un cours supplémentaire. Pour plus de détails, prière de communiquer avec le Bureau du service à la population étudiante ou avec les responsables du programme d'éducation autochtone de l'Université des Premières Nations du Canada.

Revendication de crédits

Aucun cours en éducation ne peut faire l'objet d'une revendication de crédit.

Composantes d'expérience sur le terrain

Les programmes de formation comprennent de nombreuses expériences sur le terrain. Les étudiants doivent s'attendre à ce qu'au moins certaines de ces expériences sur le terrain se déroulent dans des écoles à l'extérieur de Regina. Les divisions scolaires exigent que les étudiants obtiennent une vérification du casier judiciaire et une vérification du secteur vulnérable avant de participer à un stage en milieu scolaire. Veuillez noter que les étudiants ayant une condamnation au titre du code criminel qui n'a pas été effacée seront confrontés à de sérieuses restrictions limitant les endroits où ils peuvent suivre les exigences de formation des enseignants. Les étudiants internationaux doivent également obtenir un permis de travail coopératif pour se conformer aux réglementations du gouvernement fédéral.

Accommodations pour les composants de terrain

Les étudiants ayant un handicap documenté et qui sont inscrits auprès de Students Accessibility Services peuvent être éligibles à des adaptations pour les composants requises sur le terrain. Les étudiants qui demandent de tels adaptations doivent contacter le coordonnateur de Field Placement de la Faculté d'éducation pour commencer le processus des adaptations qui pourraient être possibles. Cette décision se fera en consultation avec le responsable des accommodations de la division scolaire où se déroulera l'expérience pratique. Les accommodations peuvent varier selon les politiques des divisions scolaires et des exigences en matière de diplômes, conformément aux exigences sur le terrain de Saskatchewan Professional Teachers Regulatory Board. Les adaptations déterminées seront documentées par Student Accessibility et fournies à l'enseignant associé de l'étudiant.e et à l'administrateur de l'école. Ce processus vise à offrir aux étudiants en stage des adaptations raisonnables tout en garantissant qu'ils satisfont aux exigences académiques et de programme essentielles de la Faculté d'éducation.

Stage de redoublement

Si un stagiaire abandonne ou doit abandonner son stage, une deuxième tentative peut être approuvée par le directeur de Field Placement en fonction de la volonté et la préparation à redoubler.

Les étudiants souhaitant redoubler une composante sur le terrain doivent rencontrer le directeur et/ou le coordonnateur de l'expérience sur le terrain pour examiner les problèmes identifiés dans le profil de stage et discuter des prochaines étapes pour leur poursuite dans le programme.

En règle générale, un maximum de deux tentatives de stage sera autorisé. Toutefois, l'étudiant peut faire appel à la commission de développement professionnel pour une troisième tentative. Le comité servira comme un conseil consultatif auprès du directeur. Les stagiaires dont le placement est modifié par le directeur ou le

coordonnateur au cours d'un trimestre seront considérés comme ayant tenté un stage une seule fois.

Demandes de modification de cours ou d'exigences relatives au programme

Les demandes de modification de cours ou d'exigences relatives au programme doivent être déposées par écrit au vice-décanat, service à la population étudiante et programmes de premier cycle de la Faculté d'éducation. Pour les programmes au baccalauréat en éducation, les demandes doivent être déposées par écrit à la direction du baccalauréat en éducation.

Programme concomitant

La Faculté d'éducation englobe tous les programmes de premier cycle en éducation. De cette façon, la séquence et la nature développementale des programmes et des exigences de qualification pour l'enseignement sont assurées.

L'étudiante ou l'étudiant admis à la Faculté d'éducation qui souhaite s'inscrire dans un programme de premier cycle concomitant peut déposer une demande formelle au vice-décanat, service à la population étudiante et programmes de premier cycle. Pour plus de renseignements, prière de consulter la section Diplomation.

Procédures d'appel

La Faculté d'éducation reconnaît le droit de demander une révision de décision basée sur le rendement scolaire ou professionnel dans certains programmes. En tant que personne assignée par le décanat, la vice-doyenne ou le vice-doyen au service à la population étudiante et programmes de premier cycle formera un comité d'appel au sein de la Faculté d'éducation.

Les lettres d'avis de probation et d'exclusion sont envoyées en mai, en septembre et en janvier. Les exclusions sont en vigueur dès l'évaluation du dossier. Les dates limites de demande d'appel sont indiquées dans les lettres de probation et d'exclusion. Les demandes d'appel reçues avant la date limite sont traitées pendant le trimestre. Aucune demande d'appel tardive ne sera traitée.

Le Bureau du service à la population étudiante peut vous remettre les politiques de la Faculté d'éducation relatives à la présence aux cours, au plagiat, aux retards dans la remise des travaux, à la ponctualité, aux appels et à la conduite contraire à l'éthique professionnelle.

Pour amorcer une procédure d'appel, prière de communiquer avec le Bureau du service à la population étudiante de la Faculté d'éducation.

Academic Programs

Most students accepted into the Faculty of Education are enrolled in the four- or five-year BEd degree program. Students with approved degrees and required prerequisite courses are enrolled in the two-year BEd After Degree (BEAD) Program.

The numbers of students accepted annually into education programs are restricted in accordance with the current enrolment quotas.

Normally, students complete five courses of three credit hours each for a total of 15 credit hours; an academic year consists of 30 credit hours.

In all programs students may take no more than 42 credit hours of introductory courses for credit towards undergraduate degrees.

Programs in Arts Education

- Eight-term BEd (Arts Education) - (120 credit hours)
- Four-term BEAD (Arts Education) - (60 credit hours)

Programmes universitaires

La plupart des admissions à la Faculté d'Éducation sont au programme de quatre ou cinq ans au baccalauréat en éducation. Ceux et celles qui détiennent des diplômes reconnus ou des cours préalables s'inscrivent au programme de deux ans d'après diplôme.

Le nombre d'admissions annuelles dans les programmes d'éducation est limité en fonction des quotas.

Habituellement, les étudiantes et étudiants s'inscrivent à cinq cours de 3 heures-crédits pour un total de 15 heures-crédits par trimestre, et de 30 heures par année universitaire.

Nul ne peut faire plus de 42 heures-crédit de cours d'introduction en vue de l'obtention d'un diplôme de premier cycle.

Programmes en éducation des arts

Elementary Education Program

Overview of the Four-Year Elementary BEd Program

The Four-Year (eight-term) BEd Elementary Program requires 120 credit hours. The program consists of both academic courses taken outside the Faculty of Education as well as professional courses taken within.

Course requirements for the Four-Year BEd Elementary Program are listed below by term. Students expecting to take the program on a part-time basis will need to plan their program carefully in consultation with an advisor. Elementary Program students (with the exclusion of SUNTEP, YNTEP, FNUUniv and Community-based programs) are expected to meet the following requirements to progress through the program:

- Year One to Year Two - maintain a minimum 65.00% program average.
- Year Two to pre-internship (term five and six) – maintain a minimum 65.00% program average, complete or be registered for ECS 101, 102, and 203.
- From pre-internship to internship - maintain a minimum 65.00% program average, complete all pre-internship methodology classes (listed in term five and six), and pass the final evaluation of the three-week field placement in term six.
- Courses in terms one and two may be taken in either term. Courses in terms five and six are typically only available in the term they are listed in (fall only or winter only).

The Elementary Education Program includes extensive field experiences. Classroom-based field experiences occur with ECS 101 in year one, as components in the pre-internship terms (terms five and six), and the sixteen-week internship in the final year. Students should note that to progress to the three-week field component in term six, they must have successfully completed or be registered in all pre-internship methodology classes. Most classroom-based field experiences occur in schools in or near Regina. Placements for internship may be at various locations in southern Saskatchewan.

Program Options within Elementary Education

Students may register in one of the following Elementary Education streams: Early Elementary (Pre-K to Grade 5) or Middle Years (Grades 6 to 9). Although these streams have similar course requirements, adaptations are made in the presentation of some of the core courses.

Two-Year Elementary BEd After Degree (BEAD) Program

The Elementary BEd After Degree (BEAD) Program is designed for students having an approved first degree with a minimum UGPA of 65%. Students must have a minimum 39 credit hours which are supportive of provincial curricula. It is recommended that students have three provincial curricula areas (nine credit hours of senior courses). Prior to graduating from the Faculty of Education, students are advised they must have completed nine credit hours of senior courses in three provincial curricula areas.

Where deficiencies are evident, students may be required to take additional courses to complete degree requirements. The Elementary Education Program is broadly based, preparing school professionals who will teach provincial core curricula which includes: Arts Education, Health or Physical Education, Language Arts, Mathematics, Science and Social Studies.

For both Two-Year Elementary BEd After Degree Programs (Early Elementary and Middle Years) please note:

- Terms one and two are the pre-internship terms.
- Students' progress from one term to the next is dependent upon achieving positive assessments and evaluations in student review meetings which focus on academic and professional development.

BEd (Elementary) Degree Program for Certified Teachers with Approved Degrees (BA Plus a Professional Year or Equivalent)

This program usually requires completion of 30 credit hours as follows:

Credit hours	Requirements
3.0	A senior course in educational foundations*
3.0	A senior course in educational administration*
3.0	A senior course in educational psychology*
3.0	A senior curriculum and instruction course

* With the approval of Office of Student Services in the Faculty of Education, another course may be substituted by students with five or more years of teaching experience.

Remaining courses are selected in consultation with the student's advisor and with the approval of [Office of Student Services in the Faculty of Education](#).

Secondary Education Program

Overview of the Four-Year Secondary Program

The BEd Program in Secondary Education is designed to prepare students to begin teaching in the high school and also lays the groundwork for advanced study in education. Students' programs will have a major subject area (normally 24 credit hours in one subject area plus Education Major Method courses) and a minor subject area (normally 15 credit hours plus an Education Minor Method course). The program is designed to produce teachers who have extensive knowledge about instructional strategies and current curricula in their subject areas.

The program provides opportunities for students to develop a range of skills that are crucial to development of teaching skills in their professional careers. Exposure to a range of theoretical foundations is combined with practical experiences teaching in secondary schools. Students are encouraged to develop personal philosophies of education that are appropriate for today's changing secondary school students.

The BEd program is designed to have pre-service teachers develop confidence in their ability through a combination of field experiences and class content. Teachers are prepared to meet the needs of students and communities in the 21st century.

Policies and Regulations within the Secondary Programs

Students must have an advisor from their major area. This advisor will be identified Office of Student Services upon selection to the secondary program in the Faculty of Education.

Students are expected to maintain appropriate levels of academic performance during their program. Secondary Program students are required to have a minimum average of 70.00% in their major area to proceed to pre-internship. The Secondary Program recommends that the courses that constitute the 70.00% average are determined by the subject area. As well students are expected to demonstrate appropriate professional development during their program.

Students and their cooperating teachers are expected to participate in a professional development seminar during internship except in exceptional circumstances.

A student who does not successfully complete internship must have permission from the Director of Professional Development and Field Experiences and from the Associate Dean of Student Services and Undergraduate Programs (in consultation with others, as appropriate) before continuing in the program. Refer to the Audit Registration section.

Secondary Education and Arts Education Program Minors

(Options for all Secondary Education and Arts Education Programs)

Drama Education Minor (EDRA)

- Two (2) THTR/THDS/THAC/THST 100-400 level courses (6)
- Three (3) THTR/THDS/THAC/THST 200-400 level courses(9)
- EAE 201 (Curriculum course) (3)

English Minor (EENG)

- ENGL 110
- One of ENGL 213, 214, 312-315, or HUM 260
- ENGL 251 or 252
- ENGL 301 or 302
- Approved English elective
- ELNG 300 (to be taken as the fourth, fifth or sixth course in the minor sequence)

French Minor (EFRN)

- FRN 200* or 201
- FRN 300
- FRN 301
- FRN niveau 200/ 300/400
- FRN 340 AA-ZZ or FRN 246
- EFRN 300

Note: Students admitted to the français de base Education Program at a level lower than FRN 200, such as FRN 101 or 110, will have to take these courses to bring their level of proficiency up to FRN 200 before they can take the FRN courses required by their program (major or minor).

General Fine Arts Education (EFAE)

- Two (2) Media, Art, and Performance Courses at the 100-400 level (3)
- Three (3) Media, Art, and Performance Courses at the 200-400 level (3)
- EAE 201 (3)

Note: Students must complete at least three different Media, Art, and Performances disciplines.

Health Education Minor (EHE)

- EHE 258
- EHE 300
- EHE 385
- EHE 487
- Two Non-education electives (6)

Note: Elective courses approved by the subject area may be substituted for no more than two of the above courses.

Inclusive Education Minor (EDIE)

- EPSY 322 or 400
- EPSY 323
- EPSY 324
- EPSY 326
- EPSY 328
- Approved elective – EPSY 329, EPSY 300-level or 400-level (Inclusive Ed./Special Ed. course), or KIN 120

Literature Education (ELIT)

- ENGL 110 (3)
- Four (4) ENGL 200–400 level courses (12)
- ELNG 300 (Curriculum course) (3)

Mathematics Education Minor (EMTH)

- MATH 108* or MATH 124 (Physics majors must take MATH 122)
- MATH 110
- MATH 127
- MATH 221
- MATH 231
- EMTH 300

Outdoor Education Minor (EOE)

- EOE 224
- EOE 338
- EOE 339 or approved course
- One Education elective
- One of BIO 276, GES 200, INDG 236, INDG 290AE, ESCI 302, ENEV 321, ENHS 340, ENVS 100, MAP 300AQ, PHIL, 275, SOC 230, SOC 330, WGST 201, or approved environmental elective (3)
- SRS 360 or SRS 460 or Non-education elective

Physical Education Minor (EPE)

- EOE 224
- EPE 100
- EPE 300
- KHS 231
- KHS 232
- KHS 233

Social Studies Education Minor (ESST)

- ESST 300
- GES 100
- HIST 100-level
- INDG 100
- An approved social science course from political science, history, economics, anthropology, sociology, indigenous studies, GES 210 or 120, or ESST 369
- Senior Canadian history – 201, 202, 310, 318, or 330

Visual Arts Education Minor (EVIS)

- ART 100, ARTH 100 or INA 100
- ART 220 or INA 220
- ART 221 or INA 221
- ART/ INA course 200-400 level (3)
- ART/INA course 200-400 level (3)
- EAE 201 (Curriculum course) (3)

Music Education Minors

Note: Music Minors cannot be taken with a Music major.

Two-Year Secondary Bed After Degree (BEAD) Program

To be considered for the Secondary BEd After Degree (BEAD) Program, a student must have an approved university degree which includes at least 24 credit hours of approved courses in a school teaching major and 15 credit hours of approved courses in a school teaching minor. Refer to the Admissions section. The program normally requires completion of a minimum of 60 credit hours. Depending on courses taken in the undergraduate degree, students may be required to take additional courses, or advanced standing may be granted. Students should have their transcripts evaluated by the Faculty of Education Office of Student Services and will be assigned a faculty advisor from their teaching major.

Appropriate professional development and an average of 70% in the major are required for entrance into pre-internship. Refer to the Policies/Regulations within the Secondary Programs section.

Students may apply to the Saskatchewan Professional Teachers Regulatory Board for teacher certification (refer to the Faculty of Education Residency and Transfer Credit section for contact information) after completing 48 credit hours of education course work (including internship) and major and minor requirements.

3.0	Educational Psychology*
3.0	Educational Foundations*
3.0	Educational Administration*
6.0	Appropriate senior curriculum and instruction courses
<p>* With the approval of the Faculty of Education Office of Student Services, another course may be substituted by students with five or more years of teaching experience.</p> <ul style="list-style-type: none"> The remaining courses are selected in consultation with the student's advisor. Completion of a minor is a normal requirement. 	

Conjoint Degree Programs

Bachelor of Education (BEd)/ Bachelor of Kinesiology (BKin) Conjoint Program Resulting in Two Degrees

Refer also to this program in the [Faculty of Kinesiology and Health Studies](#) section.

This five-year program is offered jointly by the Faculty of Education and the Faculty of Kinesiology and Health Studies under the supervision of a joint coordinating committee of the two faculties. The program consists of a minimum of 150 credit hours and depending on the minor chosen; students may be required to complete additional credit hours. Once students enter the program, they must complete the entire integrated program to graduate with either degree. Should a student decide to pursue only one of the degrees identified, they must officially apply to transfer out of the joint program. Upon completion, students will receive a Bachelor of Education (Physical Education major) and a Bachelor of Kinesiology (Physical Literacy major). Students may apply directly from high school or as a transfer student through either faculty.

Admission Criteria and Application Process

Students applying into the Conjoint BEd/BKin Program must meet the admission criteria for both the Faculty of Education (BEd) and the Faculty of Kinesiology and Health Studies (BKin). Application deadline dates and processes can be found in the Admissions section.

All applications to the Joint Program require a Teacher Education Application and Profile.

Academic Advising

Academic advising will be done jointly with representatives from both faculties.

Conjoint Program Academic Performance and Progress

Student performance will be governed by both the university academic standards ([Academic Regulations section](#)) and program standards as outlined by the Faculty of Education.

Appeals of Academic Standing

If there are extenuating circumstances related to academic performance, students may appeal the application of academic probation or a requirement to discontinue by writing to:

BEd/BKin Conjoint Program Review Committee
c/o Faculty of Education Office of Student Services (ED 355)
University of Regina, SK S4S 0A2
Fax: 306-585-4006

Re-Admission after being Required to Discontinue from the Conjoint Program

Students who have been required to discontinue from the conjoint program must petition using the Teacher Education Application and Profile and a letter of petition to the BEd/BKin Joint Program Review Committee by February 1 for the subsequent fall term.

Conjoint Degrees Program Course Requirements

Students must complete:

All Bachelor of Education (Physical Education major) course requirements as outlined in the Faculty of Education Residency and Transfer Credit section.

All Bachelor of Kinesiology core requirements as outlined in BKin Core section with the following three exceptions:

1. Students must complete ENGL 100 as their writing competency course. They must complete KHS 100 (Seminar in Kinesiology and Health Studies).
2. Fieldwork (KHS 400 and KHS 405) will be given credit through successful completion of EFLD 400 (Internship). The EFLD 400 internship will be modified in order to maintain the integrity of the BKin, while also meeting the requirements outlined by the Faculty of Education.
3. All requirements of the Physical Literacy major outlined in the BKin Majors section.

Five-Year BEd/BSc Secondary Mathematics Program Resulting in Two Degrees

This program is designed to provide student teachers with the opportunity to gain a deeper understanding of mathematics and more flexible options in terms of pursuing two degrees. It will produce educators with enhanced specialization in mathematics.

Note: Students entering this program must consult with the Faculty of Science with regard to BSc requirements. Students require a teacher education minor to fulfill the requirements for the BEd. Students should consult with the Faculty of Education Office of Student Services to choose a minor. Students must choose one of the following minors to complete the program in the designated time: English Education, French Education, Music Education, Science Education, Social Studies Education, or Visual Education. The minor course requirements as listed in Secondary Education Program (Minors) section will be fulfilled in the Arts, or Media, Art, and Performance elective or in the Natural Science or science elective in terms 1, 2, 4, 6 or 7.

Bachelor of Music Education (BMusEd)/Bachelor of Music (BMus) Conjoint Degree Program

Refer also to this program in the Faculty of Media, Art, and Performance section.

This five-year program is offered jointly by the Faculty of Media, Art, and Performance and the Faculty of Education under the supervision of a joint coordinating committee of the two faculties. The program prepares students to teach secondary choral and instrumental music. The program consists of minimum of 150 credit hours and depending on the teaching minor chosen, students may be required to complete additional credit hours in order to qualify for teacher certification. Once students enter the program, they must complete the entire integrated program to graduate with either degree. Should a student decide to pursue only one of the degrees identified, they must officially apply to transfer out of the joint program. Upon the completion, students will receive a Bachelor of Music Education degree and a Bachelor of Music degree.

All students in the program register in the Faculty of Media, Art, and Performance for term 1 through 6 and obtain academic advising from the Department of Music in the Faculty of Media, Art, and Performance. In term 7 through 10, students register through the Faculty of Education and must obtain academic advising from the Student Program Center, Faculty of Education and the Chair of Music Education, Faculty of Education. Students must apply to both the Faculty of Education and the Faculty of Media, Art, and Performance for graduation.

Admission Criteria and Application Process

Students applying to the joint BMusEd/BMus Program must meet the admission criteria for both the Faculty of Education (BMusEd) and the Faculty of Media, Art, and Performance (BMus), including successful completion of an audition and an examination in music theory to be given by the Music Department. Application deadline dates and process can be found in Admissions section. Dates of auditions are available on request from the Music Department.

In addition, all applications to the Joint Program require a Teacher Education Application and Profile. Contact the Student Program Center, Faculty of Education for application procedures.

Program requirements

Students pursue applied music study on one instrument or voice for six terms, presenting a half-hour public recital during the sixth term. This recital requirement may be fulfilled by a one half-hour jury recital before music faculty members with the permission of the Music Department Head. The recital requirement must be completed before students enter term 7 of the program.

Successful participation in two core ensembles is required during each of the first six terms.

A PGPA of 70.00% is required in their combined music and music education courses in order to proceed to pre-internship in term 8.

One term is devoted to internship (EFLD 400) with 15 credits to be counted toward graduation.

Term 10 has been strategically constructed to allow for a term of international study (optional).

Qualifying for the Professional A Certificate granted by the provincial Ministry of Education will require careful management of all of the options and electives available in the program.

Academic Advising

Academic advising will be done jointly with representatives from both faculties.

Conjoint Program Academic Performance and Progress

Student's performance will be governed by both the university academic standards (see the [Academic Regulations](#) section) and program standards as outlined in the Faculty of Education section and the Faculty of Media, Art, and Performance section. Student progress is monitored regularly by the Joint Coordinating Committee.

Appeals of Academic Standing

Students are subject to the academic performance regulations of both faculties and student progress is monitored regularly by the Joint Coordinating Committee. For details on academic performance see the [Academic Regulations](#) section and the relevant Faculty Regulations sections.

The PGPA required for graduation is 65%.

If there are extenuating circumstances related to academic performance, students may appeal the application of academic probation or a requirement to discontinue by writing to:

Joint BMusEd/BMus Program Review Committee
c/o Faculty of Education
Office of Student Services (ED 355)
University of Regina, SK S4S 0A2
Fax: 306-585-4006

Re-admission after Being Required to Discontinue from the Conjoint Program

Students who have been required to discontinue from the joint program must petition using the Teacher Education Application and Profile and a letter of petition to the Joint BMusEd/BMus Program Review Committee by February 1 for the subsequent fall term.

Conjoint Degrees Program Course Requirements

Students must complete:

- All Bachelor of Music Education course requirements as outlined the Secondary Education Program (Majors) section.
- All Bachelor of Music requirements as outlined in the program template.
- ENGL 100 as their writing competency course.

Indigenous Education Programs First Nations University of Canada

Four-Year Elementary Bachelor of Indigenous Education Program

The First Nations University of Canada Indigenous Education Department program has components of the University of Regina Faculty of Education elementary program as well as features unique to Indigenous education. The First Nations University of Canada Elementary Program prepares teachers as generalists. Students take methodology courses in seven teaching subject areas. The program has an emphasis in language arts and requires a concentration in Indigenous education.

First Nations University of Canada students take most of their education courses through the First Nations University of Canada Indigenous Education Program. These courses have been adapted to include First Nations content and processes and the teaching of First Nations students. Specific Indigenous Education courses have been designed to introduce teachers to the unique needs of First Nations students and to address the issues of Indigenous education. Please refer to the First Nations University of Canada calendar for further description of course offerings or visit their website at: www.fnuniv.ca. Cultural components are integrated throughout the program with an off-campus cultural component offered in year II. Field experiences are taken in band and provincial schools, as well as in rural and urban locations. In year III, students have a required field component in a First Nations school on a reserve.

Academic regulations follow those of the University of Regina, with some specific guidelines established by the Indigenous Education Program.

Students enter the program through general admission to the University with high school graduation. Students' progress from one term to the next is dependent upon achieving positive assessments in faculty reviews of both academic and professional development.

Students must apply and be interviewed for admission to the Indigenous Education Department programs. Students are required to plan their programs in consultation with assigned faculty advisors. Appointments for academic advising should be made through the:

Four-Year Secondary Bachelor of Indigenous Education Program (BIEd)

Overview

The Secondary Program prepares students for teaching at the high school level. Indigenous Education offers a four-year Bachelor of Education (BEEd) and a two-year Bachelor of Education After Degree (BEAD) for those students who have an approved first degree. The framework for these programs is based upon the University of Regina Secondary Program. The First Nations University of Canada program emphasizes Aboriginal processes, worldviews, and knowledge along with field experiences integrated with course offerings.

Academic regulations follow those of the University of Regina, with some specific guidelines established by Indigenous Education.

Students enter the program through general admission to the University with high school graduation. Students' progress from one term to the next is dependent upon achieving positive assessments in faculty reviews of both academic and professional development.

Students must apply and be interviewed for admission to the Indigenous Education programs. Students are required to plan their programs in consultation with assigned faculty advisors. Appointments for academic advising should be made through Indigenous Education, 306-790-5950, Ext 7526.

Indigenous Education offers an 8-term Bachelor of Indigenous Education. Secondary Teacher Education students must select a major and a minor area of study in the BIEd. The Indigenous Education program allows students to select an Indigenous Studies major, delivered by First Nations University of Canada. Students may select other majors from offerings in the Faculty of Education, Secondary Education Program (Majors) section. Minor areas of study may be selected from those available in the Faculty of Education, Secondary Education Program (Minors) section.

Students are required to meet established standards to proceed to each of the second, third, and fourth years of the program. These standards include appropriate professional development. A student must have an average of at least 70% in the major to proceed to internship. The number of students in the secondary program is limited to those admitted through a selection process. Student records will be reviewed for admission to EIND 200, EIND 350, and internship. Students require a PGPA of 65% for graduation.

Field Experience Components

The Indigenous Education program includes student teaching experiences in several terms of the program including EIND 100, EIND 200, EIND 350, EIND 305 and EFLD 400. EIND has a requirement for practicum in a reserve school in Saskatchewan. In EFLD 400, students have a sixteen-week school placement in an urban, rural, or reserve school.

Secondary Bachelor of Indigenous Education After Degree (BIEAD)

An approved university degree which includes at least 24 hours of approved courses in a school teaching major and 18 hours of approved courses in a school teaching minor is required for entrance.

The program normally requires completion of a minimum of 60 credit hours. Additional courses may be required to complete requirements for the major or minor areas of study.

In addition to satisfying major and minor requirements, students must complete EIND 100 and EIND 200 prior to the pre-internship term. While students may, under special circumstances, take these two courses concurrently, they are urged to take EIND 100 either as part of their first degree, or before they begin the BEAD program. Appropriate professional development and an average of 70% in the major are normally required for entrance into internship.

The Indigenous Education Program offers courses needed to complete the major or the minor in Indigenous Studies. Other majors or minors may be selected from those available in the Faculty of Education, Secondary Education Program (Majors) or Secondary Education Program (Minors) sections.

Students may need to take prerequisite courses toward fulfilling requirements in the major or minor areas.

Field Experience Components

The Indigenous Education BEAD program includes student teaching experiences in each term of the program including EIND 100, EIND 200, EIND 350, EIND 305 and EFLD 400. EIND has a requirement for practicum in a First Nations school in Saskatchewan. In EFLD 400, students have a sixteen-week school placement in an urban, rural or First Nations school.

Cultural Component

The Indigenous Education Program's courses emphasize First Nations content and processes. Cultural components are integrated throughout the program with a specific off-campus cultural camp component offered.

Prerequisites

- Approved degree
- Most arts and science courses to fulfill major and minor requirements

Notes: BEAD applicants are required to have achieved at least a 65.00% PGPA on their (approved) previous degree.

In order to proceed to internship, students must have a GPA of 70.00% in their major and to graduate, must have a Program GPA of 65.00%.

Saskatchewan Urban Native Teacher Education Program (SUNTEP)

Four-Year Elementary BEd (SUNTEP) Program

SUNTEP offers a University of Regina BEd (Elementary Education) degree through the Gabriel Dumont Institute.

The SUNTEP Program includes concentrations in English reading/language arts and cross-cultural education with an emphasis on Métis/First Nations history and culture. Within the requirements of the Elementary Program, SUNTEP students take a minimum of four Indigenous Studies courses and two cross-cultural education courses. In addition to English reading/language arts courses identified by the Elementary Program, SUNTEP students' programs include an Aboriginal language, Assessment and Treatment of Reading Difficulties, and Children's Literature and the Elementary School Program courses. The program provides a solid foundation in the theories and skills of teaching.

The SUNTEP Program prepares prospective teachers of Aboriginal ancestry to be fully qualified teachers, sensitive to the educational needs of all students, particularly those of Métis/First Nations ancestry.

Les programmes de Baccalauréat en éducation française

English Summary

Elementary and Secondary four-year Programs prepare prospective teachers for French immersion, francophone, and Core French schools. Students will receive most of their instruction in French. Students accepted into the French immersion or Francophone offerings who are from Saskatchewan or from an Anglophone province will be required to complete their second year of studies at Université Laval in Quebec City. Graduates of Core French programs (the regular French offerings within English language schools) will have access to a Certificate in French as a Second Language through the French and Francophone Intercultural Studies Program of the La Cité universitaire francophone at the University of Regina to assist them in developing the required French language skills to enter the program. For a description of certificate programs, please refer to the La Cité universitaire francophone section of this calendar. Graduates who have successfully completed Français Immersion 30, Français Fransaskois A30 or B30 have the French language skills required for admission into the first year of the French immersion or Francophone programs should they meet the University of Regina general entrance requirements.

Elementary, secondary and Core French after degree (BEAD) Programs are also available.

French is the first major area of study for all secondary offerings. Secondary offerings require a minor in areas such as: biology, chemistry, mathematics, social studies, arts education, physical education, English, or general sciences (other subject area minors are possible).

Sommaire en français

Les programmes élémentaire et secondaire de quatre ans visent les étudiantes qui se destinent à l'enseignement dans les écoles d'immersion, francophones et de français de base. Presque tous les cours seront donnés en français. Les étudiantes de la Saskatchewan et des provinces anglophones ayant été aux voies immersive ou francophone auront à compléter leur deuxième année à l'Université Laval à Québec. Les diplômées du français de base (le programme régulier de français offert dans les écoles anglaises) ont accès à un Certificat en français langue seconde du Programme d'études francophones et interculturelles de La Cité universitaire francophone, pour les aider à développer les compétences en français requises pour être admis dans le programme. Nous vous

prions de consulter la description des programmes du Certificat à la La Cité universitaire francophone section.

Les diplômées ayant réussi français immersion 30 ou français francophone A30 ou B30 ont les compétences langagières pour être admise en première année du programme, pourvu qu'ils/elles répondent aux exigences générales d'admission de l'Université.

Un Baccalauréat en éducation élémentaire française après diplôme (BEAD) ainsi qu'un BEAD au niveau secondaire (français et français de base) sont également offerts.

Le français est la première concentration pour les deux voies secondaires. Les voies secondaires exigent une deuxième concentration dans une des matières suivantes telles la biologie, la chimie, les mathématiques, les sciences humaines, l'éducation artistique l'éducation physique, l'anglais ou les sciences générales (d'autres concentrations sont possibles).

Pour de plus amples informations, communiquer avec le bureau du Baccalauréat en éducation, CT 211, au 306-585-4507. Critères d'admissibilité et de continuation.

Arts Education Program

Arts Education Programs allow students with a special interest in the arts to pursue an elementary or secondary pathway while maintaining an arts education orientation to teaching. Those selecting the Four-Year Elementary Arts Education Program have the flexibility to engage in a range of subject areas within the arts, including dance education, drama education, literature education, music education, visual arts education and general arts education.

Those selecting the Four-Year Secondary Arts Education Program choose a major from the following areas of study: Drama Education, General Fine Arts Education, Literature Education, and Visual Arts Education. In addition, Secondary Arts Education Program students choose any approved Secondary Program teaching minor. Two-Year After Degree Programs in Elementary and Secondary Arts Education are also available for students with a BA, BFA, or another approved degree. All programs lead to full teacher certification. *Note: Those interested in teaching music in secondary schools are advised to consider the Joint Bachelor of Music Education (BMusEd) / Bachelor of Music (BMus) Program or the Secondary BEd After Degree (BEAD) Music Major.

The four-year Arts Education Program leads to a BEd degree and full teacher certification.

Similarly, the After Degree (BEAD) Program of 60 credit hours is also available for students with a BA, BFA or another approved degree and full teacher certification.

Special Notes on Possibilities for Earning Two Degrees

- Students earning a BEd degree in Arts Education may pursue a three-year BA degree in visual art, Indigenous art, theatre, or music will require additional course work.
- The BA degree will be awarded only after the BEd degree has been awarded.

For further information, please refer Graduation section of the undergraduate calendar and contact the Faculty of Media, Art, and Performance for additional requirements in earning a three-year BA degree.

Secondary Arts Education Majors

(Options for Secondary Arts Education program only)

Drama Education (EDRA)

- THTR 101 or 110 (3)
- THTR 112, 121, or 212 (3)
- THTR 213 (3)
- THTR 223 (3)
- THTR/THDS/THAC/THST 200-400 level or ENGL 223 (3)
- Three (3) THTR/THDS/THAC/THST courses at the 200-400 level (9)

Note: Required major curriculum courses EAE 201, EAE 350, and EAE 400

General Fine Arts Education (EFAE)

- Three (3) Media, Art, and Performance courses at the 100-400 level (9)
- Five (5) Media, Art, and Performance courses at the 200-400 level (15)

Note: Required major curriculum courses EAE 201, EAE 350, and EAE 400

Students must complete at least three different Media, Art, and Performances disciplines/strands

Literature Education (ELIT)

- ENGL 110 (3)
- One (1) of ENGL 213, 214, 312-315 (3)
- ENGL 251 or 252 (3)
- Five (5) ENGL 200 – 400 level courses (15)

Note: Required major curriculum courses, EAE 350, ELNG 300, and ELNG 350 or 351.

In order to meet Ministry of Education accreditation criteria, ELIT majors will take the required ENGL and ELNG courses in place of Media, Art, and Performance electives and EAE Major curriculum courses, as laid out in the program template.

Visual Arts Education (EVIS)

- ART or INA 100-400 level (3)
- Two (2) ART/ARTH/INA/INAH 100-400 level courses (3)
- ART/ARTH/INA/INAH 100-400 level (3)
- ART 220 or INA 220 (3)
- ART 221 or INA 221 (3)
- Three (3) ART or INA 200-400 level courses (9)
- Two (2) ART or INA 200-400 level courses (6)
- ART or INA 200-400 level (3)

Note: Required major curriculum courses EAE 201, EAE 350, and EAE 400.

Arts Education Minors are listed in the [Secondary Education and Arts Education Program Minors](#) section.

Yukon Native Teacher Education Program

YNTEP BEd Elementary

Delivered through Yukon University, the Yukon Native Teacher Education Program (YNTEP) offers two pathways towards a University of Regina BEd (Elementary Education). YNTEP places a special emphasis on Yukon First Nation cultures and histories, Indigenous education, and pedagogy for decolonization.

Certificate Programs

Advanced Certificate in Education

This is a one-year program (30 credit hours) of undergraduate courses to meet re-orientation objectives of holders of a BEd. For planning a program contact the Faculty of Education Office of Student Services.

Qualifications for Admissions into the Advanced Certificate in Education

Applicants to the Advanced Certificate in Education must have an approved Bachelor of Education (B.Ed.) degree with a minimum 65.00% UGPA or applicants may complete the certificate concurrent with their B.Ed. program at the University of Regina.

The graduation requirement for the Advanced Certificate in Education is 65.00%.

Certificate for Internationally Educated Teachers

Admission Requirements

Saskatchewan Teacher's Certificate Assessment letter from the Saskatchewan Professional Teachers Regulatory Board and Proficiency in English, according to the University of Regina Language Proficiency Regulations. Admission is available in all terms and will align with the University of Regina deadline dates.

Certificate in Teaching Elementary School Mathematics

Admissions Temporarily Suspended

Applicants to the Teaching Elementary School Mathematics certificate program must have an approved Bachelor of Education (BEd) degree with a minimum 65% UGPA or have successfully completed the pre-internship term of their BEd program.

Designed for those involved in the mathematics education of K-8 students, this program provides experiences to deepen one's understanding of mathematics concepts, with courses in number sense, spatial reasoning, and modeling and representation, as well as courses in culturally responsive pedagogy, inclusive education, and research in the field of mathematics education.

The graduation requirement for the 30 credit hour program is 65% as per the [Progress in the Program](#), Faculty Action section.

Note: If a student already has credit for EDTC 300, then EDTC 400 may be taken. Taking both EDTC 300 and EDTC 400 as electives in this certificate program is not permitted	

Courses

Please refer to [UR Self-Service](#) or the Courses section.

Cautionary Note: To service the needs of those students seeking certification requirements and to keep staff load at a reasonable limit to provide for optimum efficiency, it may sometimes be necessary to drop an optional course in order to staff those courses required for student certification as professional teachers. Courses additional to those listed may be offered. Information can be obtained from the Faculty of Education Office of Student Services, Room 355.

Experimental Courses

With the exception of courses numbered 498 and 499, which are designed for independent study or special projects, all courses in the 490AA-ZZ range are experimental. When courses have passed the experimental stage, they will appear as regular courses within the appropriate subject area.

Independent Study or Special Project Courses

Courses numbered 498 and 499 are reserved as independent study or special project courses in the student's field of special interest in education.

Undergraduate Programs

The Faculty of Engineering and Applied Science offers a Bachelor of Applied Science (BASC) degree in Engineering.

Systems Engineering

All of the programs in this group have in common the "systems approach" to engineering education. Although each program has some unique implementation of the systems theme, a common underlying objective is to produce engineering graduates with not only a strong base of technical knowledge but also the breadth of non-technical skills that a successful professional engineer should have in the workplace.

This breadth of skills includes economic, social, environmental, administrative and professional awareness. These are interdisciplinary skills that emphasize the interrelationships with people, workplace, environment, and the broader implication of engineering technology for society at large and for the surrounding technical and natural environment. When combined with the Co-operative work-study format (see the faculty's Co-operative Education Programs section), this "systems approach" provides engineering graduates with a high level of maturity and adaptability. The breadth skills comprise approximately 20% of the academic program.

On the technical level, "systems" engineering concentrates on the technical design of the whole, as distinct from the parts. In addition to being specialists in the various components of technology, systems engineers understand how these components are interrelated and interconnected. They can do the engineering design and analysis necessary to produce a total working system. For example, a landfill is not just an earthmoving project but also affects transportation and traffic, plus water, air and soil contamination. Technical and scientific skills comprise 80% of the academic program.

The Faculty of Engineering and Applied Science pioneered systems engineering and Co-operative education in Western Canada and continues to be a leader and innovator in engineering education.

Accreditation

The Canadian Engineering Accreditation Board has accredited programs in Electronic Systems, Energy Systems, Environmental Systems, Industrial Systems, Petroleum Systems (admissions suspended as of September 2022) and Software Systems Engineering. This accreditation ensures that the graduates of these programs meet the standards necessary for registration as Professional Engineers in Canada.

Engineering Societies

Engineering students are encouraged to become members of the undergraduate Engineering Student Society, and also to become student members of the Institute of Electrical and Electronic Engineers, Canadian Society for Civil Engineering, the Institute of Industrial Engineers, the Society of Automotive Engineers, the Environmental Systems Engineering Students Society, and the Society of Petroleum Engineers.

Admission, Re-Admission, and Transfer

Students admitted, re-admitted or transferred into the Faculty must meet program requirements as indicated in the most current undergraduate calendar in effect at the time of the admission, re-admission or transfer (subject to further program changes). See the Admissions section.

Special Admissions Provisions

Applicants who have completed diplomas at a technical institution will be admitted as long as they have a minimum average of 70.00%.

Students who have been required to discontinue permanently from an engineering program at another institution will not normally be accepted. A student who has been required to discontinue temporarily will be accepted when the term of the discontinuance has expired, but the student will be given a low priority.

Residency and Transfer Credit

A maximum of 20 courses (60 hours) of transfer credit from a Canadian University may be applied to a Bachelor of Applied Science program providing a minimum grade of 60.00% has been achieved (University of Regina equivalent). No exception will be made to this rule.

Courses that have an engineering design component will only be granted transfer credit provided they satisfy the requirements set out by the Canadian Engineering Accreditation Board.

Transfer credit may be awarded on the basis of the evaluation of a course (course by course), a series of courses (two or more courses equivalent to one course), or a block of courses (a group of courses equivalent to a specified number of credit hours).

In addition to a detailed course syllabus, students may be requested to provide the Faculty with comprehensive course information including course notes, assignments, distribution of marks, instructor

credentials and contact information, samples of labs, midterms, and/or final exams.

No transfer credit will be awarded for ENEL 400, ENEV 400, ENIN 400, ENPE 400, ENSE 400, ENGG 401, ENIN 413, ENEV 415, ENEL 417, ENPE 419, and ENSE 477. Those transferring from another institution should note that students who have completed more than 63 credit hours are ineligible for the Co-operative Education Program (the faculty's Co-operative Education Programs section).

Transfer credit awarded in the Faculty of Engineering and Applied Science may not apply if a student transfers to another faculty.

Academic Advising and Registration

Academic advising is offered to all engineering students. Students may book an appointment online:

www.uregina.ca/engineering/advising.

First-term engineering students are invited to attend a registration session at which time a timetable of assigned courses is provided. First-year students who are unable to attend may register by e-mail at engg@uregina.ca.

Engineering elective courses may not be offered every year and a scheduled elective may be cancelled because of low enrolment. There may at times be a change in the sequencing of some required courses, so students who plan to take a course outside the normal sequence should first consult the Faculty Office. Normal sequencing of courses is shown in the Academic Programs section.

Course Load

The normal course load for Engineering students in all academic study terms, including Spring/Summer session, is 15 credit hours.

Evaluation of Academic Performance

In addition to the University Regulations (refer to the [Academic Regulations](#) section) the following Faculty regulations apply to all students registered in the Faculty of Engineering and Applied Science. See the Academic Regulations section for descriptions of the different kinds of GPA referred to in this section.

Dean's Honours List

In order to be eligible for inclusion on the Dean's Honour List, Engineering students must obtain a TGPA of 85.00% on at least 12 credit hours of numerically graded courses. Refer to the [Academic Regulations](#) section.

Probation and Discontinuance

University regulations governing academic performance apply to Engineering students (see the Academic Regulations section).

Faculty Regulations

The Faculty of Engineering and Applied Science evaluates academic performance each term.

Students may be required to discontinue from the Faculty for a period of eight months (two terms) if a course is failed more than once with the exception of English (ENGL) 100. See the [Academic Regulations](#) section.

Students may also be required to discontinue from the Faculty at any time for unacceptable professional conduct. Refer also to the Academic Regulations section.

Students must repeat all required courses in which they have a grade of less than 50% (failed course).

When calculating a student's average, the Faculty will use the last grade obtained for all repeated courses (see the Academic Regulations section).

If an Incomplete (IN) is not completed by the end of the following term, an NP will be assigned.

Averages are calculated to two decimal points. The calculation is not rounded but is truncated to two decimal points.

These decisions can be appealed to the Faculty's Student Appeals Committee. Refer to the [Student Code of Conduct and Right to Appeal](#) section.

Re-admission and Transfer following an RTD

Students who have been required to discontinue under the Faculty regulations may petition for re-admission after they have discontinued studies for the required period, or students may petition for transfer to another faculty (see the Admissions section).

Graduation and Time Limit Requirements

Upon completion of all program requirements, students must apply to graduate through UR Self-Service.

University regulations and deadlines governing graduation and convocation ceremonies apply to Engineering students. See the Graduation section for more information.

Students must complete the BAsC degree within ten years of starting in the Faculty. Students transferring into the Faculty of Engineering and Applied Science and who have been given transfer credits may have this time reduced depending on the transfer credits that have been given. Students with exceptional circumstances may request the approval of the Faculty for an extension.

Double majors are permitted if a student meets the course requirements of each program. Students must consult the Associate Dean (Academic) for approval.

A program grade point average (PGPA) of 60.00% is required for graduation.

Faculty and Institutional Honours are as follows:

- A PGPA of 80.00% is required for graduation with distinction.
- A PGPA of 85.00% is required for graduation with great distinction.
- Successful completion of four work terms is required for graduation with Co-op designation.
- Successful completion of the 12- or 16-month internship is required for graduation with Internship designation.

Other Faculty Regulations

Calculator Use in Examinations

Engineering students are required to obtain an approved calculator available for sale at the UR Bookstore. Bookstore staff will put an engineering sticker on the approved calculator. Only this calculator will be permitted for use in examinations.

Pre-requisite Waiver Procedure

All students are required to satisfy the prerequisite and corequisite course requirements before registering in a subsequent course. In a very limited number of special cases, a course instructor may waive such requirements; however, all prerequisite waivers must also be approved by the program chairs. Students must read eligibility criteria for prerequisite waivers before completing the prerequisite waiver form, which is available on the Faculty's website.

Faculty Appeals Procedures

Students have the right to appeal any academic action, including probation and discontinuance (University or Faculty).

Appeals must be made in writing within two weeks of notification of the academic action and are to include an explanation of extenuating circumstances. Supporting documents (for example, a medical certificate) must accompany the appeal. Appeals are to be addressed to:

Faculty of Engineering and Applied Science
 Student Appeals Committee
 ED 409
 University of Regina
 Regina, SK S4S 0A2

The Faculty of Engineering and Applied Science Student Appeals Committee comprises appointed faculty, one from each program area. The Associate Dean (Academic), the faculty administrator, the manager of academic advising, and the director of Co-op sit on the committee as *ex officio* members. By appointment, students are permitted to present their case in person to the Committee. Students are notified in writing of the outcome of their appeal.

Co-operative Education Programs

In conjunction with the University's Co-operative Education Program, the Faculty of Engineering and Applied Science operates a program in Co-operative engineering education in which students take university courses and obtain engineering-oriented work experience in industry or business. This is made possible by completing three 4-month terms per year.

Experience has shown that putting classroom theory into practice early in students' university life tends to improve motivation and academic performance. As well, the practical experience aids in choosing the area of studies best suited to students' talents. Being employed during a mix of work/study terms will help students who require financial assistance, but such employment is not assured by acceptance into the Co-operative Education Program.

Refer to the [General Information for Students](#) section for general regulations governing University of Regina Co-operative Education Programs.

Sequencing

Work terms and study terms are sequenced over a total period of four years and eight months as shown below. There are four required work terms and nine study terms (see below and the Faculty's Academic Programs section).

Fall	Winter	Spring	Fall	Winter	Spring	Fall
1	2		3	Work term or 4	Work term or 4	5
Winter	Spring	Fall	Winter	Spring	Fall	Winter
Work term	6	Work term	7	Work term	8	9

Normally, students must complete the first work term before study term 5, the second before study term 6, the third before study term 7, and the fourth before study term 8. Changes to this sequencing (e.g. double work terms) must be made in consultation with the Director, Co-op Work Study Programs for approval.

Academic Rules

Students registered in a BAsC program in Systems Engineering in the Faculty of Engineering and Applied Science (except for those explicitly excluded, such as by an exchange agreement) may participate in the Co-operative Education program, under the direction of the Director, Co-op Work Study Programs, who is responsible for admitting, withdrawing, and monitoring the progress of students through the program according to the following regulations. Appeals may be made to the Faculty of Engineering and Applied Science Student Appeals Committee.

Admission

To apply for admission to the Co-operative Education program in the Faculty of Engineering, a student must:

- be registered in at least twelve credit hours in a Systems Engineering program in the Faculty of Engineering;
- have completed or been given credit for no less than 27 and no more than 63 credit hours towards the Systems Engineering degree (students are expected to have successfully completed the first three Terms of the Systems Engineering program before going on a first work term);
- have a PGPA of at least 60.00%; and
- have completed or been given credit for ENGL 100, ENGG 123, and ENGG 100.

Acceptance into the Co-operative Education program will be shown on the student's transcript. Students will remain in the Co-operative Education program until completion of the program requirements and convocation, or withdrawal. Upon graduation there will be an appropriate designation on the parchment and transcript of each student who successfully completes the four work terms required for Co-operative Education designation.

Progress

Students will be registered by the Faculty for four work terms, designated ENGG 051 through ENGG 054, which are graded on a pass/fail basis. At the end of each work term, students must submit a work term report to the Faculty of Engineering, which will be evaluated. Employers will provide an informal evaluation of student performance during the job-site visit (normally midway through the work term) and a formal evaluation at the end of the work term. A "Pass" grade requires both an acceptable work term report and an acceptable employer evaluation.

If the content of the work term report is deemed to be confidential or proprietary, the employer may request to evaluate the report in-house. The request should be in the form of a signed letter from an engineering supervisor, addressed to the Director, Co-op Work Study Programs, on company letterhead with the supervisor's position/title clearly stated and including an explanation of the necessity for a confidential report. Permission should be requested one month before the end of the work term. However, the ENGG 051 work term report cannot be confidential, and the student is permitted only two confidential reports in total.

Students must maintain a PGPA and TGPA (in the most recent term completed) of at least 60.00% in order to be eligible for a work term.

Students who are placed on academic probation by the Faculty of Engineering and Applied Science or the University of Regina will not be eligible for a work term until the probation is lifted.

Students who are required to discontinue (RTD) from the Faculty of Engineering and Applied Science and/or the University of Regina (MW) will be withdrawn from the Co-operative Education program and from the work term (if placed).

Students who wish to change the sequencing of their academic/work terms (e.g., double work term) must consult Director, Co-op Work Study Programs for approval.

Withdrawal

Students who are admitted into the Co-operative Education program are expected to remain in the program. However, under special circumstances, a student may withdraw from the program voluntarily or be withdrawn by the Director, Co-op Work Study Programs. Students who withdraw or are required to withdraw will normally not be re-admitted to the Co-operative Education program.

1. (voluntary) Under special circumstances, a student who has completed one work term may request withdrawal from the program. Such requests must be made, in writing and with supporting documentation, to Director, Co-op Work Study Programs.
2. (voluntary) Under exceptional circumstances, a student who has completed two or three work terms may request withdrawal from the program. Such requests must be made by completing a withdrawal form after consultation with Director, Co-op Work Study Programs and the Co-op office.
3. Students who receive an "F" grade for a work term will be withdrawn from the Co-operative Education program.
4. Students who behave in an unprofessional manner during the placement process or the work placement will be required to withdraw from the Co-operative Education program.
5. Students who complete more than 63 credit hours towards the Systems Engineering degree without obtaining a work placement are no longer eligible for the Co-operative Education program and will be withdrawn.
6. Students who are required to discontinue from the Faculty of Engineering and Applied Science (RTD) and/or the University of Regina (MW) will be withdrawn from the Co-operative Education program. If, at a later date, the student is re-admitted to the Faculty of Engineering and Applied Science, the student may apply for re-admission to the Co-operative Education program.

Co-operative Education Internship Program

In conjunction with the University of Regina Co-operative Education Program, the Faculty of Engineering and Applied Science offers a Co-operative Education Internship program for students enrolled in the Bachelor of Applied Science in Systems Engineering. This program is administered by the Director, Co-op Work Study Programs, who is responsible for academic rules proposed in the Co-operative Education Programs Rules section.

Co-operative Internship is a single 12- or 16-month placement immediately preceding the two final academic terms. Students who successfully complete the requirements of the program will receive "Internship" designation on their degree. Students who participate in more than one Co-operative Education term are not eligible for internship.

The objectives of the Co-operative Internship program are to enhance Engineering education by:

- Exposing students to the application of engineering science and engineering design methods in the workplace;
- Confirming academic theory through direct and indirect application in a workplace environment;

- Enhancing the student’s analytical and communication skills through active participation in the application of engineering in the workplace.
- Enhance the University of Regina’s partnerships with industry and the engineering community by providing students of varying skills, available for work placements of varying duration;
- Provide opportunities to Joint Undergraduate Degree Program, Canadian and International students;
- Provide internship opportunities in Saskatchewan, across Canada, and selected international placements.

- one work term are not eligible for the Co-operative Internship program; and
 - have demonstrated fluency, written and oral, in both English and the language of employment in their desired country of internship.
2. Acceptance into the Co-operative Internship program does not ensure work placement.
 3. The parchment and transcript of each student who successfully completes the minimum of these consecutive internship terms required for Co-operative Internship will include “Internship” designation.

Sequencing

The Co-operative Internship Program consists of a single, consecutive 12- or 16-month placement, normally taken between academic terms 7 and 8, and followed by a minimum of 15 credit hours towards the Systems Engineering program.

Co-operative Internship for Industrial, Energy, Environmental, and Petroleum Systems Engineering

Alternate sequencing to accommodate individual student programs is possible and should be discussed with and approved by the Director, Co-op Work Study Programs.

Academic Rules

1. Applications to the Co-operative Internship program in the Faculty of Engineering and Applied Science are due six months before the intended placement, as listed in the Undergraduate Calendar. To apply for admission, a student must:
 - be registered in at least twelve credit hours in a Systems Engineering Program in the Faculty of Engineering;
 - have completed or been given credit for no less than 72 and no more than 102 credit hours towards the Systems Engineering degree. Students have to have successfully completed academic Terms 1, 2, 3, 4, 5, 6, and 7 of the Systems Engineering program before the internship placement;
 - have a PGPA of at least 60.00%;
 - have withdrawn from the Co-operative Education program, if previously admitted. Students who have completed more than

Note: If students fail an Engineering Co-op Work Term, students are ineligible to continue with either the Co-operative Education Program or the Co-operative Internship Program.

For further information, please contact the Director, Co-op Work Study Programs.

Progress

After admission to the Co-operative Internship program, students are expected to maintain a PGPA and TGPA of 60.00% prior to the placement. If the PGPA and/or TGPA falls below 60.00%, the student will be asked to continue academic studies for a further term, or the student may be withdrawn from the Co-operative Internship program.

Students who are required to discontinue from the Faculty of Engineering and Applied Science and/or the University of Regina after admission to the Co-operative Internship program will be withdrawn from the internship (if placed), and the Co-operative Internship program.

Students will be registered by a staff member for three or four consecutive 4-month Co-operative Internship terms, ENGG 071 through ENGG 074, which are graded on a pass/fail basis. The grade is assigned by the Director, Co-op Work Study Programs, based acceptable employer evaluation “Internship Final Report” and Learning Skills Summary submitted by the student. The student must receive a “P” grade in all registered internship terms in order to receive Internship designation. If the analytical content of the students' reports are deemed to be confidential or proprietary, the employer should contact the Director, Co-op Work Study Program one month before the end of each internship term to discuss alternative methods of evaluation.

The first two months of ENGG 071 are probationary. During this period, the student or employer may terminate the placement by mutual consent and with the agreement of the Faculty of Engineering and Applied Science and the Co-operative Education Office. During each term a site visit will be conducted to ensure both parties are satisfied with the progress of the internship.

A grade will be issued at the end of each internship term. “P” will allow the student to continue. “F” will result in termination of the internship and removal from the Co-operative Internship program.

Withdrawal

Students who are admitted into the Co-operative Internship program are expected to complete the program; however, under special circumstances, a student may withdraw voluntarily or be withdrawn by the Director, Co-op Work Study Programs. Students who withdraw or are required to withdraw will normally not be re-admitted to the Co-operative Internship program.

Under exceptional circumstances, a student who has progressed beyond the two-month probationary period may request withdrawal from the internship. Such requests must be made, in writing and with supporting documentation from the employer and any other relevant source, to the Dean of the Faculty of Engineering and Applied Science, after consultation with the Director, Co-op Work Study Programs and the Co-op Office.

Students who behave in an unprofessional manner during the placement process or the internship will be required to withdraw from the Co-operative Internship program. This includes, but is not limited to, the non-academic misconduct section found in the [Student Code of Conduct and Right to Appeal](#) section.

Students who complete more than 120 credit hours towards the Systems Engineering degree without obtaining an internship placement are no longer eligible for the Co-operative Internship program.

Students who are required to discontinue from the Faculty of Engineering and Applied Science and/or the University of Regina after being admitted to the Co-operative Internship program will be withdrawn from the program.

Students whose employment is terminated for cause by their employer will receive a grade of “F” for the current internship and will be withdrawn from the Co-operative Internship program.

Appeals may be made to the Faculty of Engineering and Applied Science Student Appeals Committee.

Academic Programs

Length and Sequencing of Systems Engineering Programs

All Systems Engineering programs are 136 credit hours (46 courses) in length, including a common first year. Pursuing a double major or minor will increase the number of courses required.

Students are encouraged to consider the Co-operative Education Program.

Co-operative Education – All Programs

Those who do not wish to complete this option, or who are not eligible to do so, may complete their academic program in 3 years and 8 months, as shown in the following tables:

Program Requirements

Systems Engineering Majors

There are five majors in Engineering and Applied Science: Electronic Systems, Energy Systems, Industrial Systems, Environmental Systems, Petroleum Systems (*Admissions suspended as of 202230*), and Software Systems.

Selection of a Major

Application deadlines: December 1, April 1, and August 1.

Eligibility

Students admitted to first year with a major of ENGE apply to the major of their choice with a minimum of 8 of the 10 required courses in Year 1 which must include ENGG 100, ENGG 123, ENGG 140 and ENGL 100. Application forms are available from the Faculty’s website. Acceptance priority is based on the average of the eight highest Year 1 course marks, number of credit hours completed and space in the desired program.

Current Faculty of Engineering and Applied Science students that wish to change their major may also submit an application form.

Double Majors

A double major is permitted, provided that students meet the course requirements for each program. Students must consult the Associate Dean (Academic) for approval.

Concurrent Programs

Normally, concurrent programs will not be available in the Faculty of Engineering. Students who are interested must consult the Associate Dean (Academic).

Bachelor of Applied Science in Electronic Systems Engineering (ESE)

Electronic Systems Engineering applies skills in electronics and computers to the design and operation of products or systems for handling information. Such systems include modern telecommunications, industrial controls and electronic consumer products.

Bachelor of Applied Science in Energy Systems Engineering (ERSE)

Energy Systems Engineering is a broad category of engineering that deals with energy production, transportation, and storage in the most efficient, economical, and environmentally friendly manner. It covers the conventional and unconventional forms of energy, including fossil fuels and sustainable energy resources, such as solar, wind, geothermal, hydro, and nuclear, etc. The interdisciplinary skills developed through the program facilitate the seamless transition into the future shape of energy. Energy Systems Engineers take the lead on sustainability and resolve highly complex energy problems our society faces.

Energy Transportation and Storage option

The Energy Transportation and Storage option focus on knowledge development in energy distribution, conversion, and storage systems essential for sustaining the increasing energy demands. It includes piping engineering design and materials, pipeline integrity management, pressure vessel design, and energy conversion and storage materials. Machine learning for energy systems facilitated by advanced computer utilization and automation is integrated within the curriculum.

Petroleum Engineering Option

The Petroleum Engineering option evaluates, designs, and manages technologies in evaluating reserves, surface collection, and treatment facilities for oil and gas. Advanced computer utilization and automation combined with effective communications skills are integrated within the program. Techniques developed for the recovery of petroleum can be applied to the extraction of other important minerals. Petroleum engineering option also focuses on activities such as pollution remediation and greenhouse gases control.

Sustainable Energy Engineering Option

The Sustainable Energy Engineering option introduces the technologies that are committed to climate action by developing renewable energy resources, such as solar, wind, geothermal, hydro, and nuclear, etc. Sustainable energy systems generate, convert, distribute, store, and utilize energy in exhaustibly mitigating greenhouse gases emissions. The curriculum provides fundamental knowledge and hands-on experiences in designing, developing, and managing sustainable energy systems.

Engineering Minors For Systems Engineering Programs

Inclusion of a minor in a Systems Engineering program is optional, but a minor provides students with the opportunity to broaden their knowledge in areas other than their major discipline. Students must consult their Program Chair for approval to enroll in the minor program. To receive the minor designation, the student must have a minimum 60% average in their minor courses. Available minors are listed below.

Optional Non-Engineering Minors

Students may complete up to two minors in total in a subject other than, and distinct from, their major. The minor is a concentration of at least six courses in a discipline from any of the Faculties of Science, Arts, Media, Art, and Performance, La Cité universitaire francophone, or Kinesiology and Health Studies. The applications to graduate with a minor are ultimately approved by the faculty offering the student's first major. The specific courses required for a minor in each discipline can be found under the relevant departmental listing. A minimum of four (4) courses from outside the major are required.

Undergraduate Programs

The Faculty of Kinesiology and Health Studies offers the Bachelor of Kinesiology (BKin), the Bachelor of Sport and Recreation Studies (BSRS) and the Bachelor of Health Studies (BHS). Wherever possible, accreditation of programming and certification of students is paramount in the delivery of our programming. (See also Canadian Society for exercise Physiology (www.csep.ca); CCUPEKA (www.ccupeka.ca) – BKin; COSMA (www.cosmaweb.org) – BSRS – Sport and Recreation Management; NCTRC (www.nctrc.org) – BSRS – Therapeutic Recreation.)

The well-respected Fieldwork program plays an important role in the curriculum. The program provides an opportunity for students to apply what they have learned and to gain valuable experience prior to entering the job market. For those individuals interested in traditional graduate studies or more academic careers, the Honours program continues to provide an excellent training ground.

The Bachelor of Health Studies

The Bachelor of Health Studies is a joint degree between the Faculties of Kinesiology and Health Studies, and Arts, in partnership with First Nations University of Canada. It aims to provide students with an integrated understanding of the ways in which social, economic and cultural determinants of health shape individual beliefs, attitudes and practices, which in turn affect how we function physiologically and biologically.

Fieldwork

The Faculty of Kinesiology and Health Studies at the University of Regina believes that a well-conceived professional Fieldwork Program is essential for the facilitation of learning and personal growth of undergraduate students. Experiential learning is one of the critical steps a student takes in preparing for a career. Hence, the 'placement' of a student in a supervised educational experience is an integral part of a student's education in which a student may observe, inquire, participate, contribute, and learn.

KHS 300 (Pre-Fieldwork Seminar) is designed to provide an in-depth overview of the Fieldwork Program. If the student wishes to complete their Fieldwork requirement outside the province of Saskatchewan, it is highly recommended that the student complete KHS 300 two to four terms prior to registering for KHS 400/KIN 405 (Fieldwork- BKin and

BSRS) or HS 448/HS 450 (Fieldwork - BHS) in order to allow for enough preparatory time.

Fieldwork is designed to assist the student with the transition from the academic present to the professional future. It is an opportunity to engage in the practical application of theories in a real-world environment. Fieldwork is considered to be a senior part of the academic program and must be completed within 12 months of completion of KHS 300 (Pre-Fieldwork Seminar). Students must have their major required courses completed (if applicable) before beginning Fieldwork.

The fieldwork requirements are 9 credit hours graded pass/fail with feedback and evaluations made by both the agency and fieldwork coordinator (KHS 400 - BKin and BSRS; or HS 448 - BHS), and a 6 credit hour numerically graded component – KHS 405 (Fieldwork Project – BKin and BSRS) or HS 450 (Fieldwork Project – BHS). The total is a 15 credit hour, full-term placement; KHS 400 and KHS 405, or HS 448 and HS 450, must be taken concurrently. Students completing both the BHS and the BKin may be permitted to use HS 448 (Fieldwork) to meet the requirements of KHS 400 (Fieldwork), provided that the integrity of both programs is maintained. Students must be admitted to the BHS, regardless of whether it is listed as their primary program of study. This provision is subject to prior approval by the Associate Dean (Undergraduate) and the Experiential Learning Coordinator.

A student required to discontinue from their placement (terminated by the agency or fieldwork coordinator) will receive a grade of 'F' for KHS 400/HS 448, and a grade of NP for KHS 405/HS 450 and may be required to seek out additional services identified by the Experiential Learning Coordinator/ Associate Dean (Undergraduate) that may assist in their personal and/or professional development. The earliest the student will be allowed to repeat KHS 400/KHS 405 or HS 448/HS 450 will be the next scheduled term (pending an approved placement).

Deadlines for Registration in KHS 400 and HS 448 (Fieldwork)

Term	Deadline
Spring/Summer and Fall	March 25
Winter	November 25

Students not possessing the required program grade point average (PGPA) and major grade point average (GPA) by the registration deadline normally will not be allowed to register for fieldwork in the subsequent term. The rationale for this is that a student may be holding a spot with an agency preventing a fully-qualified student from accessing it, and that the agency may be disadvantaged if the student doesn't meet the average requirement and they are without a planned intern for the term.

For more information on the Fieldwork Program please refer to the Fieldwork section <http://www.uregina.ca/kinesiology>.

Certification by Outside Agencies

Please be aware that, depending on the qualification of the instructor, students may be able to qualify for certification as outlined below:

Certification from outside agencies may be available for students who successfully complete one or more of the following courses:

- KHS 182 (National Coaching Certification Program Introduction to Competition, Part A and B.)
- KIN 350 (Canadian Society for Exercise Physiology-Certified Personal Trainer and Saskatchewan Park Recreation Association – Basic Fitness Theory)
- KIN 355 and KIN 373 (National Coaching Certification Program Level 3 Theory – Note: students MUST have National Coaching Certification Program Level 1 and 2 Theory or Introduction to Competition, Part A and B in order to qualify for Level 3 Theory)
- KIN 450 (Canadian Society for Exercise Physiology-Certified Exercise Physiologist)

Students should consult with the instructor before courses begin (or when they register) to determine if certification is an option.

Certification by the National Council on Therapeutic Recreation

Certification can be obtained by students graduating with a BSRS, major in Therapeutic Recreation (THRC) provided the courses recommended by NCTRC have been included in the student's program. By nature of the courses required in the BSRS – THRC major, students will not have any difficulty meeting these requirements. For the most current certification standards, visit www.nctrc.org.

Admission, Re-Admission, and Transfer

Refer to the [Admissions section](#) of this Calendar.

Students interested in a degree program in the Faculty should make note of the admission requirements as they are slightly different between the Bachelor of Kinesiology (BKin), Bachelor of Sport and Recreation Studies (BSRS) and Bachelor of Health Studies (BHS). Although only one 30-level science from Biology, Chemistry or Physics is required for admission to the BKin and BSRS, students interested in the BKin are strongly encouraged to take all three courses. Students interested in the BSRS – Sport and Recreation Management major can use Computer Science 30 to meet this requirement.

The high school admission average to the BKin and BSRS is 70.00%. Students with a high school admission average of 65.00%-69.99% will be admitted to their intended program as a QUALIFYING student and require mandatory programming (until a minimum of 18 credit hours have been completed).

Admission to the Bachelor of Sport and Recreation Studies – Sport and Recreation Management Internship and the Joint Bachelor of Sport and Recreation Studies Internship/ Bachelor of Business Administration requires a minimum PGPA of 70.00% and application prior to completion of 75 credit hours. This is a competitive entry program. For additional admission information, please meet with an academic advisor in the faculty.

Students seeking admission to the Bachelor of Health Studies, or the Certificate in Health Studies should refer to the Faculty of Kinesiology and Health Studies Transfer Programs section.

Note: Bachelor of Health Studies students are not eligible for admission to the Certificate in Health Studies.

Students seeking admission to the faculty, but who may not meet all requirements may be eligible for special admission through either the KHS Qualifying program or Mature Admission categories. For specific information, please refer to the Admissions section of this Calendar.

Graduates of diploma programs with which the faculty has articulated transfer agreements will be admitted to the respective majors based on the diploma. In addition, students must have obtained a minimum average of 60.00%.

Students who have failed more than 15 credit hours are not eligible for transfer to the Faculty of Kinesiology and Health Studies, except with permission from the Office of the Associate Dean (Undergraduate).

Concurrent Programs

KHS students may take a secondary program in another faculty; KHS students may take a secondary program from within KHS (with some limitations); Student's from other faculties may take a secondary program in KHS with approval of the Associate Dean, KHS, or designate.

Residency Requirements and Recognition of Prior Learning

Bachelor of Kinesiology, Bachelor of Sport and Recreation Studies, Bachelor of Sport and Recreation Studies Internship

Students must fulfill their program completion requirements with a minimum of 35% (42+ credit hours) with University of Regina course work. Some programs may require the student to complete more than the minimum specified in this regulation but not less than the minimum specified.

Diploma or Certificate Programs

Students must fulfill their program completion requirements with a minimum of 50% of their credit hours, or at least 9 credit hours for those certificates with 18 credit hours or less, with University of Regina course work.

Prior Learning Assessment and Recognition (PLAR)

The Faculty of Kinesiology and Health Studies will evaluate and grant credit for qualifying previous formal and non-formal learning that is equivalent to Faculty courses or programs (up to 15 credit hours). Recognized prior learning will be applied toward the requirements of Faculty programs.

The University of Regina processes used for evaluating prior learning include:

- assessment of educational documents;
- assessment of portfolios that identify and verify prior learning;
- assessment through challenge processes such as written or oral examinations, interviews, projects, assignments, performance/skill demonstrations, product assessments; and
- assessment of external courses/programs from non-post-secondary organizations in conformance with RPL – Assessment of External Courses from Non-Post-Secondary Institutions for

Faculty Credit will be awarded for learning equivalent to the standards required by the programs in which the credit is sought. It will not be awarded for experience alone.

Credit will be awarded for learning which reflects both the theoretical and practical components in a balance consistent with the outcome requirements of courses/programs. The learning for which credit is being sought must be applicable outside the specific context in which it was learned and serve as a basis for further learning. The assessment of competence levels and determination of credit awards will be made by the appropriate content specialists. Final approval for credit will be the responsibility of the Dean, or designate, Faculty of Kinesiology and Health Studies.

Transfer Credit

Courses taken at accredited universities and colleges in North America are evaluated by the Faculty, when the student first registers for credit towards the Faculty of Kinesiology and Health Studies program. Students must provide a detailed course syllabus for each course they are seeking transfer credit. Grades are not transferred. For more information about evaluation of credit for courses completed outside Canada and the United States, please refer to the Admissions section of this Calendar. The Faculty requires a minimum grade of 60% (or University of Regina equivalent) in each course for which transfer credit is sought.

The Faculty of Kinesiology and Health Studies has negotiated 60 credit hour transfer agreements with the following institutions:

- Lethbridge College, Therapeutic Recreation, Gerontology Diploma (admission to the Therapeutic Recreation major);
- Lethbridge College; Exercise Science Diploma (admission to the Human Kinetics major);
- Lethbridge College; Massage Therapy Diploma (admission to the Human Kinetics major);
- Saskatchewan Polytechnic, Therapeutic Recreation Diploma (admission to the Therapeutic Recreation major);
- Saskatchewan Polytechnic, Recreation and Tourism Management Diploma (admission to the Sport and Recreation Management major);
- Saskatchewan Polytechnic, Dental Hygiene Diploma (admission to the BHS);
- Saskatchewan Polytechnic, Advanced Care Paramedic (admission to the BHS);
- Saskatchewan Polytechnic, Health Information Management (admission to the BHS)
- Red Deer College, Kinesiology and Sport Studies Sport Management Diploma (admission to the Sport and Recreation Management major);
- Red Deer College, Kinesiology and Sport Studies General Diploma (admission to the Human Kinetics major);
- College of the Rockies, Human Kinetics Diploma (admission to the Human Kinetics major);
- College of the Rockies, Health and Human Performance Diploma (admission to the Human Kinetics major);

- Northern Alberta Institute of Technology (NAIT), Personal Fitness Trainer Diploma (admission to BKin, Human Kinetics major).

Additional agreements are in progress. For specific information regarding transfer agreements, contact the [Faculty of Kinesiology and Health Studies Academic Services](#).

If students wish to take courses at another post-secondary institution and apply those credits to the BKin, BSRS, or BHS, they must obtain prior approval. Students should make an appointment through the KHS Academic Services Office at 306-585-4360 or KHS.AcademicServices@uregina.ca to determine whether the courses are transferable, and request a letter of permission.

PLAR and Transfer Credit

Credit for PLAR and Transfer Credit are not included or counted in University of Regina residency credit hours.

Academic Advising and Registration

Academic Advising

Students admitted to the Faculty of Kinesiology and Health Studies are encouraged to seek academic advising prior to registration. Upon receipt of their letter of acceptance, students can contact 306-585-4360 or KHS.AcademicServices@uregina.ca to schedule an appointment. Students may also access information about the academic programs at www.uregina.ca/kinesiology and through UR Self-Service. Advising is encouraged at least once per academic year.

Registration

Registration will commence on the days stipulated by the Registrar's Office. Students should consult [UR Self-Service](#).

Registration Overload

The normal maximum course load for fall and winter terms is 15 credit hours, and for Spring/Summer session is 12 credit hours. Students can request permission from the Associate Dean, or designate, to carry up to 3 additional credit hours. To be eligible for consideration, they must have successfully completed 30 credit hours and have a minimum 70.00% UGPA.

Evaluation of Academic Performance

Dean's Honours List

The Dean's Honour List is compiled each term and includes students who achieve a term grade point average (TGPA) of at least 85.00% on a minimum of 12 credit hours of numerically-graded University of Regina courses. This ruling appears on the student's official transcript.

Probation and Discontinuance

Refer to the [Academic Regulations](#) section in this Calendar for all University regulations governing Academic Performance.

Faculty Regulations – BKin and BSRS

Courses required for the student’s major that are twice failed will result in a requirement to discontinue indefinitely from that major. If the course is twice failed and it is a requirement in all majors the student will be required to discontinue indefinitely from that degree. If it is a requirement for all programs offered by the faculty, they will be required to discontinue indefinitely from the faculty. Refer also to the Academic Regulations section of this Calendar.

Re-Admission or Transfer after Being Required to Discontinue (RTD) or Forced to Withdraw (MW)

Students who have been required to discontinue from another faculty, or the Faculty of Kinesiology and Health Studies (RTD) or from another post-secondary institution or forced to withdraw from the University (MW) must petition for admission or re-admission, in writing, to the Associate Dean (Undergraduate), Faculty of Kinesiology and Health Studies, Centre for Kinesiology, Health and Sport, Room 170. Refer the Admissions section of this Calendar for petition deadlines and procedures.

The decision of the Faculty with respect to admission and conditions for continuation is final.

Definition of Major GPA

BKin - Courses used to define the major GPA for the BKin include the 33 credit hours identified for the BKin majors (Human Kinetics, Health Promotion, Gerontology, and Physical Literacy).

BSRS - Courses used to define the major GPA for the BSRS include the 39 credit hours identified for the BSRS majors (currently Sport and Recreation Management and Therapeutic Recreation).

Note: The Bachelor of Health Studies does not have a declared major.

KHS 400 and KHS 405/HS 448 and HS 450 (Fieldwork) and Academic Probation

Students cannot enroll in KHS 400 and KHS 405/ HS 448 and HS 450(Fieldwork) if they are on academic probation.

Time Limits and Graduation Requirements

General information on graduation is located Graduation section of this Calendar. Students must submit an Application for Graduation form by the dates specified in this Calendar.

Notation on Parchment and Transcript	Minimum Averages
Distinction	80.00% PGPA
Great Distinction	85.00% PGPA
Honours	70.00% PGPA and 75.00% major GPA
High Honours	85.00% major GPA in honours degree program

Note: Honours and High Honours recipients are not eligible for Distinction or Great Distinction designations at the point of graduation.

Time Limits

Students who have already been awarded a Bachelor of Physical Activity Studies degree or a Bachelor of Kinesiology degree (prior to 201020) are not eligible to obtain a Bachelor of Kinesiology degree as stipulated in the following regulation (the Graduation section of this Calendar): “The principal area of study or academic emphasis of each degree must be distinct from that of the previous degree.”

KHS 100 Completion

All degree seeking students registered in the Faculty of Kinesiology and Health Studies must complete KHS 100 within the first 45 credit hours (4 terms) in the faculty.

Bachelor of Kinesiology (BKin) and Bachelor of Sport and Recreation Studies (BSRS)

In order to receive the Bachelor of Kinesiology or the Bachelor of Sport and Recreation Studies, students must successfully complete all program requirements with a minimum PGPA of 60.00% and a minimum Major GPA of 65.00%. The Bachelor of Kinesiology, Physical Literacy major, requires a minimum PGPA of 65.00%.

Bachelor of Kinesiology Honours and Bachelor of Sport and Recreation Honours

In order to receive the Bachelor of Kinesiology Honours or the Bachelor of Sport and Recreation Studies Honours, students must successfully complete all program requirements with a minimum PGPA of 70.00% and a minimum Major GPA of 75.00%.

Bachelor of Sport and Recreation Studies Internship

In order to receive the Bachelor of Sport and Recreation Studies – Sport and Recreation Management Internship, student must successfully complete all program requirements with a minimum PGPA of 70.00% and a minimum Major GPA or 75.00%.

Bachelor, Diploma, and Certificate of Health Studies

In order to receive the Bachelor, Diploma or Certificate of Health Studies, students must complete all program requirements with a minimum PGPA of 65.00%.

Athletic Therapy Program

Athletic Therapy may be taken as part of a partnership between the University of Regina and a Certified Athletic Therapist Association (CATA) accredited institution. Details are being finalized on new partnership arrangement. For information, please contact us at: KHS.AcademicServices@uregina.ca or 306-585-4360.

International Designation

To qualify for the International designation, students must meet at least one (1) of the following graduation requirements:

- Successfully complete an approved out-of-country study term with a minimum of nine (9) credit hours, such as fieldwork, or a recognized exchange.

- Successfully complete a minimum of nine (9) credit hours of approved course work at an out-of-country post-secondary institution.
- Successfully complete a minimum of one (1) approved three (3) credit hour course with 'international' content on campus in combination with an out-of-country experience. The out-of-country experience will constitute no less than three (3) credit hours. Examples of courses designated 'international' could be a foreign language (not including French) or a course in global education.

Process: The Academic Program Coordinator, in consultation with the Associate Dean (Undergraduate), will coordinate the International Designation activities of the Faculty. Students will be required to submit a brief proposal on the out-of-country experience they wish to pursue and seek prior approval. Each request will be reviewed on a case-by-case basis to determine the significance of the international experience.

Other Faculty Regulations

Failed Courses

Failed courses include grades of "NP". If the failed course is a prerequisite to one in which the student is enrolled in the next term, it is the students' responsibility to drop the course they are no longer eligible to take.

Students are strongly encouraged to replace or repeat courses with failing grades as early as possible in the program.

Deferred Examinations and Medical or Compassionate Withdrawals

Students who are unable to complete a course for serious medical or personal reasons should contact the Faculty as soon as possible. Consult the [Academic Regulations](#) of the Undergraduate Calendar for more information.

Deferral of Final Examinations

The Faculty of Kinesiology and Health Studies has the following policy regarding the deferral of Final Examinations, in addition to any University regulations:

Final examinations may not be written prior to the date of the scheduled examination, unless the Associate Dean (Undergraduate) has given written permission. Such permission will only be given in exceptional circumstances and in consultation with the instructor.

A final exam may be deferred only under the following circumstances:

- the student is ill and/or hospitalized during the final examination; or
- for compassionate reasons (i.e. death or critical illness of a family member).

If a deferred examination is granted, common exam dates will be set by the Office of the Associate Dean (Undergraduate). All deferred exams will be scheduled within the first month following the end of the term except for special circumstances described in the Academic

Regulations section and will normally be scheduled for the third Saturday of that month.

Stale-dated Courses

Students who are admitted or re-admitted to the Faculty of Kinesiology and Health Studies, having completed courses in their degree program more than eight years ago, may be required by the Faculty to update their knowledge by repeating or taking additional courses. The decisions will be made by the Office of the Associate Dean (Undergraduate).

Scheduling of Fieldwork

KHS 400 and KHS 405 (BKIn and BSRS) or HS 448 and HS 450 (BHS) must be taken within twelve months (three terms) of completion of KHS 300 (Pre-Fieldwork Seminar). The Experiential Learning Coordinator reserves the right to require a student to re-take KHS 300 (Pre-Fieldwork Seminar) if the organized Fieldwork Practicum falls outside of the three-term time restriction.

Experimental Courses

Courses numbered 181 AA-ZZ, 281 AA-ZZ, 381 AA-ZZ, or 481 AA-ZZ are designated special topics courses within the Faculty of Kinesiology and Health Studies. Special topics courses are those requiring pilot offerings prior to finalization of course content.

Faculty Appeal Procedures

If there are extenuating circumstances related to their academic performance, students may appeal the application of academic probation or a requirement to discontinue by writing to:

Kinesiology and Health Appeals Committee (KHAC)
c/o Associate Dean (Undergraduate)
Faculty of Kinesiology and Health Studies, University of Regina
Regina, SK S4S 0A2

The KHAC and the Associate Dean (Undergraduate) do not hear appeals of grades; consult the [Student Code of Conduct and Right to Appeal](#) section of this Calendar. The authority to approve substitutions or waive requirements rests with the Associate Dean, provided that the Faculty's basic requirements (minimum credit hours, etc.) are met.

Bachelor of Education/ Bachelor of Kinesiology Conjoint Degrees Program

Refer the [Faculty of Education](#) section.

This five-year program is offered jointly by the Faculty of Education and the Faculty of Kinesiology and Health Studies under the supervision of a joint coordinating committee of the two faculties. It consists of a minimum of 150 credit hours. Depending on the minor chosen, students may be required to complete additional credit hours. Once students enter the program, they must complete the entire integrated program to graduate with either degree. Should a student decide to pursue only one of the degrees identified, they must officially apply to transfer out of the joint program. Upon completion, students will receive a Bachelor of Education (Physical Education major) and a Bachelor of Kinesiology (Physical Literacy major).

Students may apply directly from high school or as a transfer student through either faculty.

Admission Criteria and Application Process

Students applying into the Joint BEd/ BKin Program must meet the admission criteria for both the Faculty of Education and the Faculty of Kinesiology and Health Studies (BKin). Application deadline dates and processes can be found in Admissions section of this Calendar.

Academic Advising

Academic advising will be done jointly with representatives from both faculties.

Conjoint Program Academic Performance and Progress

Student performance will be governed by both the university academic standards (see Academic Regulations section in this Calendar) and program standards as outlined in the Faculty of Education section of this Calendar.

Appeals of Academic Standing

If there are extenuating circumstances related to their academic performance, students may appeal the application of academic probation, requirement to discontinue, or must withdraw by writing to:

BEd/ BKin Joint Program Review Committee
 c/o Faculty of Education Student Program Centre (ED 354) University of Regina, SK S4S 0A2
 Fax: 306-585-4006

Re-Admission after being Required to Discontinue from the Conjoint Program

Students who have been required to discontinue from the joint program must petition using the Teacher Education Profile and a letter of petition to the BEd/ BKin Joint Program Review Committee by February 1 for the subsequent fall term.

Conjoint Degrees Program Course Requirements

Students must complete:

- All Bachelor of Education (Physical Education major) course requirements as outlined in Faculty of Education Secondary Program (Majors) section;

- All Bachelor of Kinesiology core requirements as outlined in Bachelor of Kinesiology Core section with the following exceptions:
- Students must complete ENGL 100 as their writing competency course. They must complete KHS 100.

Fieldwork (KHS 400 and KHS 405) will be given credit through successful completion of EFLD 400 (Internship). The EFLD 400 internship will be modified in order to maintain the integrity of the BKin, while also meeting the requirements outlined by the Faculty of Education.

All requirements of the [Physical Literacy major](#) outlined in the Bachelor of Kinesiology Majors section.

General Information

The Bachelor of Health Studies, Diploma in Health Studies, and Certificate in Health Studies are joint initiatives between the Faculty of Kinesiology and Health Studies and the Faculty of Arts in partnership with First Nations University of Canada. The Bachelor of Health Studies aims to provide students with an integrated understanding of the ways in which a) social, economic and cultural "determinants of health" shape b) individual beliefs, attitudes and practices, which in turn c) affect physiological and biological functioning of individuals. The degree promotes an interdisciplinary understanding of health, drawing on both the social sciences and the natural sciences, and aims at promoting knowledge development and action conducive to health. This program meets the needs of Saskatchewan and Canada as health issues continue to dominate public policy choices. A key feature of this program is its emphasis on understanding Indigenous health needs.

Admission to Health Studies Programs

Students apply to be admitted to the Bachelor of Health Studies, Diploma in Health Studies, or Certificate in Health Studies through the Faculty of Kinesiology and Health Studies or the Faculty of Arts (including Campion College or Luther College) at the University of Regina or the First Nations University of Canada. A number of articulation agreements have been approved with Saskatchewan Polytechnic please contact the Faculty of Kinesiology and Health Studies General Office to find out more information.

Certificate in Indigenous Health Practice First Nations University of Canada

The Certificate in Indigenous Health Practice (IHP) was developed by First Nations University of Canada (FNUUniv) in collaboration with the Faculty of Kinesiology and Health Studies (KHS) at the U of R. It is designed to provide students currently enrolled in allied health programs (Social Work, Kinesiology), professional health science programs (medicine, nursing, occupational therapy, physical therapy) and practicing health professionals, with an additional credential that will prepare and qualify them to practice effectively in health settings with Indigenous populations.

Admission

Concurrent enrolment in an undergraduate health program (excluding the Bachelor of Health Studies at the University of Regina), professional health program, or confirmation of graduation from such programs.

Requirements

Students must obtain a minimum average of 65.00% in the following program requirements:

Credit hours	Certificate in Indigenous Health Practice Required Courses
3.0	INHS 100
3.0	INHS 101
3.0	INHS 210
3.0	INHS 360 (Community Placement Practicum)
3.0	INHS 365 (Community Placement Seminar)
15.0	Sub-total

Graduation

To be eligible to graduate with the Certificate in Indigenous Health Practice, students must have completed all required course work with a minimum program GPA of 65.00% and evidence one of the following:

- Concurrent graduation from an undergraduate health program;
- Concurrent graduation from a professional health program; or
- Confirmation of previous graduation from one of the above.

Indigenous Birth Support Worker Certificate (IBWC)

The Indigenous Health Program at First Nations University of Canada offers courses in Indigenous birth practices to prepare students to work within First Nations communities and with various allied health fields. This certificate offers information on Indigenous based birthing practices along with doula training to support and advocate for birthers and families before and after birthing. This certificate focusses on Indigenous cultural perspectives, understanding of the health care system, and incorporates birthing knowledge that are specific to local and place-based practices. The Indigenous Birthing Support Worker certificate includes 18-credits delivered online, face-to-face, or through remote synchronized methods. The program is offered through Northern Campus and to a variety of rural communities. All courses are developed collaboratively with Indigenous Kehte-ayak and Knowledge Keepers from various First Nations communities.

Transfer Programs

The Faculty of Kinesiology and Health Studies offers the following transfer programs: Pre-Occupational Therapy, Pre-Chiropractic, Pre-Medicine, and Pre-Physical Therapy. In addition, students interested in Naturopathic Medicine, Dentistry, and Optometry may complete their requirements in the faculty. Most of these programs are post-degree, therefore students should plan to complete a degree offered through the Faculty of Kinesiology and Health Studies and select courses accordingly. Additional transfer programs may also be taken within the faculty. For further information on these programs please consult the Professional Pathways and Transfer Opportunities section of this Calendar.

Email: map.studentprogramcentre@uregina.ca

Website: www.uregina.ca/mediaartperformance/

Faculty and Staff:

www.uregina.ca/media-art-performance/directory/index.html

Structure

The Faculty of Media, Art, and Performance (MAP) includes Film and Film Production, Music, Theatre, Visual Arts, and Creative Technologies and Design.

Undergraduate Programs

Students may take four-year programs leading to the degrees of Bachelor of Arts (BA), Bachelor of Arts Honours (BA Hons), Bachelor of Fine Arts (BFA), Bachelor of Design (BDes), Bachelor of Music (BMus), and a joint Bachelor of Music Education/Bachelor of Music (BMusEd/BMus).

Admission, Re-Admission, and Transfer

Admission and transfer requirements for most programs can be found in the [Admissions section](#) of this Calendar. Students should refer to the department concerned for details of each program.

Time Limits for Completing Discontinued Programs

When a degree program in Media, Art, and Performance is changed, students may complete the program to which they were admitted or switch to the new program. The following conditions will be set for completion of old or superseded programs.

Students who choose to complete old programs will have a maximum of six years to finish their program unless otherwise indicated at the time of the change.

Students who require re-admission must enter the program that is current at the time of their re-admission.

If a program is eliminated, the Faculty will make every attempt to accommodate affected students.

Admission to the Advanced Certificate in Arts

To apply for the Advanced Certificate in Arts, students must have an average of at least 60.00% in the courses that form part of the BA degree and the Certificate program, and an average of at least 65.00% in the courses required for the major subject.

Residency, Transfer Credit and Recognition of Prior Learning

Residency Requirements

To obtain a BA degree from the Faculty of Media, Art, and Performance, a student must complete at least half of the program at the University of Regina, including at least 14 credit hours in the major for a three-year special BA degree and 21 credit hours in the major for the four-year BA degree. Except for combined programs, a student must take at least 14 credit hours of the last 30 credit hours required for the degree at the University of Regina.

To obtain a BFA or BMus degree from the Faculty of Media, Art, and Performance, a student must complete a minimum of 60 credit hours of the degree at the University of Regina. At least fifty per cent of the courses in a student's discipline (film, Indigenous art, music, theatre, visual arts) must be taken at this University, including all courses required at the 300- and 400-levels. (Exceptions to this regulation must be approved by the Department Head.)

To obtain a BDes from the Faculty of Media, Art, and Performance, a student must complete a minimum of 60 credit hours at the University of Regina. Exceptions must be approved by the Creative Technologies and Design Program Chair or Associate Dean – Undergraduate.

To obtain a Certificate in Visual Arts from the Faculty of Media, Art, and Performance, a student must complete the final 30 hours of the program at the University of Regina.

To obtain a minor from the Faculty of Media, Art, and Performance, a student must complete at least half the credit hours of required courses for the minor at the University of Regina.

Transfer Credit

Students who have taken university courses must meet the requirements as outlined in the [Admissions section](#) of this Calendar.

Letter of Permission (LOP)

Students who wish to take courses at another post-secondary institution and apply those credits to the BA, BFA, BMus, or BMusEd/BMus degree must obtain prior approval. Students must have a 70.00% PGPA and have completed 30 credit hours at the University of Regina. Students should contact the Academic Program Coordinator, Faculty of Media, Art, and Performance to determine whether the courses are transferable, and they must request a letter of permission.

Prior Learning and Assessment Recognition (PLAR)

A student may apply for Prior Learning and Assessment Recognition (PLAR), which may be obtained through: employment experience in a recognized fine art setting, and/or completion of professional activities, and may be considered for credit where their knowledge, skills and abilities meet the goals and objectives of that course. An individual interested in seeking credit for prior learning is strongly encouraged to contact the RPL Centre at:

www.uregina.ca/cce/student-services/admitted/plar.html.

The PLAR Mentor will assist students with the process to facilitate a focused application. The approval of credit is at the discretion of the Associate Dean (Undergraduate) Faculty of Media, Art, and Performance.

Questions regarding PLAR for MAP can be discussed with the MAP Student Program Centre:

https://www.uregina.ca/media-art-performance/#fact_3_2

Students may be granted a maximum of thirty (30) credit hours for recognized prior learning towards their degree in the Faculty of Media, Art, and Performance.

Academic Advising and Registration

Advising

Academic advising is designed to assist students to understand their academic choices and to build a degree program that is fulfilling, tailored to their specific interests/goals, and built upon a foundation of academic integrity. Academic advising is important and includes an overview of academic requirements, student support services and highlights academic and other opportunities available in the Faculty, the University of Regina and elsewhere.

The student Program Centre advises all incoming (direct admit and transfer) students and MAP students who have not yet chosen a major. Students who have chosen a major can also seek academic advising through their home department. Department information is available through the MAP Administrative Hub in Riddell Centre 271 or email MAP.adminhub@uregina.ca or by telephone 306-585-5572.

Students who enroll in the Faculty through Campion College, Luther College, or First Nations University of Canada receive academic advising from their College and should consult their home College for more information.

Students who enroll in the Faculty (either through direct admit or through transfer) are encouraged to arrange for academic advising upon receiving their letter of admission or transfer by calling the MAP Student Program Centre at 306-585-5570. The Faculty recommends that students consult an advisor at least once a year.

Registration

Students should refer to the [UR Self-Service](#) Guide to the Class or the Registration and Withdrawal section for details. Students are responsible for ensuring that program requirements and academic regulations are met. Online registration may not prevent students

from registering in courses that do not apply to their degree program or for which they have not met the prerequisite(s).

Students registered through the University of Regina may choose to register at the Student Program Centre, RC 267. Students registered through Campion College, Luther College, or First Nations University of Canada may register through their federated college.

The Student Program Centre will accept changes to a student's registration via mail, fax, or e-mail. In order to be processed in a timely manner such requests must include the student's full name, student identification number, major, and which courses are to be added or dropped. Mailed or faxed requests must be signed. In exceptional circumstances, telephone requests for changes to registrations will be accepted.

Course Load

As outlined in the Class Registration and Withdrawal section normal course load for the fall and winter term is 15 credit hours and the normal course load for the spring/summer term is 6 credit hours per session for a maximum of 12 credit hours for the term.

Students with outstanding deferrals should refer the [Academic Regulations](#) section.

Prerequisites

Students are responsible for ensuring that they have the necessary prerequisite(s) before taking a course. Students who fail a course that is a prerequisite for the one in which they are already registered must make appropriate changes to their registration.

Registration Permit and Override Permission

When required, students must obtain permission before attempting to register in [UR Self-Service](#). Permission must be obtained in the following instances (and is not automatically granted, nor does it guarantee space in a class):

- required prerequisite has not been completed;
- permission of instructor or department head or Associate Dean (Undergraduate) is required; the faculty, college, program, or major restriction the is not met; or
- scheduling conflicts.

Refer the Class Registration and Withdrawal section.

Students requiring such permission must contact the instructor and/or the Department Head or submit a Registration Permit/Override Permission form to the MAP Student Program Centre or to their home college or Faculty.

This form is available in the MAP Student Program Centre and may also be found at

www.uregina.ca/student/registrar/resources-for-students/printable-forms.html.

Registration Overloads

Students may not register for more than 15 credit hours in Fall or Winter term, or 12 credit hours in Spring/Summer session, unless they have a UGPA of at least 70% and have successfully completed at least 30 credit hours at the University and have received a letter of permission from both their department head/program coordinator

and the Associate Dean (Undergraduate). Registration for the overload must be completed in the MAP Student Program Centre or at the federated college the student is registered with. Music Ensembles are not included in this count.

Auditing

Students may obtain permission to audit a course providing they have met all prerequisites and have obtained the instructor's permission and have followed the process as outlined in the [Class Registration and Withdrawal](#) section.

Instructors are not obligated to grant permission for a student to audit a class but should be as accommodating as classroom pedagogy will allow.

The cost of auditing a class is 50% of the normal tuition for the course. Full material fees are not waived. Students interested in auditing a class should consult the MAP Student Program Centre.

Evaluation of Academic Performance

The academic performance of all students registered in the Faculty of Media, Art, and Performance is reviewed at the end of each term (spring and summer considered as one term).

Dean's Honours List

The Dean's Honours List is compiled each term and includes the names of students with a term grade point average (TGPA) of at least 85.00%.

In the fall and winter terms students must complete a minimum of 12 credit hours of numerically-graded courses. In the spring and summer term students must complete a minimum of 9 credit hours.

Probation and Discontinuance

University Regulations

Refer to the [Academic Regulations](#) section for all regulations regarding Academic Performance.

Faculty Regulations

Students in the Faculty of Media, Art, and Performance are expected to maintain a PGPA of 65.00%. After a student has completed 15 credit hours, the Faculty will assess their academic performance. Those whose PGPA falls below 65.00% will be placed on faculty probation (faculty probation does not appear on official transcripts). Students who are placed on faculty probation will:

1. Have an academic hold place on their account restricting them from future registration.
2. Must schedule and attend a mandatory advising session with the student program advisor.

For the next 24 credit hours undertaken, the student will be on Faculty-level Probation. During this time, they may take any courses, but it may be recommended that they re-take specific courses. If, the student has successfully raised their PGPA by the end of the probationary period to above 65.00%, they will be removed from faculty probation. If a student has not raised their PGPA above 65.00%

after being on faculty probation for 24 credit hours, they will be RTD from the Faculty of Media, Art, and Performance.

Faculty probation refers only to a student's PGPA. Students must also satisfy the university regulations around [Academic probation](#) and to be aware of the graduating requirements of their particular program.

A second failure in a course required for the student's program will result in a requirement to discontinue for two terms from the program. Re-admission to the program will be by petition. Failure in the third attempt will result in a requirement to discontinue indefinitely from the program. Please refer to the list of specific courses required for each program under the appropriate Department.

Students who fail English 110 twice will be required to discontinue from the Faculty of Media, Art, and Performance for two terms. Re-admission to the Faculty will be by petition. Failure in the third attempt will result in a requirement to discontinue indefinitely from the Faculty.

On the recommendation of the Faculty Committee on Admissions, Studies, and Procedures, students may be required to discontinue indefinitely from the Faculty of Media, Art, and Performance for unsatisfactory professional development or prolonged unsatisfactory academic development. Students have the right to appeal this decision (see the faculty's [Appeal Procedures](#) section).

Appeal Procedures

Students may appeal the application of academic probation or a requirement to discontinue by writing to the Faculty of Media, Art, and Performance Appeals Committee. The appeal must be in writing and addressed to the:

Associate Dean (Undergraduate)/Chair
Faculty of Media, Art, and Performance Appeals Committee
RC 267
University of Regina
Regina, SK S4S 0A2

Graduation Requirements and Time Limits

A student's program grade point average (PGPA) for graduation purposes will be calculated only on those courses taken at the University of Regina that form part of the degree (i.e., failed courses, extra courses and transfer credits are not included). Courses that are required to be taken at another institution as part of a University of Regina program will be treated as University of Regina courses.

Application to Graduate

Applying and Approval to Graduate

Students who wish to have their degree conferred as soon as possible after completing their requirements should apply for graduation upon registration in their final term of courses. Students who will be finishing in December need to apply by November 30 in order to have their degree conferred in January. Students who will be finishing in April need to apply by January 31 in order to have their degree conferred in May. Students who will be finishing during Spring/Summer session need to apply by July 31 in order to have their

degree conferred in September. Students who plan to attend the Convocation ceremony should note the relevant deadlines in the [Graduation](#) section. All students must have a University Grade Point Average (UGPA) of 60.00% and a Program Grade Point Average (PGPA) of 65.00% in order to be eligible to graduate.

Graduation Requirements

Four-Year BA and BFA Programs

Students must have a minimum PGPA of 65.00% in all courses and a minimum major GPA of at least 65.00% in all courses taken in the major subject and in courses in other disciplines required for the major.

Two-Year Post Diploma BDes Program

Students must have a minimum PGPA of 65.00% in all courses and a minimum GPA of at least 65.00%.

Special Three-Year BA Program

A minimum PGPA of 60.00% in all courses taken for the program and a minimum average of 65.00% in all courses taken in the major subject and in courses in other disciplines which are required for the major will be required for graduation.

Honours Programs

To qualify for honours programs, students must attain a minimum GPA of 75.00% in all courses taken in the major and required cognate courses, and for high honours a minimum GPA of 85.00%.

Students who fail more than 9 credit hours after the first 30 credit hours attempted at the University of Regina or any other post-secondary institution are not eligible to graduate with honours except by permission of the Faculty of Media, Art, and Performance Committee on Admissions, Studies and Procedures.

Students must consult individual departments to obtain full details of these programs.

BMus and BMusEd/BMus programs

A minimum PGPA of 65.00% is required for graduation.

Certificate Programs

A minimum PGPA of 65.00% is required for graduation.

Students pursuing more than one certificate must ensure there is no more than 50% overlap between certificate programs. Graduation will not be approved for two or more certificates with significant overlap in content.

Minors

A minimum GPA of 65.00% is required in the courses required for the minor.

International Designation

Students will have the International designation added to their degree if they complete at least one of the following:

1. A term (or more) out-of-country Co-op work term, internship, or practicum; or
2. A minimum of 3 credit hours of courses taken by prior permission of the University of Regina at an on-site, out-of-country post-secondary institution.
3. Other international experiences will be considered on a case-by-case basis as approved by the Associate Dean, Undergraduate.

Deferred Examinations and/or Course Work

Students who are unable to complete a course for exceptional circumstances (serious medical or personal reasons) may be eligible to defer some of the course work. Students who are considering this option should refer to the [Academic Regulations](#) section as well as consult with the MAP Student Program Centre (or relevant federated college) as soon as possible.

Students should expect that valid supporting documentation will be required and must be submitted before a deferral is approved. Refer to the Academic Regulations section for further clarification.

Deferred Course Work

The authority to approve deferrals of course work (assignments and midterm examinations) within the term belongs to the instructor of the course. Refer to the [Academic Regulations](#) section for further information.

Medical or Compassionate Withdrawals

Students who are withdrawing from one or more courses, after the end of the 100% refund period, for exceptional reasons beyond their control should refer to the [Class Registration and Withdrawal](#) section for more information.

In exceptional circumstances a student might be advised to seek a retroactive withdrawal from the previous term. Refer to the Class Registration and Withdrawal for more information.

Appeal of Grade

Students have the right to appeal a grade. Students should refer to the [Student Code of Conduct and Right to Appeal](#), Appeal of Grade section.

Other Faculty Policies

Additional Regulations

- A student may not receive credit for a 100-level course after receiving credit for a senior course in the same discipline, except by prior written permission of the department head. A course may not be repeated or taken for credit if it is a prerequisite for a course in the same discipline, for which credit has previously been obtained, except by prior written permission of the department head.
- For MAP programs, a maximum of 42 credit hours may be taken at the 100-level.
- Students may not use one course to fulfill two requirements of a degree.

- Students who must write a test of English language proficiency to gain admission to the University of Regina or students who pass a language proficiency exam (see LANG 001 in the Courses section) are exempt from completing the second language requirement as required for Honours degrees in Media, Art, and Performance. The credit hours will be fulfilled with courses from the Culture and Society area. Programs requiring specific languages are exempt.
- A student may select, with departmental approval, up to 15 credit hours of courses designed as pass/fail to accommodate the Professional Placement Program. BMusEd/BMus students are excluded from this provision.
- All students registered in the Faculty of Media, Art, and Performance (including those registered through the federated colleges) must complete MAP 001. Students who have successfully completed INDG 104 are exempt. Transfer students who have completed of 24 credit hours with an average of over 75% can appeal this requirement.
- If students fail a course that is a prerequisite to one in which they have enrolled in the ensuing term, it is their responsibility to drop the latter course. Whether or not they drop the course, they will be refused credit for the latter course, even if it is successfully completed.

Stale-dated Courses

Students who are admitted or readmitted to the Faculty of Media, Art, and Performance and have complete courses in their degree program more than eight years previously, may be required to update their knowledge by repeating or taking additional courses. Please consult the Faculty of Media, Art, and Performance Student Program Centre. The earlier attempt at any passed courses that must be repeated under this regulation usually can be counted for elective credit.

Concurrent Programs

Also refer to the [Graduation section](#) of this Calendar.

Upon formal application by a student, the Faculty of Media, Art, and Performance will permit enrolment in two concurrent undergraduate programs, with prior approval of the appropriate department head(s), except the Bachelor of Music Education which may not be taken concurrently with another program.

Primary Program

A student's primary program will be the one the student declares as such, with department head's approval.

Admission to concurrent programs in the same faculty must have the approval of both department heads. The Faculty office will process the application.

Registration

Students will be eligible to register in courses restricted to either of their two programs and will register with their primary faculty.

Please note that some courses:

- may be restricted to first majors and then to second majors;
- are only offered once per year, or once in every two years.

Some programs may require a block of courses be taken in the same term.

Fees

Students in concurrent programs in different faculties will pay fees associated with their primary program.

Awards

Students will be eligible for faculty awards in the faculty of their primary program only.

Dean's Honours List

Students will be eligible for inclusion on the Dean's Honours List of their primary program only.

Performance Regulations

University academic performance regulations will be applied by the Faculty of the primary program.

Faculty and Program Academic Performance Regulations

If the programs are in two different faculties, each faculty will apply its regulations governing performance within the faculty and program.

Change in Primary Program

When a student graduates or is required to discontinue from a primary program and the secondary program remains valid and current, a new student primary program record will be created.

Degree Programs

Bachelor of Arts (4-Year) (BA)

The BA degree in the Faculty of Media, Art, and Performance is comprised of at least 120 credit hours. Students will choose a major from one of the following: Art History, Creative Technologies, Cultures of Display, Film Studies, Indigenous Art, Indigenous Art History, Music, Pop Culture, Theatre and Drama Studies, or Visual Arts. Under each department students will find the requirements for discipline specific Bachelor of Arts degrees.

Introductory Courses

A student may take no more than 14 introductory courses (42 credit hours) toward the four-year BA. It shall be the responsibility of each student to ensure that this regulation is followed. The second English course, and courses taken beyond the first in a second or third language to satisfy the language requirement, will not be counted toward the total of 14.

Major Declaration and Requirements

Students admitted to the Faculty of Media, Art, and Performance must declare a major within the Faculty of Media, Art, and Performance before the successful completion of 46 credit hours.

Students must consult with the department(s) concerned to obtain full details of the requirements for the major.

Each student shall choose a major which will fall into one of the following categories:

Subject major: A major involving study in depth in one discipline. This requires a minimum of 36 credit hours to a maximum of 66 credit hours. At least 3 credit hours must be at the 400-level.

Double major: A major that satisfies requirements for subject majors in two disciplines. Students must consult with the department heads in both disciplines.

Individual major: A major for students whose needs are not met by the above. Students may propose a program of study for consideration and approval by the Committee on Admissions, Studies, and Procedures, and by the Dean.

Minor Requirements

A minor is a concentration of 15 or more credit hours in a subject other than the major. Minors must be in an area distinct from the major. Students choosing a minor must consult with the Student Programming Centre.

BA Honours Degree (BA Hons)

A Bachelor of Arts (Honours) degree is available in Art History, Film Studies, Music, or Visual Arts. Specific program requirements are listed under each subject area. Admission to an honours program requires a minimum average of at least 70.00% in all courses taken and a minimum average of 75.00% in the major.

Students must formally apply for admission to an Honours Program. Applications for admission are available at the Student Programming Centre or department office.

Bachelor of Design

The Bachelor of Design is a two-year post-diploma program (60 credit hours) that allows direct entry for students who have completed a Diploma in Design at approved Canadian institutions or students who have completed a Diploma in Creative Technologies or a Diploma in Computer Science at the University of Regina. A post-diploma baccalaureate program is a program that requires a post-secondary diploma for the purposes of admission where students receive a block of 60 transfer credits and are required to complete 60 University of Regina credit hours.

Bachelor of Fine Arts (BFA)

Applicants must meet the normal requirements for admission to the Faculty of Media, Art, and Performance. Some departments have additional admission requirements; students should refer to the department concerned for program specific details.

A student must complete at least 120 credit hours for the BFA degree.

Bachelor of Music (BMus)

This is a four-year program. Applicants must meet the admission requirements of the faculty and entrance requirements of the Department of Music (refer to Admissions section). For details regarding the BMus program see the description under the Department of Music.

Conjoint Bachelor of Music Education and Bachelor of Music (BMusEd/BMus)

This is a five-year conjoint program offered by the Faculty of Media, Art, and Performance and the Faculty of Education under the supervision of a joint coordinating committee of the two faculties. The entrance requirements include those of both the Faculty of Education and the Faculty of Media, Art, and Performance. The Department of Music has additional entrance requirements (refer to Admissions section). For details regarding the BMusEd/BMus program see the description under the Department of Music.

Bachelor of Arts (Three-Year Special)

Special three-year BA degree programs are available only to BEd Arts Education students wishing to acquire a second degree concurrently with or after the award of the BEd in Indigenous Art, Music, Theatre, and Visual Arts.

Advanced Certificates

Advanced Certificate in Arts (ACA)

Students who hold a three-year Bachelor of Arts degree may be eligible to complete an Advanced Certificate in Arts, which indicates that they have completed the equivalent of a four-year Bachelor of Arts degree. In order to qualify for this Certificate students must complete a minimum of 30 credit hours at the University of Regina in addition to the credit hours required for the three-year degree.

Within the BA degree and the Certificate program, students must complete the equivalent amount of credit hours in their major as is in the four-year BA, as directed by the department offering the major. Students whose three-year BA degree is from a university other than the University of Regina must complete a minimum of 15 credit hours of the Certificate program in their major at the University of Regina.

Bachelor of Arts Honours Certificate

In order to qualify for the Honours Certificate:

1. Students must complete a minimum of 30 credit hours at the University of Regina in addition to the BA degree and any remaining major requirements of their major. Each student's program must be approved by the head of the department concerned.
2. Students must have an average of at least 70.00% in all courses that form part of the BA degree and the Certificate program, and an average of at least 75.00% in all courses taken in the major subject and in courses in other disciplines which are required for the major.

Diploma Programs

Diploma in Creative Technologies

The Diploma in Creative Technologies is a 60 credit hour diploma program. Students will develop specialized skills across a range of technologies used in a variety of industries, knowledge of the interdisciplinary intersection of art and technology, and hands-on

experience creating works of visual art, music, theatre, film and new media using technology.

Students who hold a previous credential consisting of 60.0 credit hours or more (or equivalent to at least a 2-year program) in Creative Technologies or a related discipline, may not enroll in the Diploma in Creative Technologies, except with special permission of the faculty.

Diploma in Film Production

Admissions suspended as of May 1, 2024.

The Diploma in Film Production is open to students holding a bachelor's degree in a field other than Film Production or the completion of 90 credits in any discipline.

Post-Baccalaureate Diploma in String Performance

This one-year diploma program will focus on the string quartet, performance practices, repertoire, and private lessons. This diploma helps bridge the gap between being a Bachelor of Music in string performance graduate to a professional musician.

Certificate Programs

IMPORTANT: Students pursuing more than one certificate in the Faculty of Media, Art, and Performance must also refer the Faculty of Media, Art, and Performance certificate program graduation regulation in the Graduation Requirements and Times Limits section.

Certificate in Creative Practice

The Certificate in Creative Practice is a program for those who want to pursue creative practice courses that develop their emerging talents in one or more areas. The courses included in the program ensure foundational skills in university writing and research (including academic integrity) as well as sensitivity to Indigenous issues in the Arts.

Certificate in Film Production

The Certificate in Film Production program gives students an overview of the essential fundamentals and creative elements of film production. The curriculum covers various skill sets: animation, dramatic filmmaking, scriptwriting, and photography. Additionally, the program incorporates film studies courses, offering insights into cinema's cultural, historical, and theoretical aspects.

Certificate in Indigenous Fine Arts

Applicants must meet the normal requirements for admission to the Faculty of Media, Art, and Performance, and must submit a portfolio by April 1 for entrance into the fall term and by December 1 for entrance into the winter term. For details regarding the Certificate in Indigenous Fine Arts, see the description under the Department of Indigenous Fine Arts.

Certificate in Media, Art, and Performance

The Certificate in Media, Art, and Performance is grounded in the historic understanding of a well-rounded university education; it is a foundational study across a range of subjects and provides a well-

rounded introduction to a number of critical learning skills. The Certificate in Media, Art, and Performance can ladder into all of the BA and BFA degrees offered by the Faculty of Media, Art, and Performance. For details regarding the Certificate in Media, Art, and Performance, see the description listed below.

Certificate in Visual Arts

Applicants must meet the normal requirements for admission to the Faculty of Media, Art, and Performance, and must submit a portfolio by April 1 for entrance into the fall term and by December 1 for entrance into the winter term. For details regarding the Certificate in Visual Arts program, see the description under the Department of Visual Arts listed below.

Professional Placement Program in Media, Art, and Performance

The Faculty of Media, Art, and Performance Professional Placement option is an experiential learning course giving students the opportunity to further their knowledge and skill set(s) within an institution related to their major while gaining credit towards their degree.

Typically, the field work is done on or off campus. The project or terms of the placement will be developed through consultation between the MAP Student Program Centre, the student, and the institution. Supervision is jointly undertaken by the host institution and a MAP faculty member.

Students must have completed 60 credit hours and have permission of their Department Head to take part in the program.

Department of Music

The Department of Music offers programs leading to the degrees of BA in Music (4-year), BA (Special 3-year), BA Hons in Music, BMus (comprehensive, composition, music history, or performance), and BMusEd/BMus (in conjunction with the Faculty of Education). Requirements for each program are outlined under the specific area of study.

Ensemble Requirements

Core ensembles are Concert Choir, Concert Band, Chamber Singers, Wind Ensemble, Jazz Ensemble and University Orchestra. Credit for participation in core ensembles towards a degree program in music is limited to a maximum of 6 credit hours. Total program credit hours from all MUEN courses may not exceed 12.0. In the case of the BMusEd/BMus program, the limit is 7 credit hours. Every BMus and BMusEd/BMus degree student, with the exception of BMusEd/BMus students during internship term, will satisfactorily participate in two core ensembles every term. One of the core ensembles must be selected as follows: vocal, guitar and piano majors will be in Concert Choir or Chamber Singers; string majors will be in University Orchestra; wind and percussion majors will be in Concert Band or Wind Ensemble. The second core ensemble will also be chosen from the above list.

Every BA in Music student must participate in six ensembles (6.0 credit hours). Students doing a Minor in Media, Art, and Performance (Music) must participate in three ensembles (0.0 credit hours). MUEN 131 Concert Choir is recommended.

More than three ensembles of any type per term may be taken only with permission of the department head.

A grade of Pass or Fail will be given unless an ensemble is taken for credit, in which case a numerical grade will be assigned.

Prerequisite for all ensembles is permission of the ensemble instructor with the exception of Concert Choir and Concert Band, which require no permission. Permission is required once per year in fall term only.

Core Ensembles

- MUEN 101 University Concert Band Variable credit: 0 or 1
- MUEN 131 University Concert Choir Variable Credit: 0 or 1
- MUEN 171 University Orchestra Variable Credit: 0 or 1

Bachelor of Arts in Music (Three-Year Special)

This program is open only to those students wishing to complete a combined BEd Arts Education/BA (Music) degree.

The degree is granted only concurrently with or after the awarding of the BEd in Arts Education. Directed towards arts education generalists and elementary music educators only, the program is not intended to provide adequate professional training for careers in instrumental or choral instruction at any level.

Participation is required in one ensemble for each of the six terms in which the student is registered (graded on a pass/fail basis).

Music courses are to be completed before the liberal arts requirements.

Bachelor of Music (BMus)

In addition to the normal entrance requirements, an interview and an audition in the applicant's major applied area are required, as well as a theory entrance test. Dates of the test are available on request from the head of the Music Department. Those desiring consideration for music entrance scholarships should complete the audition and entrance test by March 15.

All first-year students are classified as majoring in Comprehensive. The other majors (Composition, History or Performance) begin in year 2, term 1. First-year students should consult a music department instructor in the area (the composition professor, their music history teacher, or their applied music teacher) concerning the level of achievement required to qualify for a major other than Comprehensive in years two through four. Potential performance majors must indicate to the department head, as well as to their applied music instructor, during year 1, term 2, that they wish their next jury also to serve as an audition for the major in Performance.

Study in one performance medium (the applied major) is required for a varying number of terms, which may include one or more required recitals, depending upon the program major. No more than 9 credit hours of directed study courses may count toward graduation requirements.

Except with the special permission of the head of the Music Department, all degree requirements must be completed within seven calendar years from the date that the program commenced.

Non-keyboard majors may be required to enrol in class piano. Failure to meet the proficiency level required by the department will mean additional study.

To qualify for the BMus degree students must complete at least 120 credit hours (75 credit hours of core courses and 45 credit hours in one of the areas of comprehensive, composition, music history or performance).

Bachelor of Music Education (BMusEd)/Bachelor of Music (BMus) Conjoint Program Resulting in Two Degrees

[Refer also to this program in the Faculty of Education section.](#)

This five-year program is offered jointly by the Faculty of Media, Art, and Performance and the Faculty of Education under the supervision of a joint coordinating committee of the two faculties. The program prepares students to teach secondary choral and instrumental music. The program consists of minimum of 150 credit hours and depending on the teaching minor chosen, students may be required to complete additional credit hours in order to qualify for teacher certification. Once students enter the program, they must complete the entire integrated program to graduate with either degree. Should a student decide to pursue only one of the degrees identified, they must officially apply to transfer out of the joint program. Upon the completion, students will receive a Bachelor of Music Education degree and a Bachelor of Music degree.

All students in the program register in the Faculty of Media, Art, and Performance for term 1 through 6 and obtain academic advising from the Department of Music in the Faculty of Media, Art, and Performance. In term 7 through 10, students register through the Faculty of Education and must obtain academic advising from the Student Program Center, Faculty of Education and the Chair of Music Education, Faculty of Education.

Students must apply to both the Faculty of Education and the Faculty of Media, Art, and Performance for graduation.

Admission Criteria and Application Process

Students applying to the joint BMusEd/BMus Program must meet the admission criteria for both the Faculty of Education (BMusEd) and the Faculty of Media, Art, and Performance (BMus), including successful completion of an audition and an examination in music theory to be given by the Music Department. Application deadline dates and process can be found in Admissions section. Dates of auditions are available on request from the Music Department.

In addition, all applications to the Joint Program require a Teacher Education Application and Profile. Contact the Student Program Center, Faculty of Education for application procedures.

Program requirements

Students pursue applied music study on one instrument or voice for six terms, presenting a half-hour public recital during the sixth term. This recital requirement may be fulfilled by a one half-hour jury recital before music faculty members with the permission of the Music Department Head. The recital requirement must be completed before students enter term 7 of the program.

Successful participation in two core ensembles is required during each of the first six terms.

A PGPA of 70.00% is required in their combined music and music education courses in order to proceed to pre-internship in term 8.

One term is devoted to internship (EFLD 400) with 15 credits to be counted toward graduation.

Term 10 has been strategically constructed to allow for a term of international study (optional).

Qualifying for the Professional A Certificate granted by the provincial Ministry of Education will require careful management of all of the options and electives available in the program.

Academic Advising

Academic advising will be done jointly with representatives from both faculties.

Conjoint Program Academic Performance and Progress

Student’s performance will be governed by both the university academic standards (see the [Academic Regulations section](#)) and program standards as outlined in the Faculty of Education section and the Faculty of Media, Art, and Performance section. Student progress is monitored regularly by the Joint Coordinating Committee.

Appeals of Academic Standing

Students are subject to the academic performance regulations of both faculties and student progress is monitored regularly by the Joint Coordinating Committee. For details on academic performance see the [Academic Regulations](#) section and the relevant Faculty Regulations sections.

The PGPA required for graduation is 65%.

If there are extenuating circumstances related to academic performance, students may appeal the application of academic probation or a requirement to discontinue by writing to:

Joint BMusEd/BMus Program Review Committee
c/o Faculty of Education
Office of Student Services (ED 355)
University of Regina, SK S4S 0A2
Fax: 306-585-4006

Re-Admission after Being Required to Discontinue from the Joint Program

Students who have been required to discontinue from the joint program must petition using the Teacher Education Application and Profile and a letter of petition to the Joint BMusEd/BMus Program Review Committee by February 1 for the subsequent fall term.

Conjoint Degrees Program Course Requirements

Students must complete:

1. All Bachelor of Music Education course requirements as outlined the Secondary Education Program (Majors) section.
2. All Bachelor of Music requirements as outlined in the program template.
3. ENGL 100 as their writing competency course.

Applied Music Lessons (MUBC, MUBN, etc.)

As a sample number for applied music lessons, MUPI 141 designates lessons for a piano student in the first term, first year of a BMus performance degree.

The performing medium is indicated by the following two-letter symbols:

BC bass clarinet	HD harpsichord	TB trombone
BN bassoon	HN horn	TP trumpet
CL clarinet	OB oboe	TU tuba
DB bass	OR organ	VA viola
EU euphonium	PC percussion	VC violoncello
FL flute	PI piano	VN violin
GR guitar	SX saxophone	VO voice

The first digit refers to the year of study.

The second digit indicates the degree program towards which the credit is taken, according to the following scheme:

- 4 = BMus applied major (performance concentration)
- 3 = BMusEd/BMus applied major; BMus applied major (comprehensive, music history, music theory, or composition concentration)
- 2 = BEd, BMus minor or other.

The third digit indicates the term of study at a particular level.

Participation in an ensemble may be required of students enrolled in an applied music lesson.

Prerequisite: Permission of Music Department.

Students should note that:

1. Students in the third through eighth terms in the BMus degree program concentration in performance receive three (3) hours of credit for the applied major lesson. All others receive two (2) hours of credit.
2. Students should not register for the second, third, or fourth year of study without having received credit for the previous year or advanced standing from the Music Department.
3. Unless there are extenuating circumstances, no student may enroll for more than the regular sequence of eight terms of applied music lessons.
4. For students in the BMus and BMusEd/BMus programs applied lessons in a secondary area are dependent upon the availability of regular, full-time faculty, and the permission of the department head.
5. Students in the BMus and BMusEd/BMus degree programs will not receive credit towards their degree program for applied lessons in the MUXX 121 series in the primary applied area.

Post-Baccalaureate Diploma in String Performance

Notes: Students may use elective credit to gain additional depth in a second studio area.

Students who receive a grade of less than 65.00% in a studio course and who wish to continue to the next level of studio courses must petition the Department Head for a review to take place before the end of that term's exam week. The review will be chaired by the Department Head and will consist of two other faculty members. The purpose of the review is for the student and faculty to find solutions for successfully resolving studio problems. If the review goes well, the student may be given permission to register in the next level studio course.

Visual Arts majors in the BA program who wish to apply into the BFA program must do so before taking a 400-level course in the major. Students are encouraged to complete all required 200-level courses in studio before taking a 300-level studio course. Graduating BFA majors are required to take three credits in senior studio in each of their final two terms leading towards their exhibition, as well as ART 400 and ART 401. Students must prepare their graduation exhibition in the term in which they graduate.

Undergraduate Programs

The Faculty of Nursing, in partnership with Saskatchewan Polytechnic offers two collaborative programs: the Saskatchewan Collaborative Bachelor of Science in Nursing (SCBScN) and the After Degree Nursing program (ADNP). Students in the ADNP will complete three courses together as a cohort and move through the remainder of the program with the SCBScN students. Three exit options are available for SCBScN students. The SCBScN program also has a bilingual option available. Fifty percent (50%) of the courses in the SCBScN bilingual option will be taught in French. The LPN to BScN Pathway is an additional option toward completion of the SCBScN program. Each program leads to a Bachelor of Science in Nursing degree (BScN). Programs have been approved by the College of Registered Nurses of Saskatchewan (CRNS); the SCBScN program has also been accredited by the Canadian Association of Schools of Nursing (CASN). For more information, please visit:

www.sasknursingdegree.ca.

Requirements of the Nursing Program

All students admitted to the program must attend mandatory advising which takes place prior to the beginning of their first term in the program. **Failure to attend this session will result in revocation of admission to the program.**

Students upon admission to the SCBScN, (regular or Bilingual Option) or ADNP must:

- Comply with processes regarding immunization as indicated in the New Student Welcome Package, provided upon acceptance into the program.
- Specific immunizations may be required for certain clinical placements. Students who refuse or are unable to comply with this requirement are at risk of not being able to complete required components of the program.
- Obtain and submit a Criminal Record Check and Vulnerable Sector Check (dated within three (3) months prior to the beginning date of the program) by August 1. This must be issued for University of Regina and/or Saskatchewan Polytechnic Student and not any other organization. Students who turn 18 years of age after the August 1 deadline, must submit the Criminal Record Check and

Vulnerable Sector Check immediately following their 18th birthday. A Criminal Record Check and Vulnerable Sector Check that is positive will be shared with the Saskatchewan Health Authority (SHA), as per policy, to determine that the record will not preclude a student from being allowed into the clinical setting.

- Complete Standard First Aid and submit certification by August 1 prior to the beginning of their first term.
- Complete BLS Provider/Basic Life Support-BLS (HCP)/CPR HCP (dated the year of acceptance into the program) and submit certification by August 1 prior to the beginning of their first term.
- Complete Workplace Hazardous Materials Information System 2015 (WHMIS) courses and submit certification by August 1 prior to the beginning of their first term.
- Complete Fit testing for at least two different SHA approved respirators (to determine appropriate size of specific respirators). ADNP students must submit their certification by August 1 prior to the beginning of their first term. All other students must submit their certification by December 1 prior to beginning Term 2.
- Complete a Transferring Lifting Repositioning (TLR[®]) course. ADNP students must submit their certification by August 1 prior to the beginning of their first term. All other students must submit their certification by December 1 prior to beginning Term 2.
- Complete Professional Assault Response Training (PART[®]) Advanced Program[©] and submit certification prior to start of CNUR 304 and must remain current for the duration of the program.
- Submit a second Criminal Record Check and Vulnerable Sector Check prior to beginning CNUR 401. A second Criminal Record Check and Vulnerable Sector Check may also be required, depending upon placement agency.

Students upon admission to the LPN to BScN Pathway must complete all risk management expectations as indicated in the Welcome Package.

Students are expected to be accountable for any necessary renewals and the submission of risk management for the duration of the program as follows:

- Completion of a BLS Provider/Basic Life Support-BLS (HCP)/CPR HCP course is required every two years, regardless of the date(s) on the certificate of completion.
- Completion of a TLR[®] renewal course is required every three years.
- Fit testing and PART[®] Advanced Program[©] are required every two years.

Students who do not submit current risk management documents as required and defined above by the dates specified in the Registration section below will be excluded from practice education.

Students must report any outstanding charges and/or criminal convictions that occur after the date of the original Criminal Record Check and Vulnerable Sector Check to the Associate Dean U of R or the

Academic Chair Saskatchewan Polytechnic. Failure to report outstanding charges and/or criminal convictions that have occurred since the date of the original Criminal Record Check and Vulnerable Sector Check will be grounds for immediate dismissal from the program.

Other documentation may be required to be completed once students are admitted to the program. Failure to complete and submit this documentation as identified will impact student progress in the program.

Practice Education

Practice education placements and practicums will be assigned according to students' educational needs and the availability of experiences. These may be outside of Regina and Saskatoon. Any required travel or housing as a result of practice education placement is the responsibility of the student.

In order to facilitate learning experiences, lab / practice education experiences will be scheduled at a variety of times and days of the week. Twelve-hour shifts will be included in some rotations, as will evenings, nights and weekends.

Practice education and lab experiences are an integral part of the nursing programs. Saskatchewan Polytechnic and the University of Regina have contracts with all agencies in which students will have experience. All of students' practice education experiences (including those that are preceptored), regardless of where they are, will be arranged by the program.

Practice Education Attendance

Practice Education orientations are critical to student success and patient safety. Students are required to attend orientations which are designated as mandatory or they will not be allowed to continue with the practice education experience. Extenuating circumstances will be considered with appropriate supporting documentation. Practice experience is an integral part of the program. Students are required to participate in all practice education experiences in order to consistently meet the learning objectives and competencies required.

Dress Code

Students are expected to adhere to the practice education agency policy, and occupational health and safety standards regarding professional appearance and conduct. An approved program uniform will be required for some practiced education experiences. For other experiences students will be required to dress in business casual attire. A uniform may be required within lab settings.

Reassessment of a Grade for Practice Education Courses

Practice education is an integral part of the Nursing programs. Reassessment of practice education grades is based on a fair and open process, which will include all written course work and documented performance feedback. Students wishing a reassessment of a practice education grade must request the reassessment as per the deadlines, fees and process outlined in the [Student Code of Conduct and Right to Appeal](#) section in this Calendar. For more information see the SCBScN Programs Student Handbook.

Program Attendance Policy

Students are expected to notify the faculty in advance of an unavoidable absence from lab or practice education experiences. Substantiating documentation may be required for absences. Students are expected to be prepared for, and to maintain, a high level of punctual attendance at all lectures, labs, seminars, and practice education experiences. Students who miss more than 10% of lectures, seminars, labs or practice education experiences may be unable to consistently demonstrate course competencies and may be unsuccessful in the course. This may impact progress through the program. There is no mechanism to make up practice education or laboratory time.

Required Resources

Students are responsible for acquiring the following resources at their own expense:

1. Electronic Mobile Device (EMD) (Purchase at a vendor of your choice)
2. Current edition of the American Psychological Association
3. Two standardized uniforms as approved by the nursing program
4. Protective eyewear as indicated in SCBScN Student Handbook
5. Stethoscope with bell and diaphragm head
6. Watch with a second hand or a digital readout in seconds. **An EMD is not a substitute for this requirement.**

See the program website at:

<http://www.sasknursingdegree.ca/scbscn/tuition-fees/> for further information on these requirements.

The U of R e-mail address is the official mode of communication for the nursing program. It is the responsibility of the student to ensure that this is regularly monitored and maintained.

Admission, Re-Admission, and Transfer

The SCBScN, ADNP, and LPN to BSN Pathway are competitive entry programs with a limited number of seats. Students are expected to complete their program on a full-time basis and move through their program as part of a cohort. Any student who wishes to take a reduced course load must receive prior permission from an academic advisor. Students are advised that failure to carry a full course load can impede progress in the program, and potentially prohibit them from completing the program in the maximum seven year allowable time frame. Students who are within their admission cohort are given priority for clinical placements (as such placements are limited in number).

Please refer to the Admissions section in this Calendar for University policies on Admission, Re-admission, and Transfer. Admission will occur during the fall term; however, the Dean may permit admissions during other terms to manage enrolments. Re-admission by petition or application is available for each term. Re-admission is not guaranteed.

Re-Admission

Students applying for re-admission to the Faculty of Nursing must meet the current admission requirements in place at the time of the application for re-admission. Students who are re-admitted to the Faculty must enter the program that is current at the time of their re-admission. Students who are re-admitted to the Faculty may have conditions applied to their re-admission; students who fail to meet these re-admission conditions are required to discontinue from the faculty indefinitely (See the [Student Code of Conduct and Right to Appeal](#) section).

Restrictions on Transfer

Applicants wishing to transfer to the Faculty of Nursing SCBScN program from another faculty or wishing admission from another post-secondary institution must apply to the program and meet admission requirements as per Re-admission, Faculty/College Transfer and Second Programs under the Admission section of this Calendar. Transfer applicants who are registered in post-secondary courses at the time of admission, may be granted conditional acceptance; however, final admission will be contingent on meeting the final admission requirements. Transfer applicants who are on Faculty level or University level probation will not be considered for admission.

Transfer from Other Faculties or Admission from Other Post-Secondary Institutions to the Faculty of Nursing (SCBScN Program)

For application deadlines for students who wish to transfer to the Faculty of Nursing refer to the Admissions section in this Calendar. An Application for Admission must be submitted to Saskatchewan Polytechnic Registration Services or the University of Regina Admissions Office by the deadline date. For students who have attempted any post-secondary courses please refer to the Admissions section in this Calendar.

Admission from another Nursing Program

Students who are in another nursing program at another Canadian university, or who have completed nine credit hours (or equivalent) of nursing classes in any other nursing program and wish to apply to the SCBScN program must do so by January 31 for the fall term. A completed application form, course outlines for all courses taken in the nursing program, and the program reference form must be submitted to the University of Regina Undergraduate Enrolment Service Office. For further information, see the SCBScN program website at: <http://www.sasknursingdegree.ca/scbscn/apply-now/>.

Transfer between Sites of SCBScN Program

Students should expect to complete the program at the site to which they were admitted. Transfers may be available in exceptional circumstances. Requests for transfer are to be made by April 30 of the academic year preceding the year of transfer requested. Transfers can only be considered if there is available classroom, lab and clinical space at the site requested. Mid-year transfers are not allowed. Any student requesting a transfer between sites should contact the Faculty of Nursing in writing outlining the exceptional circumstances.

Residency and Transfer Credit

Residency Requirement

Students must complete at least 50% of their program at the University of Regina.

Transfer Credit

Courses taken at accredited universities and colleges in North America are normally evaluated by the Faculty only after the student has accepted admission to the program. Students may be required to provide a detailed course syllabus/outline for each course for which they are seeking transfer credit. Grades are not transferred. For more information about evaluation of credit for courses completed outside Canada and the United States, please refer to the Admissions section of this Calendar. The Faculty requires a minimum grade of 60% (or University of Regina equivalent) in each course for which transfer credit is sought. The Faculty will not award transfer credit for nursing courses that are seven or more years old. Transfer credit will not be awarded for any course taken at institutions not listed on the application form. The Faculty's decision about transfer credit is final. Block transfer credit available for graduates of some Saskatchewan Polytechnic Psychiatric Nursing programs as listed below. Some psychiatric nursing programs from other institutions have been evaluated and block transfer credit may awarded. For a listing of these programs and the available block transfer credit, please visit www.sasknursingdegree.ca.

Assessment of all other practical nursing or psychiatric nursing programs is done on an individual basis; graduates from these programs must provide a detailed course syllabus/outline for each course in their program.

Academic Advising and Registration

Academic Advising

Students admitted to the Faculty of Nursing are required to attend an academic advising session prior to registration. Students may also access information about the academic programs at:

www.sasknursingdegree.ca.

Registration

The Faculty of Nursing will register students in required courses unless otherwise noted. Registration for open elective courses will commence on the days stipulated by the Registrar's Office. Students should consult [UR Self-Service](#) for further information.

Course Restrictions

The following courses are not considered to be university-level and so may not be taken for credit towards the SCBScN program: AE 19 and 29; CHEM 100; AMTH 001, 091, 002, 092 and/or 003; or any courses numbered OXX.

Students can receive elective credit for ACAD 100 towards the SCBScN program if this course is completed prior to the successful completion of ENGL 100, or with permission of the Associate Dean (Undergraduate) or designate if taken afterward.

Students will only receive credit for one of KIN 261 or BIOL 110; students will only receive credit for one of KIN 262 or BIOL 111.

KIN 260, KIN 267 or KIN 268 may only be used as an elective if completed prior to admission to the SCBScN program. If KIN 260, KIN 267 or KIN 268 are taken after completion of BIOL 110/KIN 261 or BIOL 111/KIN 262, they may not be used as an elective in the program.

Evaluation of Academic Performance

Dean's Honours List

To be included on the Dean's Honours List for a given term, students must achieve a Term Grade Point Average (TGPA) of at least 85.00% on a minimum of 15 credit hours, of which at least 12 credit hours are numerically graded. Inclusion on the Dean's Honours List will be noted on students' official transcripts.

University Regulations

Refer to the [Academic Regulations](#) section in this Calendar for all regulations governing Academic Performance.

Faculty Academic Performance Regulations

Students in a nursing program must maintain an overall program grade point average (PGPA) of at least 65.00% in required program courses. Students who do not meet these minimum program requirements will be placed on faculty academic probation.

If placed on faculty academic probation, students are given 15 credit hours to raise their overall PGPA in required courses to 65.00%. Students in this situation must realize their progression in the program may be affected because of course sequencing and available seats in the course. Completion of the program may therefore be delayed. Students on Faculty-level academic probation are permitted to

continue studies. However, during the probation period, students are limited to enrolling in a maximum of 12 credit hours per term.

The Academic Program Coordinator (Faculty of Nursing) may impose other mandatory conditions on students on university or faculty academic probation. Academic probation does not appear on a student's official transcript.

Students who fail to raise their PGPA to 65.00% in required courses, will be required to discontinue (RTD) from the Faculty of Nursing for a minimum of three terms and must petition for re-admission. **Re-admission is not guaranteed.** Faculty probation and RTD letters are sent by e-mail to the student's uregina.ca e-mail in May, September, and January. When RTDs are assessed, they are effective immediately.

The passing grade for all CNUR courses is 60.00%. The passing grade for all other courses used in a nursing program is 50.00%. Students who are not successful in meeting the minimum grade in a second attempt of a course that is a requirement in the program will be required to discontinue from the Faculty of Nursing for a minimum of three terms. An exception to this regulation is ENGL 100, which may be repeated twice (see the [Academic Regulations](#) section for more information). A withdrawal from any clinical course that occurs after the end of the no-record drop period is considered an attempt.

A student will be required to discontinue from the Faculty of Nursing if the prerequisite minimum grade requirement of 60% in BIOL 111 (or equivalent courses) is not attained on a second attempt at the course.

Students must demonstrate satisfactory clinical and laboratory performance in courses where clinical and/or laboratory experience is required. Failure to demonstrate adequate clinical or laboratory performance constitutes a failure in the course, regardless of numerical grades achieved on other assessment tools used in that course. In such a case, all aspects of the course must be repeated.

A student may be removed from practice education or laboratory, and/or barred from writing the final examination for persistent non-attendance/lateness or unsafe practice education. If such action is initiated by the program, the student will not be able to voluntarily withdraw from the course where the removal occurred. Students who have been so disbarred will receive a failing grade in the course and will be required to repeat the course. Students who fail a clinical course for these reasons may have conditions that must be met prior to being registered in another clinical course.

For further information regarding grading and types of GPA calculation, refer to the [Academic Regulations](#) section of this Calendar.

A student will be required to discontinue from the Faculty of Nursing for failure to meet a program requirement or for a failure in a second attempt in a mandatory course for the program. A student who is readmitted after having previously been required to discontinue (RTD) under the Faculty of Nursing regulations or forced to withdraw from the university (MW) and who is again required to discontinue will be required to discontinue indefinitely from the Faculty.

Students may be required to discontinue from their program of studies when the student is found to be unsuited for the profession of nursing, through consideration of competence or professional fitness as per the Professional Suitability Policy. See the policy in the Nursing Programs Student Handbook.

Time Limits, Graduation Requirements, and Conferral of Degrees

See also the [Graduation section](#) in this Calendar. It is the responsibility of the student to ensure that all courses required for graduation have been successfully completed. Students must submit an Application for Graduation form by the dates specified in this Calendar.

Time Limits

Students not actively enrolled in nursing courses for three consecutive terms who wish to return to the nursing program must re-apply for admission to the program. Credit for nursing courses successfully completed will be given if the course was taken within seven (7) years of admission into the program. Other courses that have been taken ten (10) or more years prior to admission may be considered ineligible to be used for credit in the program. Students may be required to repeat one or more courses if one (1) year or more has passed since the student last completed a clinical course.

Students must complete the program with the maximum seven year allowable time frame. A student who is unable to complete the program within this time frame will be required to discontinue from the program indefinitely.

Leave of Absence

A student may request a leave of absence (LOA). The student must submit the request form through nursing@uregina.ca. The form is available on the UR Courses student portal.

If the LOA is granted, it is for a standard time period of one year (three consecutive terms), although the student may re-enter the program at the start of any term within the leave period. The student must register at the end of the one-year period in order to remain active in the program. Students may be required to repeat one or more courses if more than one (1) year has passed since the student last completed a clinical course. A LOA may be granted for:

- medical reasons;
- maternity/parenting/adoption; or
- compassionate or other substantive reasons.

Note: LOAs are not granted for travel or to accept employment.

Students on a Leave of Absence

A student on a LOA pays no fees and therefore is not entitled to the University of Regina or Saskatchewan Polytechnic services normally provided to students in the SCBScN program as a result of those fees.

The time of the leave does not count toward the nursing program.

A LOA is not granted retroactively.

Graduation Requirements

A PGPA of 65.00% (all courses contributing to the degree) and an overall GPA of 65.00% in required nursing (CNUR) courses is required for graduation with a Bachelor of Science in Nursing (BScN).

International Designation

Special mention of International designation will be included on a graduate transcript and parchment for:

1. Completion of an international experience for a CNUR course;
2. A three credit hour (or more) University of Regina course that includes at least two weeks out of the country;
3. A minimum of three credit hours of courses taken by prior permission of the Faculty of Nursing at an out-of-country post-secondary institution;
4. Other international experiences will be considered on a case-by-case basis.

Other Faculty Regulations

Course Prerequisites

Failure to successfully complete pre-requisite courses may jeopardize a student's progress in the program.

Faculty of Nursing Appeal Procedures

The Faculty of Nursing Undergraduate Student Appeals Committee will hear appeals from undergraduate students registered in Faculty of Nursing programs relating to academic action including Faculty Probation, Required to Discontinue, and Must Withdraw (MW).

Students who wish to appeal an academic action must do so in writing within 10 business days after the date on the letter advising of the decision by e-mailing nursing.appeals@uregina.ca. See the policy in the SCBScN Programs Student Handbook for further information.

Taking Classes after Degree Completion

A student will be required to transfer to another faculty if they wish to register for any course after completion of all courses required for graduation with a Bachelor of Science in Nursing (BScN).

Minors for Nursing Programs**Minors (Optional)**

Minors are an option within the SCBScN program. A minor requires the completion of six (6) or more courses within the minor subject area. A minimum of three (3) courses must be from outside the SCBScN program requirements. Core program and elective requirements may be used to fulfill a minor requirement. The specific courses required for a minor in a given discipline can be found under the relevant departmental listing. The application to graduate with a minor are ultimately approved by the Faculty of Nursing. Nursing students are permitted to complete a minor in one of the following disciplines:

- Science
- Arts
- Media, Art, and Performance (MAP)
- La Cité universitaire francophone
- Kinesiology and Health Studies

Structure of the Faculty

The Faculty of Science has six departments: Biology, Chemistry and Biochemistry, Computer Science, Earth Sciences, Mathematics and Statistics, and Physics.

Undergraduate Programs

The Faculty of Science offers programs leading to the degrees of Bachelor of Science and Bachelor of Science Honours in all departmental disciplines, Geography, Economics and Psychology, Diplomas in General Science and Computer Science, and Certificates in Foundations of Science and Statistics. The Faculty also offers combined Bachelor of Science programs in a number of interdisciplinary areas, and five offered jointly with Saskatchewan Polytechnic. A certificate program in Indigenous Health Studies is offered in co-operation with the First Nations University of Canada.

The Faculty of Science offers several pre-professional pathways and transfer opportunities for degrees offered by other institutions. Students may complete admission requirements for programs in Agriculture, Chiropractic, Dentistry, Law, Medicine, Nursing (U of S), Nutrition, Occupational Therapy, Optometry, Pharmacy, Physical Therapy, and Veterinary Medicine. For more information see [the Professional Pathways and Transfer Opportunities](#) section of the Undergraduate Calendar.

Those students in the Faculty of Science who are not candidates for a degree may take courses for which they have the necessary prerequisites.

Admission, Re-Admission, and Transfer

Please refer to the [Undergraduate Admissions](#) section for University policies on Admission, Re-admission, and Transfer.

Restrictions on Transfer

Applicants for transfer to the Faculty of Science from another faculty or another post-secondary institution must meet the High School Admission criteria of the Faculty of Science (see Admissions section, minimum average of 70.00%), or have completed 15 credit hours as listed in the Admissions section.

Students who have failed more than 15.0 credit hours are not eligible for transfer to the Faculty of Science except by permission of the Associate Dean (Academic).

Applicants who have failed a core requirement of the Faculty of Science (CS 110, MATH 110, ENGL 100, or ENGL 110), after the maximum number of repeat attempts are not admissible except by permission of the Associate Dean (Academic).

Science Qualifying Process

Students applying to the Faculty of Science who do not meet the Science admissions requirements may be admitted to the Science Qualifying program if they:

- Possess a high school average between 65% and 69%, inclusive, or are missing only one of the three course requirements outlined in the Admissions section of the Undergraduate Calendar, or
- Possess a post-secondary UGPA (minimum of 15 credit hours) between 60% and 64.99%, inclusive, or are missing evidence of either a math or science course at either the secondary or post-secondary level.

Additionally, students applying to the Faculty of Science who do not meet the Science admission requirements may be admitted as Science Qualifying students if they:

- Meet the criteria to be admitted to the University of Regina as a mature student, or
- Are admitted at the discretion of the Faculty of Science

Students who are admitted as Science Qualifying have the following conditions placed on their admission:

1. The student may register in a maximum of 12.0 credit hours per term.
2. The student must complete the missing pre-requisite or approved replacement course within the first 45.0 credit hours of their program (see chart below). It is expected that the student will work towards completing any missing course requirement each term.
3. The student must meet with a Science Academic Advisor during their first semester of study (preferably prior to registration) to review their Qualifying status and develop a registration plan.

Science Qualifying students will be reviewed each term. Qualifying status will be removed and a student will be changed to “fully qualified” status if at the end of the term:

- the student has achieved a UGPA of at least 60%, and;
- the student has successfully completed the missing pre-requisite or approved replacement course (see chart below), and;
- any other conditions on their admission that are outlined in their admissions letter have been completed.

Missing Course	Required Qualifying Course / Course Sequence
English language Arts A30 and B30 or an equivalent English literature course	ENGL 100
Pre-Calculus 30 or an equivalent Pre-Calculus course	MATH 102 Note: Math 102 requires high school prerequisites. Students not possessing the high school prerequisites (or equivalents) will be required to take additional courses including, but not limited to, PMTH 091, PMTH 092.
Two of: Biology 30, Calculus 30, Chemistry 30, Computer Science 30, Physics 30, Earth Science 30 or two of any equivalent Biology, Calculus, Chemistry, Computer Science, Earth Science, or Physics courses	Any 100-level course in the Faculty of Science

Petition Guidelines

See also the [Admissions section](#).

Following a First Required to Discontinue (RTD) or Forced to Withdraw (MW)

University of Regina students seeking readmission or transfer to the Faculty of Science after a first RTD or MW must write a letter of petition to the Associate Dean (Academic). Students registered through one of the federated colleges must write to the Academic Dean of their College. Students may appeal a denial to the Faculty’s Student Appeals Committee (see the Faculty Appeal Procedures section).

Following an Indefinite RTD or MW

All students seeking readmission or transfer after an indefinite RTD or MW must wait at least two years (six terms) and then must petition to the Faculty for readmission.

Residency and Transfer Credit

A maximum of 60 credit hours of eligible transfer credit may be applied to a degree program, 30 credit hours of eligible transfer credit to a diploma program, and 15 credit hours of eligible transfer credit to a certificate program, unless otherwise stated. The Certificate in Foundations of Science allows no more than 9.0 credit hours of transfer credit. Students must take at least 15 of the last 30 credit hours of their degree program at the University of Regina. As well, at least half the credit hours of required discipline courses for the major and/or minor must be completed at the University of Regina.

No transfer credit is accepted towards the University of Regina portion of joint Saskatchewan Polytechnic-University of Regina degree programs.

The Faculty of Science awards transfer credit for courses taken at other institutions only if the grade received was 60% or higher or equivalent.

The Faculty of Science does not accept ACAD 100, UNIV 100, UNIV 101 and/or UNIV 110; AMTH 001, 091, 002, 092 and/or 003; PMTH 091, 092; Science 101 and 105, RDWT 120, KIN 101 or courses numbered 0xx for credit toward any program in the Faculty of Science.

Academic Advising and Registration

Through advising, the Faculty can communicate to our students the various programs that are offered within the Faculty, the opportunities available following successful completion, and general academic requirements, as well as assist with how to navigate the University of Regina policies and how to plan a program of study consistent with both degree requirements and individual interests.

The requirements for the various credentials are set out in the following pages. Notwithstanding advice given by faculty members, students who have questions concerning their degree requirements should consult the staff at the Science Academic Hub who will consult with the Associate Dean (Academic) as necessary.

Students register according to a priority system in which those who have earned the most credit hours register first. Students are encouraged to register online. Registration assistance is available online, by e-mail, and in person at the Science Academic Hub, (see General Information section).

Course Load

The maximum course load in the Faculty of Science is 15 credit hours in each of fall and winter terms and 12 credit hours in spring/summer terms.

Students may not register for more than 15 credit hours in fall or winter term, or more than 12 credit hours in spring/summer, unless they have a UGPA of at least 75.00% or a TGPA of at least 75.00% in the most recent term. The approval of the Associate Dean (Academic) is required to register for an overload.

Students who have been accepted to co-operative education programs who have a scheduled academic study term in spring/summer may register for 15 credit hours with the permission of their departmental co-op coordinator.

Evaluation of Academic Performance

In addition to the University Regulations in the [Academic Regulations](#) section, the following faculty regulations apply to all students registered in the Faculty of Science. See the Academic Regulations section for descriptions of the different types of GPA referred to in this section.

Dean’s Honours List

To be named to the Dean’s Honours List, students must attain an average of at least 85.00% in a given term on a minimum of 15 credit hours (12 credit hours during spring/summer term) of numerically graded courses.

Probation and Discontinuance

Students who fail more than 50% of their credit hours in a single term receive a letter of academic advisement. The letter indicates the implications of continued failure and encourages students to seek academic advising. This regulation does not apply to students who register for three credit hours or fewer in the term. The letter is not recorded on the official transcript.

In the review of students' performance, students who have failed a course and whose records contain failed courses totaling more than 30 credit hours are required to discontinue their studies in the Faculty for two terms.

Note: The 30 credit hour limit includes failed courses which are repeated and later passed. The failed courses which lead to a student's being required to discontinue for two terms will be excluded from the calculation of failures in subsequent reviews of accumulated performance.

Students will be required to discontinue from their current program for failure to meet a program requirement or for a second failure in a mandatory course for the program. Students will be required to discontinue from the Faculty of Science for failure to meet a Faculty of Science requirement or for a second failure in a mandatory course.

Students who have previously been required to discontinue (RTD) under any faculty's regulations or forced to withdraw from the University (MW), including those of the Faculty of Science, and who are again required to discontinue under one of these regulations, will be required to discontinue indefinitely from the Faculty.

On the recommendation of the Faculty Committee on Admissions and Studies, the Faculty may also require students to discontinue indefinitely from the Faculty of Science for reasons of health or unsatisfactory academic or professional development.

Students who have been required to discontinue (RTD) from the Faculty of Science are not permitted to register in any Science course without written permission of the Associate Dean (Academic) of the Faculty of Science. Science courses taken without permission of the Associate Dean (Academic) of the Faculty of Science, while on RTD from the Faculty of Science, at any institution or in any other Faculty at the University of Regina, will not be transferable for credit to a degree program in Science.

All rulings of probation or discontinuance may be appealed in writing to the Faculty; see the [Other Faculty Regulations](#) section.

Time Limits, Graduation Requirements and Conferral of Degrees

Also refer to the [Graduation section](#).

Except with permission from the Associate Dean (Academic) in consultation with the Department Head (or designate), all degree requirements must be completed within ten calendar years of the date of beginning the program.

A PGPA of 65.00% and major GPA of 65.00% are required for graduation with a Bachelor of Science, Bachelor of Medical Imaging, Bachelor of Medical Laboratory Science, Diploma in Computer Science, or Certificate in Indigenous Health Studies.

A PGPA of 80.00% is required for graduation with distinction (degrees only).

A PGPA of 85.00% is required for graduation with great distinction (degrees only).

A PGPA of 70.00% and major GPA of 75.00% are required for graduation with a BSc Honours degree.

A major GPA of 85.00% is required for graduation with High Honours.

The major GPA is calculated on courses in the discipline and required cognate courses.

In programs that allow a minor, a minor GPA of 65.00% is required. The minor GPA is calculated on the courses required for the minor.

Graduation averages are calculated only on University of Regina courses.

Successful completion of three work terms is required for graduation with a Co-operative Education Program designation.

Successful completion of twelve months work on an internship is required for graduation with an Internship designation (BSc in ACSC only).

Registration for a second degree in the Faculty of Science requires prior approval from the Associate Dean (Academic). Except under special conditions, approval will not normally be given for two degrees or double majors from Mathematics, Statistics, or Actuarial Science. Approval will not be given for double majors in Chemistry and Biochemistry, although two degrees may be received after appropriate academic advising; see the [Subsequent Credentials](#) section.

Students in the Faculty of Science who fail to attain the required averages for graduation after completing the degree requirements may attempt up to 30 additional credit hours (either by repeating courses or taking additional courses) to attempt to raise their average. Students in this situation must consult a Science Academic Advisor, who will receive approval from the Associate Dean (Academic) to determine the courses that may be repeated or additional courses that may be attempted.

Students follow the program that is in effect at the time of their most recent date of admission, transfer, or readmission, but may choose to follow changes occurring after that date.

Note: As outlined in the Graduation section, applications for graduation may be submitted to the Faculty of Science or federated colleges at any

time; however, the Faculty will meet only in September, January, and May to approve degrees and to recommend graduands to Executive of Council. Students completing their requirements during the spring/summer term or wishing to receive their degrees in October must submit their applications for graduation by July 31. Students completing their requirements during the fall term or wishing to receive their degrees in January must submit their applications for graduation by November 30. Students completing their requirements during the winter term or wishing to receive their degrees in June must submit their applications for graduation by January 31. Students who plan to attend the convocation ceremony should note the relevant information in the Graduation section.

Time Limits for Completing Discontinued Programs

When a degree program offered in Science is changed or terminated, students currently enrolled in the program may complete the program to which they were admitted or switch to the new program. The following conditions will be set for completion of old or superseded programs:

1. Students who choose to complete their program rather than switch to the new or revised program will have a maximum of six (6) years to complete their program unless otherwise indicated at the time of the change.
2. Students who require readmission must enter the program that is current at the time of their readmission.
3. If a program is eliminated, the faculty will make every attempt to accommodate affected students so they can complete a degree in an appropriate program.

Other Faculty Regulations

Course Sequencing

A 100-level course, with the exception of MATH 124, may not be repeated or taken for credit if credit has been received for a higher level course in the same discipline, nor may a course be repeated or taken for credit if it is a prerequisite for a course in the same discipline for which credit has previously been obtained.

Outdated Courses

Core courses in the major taken more than 10 years previously are subject to review. Students may be required to update their knowledge if, in the opinion of the Associate Dean (Academic) in consultation with the Department Head, there have been significant changes in the field during the intervening period. Students may be required to repeat a course or courses or take another course in the designated area. In this case only, a repeated course may be counted for elective credit in the program.

Faculty Appeal Procedures

Students who have been required to discontinue (RTD) may appeal in writing to the Associate Dean (Academic) of the Faculty of Science. Appeals will be considered by the Faculty of Science Student Appeals Committee which has academic representation from each department in the faculty as well as from the three federated colleges and is chaired

by one of these academic members. The student is notified of the meeting and is invited to attend to speak to the appeal. The student is notified in writing of the decision of the Committee.

Academic Program General Information

Bachelor of Science (BSc)

Structure of the Program

To satisfy the requirements for a Bachelor of Science degree a student must complete a minimum of 120 credit hours (40 courses) distributed as follows:

1. A minimum of 66 credit hours must be taken in the Faculty of Science.
2. Of these:
 - A minimum of 42 credit hours in a major discipline;
 - For BSc and BSc Honours students who are majoring in Geography, Economics and Psychology, courses within the major requirements are considered to be within the Faculty of Science. Additional courses in these disciplines will continue to be treated as Arts electives (see below); and
 - A minimum of 18 credit hours in disciplines other than the major.
3. The following courses must be included:
 - Six credit hours of natural science courses (must have a lab component). These courses are taught in the departments of Biology, Chemistry and Biochemistry, Earth Sciences and Physics;
 - MATH 103 or MATH 110; CS 110;
 - A minimum of 18 credit hours, including ENGL 100 and 110, must be taken in the Faculties of Arts and/or Media, Art, and Performance;
 - Up to 36 credit hours of electives¹ (as required to TOTAL: 120 credit hours), which may include a maximum of 18 credit hours in courses from faculties other than Science, Arts, La Cité, or Media, Art, and Performance.

Note: ¹The Faculty of Science encourages its students to include at least one of INDG 100 (Indigenous Studies) or ENV5 100 (Indigenous Environmental Studies) among their electives.

Limit on 100-level Courses

A maximum of 60 credit hours may be in 100-level courses.

Selection of Majors

The requirements of each major offered by the Faculty of Science can be found under the relevant departmental listing.

Optional Minor

Students may complete a minor in a subject other than, and distinct from, their major. The minor is a concentration of at least six courses in a discipline from any of the Faculties of Science, Arts, Media, Art, and Performance, and Kinesiology and Health Studies. The specific courses required for a minor in a given discipline can be found under the relevant departmental listing. Up to two courses that are required for

completion of a major may also be used in the minor. Consult with the Department Head or Associate Dean (Academic) to discuss options.

For students completing a minor in Kinesiology: where there are fewer than 18.0 credit hours of open electives within the program, one KIN course meeting a minor requirement may substitute for a “Science, Arts, La Cité, or Media, Art, and Performance” elective.

Double and Combined Majors

Students wishing to pursue a major in more than one discipline should discuss their program with a Science Academic Advisor, who will receive approval from the Associate Dean (Academic).

The Faculty of Science has a number of BSc programs with a combined major in two disciplines. In such a program, the student is not required to complete as many courses in a single discipline as for the single or double major program. At present, combined programs have been approved in Computer Science and Mathematics, Biology and Geography, Mathematics and Statistics, and Statistics and Economics. Details about the specific course requirements for these programs can be found in the departmental listings.

Second Degrees

Registration for a second degree in the Faculty of Science requires prior approval from the Associate Dean (Academic). Except under special conditions, approval will not normally be given for two degrees or two majors from Mathematics, Statistics, and/or Actuarial Science.

For further information, refer to the [Graduation](#) section and the faculty [Residency and Transfer Credit](#) section.

Bachelor of Science Honours (BSc Honours)

The structure of the BSc Honours degree is the same as that of the BSc, except that a minimum of 54 credit hours must be in the major discipline, and a maximum of 24 credit hours of electives is permitted.

Students wishing to pursue a BSc Honours program require permission of the Department. Students pursuing a B.Sc. Honours in Economics, Geography and Environmental Science or Psychology must apply for admission according to the criteria set out by the Department housing the Honours program they are seeking. Please contact the Science Academic Hub for further information.

Co-operative Education and Internship Programs

The Faculty of Science offers programs in co-operative university education in Biology, Biochemistry, Chemistry, Computer Science, Geology, Mathematics, Physics, and Statistics. Students spend alternate four-month periods taking university courses and working in fully-salaried jobs, related to their discipline, with participating employers.

These Co-op programs use a full trimester year (three 4-month terms) and thus allow completion of a 4-year degree and 12-20 months of practical experience in a TOTAL: of five years, with the advantage of a job during the time the student is not taking courses. Once admitted to Co-op, students are either in school or at work.

The Faculty of Science also offers an internship program in Actuarial Science which requires at least one year of internship. The internship is a salaried position where one can obtain practical experience.

There are many benefits to being in the Co-op or Internship program such as improved motivation and performance, practical work experience that may aid the student in choosing future areas of interest, financial gain, and an excellent chance of full-time employment upon graduation.

Course Requirements and Planning Your Degree

It is unusual, if not impossible, to be able to complete all work terms during Spring/summer terms exclusively. Therefore, it is very important that students plan carefully. Students must be prepared to take courses during at least one spring/summer term. A maximum of two summer work terms is permitted.

Work Terms

Work terms are arranged with assistance from the University of Regina Centre for Experiential and Service Learning (<https://www.uregina.ca/careercentre/coop/>). Jobs are posted, students apply for job postings, and there is a system of interviews and “matching” between employers and students. The Career Centre also offers workshops for students on topics including resume writing, interview preparation, and job searching tools and techniques. With permission, double work terms (of eight months duration), or triple work terms (of 12 months duration) may be arranged. Students will typically take three work terms, with an option to take a fourth with the permission of the department’s co-op coordinator.

Notes: A maximum of one course (3 credit hours) may be taken during a work term. Students must register and pay the Co-op fee for each work term. The Co-op program must end with an academic term and cannot end on a work term.

Work Term Report

All students must submit a work term report within two weeks of completing a work term.

Reports will be graded according to the following scale: Excellent, Good, Satisfactory, Poor, Unacceptable, or Fail. Reports graded Poor or Unacceptable will be returned to the student and must be revised and re-submitted within three weeks. The revised report must receive a grade of Satisfactory or better for the work term to receive a grade of Pass. Reports with a grade of Fail will not be re-written, and students will not receive a Pass for the associated work term.

Co-operative Education Program in Biology

Entrance Criteria

At the time of application for admission to the placement cycle, a student:

- must have completed at least 33 credit hours, but not more than 60 credit hours, towards a BSc degree in Biology;
- must include BIOL 100, BIOL 101, CHEM 104, one of CHEM 105 or CHEM 140, and at least two 200-level Biology courses in the courses they have taken;

- must be registered for at least two additional 200-level BIOL courses for the next academic term, with a TOTAL: course load of at least 12 credit hours; and
- must have achieved a minimum GPA of 70.00% overall and in courses required for the major.

Three work terms, with a fourth work term being optional, must be completed to obtain the "Co-operative Education" designation with the normal sequencing as follows, (where A1 stands for Academic term one, H stands for free term, and W1 stands for Work term one):

Sept-Dec A1	Jan-Apr A2	May-Aug H	Sept-Dec A3	Jan-Apr A4	May-Aug W1	Sept-Dec A5
Jan-Apr W2	May-Aug W3	Sept-Dec A6	Jan-Apr A7	May-Aug W4 (Optional)	Sept-Dec A8	Jan-Apr

For further details, contact Co-operative Education Office or visit its website: <https://www.uregina.ca/careercentre/coop/>, or contact the head of the Department of Biology.

To continue in the Co-op option, a student must maintain a GPA of at least 70.00% overall and in courses required for the major and must enrol in at least 12 credit hours in academic terms between work terms.

Co-operative Education Program in Chemistry and Biochemistry

Entrance Criteria

At the time of application for admission to the placement cycle, a student must:

- have completed at least 21 credit hours toward a BSc degree, including CHEM 104 and CHEM 140;
- have completed no more than 60 credit hours toward the BSc;
- have achieved a minimum GPA of 72.50% in courses required for the major and overall;
- be enrolled in a program to complete at least three (3) biochemistry/chemistry courses beyond CHEM 104, prior to commencement of the first work term.

Successful completion of three work terms is required for the Co-op designation, with a fourth work term optional. Students follow a schedule of work/academic terms similar to that shown for Computer Science. To continue in the Co-op option, students must maintain a GPA of 72.50% and must enroll in at least 12 credit hours in academic terms between work terms. One of the first two work terms must be in a fall or winter term (i.e. both may not be in summer terms).

For further details, contact the Co-operative Education Office or the head of the Department of Chemistry and Biochemistry.

Co-operative Education Programs in Computer Science and Software Systems Development

Website: www.cs.uregina.ca/Academic/workstudy.html

Co-operative education (Co-op) is available with all Computer Science and Software Systems Development degree programs. Students participate in the Co-op Program under the direction of the Department's Co-op Coordinator. To receive the Co-op designation upon graduation students must successfully complete three work terms, with fourth and fifth work terms being optional. It is strongly recommended that a student's final term be an academic one.

Sequencing of the program will depend on the registration and academic credit of the student. Students are encouraged to meet with an academic advisor or the Co-op coordinator to discuss the appropriate alternating of four-month work and academic terms. The remaining work term(s) must be preceded and followed by an academic term.

Entrance Criteria

To be eligible for the Computer Science (CS) Co-op program, a student must:

- Have successfully completed a minimum of 30.0 credit hours at the time of application.
- Have successfully completed CS 115.
- Have achieved a minimum undergraduate grade point average (UGPA) of 70%.

Note: Students who do not register in their first co-op term prior to completing 60.0 credit hours may not have time to complete the required number of co-op work terms necessary to achieve the Co-op designation on their official transcript.

To continue in the CS Co-op program, a student must:

- Maintain a minimum UGPA of 70% throughout their program. If a student's UGPA drops below 70%, permission of the Dept. Co-op coordinator will be required in order to continue in the Co-op program.
- Enroll in at least 9.0 credit hours in fall/winter or at least 3.0 credit hours in spring/summer between work terms.

Three Co-op work terms are required to achieve the Co-op designation on the student's official transcript. Additional two work terms are optional.

Note: A Co-op work term is typically defined as 4-months (one term). Longer work terms may be considered at the discretion of the co-op coordinator. For further details, contact the Co-operative Education Office or visit its website: www.uregina.ca/careercentre/coop, or contact the Department of Computer Science.

Co-operative Education Programs in Geology

The goal of the Co-operative Education Program is to provide hands-on employment experience for students enrolled in the BSc Geology or BSc (Honours) Geology programs. The BSc or BSc (Hons) degrees with Co-operative Education Program designation include 120 credit hours of courses and three work terms (each of four months duration, with the option to pursue a fourth work term at the student's request). The co-op work terms may occur at private businesses, research institutions, government laboratories or universities, and may or may not include a fieldwork component. Each work term is graded on a pass/fail basis. Students must obtain a passing grade for each work term, in order for this to count towards the co-op designation.

Entrance Criteria

At time of application, students must:

- have completed at least 33 credit hours but not more than 65 credit hours, including their current term of study, towards a BSc or BSc (Hons.) degree in Geology;
- have completed GEOL 201, GEOL 210, and GEOL 241 to be qualified for the co-op program; and
- achieve a GPA of at least 70.00% overall and in all courses required for the major.
- be full-time in the term prior to starting a work-term.

To continue in the co-op program, students must:

- maintain a GPA of at least 70.00% overall and in courses required for the major; and
- enrol in at least 12 credit hours in each academic term between work terms.

Time to Complete a BSc/BSc (Honours) in Geology with Co-op

Depending on the timing of the work terms (spring/summer, fall, winter) the Co-op program will take one or two terms longer than a typical BSc or BSc (Hons.) program, assuming that students register in the maximum allowable credit hours of courses during all academic terms (including the spring/summer).

Co-operative Education Programs in Mathematics and Statistics

The Department of Mathematics and Statistics operates two 4-year degree programs in Co-operative university education. Each requires students to complete three work terms to earn the Co-op designation. A fourth work term is optional with the mutual agreement of the student, the Faculty, the Co-op Office, and an employer.

Mathematics Co-op Program**Entrance Criteria**

Students must:

- have and maintain a GPA of 65.00%;
- be enrolled in 12 credit hours to be a full-time Co-op student; and
- complete three full terms of study including successful completion of MATH 110, 111, 122, 213, 217, CS 110, and STAT 160, before engaging in their first work term.

Statistics Co-op Program**Entrance Criteria**

Students must:

- have and maintain a GPA of 65.00%;
- be enrolled in 12 credit hours to be a full-time Co-op student;
- complete three full terms of study including successful completion of MATH 110, 111, 122, STAT 160, STAT 251, and CS 110 before engaging in their first work term.

For further details contact the Co-operative Education Office or the Head of the Mathematics and Statistics Department.

Co-operative Education Program in Physics

Website: www.uregina.ca/science/physics/programs/co-op/index.html

Students must meet the criteria for admission to co-op as approved by the Faculty of Science (see the General Information for Students section). Students must have a CGPA of 70.00% to be admitted to the Physics co-op program and must maintain a CGPA of 75.00% to continue in the Physics co-op program. At the time of graduation, a student who has not met the 70.00% requirement, but who has a minimum CGPA of 65.00% and a PGPA of 65.00%, will be awarded a BSc in Physics without the co-op designation.

The Co-operative Education Program in Physics offers students a choice of four or five work terms. Sequencing is the same as in the Co-operative Education Program in Computer Science.

For further details, contact the Co-operative Education Office or the Physics Co-operative Education coordinator.

Internship Program in Actuarial Science

The Department of Mathematics and Statistics offers to students in the Actuarial Science program the possibility of participating in an internship year between years three and four of their academic study. The internship is 12 to 16 months in duration, with each four-month employment period worth one academic credit towards the degree. For further information, contact the Department of Mathematics and Statistics.

Entrance Criteria

At time of application to the internship program, students must:

- have an overall average of at least 75.00%;
- plan to complete an actuarial exam before or during the internship placement;
- be enrolled full-time in the Actuarial Science program; and
- be enrolled in, or have completed ACSC 317.

At the time of placement into an internship position, students must have completed ACSC 317 and ACSC 318.

Before going out on the internship, students must have completed 72 credit hours towards the Actuarial Science degree.

Joint Programs with Saskatchewan Polytechnic

Bachelor of Medical Laboratory Science (BMLS)

For admission to the BMLS program, students must have completed the Diploma of Medical Laboratory Technology from Saskatchewan Polytechnic with a minimum GPA of 60.00% in addition to meeting the high school admission requirements for the Faculty of Science. Graduation from a similar, Canadian program may be used for admission to this program and will be reviewed on a case-by-case basis. Students meeting admission requirements will be granted 60.0 hours of block transfer credit toward this degree program.

Bachelor of Medical Radiation Technology (BMRT)

For admission to the BMRT program students must have completed a two-year Medical Radiation Technology Diploma Program* in Canada recognized by Canadian Association of Medical Radiation Technologists (CAMRT) with a minimum GPA of 60% in addition to meeting the high school admission requirements for the Faculty of Science. An example of such a program is the Medical Radiologic Technology Diploma program at the Saskatchewan Polytechnic. Internationally Educated Medical Radiation Technologists with CAMRT certification will also be considered. Students meeting admission requirements will be granted 60 hours of block transfer credit towards this degree program.

At least one of the electives (3 credit hours) has to be taken in Faculties of Science, Arts, or Media, Art, and Performance.

*Medical Radiation Technology includes disciplines of Medical Radiological Technology, Nuclear Medicine Technology, Magnetic Resonance Technology, and Medical Radiation Therapy.

Other Joint Programs with Saskatchewan Polytechnic

The Faculty of Science offers other joint BSc programs with Saskatchewan Polytechnic:

- A BSc program in Environmental Biology; and
- A BSc Honours program in Environmental Biology; and
- A BSc program in Chemical Technology; and
- Post-Diploma Admission to the BSc Program in Computer Science is available to graduates of the approved two-year post-secondary diploma programs in Computer Systems Technology, and Business Information Systems.

Details about the specific course requirements for these programs can be found in the Biology, Chemistry, and Computer Science departmental listings.

Combined Degrees with the University of Saskatchewan

The BSc and BSc Hons degrees may be combined with the DMD, DMV, BSP, or JD degrees from the University of Saskatchewan and may be obtained in a period of time shorter than would be required if the two programs were taken separately. This is possible because many of the courses taken in the professional colleges of dentistry, veterinary medicine, pharmacy and law at the University of Saskatchewan, may be treated as electives in the Faculty of Science at the University of Regina.

The following rules govern these combined degrees:

- Students must satisfy the requirements of the BSc degree including those of the particular "major" chosen.
- The Faculty waives the requirement that 15 of the final 30 credit hours needed for the BSc degree must be taken at the University of Regina.

Of the 120 credit hours required for the BSc degree, a minimum of 75 credit hours must have been taken in the Faculties of Arts, Media, Art, and Performance, and Science at the University of Regina. A maximum of 45 credit hours of courses taken while the student was registered in a professional college may be used toward the BSc.

The particular courses from professional colleges that may be counted toward the BSc shall be those courses agreed upon from time to time by the Faculty of Science. Students wishing to pursue one of these combined degrees should consult the Science Academic Hub or a Science Academic Advisor, who will receive approval from the Associate Dean (Academic) to ascertain the precise requirements and the courses taken in the professional college that may be used for credit in their particular programs.

Students wishing to obtain such a combined degree must submit an Application for Graduation to the University of Regina in the normal manner when all the requirements for the degree at the University of Regina have been fulfilled.

Programs in Partnership with First Nations University of Canada

BSc in Indigenous Environmental Science

The Bachelor of Science in Indigenous Environmental Science program is designed to provide students with holistic Indigenous perspectives and cultures. This degree will provide students with tools to work in the multifaceted disciplines in mining, land development, natural resource exploration, and health impact. To take advantage of these opportunities, students will enroll in a variety of courses in Sciences, focusing on environmental and ecological topics with an Indigenous worldview. Students will also acquire important knowledge in environmental economics and community development.

Certificate in Indigenous Health Studies

The First Nations University of Canada, in partnership with the Faculty of Science offers the Indigenous Health Careers Program that is a pre-professional, preparatory program to prepare students for entry into professional health and allied health programs in other post-secondary institutions while providing an Indigenous cultural perspective, understanding of the health care system, and knowledge of health career options.

Note: Courses from List A are preferred.

List A (With Indigenous content in the course description)

- ADMN 436AM - Natural Resource Development from an Indigenous Perspective
- BIOC 200 - Medicinal Plants and Culture
- ENVS 100 - Introduction to Indigenous Environmental Science
- ENVS 200 - Indigenous Environmental Law
- INDG 222AD - Indigenous and Traditional Ecological Knowledge
- INDG 236 - Indigenous Economic, Environmental and Geographic Systems
- INDG 290AE - Indigenous Ecological Knowledge and Resource Management
- INDG 360 - Indigenous Economic Geography
- PHYS 140 - Physics of Energy and the Environment
- INHS 100 – Introduction to Indigenous Health Studies I
- INHS 101 – Introduction to Indigenous Health Studies II

List B (No Indigenous content in the course description)

- BIOL 100 - Biology I - From Cells to Organisms
- BIOL 101 - Biology II - Organisms in their Environment
- BIOL 275 - Ecology
- BIOL 276 - Environmental Biology
- BIOL 316 - Conservation Biology
- CS 100 - Introduction to Computers

Certificate and Diploma Programs in General Science

Certificate in the Foundations of Science

The Certificate in the Foundations of Science introduces students to the foundations of scientific thought and equips students with knowledge and experience that provide a basis for postsecondary studies in science and related fields. As a one-year program at the introductory level, the Certificate in the Foundations of Science is suited to those students who have educational and career goals that do not necessarily lead to, or require, a Bachelor's Degree or Diploma in Science.

A maximum of 9 credit hours of eligible transfer credit may be used to meet the program requirements of 30 credit hours.

Students who have earned a previous degree or two-year diploma in Science or Engineering at a Canadian post-secondary institution, or who have completed the requirements to graduate with a bachelor's degree (or higher) in Science or Engineering are not eligible to graduate with a Certificate in the Foundations of Science.

The Certificate in Foundations of Science is a stackable credential: courses used to complete the Certificate in the Foundations of Science may be used subsequently to fulfill the requirements of the Diploma in General Science or any Bachelor of Science program offered by the Faculty of Science.

Diploma in General Science

The Diploma in General Science is designed to introduce students to the methods and values of scientific inquiry. It encourages students to identify a field of study that interests them and to develop a deeper understanding of that field.

Eligibility requires that students complete courses representative of core science competencies and a concentration of courses in a particular field of study offered by the Faculty of Science. A maximum of 30 credit hours of eligible transfer credit may be used to meet the program requirements, and transfer credit may not be used to meet greater than half of the credits required to complete the concentration. (At least half of the credits used to meet the concentration requirements and program requirements must be completed at the University of Regina, as outlined in the Faculty of Science Residency Requirements).

Students who have earned a previous degree in Science or Engineering at a Canadian post-secondary institution, or who have completed the requirements to graduate with a bachelor's degree (or higher) in Science or Engineering are not eligible to graduate with a Diploma in General Science.

The Diploma in General Science is a laddering credential: courses used to complete the Diploma in General Science may be used subsequently to fulfill the requirements of any Bachelor of Science program offered by the Faculty of Science.

(Joint Program with Saskatchewan Polytechnic and Lethbridge College)

This is a joint program with Saskatchewan Polytechnic and Lethbridge College. To complete the BSc in Environmental Biology, students must have completed the Diploma of Integrated Resource Management from Saskatchewan Polytechnic or the Diploma in Renewable Resource Management from Lethbridge College with a minimum 60% graduating average and a passing grade in Pre-Calculus 30 or equivalent. Graduation from a similar program may be used for admission to this program and will be reviewed on a case-by-case basis. Students meeting admission requirements will be granted 60.0 hours of block transfer credit toward this degree program.

(Joint Program with Lakeland College)

This is a joint program with Lakeland College. To complete the BSc in Environmental Biology, students must have completed the Diploma in Wildlife and Fisheries Conservation, or the Diploma in Conservation and Restoration Ecology at Lakeland College with a minimum 60.00% graduating average and a passing grade in Pre-Calculus 30 or equivalent. Graduation from a similar program may be used for admission to this program and will be reviewed on a case-by-case basis. Students meeting admission requirements will be granted 60 hours of block transfer credit toward this degree program.

Refer to the faculty [Time Limits, Graduation Requirements, and Conferral of Degrees](#) and the [BSc sections](#) for additional important information.

Diploma in Computer Science (DipCS)

This is a two-year program (60 credit hours) of training and/or continuing education and is not meant to be a replacement for a Saskatchewan Polytechnic diploma. It is designed for professionals seeking upgrading in areas related to computer science. Courses required within the program are offered at times convenient to off-campus students, as well as in the traditional day slots.

Students who hold a previous credential consisting of 60.0 credit hours or more (or equivalent to at least a 2-year program) in Computer Science, Computer Engineering, or a related discipline, may not enroll in the Diploma in Computer Science, except with special permission of the faculty.

Students must meet "fully qualified" Science admissions status to enroll in the Diploma in Computer Science.

BSc Combined Major in Statistics and Economics

For the purposes of this combined degree only, economics courses cannot be used to fulfill the BSc requirement of 18 credit hours in Arts, La Cité, or Media, Art, and Performance. The BSc Combined Major in Statistics and Economics program template is listed under the Department of Mathematics and Statistics.

It is recommended that students seek academic advising from the Department of Mathematics and Statistics or from the Department of Economics.

Bachelor of Science Programs in Geography and Environmental Studies**Academic Programs**

The Department offers the following programs described below.

Refer to the [Department of Geography and Environmental Studies](#) section for more information. Courses within the major requirements in geography are considered Science courses only for the purposes of these programs. Students planning an honours program should consult with the head of the Geography and Environmental Studies Department.

For information on the combined degree, refer to [BSc Combined Major in Biology and Geography](#) template.

BSc in Geography and Environmental Studies

Students currently in the BSc in Geography program will have until April 30, 2025 to complete the program or transfer into the new Geography and Environmental Studies program.

Refer to the faculty [Time Limits, Graduation Requirements, and Conferral of Degrees](#) and the [BSc sections](#) for additional important information.

The Faculty of Social Work Mission Statement

The social work program of education, research and community service is designed to prepare students for critical generalist social work practice with diverse peoples. Informed by the principles of indigenization, sustainability and social justice, the social work program encourages students to identify the needs of the disadvantaged, marginalized and oppressed. It supports students in developing the commitment, knowledge, values, attitudes, and skills required to confront structural inequalities, and to empower individuals, families, and communities to realize their full potential.

Undergraduate Programs

The Faculty of Social Work offers programs leading to the Bachelor of Social Work (BSW), and Master of Social Work (MSW). The BSW and MSW are accredited by the Canadian Association for Social Work Education (CASWE). As well as offering programs in Saskatoon and Saskatchewan regional colleges, the Faculty of Social Work delivers the Bachelor of Social Work Program in Whitehorse, Yukon in affiliation with Yukon University. The Faculty of Social Work grants the Diploma in Indigenous Social Work (DINSW) and Bachelor of Indigenous Social Work (BINSW) offered through the School of Indigenous Social Work, First Nations University of Canada.

The Bachelor of Social Work undergraduate program is generalist in approach and oriented particularly to the Saskatchewan situation with an emphasis on preparation for work in rural and remote areas with minority and disadvantaged groups. The decentralized program and an adult education philosophy encourage part-time studies and continuing education for those employed in the fields of human services.

Social Work courses are offered on a regular basis in Regina and Saskatoon and are available in other communities throughout the province. The Faculty of Social Work regularly offers information sessions for students who are interested in applying to the Faculty. Students are strongly encouraged to attend one of these sessions. Students should check the events calendar on the Faculty's website for notices of these sessions.

In partnership with the University of Regina, Yukon University offers an accredited undergraduate Bachelor of Social Work program. This program prepares students for generalist social work practice in northern, remote and First Nations communities. The program features a 10-day cultural camp, hosted by a Yukon First Nation, and is set in a remote wilderness location. Admission criteria, program information and deadlines are available online at <http://yukonu.ca/>

The Yukon BSW program has some policies that differ from the BSW offered at the Regina and Saskatoon locations, so in the event of a discrepancy, the Yukon BSW program policies will take precedence.

In partnership with the University of Regina, Aurora College previously offered a Certificate of Social Work Program from 2004 to 2020. Admission to this program is now suspended.

U of R; Saskatoon Campus

Courses are regularly scheduled at the Saskatoon campus, making educational resources and studies accessible to an increased proportion of the province's population. In addition, it provides a means for the Faculty to remain alert to current concerns, needs, and services in the human services field.

In addition to offering SW courses, the Saskatoon Campus offers a selection of general university studies courses in a face-to-face format. Students may take additional courses required for the general university studies section of their BSW through the University Regina's online and remote offerings.

Social Policy Research Centre (SPRC)

Much of the research of the Faculty of Social Work is conducted under the auspices of the Social Policy Research Centre. The main areas of research include social policy and the economy, child well-being, family violence, status of women and aboriginal perspectives. The unit operates a Research Clearing House and maintains a website at: www.uregina.ca/socialwork/Research/index.html.

Many faculty members are research associates with SPRC and can be approached individually or collectively with queries or requests for assistance.

Admission, Re-admission, and Transfer

Admission to the University

Students who have attempted fewer than 24 credit hours of university courses will be admitted based on the high school admission criteria. Students who have attempted 24 or more credit hours of university courses must have a minimum university grade point average of 70.00% or a completed baccalaureate degree. All students who designate social work as their program of study on the application form will be admitted to the category of Pre-Social Work. Students requesting to transfer from another University of Regina faculty to the Faculty of Social Work will also be admitted to Pre-Social Work. Students are limited to a maximum of two SW courses (SW 100 and SW 202) either as U or R courses or approved courses taken from another institution, before being admitted to the Bachelor of Social Work (BSW) program. The application to the BSW program is the second admission step.

Mature Admission

Applicants for admission who do not meet admission requirements to Pre-Social Work as outlined in the Admissions section of this Calendar, who have completed fewer than 24 credit hours of post-secondary courses, are Canadian citizens or permanent residents, and will be at least 21 years of age before the term begins, may be granted mature admission for Fall or Winter term.

Applicants for mature admission to Pre-Social Work who have been taking courses through the University of Regina's Centre for Continuing Education or Casual Student Program must also present a UGPA of at least 70% (see the Academic Regulations section) on all University of Regina courses taken. Those who do not meet this criterion may petition the Associate Dean for admission (refer to the Faculty Appeal Procedures section below). The decision of the Faculty with respect to admission and conditions for continuation is final.

Advising and Registration Requirements for Mature Admissions to Pre-Social Work

Advising is mandatory for Pre-Social Work applicants who are granted mature admission, until they have attempted 24 credit hours of courses. Students are responsible for ensuring that program requirements are met at each stage of their progress. Courses are selected according to the prerequisites of the courses (see the Courses section in this Calendar or UR Self-Service) and the requirements for the degree program within this section.

Applicants granted mature admission are subject to the following additional restrictions:

- Limited to registering in a maximum of 12 credit hours per term for the first 24 attempted credit hours.
- Required to register in ACAD 100, where available, within the first 12 attempted credit hours. This course will count towards degree credit in the Faculty of Social Work.
- May register in more than 12 credit hours if they:

- have the equivalent of 12 credit hours of transfer credit from another recognized post-secondary institution with a minimum grade point average of 70.00%;
- register in ACAD 100; and
- achieve a minimum term grade point average (TGPA) of 70.00% in the first full-time term at the University of Regina.

Admission to the Bachelor of Social Work

Admission to the Bachelor of Social Work (BSW) is a competitive process as there are more applicants than spaces available. The precise number admitted will depend on the number of qualified applications and the resources available to the Faculty. Students are assessed for admission in three stages:

1. Academic Requirements

The criteria for determining eligibility for admission to the BSW are:

- Completion of a minimum of 30 university credit hours including English 100, Indigenous Studies 100, Psychology 101, Sociology 100, and Social Work 100. If stale-dated, SW 100 must be repeated prior to the application deadline (refer to the section on [Stale-dated Courses](#) for additional information). These academic requirements can be met with approved transfer credits from other institutions. Students may have transfer credit assessed and applied to their academic record at the University of Regina by submitting up-to-date transcripts from post-secondary institutions attended. Transcripts are to be sent to the U of R Enrolment Services office no later than January 15 of the application year.
- Minimum 70.00% program grade point average (see "Calculation of BSW Admission GPA").
- Minimum UGPA of 60.00% at the University of Regina.

2. Assessment

All applicants who meet the academic requirements will have their admission application evaluated by a social work review panel. Reviewers will assess applicants' commitment to and experience in human service, as well as their writing skills, critical thought, self-awareness, ethics, and values. The assessment will be based on the applicant's work, community engagement, educational experiences, overall academic history, personal statement, and overall student portfolio.

The decision of the admission panel cannot be appealed.

3. Ranking

Applicants who have met the academic requirements and, through the assessment process above, have demonstrated adequate commitment to and experience in human service will be ranked by BSW Admission GPA. The Faculty of Social Work supports the principles of equity and promotes social and cultural diversity. Applicants who identify themselves as experiencing cultural and/or social barriers will be given additional consideration in the ranking process.

Applications for admission to the Bachelor of Social Work must be received by the Faculty of Social Work through online submission by January 15.

Conditional Admission

Students who have not completed 30 credit hours and/or not completed all of the five required classes (ENGL 100, INDG 100, PSYC 101, SOC 100 and SW 100) for admission to the BSW program can apply to the BSW program for the January 15 deadline. Courses in progress must be successfully completed prior to April 30 of the application year. If these courses are being taken at institutions other than the U of R, transcripts showing them in progress must be submitted by January 15 to the U of R Enrolment Services office. Applications that meet the criteria will be taken forward to the review panel for screening. If successful in screening and ranking, these students will be offered conditional admission to the BSW program. If conditionally admitted, students will have until May 31 to provide the U of R Undergraduate Enrolment Services office with original transcripts showing successful completion of the required classes and/or credit hours for courses taken at institutions other than the U of R. Students who successfully complete the requirements by April 30 will be offered full admission to the BSW program. Students who have not met admission requirements will have their conditional admission revoked and will need to re-apply to the BSW program for the next application deadline.

Students not admitted to the BSW program via this process will remain in the Pre-Social Work Program and are not limited to the number of times they can re-apply.

All admission decisions are final and are not subject to appeal.

Calculation of BSW Admission GPA

Grade point average (GPA) for admission to the BSW Program is calculated using the applicant's grades earned in their most recent 30 credit hours of post-secondary courses. This includes courses from the U of R and other post-secondary institutions attended and is not limited to successfully completed courses.

Students applying for conditional admission who have not yet attained 30 credit hours will have their BSW Admission GPA calculated using all post-secondary courses completed by the application deadline of January 15. Conditionally admitted applicants must maintain a 70% GPA for full admission; therefore, the BSW Admission GPA will be re-calculated at the end of the winter term using the applicant's most recent 30 credit hours (see 'Conditional Admission').

BSW Admission for U of R / Aurora CSW Program Graduates

The Faculty of Social Work no longer admits to the Aurora CSW program. Past, present, and future graduates of the U of R / Aurora CSW program, in place from 2004 to 2020, are permitted to bypass the 'regular' BSW application process and have direct admission into the U of R BSW program.

U of R / Aurora CSW graduates are sent an offer of admission to the BSW program and must accept the offer in order to be transferred from the CSW to the BSW program.

BSW Admission for U of R CSW Program Graduates

Past graduates of the U of R CSW program who are seeking admission to the BSW program are to follow the competitive BSW Admission process listed above. Note: Any other mention of the CSW throughout the Faculty of Social Work section of the Undergraduate Calendar is in reference to the Aurora CSW program.

Residency and Transfer Credit

Residency Requirement

Students must complete a minimum of 45 credit hours of the social work studies section of the BSW through the University of Regina.

Transfer Credit

Students holding a three-year or four-year degree, from a recognized institution, will be granted credit for the general university studies section of the BSW, provided the equivalents to each of the required courses have been completed. Degrees from Bible colleges, theological colleges and seminaries will be assessed on a course-by-course basis in accordance with the Admissions section. Grades obtained in courses from other institutions that have been granted transfer credit toward the BSW are included in calculating the student's BSW Admission grade point average but are not included in calculating grade point averages for convocation.

For the BSW program, the Faculty of Social Work will not grant transfer credit or PLAR credit for SW 448.

For the BSW program, the Faculty of Social Work may grant transfer credit for SW 348 if a previous practicum experience, from another educational institution, is evaluated to be equivalent. Transfer credit equivalence is determined through assessment by the Faculty of Social Work of practicum course syllabi and/or other relevant practicum documents. Students also have the option to have previous experience assessed for Prior Learning Assessment and Recognition (PLAR) (with the exception of SW 348 & SW 448) as outlined in the PLAR section below.

Courses Taken at Other Post-Secondary Institutions after Admission to the Faculty

Students who wish to complete courses through post-secondary institutions other than the University of Regina should refer to the Transfer Credit Equivalency Guide before requesting a letter of permission (LOP) from the Faculty of Social Work, to ensure that credits associated with any such course will be transferable to the University of Regina.

A letter of permission must be requested in writing from the Faculty of Social Work Student Services Office, to be assessed by an Academic Program Advisor. If permission is granted, a letter (LOP) to the host institution will be forwarded directly and a copy will be transmitted to the student by e-mail. Please provide the following information when requesting a letter of permission:

- The institution from which courses will be taken;
- The specific courses to be registered in; and

- The expected dates of commencement and completion.

Fifteen credit (15) hours per term are considered to be a full course load. Students must not be taking courses from the University of Regina or another institution which will exceed this limit, without permission. Students should contact their Academic Advisor for details.

When courses taken on letter of permission (LOP) are completed, the student must request the host institution to forward one official transcript to the University of Regina Enrolment Services office. Transfer credit for courses approved on the LOP will then be applied to the student's official academic record at the University of Regina, if the student has attained a passing grade in each course.

Policy on Prior Learning Assessment and Recognition (PLAR)

A student may apply for prior learning assessment and recognition (PLAR), based on learning obtained through employment experience in a social work setting, and/or completion of professional development activities, to be considered for social work course credit where their knowledge, skills and abilities meet the goals and objectives of that course.

Students may be granted a maximum of fifteen (15) credit hours for recognized prior learning towards each section in the BSW program (Social Work studies and General University studies), for a maximum total of thirty (30) possible credit hours for PLAR. An individual interested in seeking credit for prior learning is strongly encouraged to contact the PLAR Centre www.uregina.ca/cce/student-services/admitted/plar.html. The PLAR Mentor will assist students with the process to facilitate a focused application. The approval of credit is at the discretion of the Associate Dean.

SW 348 & 448 (Practicum I and Practicum II) are not eligible for PLAR.

Note: Practicum may be eligible for transfer credit on its own.

Challenge Credit Examinations

A maximum of six (6) credit hours may be granted through Challenge Credit Examinations for students who present evidence of learning gained prior to entering the Social Work program which is equivalent to specific three (3) credit hour courses taught in the Faculty of Social Work by full-time instructors. The method of assessment is negotiated between the students and the instructor. Refer to the Admissions section in this Calendar.

Articulation Agreement with Medicine Hat College

The Faculty of Social Work has block transfer agreement that enable graduates from the Diploma in Social Work program at Medicine Hat College to transfer two complete years of study to the Bachelor of Social Work (BSW) program at the University of Regina.

Diploma in Social Work

This articulation agreement is an exception to the standard residence requirement (refer to the Residence Requirement above) in the Faculty; students who receive this block of credits must complete a minimum of 39 credit hours of the Social Work Studies section of the BSW through the University of Regina.

In order to be eligible to receive this block of credits, graduates must have completed the Social Work Diploma program in Fall 2012 or after, and graduates must have obtained a minimum cumulative GPA of (70%) in their program.

Block Transfer Credit Granted (60 Credit Hours):

- SW 100, SW LV 200 (6 credits), SW 348, SW 390, SW 425, SW437, SW 450, SW 451, SW 469
- ENGL 100
- INDG 100
- KIN LV 100
- PSYC 101, PSYC 102, PSYC 210
- 9 additional credit hours to be assessed on a course-by-course basis

Graduates from the Diploma in Social Work from Medicine Hat College must follow the BSW admission requirements outlined in the Admission to the Bachelor of Social Work section above.

Academic Advising and Registration

Academic Advising

New students are strongly encouraged to attend New Pre-Social Work Student Group Advising prior to registration. Upon receipt of their letter of acceptance, students are asked to contact the Faculty of Social Work Student Services Office or use our online booking system to register in a group advising session.

At the point of admission to the BSW, students should attend a program orientation and advising session, details of which will be included in their BSW admission letter.

It is recommended that students meet with an academic advisor at least once per year.

Faculty of Social Work Academic Program Advisors are available to meet with students to discuss:

- preparation for application to the BSW Program;
- course selection that aligns with the student's individual interests and aspirations;
- course sequencing and how transfer credit is used to meet program requirements;
- course registration and planning a balanced schedule;
- University of Regina policies and procedures, as well as academic rules and regulations governing the student's program;
- strategies for academic success including returning to good academic standing when students are on/at risk of academic probation, or returning from a period of discontinuance;
- academic options surrounding personal/family emergencies;
- convocation application deadlines and processes; and
- various services to help ease transition to the University of Regina and ensure success all the way to convocation.

The ultimate responsibility for ensuring that the program requirements are satisfied rests with the student.

Registration

Refer to the Registration and Withdrawal section in this Calendar for general information about registration. Prior to the commencement of registration for each term, course offering information may be found on the [Faculty of Social Work website](#), or UR Self-Service.

Off-campus courses, other than in Saskatoon, are offered throughout the province in cooperation with the Centre for Continuing Education and the regional colleges. Therefore, off-campus students should contact their local regional college for social work course information if they are interested in having social work courses offered in their area.

Evaluation of Academic Performance

Dean's Honours List

The Faculty of Social Work does not have a Dean's Honours List.

Probation and Discontinuance

The Faculty of Social Work reviews students' academic performance following every term.

University Regulations

Refer to the Academic Regulations section in this Calendar for all regulations governing Academic Performance.

Faculty Regulations

If a BSW student's GPA in the Social Work Studies section of the BSW program falls below 70%, the student will be placed on faculty-level academic probation. An academic advising hold will be placed on the student's account so that a conference may be held with the student to holistically assess their academic situation. The academic program advisor and the student may develop a plan to address the situation, including identifying barriers to success, and determining appropriate supports and resources. Students on Faculty-level academic probation are permitted to continue studies and are not limited to taking SW courses only. However, during the probation period, students are limited to enrolling in a maximum of 12 credit hours per term. Academic probation does not appear on a student's official transcript.

Pre-Social Work

Courses required for Pre-Social Work that are twice failed will result in a requirement to discontinue indefinitely from the Faculty of Social Work. Refer also to the Academic Regulations section of this calendar.

Process for Clearing Faculty-Level Academic Probation

To clear faculty-level academic probation, students must raise their GPA in the Social Work Studies section of their program to at least 70% by the time they complete 15 credit hours while on faculty-level academic probation.

Extending Faculty-Level Academic Probation

The Faculty may extend a student's faculty-level academic probation up to an additional 6 credit hours if the student achieves an average of at least 70% on social work courses taken while on faculty-level academic probation. The faculty may impose conditions such as

mandatory attendance at study skills classes and restricted course loads on students granted an extension. If at the end of the extension the student's GPA in the social work studies section is less than 70%, no further extension is available. Failure to clear Faculty-level Academic Probation

Students who do not raise their GPA in the Social Work Studies section of their program to at least 70% according to the above regulations will be required to discontinue (RTD) from the Faculty of Social Work for a minimum of two consecutive terms.

Re-admission after RTD Period

To return to the Faculty of Social Work after an RTD period, students are required to petition for re-admission in accordance with the 'Academic Regulations' in the Undergraduate Calendar. Re-admission is not guaranteed, and the Faculty may impose performance conditions on re-admitted students.

When a student is re-admitted after the RTD period on petition, the student must attain a 70% SW GPA within 15 credit hours.

Faculty-level probation will be permitted only once on a student's record. If a student's GPA in the social work studies section falls below 70% after already clearing faculty-level academic probation or remains below 70% after gaining re-admission following an RTD, that student will be required to discontinue from the Faculty of Social Work indefinitely.

Students may be required to discontinue from their program for reasons of unsatisfactory professional development as per the guidelines set out in the Faculty of Social Work Policy and Procedures Regarding Student Professional Suitability.

Additional Regulations of the School of Indigenous Social Work

The First Nations University of Canada, School of Indigenous Social Work is a professional school mandated by Aboriginal Elders and communities and is accredited through the Canadian Association of Schools of Social Work. As such, the school is obligated to uphold academic standards as well as ethical and moral standards. Ethical qualities, character and emotional development of students will be reviewed annually to determine the appropriateness of students remaining in the program and/or graduating.

Students who display unethical behaviour or lack of emotional development may be required to discontinue from the faculty for reasons of unsatisfactory professional development. Such behaviours may include racial slurs, physical or verbal attacks on other students/faculty, threats, sexual harassment, plagiarism, buying or selling papers, and criminal charges/convictions. A conference may be held with the student(s) to assess the situation. Incidences that fall within these categories are subject to University of Regina Academic Regulations and disciplinary actions, as well as the First Nations University of Canada Review and Assessment Protocol.

Time Limit and Graduation Requirements

Graduation

Refer to the Graduation section in this Calendar for general information.

BSW students must have a minimum GPA of 70.00% on the social work studies section of the BSW program and a minimum PGPA of 70.00% on the 120 credit hours contributing to the degree (as of May 2018).

To graduate with a BSW, students must complete at least 60 credit hours of social work courses, as required in the July 2000 CASSW Accreditation Standards. Forty-five of these 60 social work credits must be completed through the University of Regina.

To graduate with a BSW as an additional degree, students who have a four-year prior degree must complete a minimum of 45 social work credits over and above their previous degree. These must all be completed through the University of Regina.

In order to graduate with a BINSW or DINSW, students must achieve a GPA of 70.00% on social work courses and an overall PGPA of 70.00% on all courses contributing to the degree or certificate.

Students who already have earned or successfully completed a BINSW degree may not subsequently be awarded the Diploma of Indigenous Social Work (DINSW). Students who have completed the Diploma of Indigenous Social Work (DINSW) requirements must have the Diploma of Indigenous Social Work (DINSW) conferred at least one convocation term prior to graduating with a BINSW.

The Faculty of Social Work does not have “Distinction” or “Great Distinction” graduation categories for the BSW.

Completion Date for Discontinued Programs

The completion date for all Bachelor of Social Work students admitted to the BSW from 2004-2013 was April 30, 2019.

The completion date for all Aurora Certificate in Social Work students was August 31, 2020.

Effective May 1, 2018, the completion date for all Bachelor of Social Work students admitted to the BSW from 2014-2018 is April 30, 2023.

Stale-dated Courses

BSW students, and applicants to the BSW program, will be required to update their knowledge by repeating stale-dated Social Work courses. Effective May 1, 2022, all social work courses (required or elective) and ISW and INSW courses will be considered stale-dated if completed more than 10 years prior to:

- applying for admission or re-admission to the BSW program; and
- commencing a social work practicum.

Students with stale-dated courses are encouraged to meet with an academic advisor.

This policy excludes general university courses. Social Work courses that have contributed to a completed Social Work credential (i.e. certificate or diploma) will not be subject to this stale dating policy. As per current University policies, the repeated grade will be the final

grade on record (see the Academic Regulations section in this Calendar).

Note: First Nations University of Canada Indigenous Social Work students must seek approval from the SISW Program Chair to use stale-dated courses in their program.

Note for BSW Applicants (admission or re-admission):

As per the section on Social Work Course Registration, SW 100 and SW 202 are the only two social work courses that can be taken prior to admission or re-admission to the BSW. Therefore, BSW applicants are required to update their knowledge by repeating those SW 100 and SW 202 courses (if stale-dated) prior to admission, following the guide below. Any additional stale-dated courses must be repeated after gaining admission to the BSW.

Guide for BSW Applicants

When to repeat SW 100/202 if stale-dated:

1. **Applying for BSW Admission:** prior to the BSW application deadline (or in-progress during the winter term if applying for conditional admission). BSW admission refers to the Faculty of Social Work’s competitive annual program intake.
2. **Applying for BSW Re-admission:** prior to applying for re-admission. BSW re-admission refers to program re-entry for students who were previously enrolled in or admitted to the U of R BSW program.
3. **Exemptions to the Stale-dating Course Policy:**
 - Students whose most recent admission or re-admission to the BSW was prior to May 1, 2022 are exempt from stale-dating of social work electives only, in accordance with the Faculty of Social Work’s former stale-dating policy.
 - Social Work courses that have contributed to a completed Social Work credential (i.e. certificate or diploma) will not be subject to this stale-dating policy.

Social Work Course Registration

All 300- and 400-level social work courses are restricted. Only students admitted to a bachelor or diploma program in Social Work (BSW, BINSW, DINSW) are permitted to enroll in these courses. Students in Pre-Social Work or INSW Qualifying are not permitted to take 300- and 400-level social work courses.

Exception – Students in the Certificate of Inclusive Education may enroll in SW 479 and SW 405.

Faculty Appeal Procedures

Students seeking information about the Faculty’s appeal procedures should consult the Student Code of Conduct and Right to Appeal section in this Calendar or contact the Faculty of Social Work Student Services Office.

Academic Programs

Social Work Practicum

Professional social work education involves the acquisition of knowledge and skills through academic study and through supervised practice, which is called practicum (SW 348 and SW 448). Practicum involves direct practice in social work agencies and other helping settings. Students will be exposed to helping situations in which they are expected to have direct involvement in the helping role. The student will also be expected to carry reduced workload, subject to close supervision by the agency. Seminars are conducted to provide students with an additional source of theoretical learning which relates to the practicum experience. Students are also provided with opportunities to share learning through presentation of cases and study of practice issues that emerge in a group of peers experiencing practicum in different agency settings.

Eligibility requirements for SW 348 and 448: See the Bachelor of Social Work section below and course descriptions in the Course Catalogue or in UR Self-Service.

Students are not permitted to register for any other courses during a full-time SW 448 practicum term, without written permission of the Associate Dean of Social Work. Only in extenuating circumstances, beyond the student's control, will this permission be granted.

All students must have a minimum grade point average (GPA) of 70% on the social work studies section of their program, and they must have successfully completed the prerequisite courses to be eligible to register to SW 348 or SW 448.

Students may choose to complete the practicum on a full-time or part-time (SW 448 only) basis.

Social Work Practicum Information for U of R BSW Students

The following practicum information pertains to students taking the U of R (Saskatchewan-based) BSW program and does not apply to students in the Yukon University BSW program.

Instructions to apply for a practicum placement are on the Social Work website. SW 348 placements must be completed in Saskatchewan. SW 448 may be completed internationally or outside of Saskatchewan in Canada. Students taking SW 448 internationally must submit an international practicum portfolio as part of the placement process. International students taking practicum in Canada are required to obtain a co-op work permit, in addition to their study permit.

SW 348 and SW 448 are available in the fall and winter terms only. Limited Spring/Summer practicum placements for SW 448 and SW 348 may be available for special projects offered through the Faculty of Social Work. In extenuating circumstances, Faculty approval for Spring/Summer practicum may be considered for placements in rural or northern Saskatchewan, or out-of-province/international placements. SW 448 may be completed on a part-time basis over two terms, starting in the fall term only.

Practica have enrolment limits. Priority for placement will be given to students following our recommended course sequencing, in which SW

348 is completed in the second last term, and SW 448 is completed in the final term of the program. Therefore, practicum placements in any given term are not guaranteed simply by meeting the application deadline and are subject to the availability of approved placements.

Mandatory Preparation Workshops will occur prior to the commencement of the practicum placement and details on how to register for these sessions will be made known to students each term by Social Work Student Services.

Deadlines for Practicum Application (SW 348 and SW 448)

Fall practicum – January 15

Winter practicum – May 15

Deadlines for International Practicum Portfolio Submission (SW 448 only)

Fall practicum – March 31

Winter practicum – June 30

Bachelor of Social Work (BSW)

It is recommended that students take SW 100 and SW 202 as initial social work courses. All students must have a minimum GPA of 70.00% on the social work studies section of the BSW program to be eligible to register for SW 348 and SW 448.

A minimum of 30 of the 63 social work credit hours must be graded on a percentage basis.

Students who have not completed the direct equivalent to the following courses, but who have completed three courses in the same subject area as the requirement, are considered to have met the requirement for BSW purposes: ENGL 100, ENGL 110, INDG 100, PSYC 101, SOC 100, and WGST 100.

Pre-Social Work Program

The following courses must be completed before admission to the BSW. Students are limited to completing two SW courses while in Pre-Social Work: SW 100 and SW 202.

Tel: 306-931-1800, Ext. 5475
Fax: 306- 931-1849

The School of Indigenous Social Work (SISW) offers programs leading to a Diploma in Indigenous Social Work (DINSW), Bachelor of Indigenous Social Work (BINSW) and a Master of Indigenous Social Work (MISW). The School of Indigenous Social Work program is accredited through the Canadian Association for Social Work Education (CASWE). The SISW provides the academic and cultural training for social work students to work in Indigenous and non-Indigenous communities.

Indigenous Social Work Qualifying

Indigenous Social Work Qualifying (INSW) refers to students who have been granted admission to the University of Regina and are intending to apply for admission into the SISW when they complete their qualifying requirements. (See the Admissions section of this Calendar for detailed admission requirements.)

Admission to Indigenous Social Work Qualifying

New students first apply to the University of Regina.

All students who check FN University and put social work as their ‘Program of Study’ on the U of R application will be placed in the INSW Qualifying category. Once they have successfully completed the qualifying requirements, they apply to the SISW for admission. See Academic Requirements INSW Qualifying section below and the Application and Admission to the BINSW/DINSW section below.

Students who have not been accepted into the SISW through the admissions process may not take any INSW courses other than those noted in the qualifying requirements. The Program Chair of the School of Indigenous Social Work program, may make exceptions upon written request. Visiting students must go through the appropriate process to enroll in INSW courses. Students can only be admitted to one School of Indigenous Social Work program at one time.

Academic Requirements – INSW Qualifying (24 Credit Hours)

INSW qualifying students must complete the 24 credit hour requirements below to be eligible for admission into the DINSW/BINSW program.

Credit hours	Indigenous Social Work Qualifying Required Courses
3.0	ENGL 100
3.0	INDG 100
6.0	Two elective courses not INSW or SW (INDG 104 recommended)
3.0	INSW 200
3.0	INSW 321
3.0	INSW 351
3.0	INSW 377
24.0	Minimum Qualifying Requirement

Note: Students are limited to four INSW courses while in INSW Qualifying: INSW 200, 321, 351 and 377.

Note: These qualifying requirements also apply to students with previous degrees and/or students who have been in a social work program at the U of R or other universities. Advising is mandatory for Indigenous Social Work Qualifying applicants who are granted mature admission until they have been accepted into the DINSW/BINSW program.

Sequencing and Recommended Courses

The four Indigenous Qualifying Social Work courses:

- INSW 200, INSW 321, INSW 351 and/or INSW 377, may be taken in any order.
- INSW 200 is a prerequisite for all other INSW courses.

Application and Admission to the BINSW/DINSW

Application Information

Students may pick up their application package either at the Indigenous Social Work program office of FNUniv Saskatoon Campus or Student Success Services of FNUniv Northern Campus and Regina Campus.

The completed application is forwarded to the Saskatoon Campus, Administrative Assistant.

The deadlines to apply are May 15 and January 15. Exceptions are determined by Department Head in-committee.

Calculation of the BINSW/DINSW Admission GPA

The grade point average (GPA) for admission to the DINSW and BINSW programs is calculated using the applicant’s grades earned in their most recent approved courses, to a maximum of 30 credit hours. This includes courses from the University of Regina and other post-secondary institutions attended and is not limited to successfully completed courses.

Application Documents

All the following documents must be included in the application, or the student will not be interviewed. The student may resubmit a completed application for the next admission date.

- Criminal Records Check – Current within three months of interview
- Cover Letter
- Résumé
- Three letters of references
- Statement on aspirations in Indigenous Social Work

SISW Admissions Process and Admissions Committee

The completed SISW application is submitted to the Saskatoon Campus or to the appropriate academic advisor, who will forward it to the SISW Saskatoon Campus. Eligible students whose applications are complete are notified of an interview date.

The SISW Admissions Committee conducts the interviews and is comprised of two SISW full-time faculty members and Elder. In the case of community based SISW programs, the community coordinator of the program is also included in the interview. Students declare

whether they would be in the DINSW program or the BINSW program during the interview.

Admission is based on the application information as well as interpersonal skills and academic and professional suitability.

Decisions of the SISW Admissions Committee are final and not subject to appeal.

Students will be notified in writing of the results of the admission application. It is suggested that students meet with their academic advisor to review and plan their program.

Students not admitted to the BINSW via this process will remain in the INSW Qualifying program category and are not limited to the number of times they can re-apply. Note that students are limited to four social work courses while in INSW Qualifying.

Re-Admission to the SISW

If an SISW student has been required to discontinue they may apply to be re-admitted to the university through the First Nations University of Canada (FNUUniv) re-admissions process when they have met the necessary conditions. If successfully re-admitted to the FNUUniv, the student must make a written request to the Department Head of DIEHSW for an interview with the SISW Admissions Committee. The Admissions Committee reserves the right to request that the student submit a new application package. If re-admitted the student will need to provide a current CPIC within the first term they are registered.

Students who were previously admitted to the DINSW or BINSW program and who have not been registered in any courses for a period of more than 5 years must submit a written request, including a current resume, for re-admission to the SISW Program Chair for an interview with the SISW Admissions Committee. The Admissions Committee reserves the right to request that the student submit a new application package. If re-admitted the student will need to provide a current CPIC within the first term they are registered.

Canadian Police Information Check (CPIC)

Effective May 2005, all students applying to the SISW must provide a current CPIC relevant to the applicant's place(s) of residence for review by the Admissions Committee. A CPIC that indicates a criminal record does not preclude students from admission to the SISW. Such records will be reviewed and assessed with respect to the nature of the offence(s), what the student has done to rectify the situation, and what measures the student has taken to enhance their personal development subsequent to the charges/convictions. Applications for admission to the SISW will not be considered complete without a CPIC.

Returning students who were previously admitted to the program, but have taken time off from school, will be required to submit a CPIC to the SISW within their first term of registration in classes. Failure to provide a CPIC may prohibit students from registering in subsequent terms and/or graduating.

Policies on INSW Courses Practica INSW 448 and INSW 458

Students must have an overall program average of 70.00% (PGPA) and must have an average of 70.00% in social work courses in their program to register for INSW 448 and INSW 458 (Practica).

Students must have a final grade of 70.00% or better in INSW 346 before enrolling in INSW 448 (Practicum I).

Students must have a final grade of 70.00% or better in INSW 447 before enrolling in INSW 458 (Practicum II).

Students may apply for International placements for INSW 458. Planning time must be considered, and funding for such placements is the responsibility of the student.

INSW 458 students may apply to do a research project within an agency if they completed INSW 451 with a minimum grade of 65.00%.

Practica (INSW 448 and INSW 458) may only be offered in the fall and winter terms.

Students are not permitted to register for any other courses during the term they are registered in INSW 448 or INSW 458 without written permission of the SISW Program Chair in consultation with the Practicum Coordinator. Students must have a 75.00% or higher PGPA to be eligible to apply for this overload. Requests must be made in writing to the Department Head of DIEHSW providing the academic reason that the overload is needed. Exceptions to the 75.00% average may be made if the academic needs are sufficient.

Cultural Camp - INSW 352

Cultural Camp (INSW 352) is a mandatory and integral aspect of the Indigenous Social Work program and is required for graduation. Students must have applied and been admitted to the BINSW or DINSW prior to registering for INSW 352. Students are expected to participate fully and purposefully in cultural camp to assist their development of knowledge in Indigenous worldview, culture, and way of life.

Cultural Camp Grade Appeal Process

The grade appeal process for INSW 352, Cultural Camp, is completely within the jurisdiction of the SISW. Students appeal to the instructor. If the situation is not resolved, the students may then appeal to the SISW Program Chair who will discuss the circumstances with the instructor and cultural camp Elders. If the student is still not satisfied, a formal appeal can be submitted to the First Nations University of Canada Registrar's Office. An Elder and SISW faculty will review the situation. Students are encouraged and entitled to bring one support person/advocate to their review committee interview. The decision of this review committee is final and will be given to the student within 48 hours. This appeal process applies only to the cultural camp. To appeal other classes, see the Academic Regulations section of this calendar.

Residency and Transfer Credit

Prior Learning Assessment and Recognition (PLAR)

A maximum of 15 credit hours may be acquired through the Prior Learning Assessment and Recognition (PLAR) process. PLAR is defined in this instance as the process of assessing and recognizing skills, knowledge or competencies that have been acquired through human service work experience. Currently PLAR may be applied to INSW 448 OR INSW 458 (see below for policy on INSW 458).

Students in the faculty of Indigenous Social Work may apply for credit for INSW 448, Practice I, through the SISW PLAR process. To be eligible for application students must:

- be accepted into the faculty;
- be in the BINSW program or DINSW program;
- maintain a 70.00% overall program average and a 70.00% average or better in INSW courses in their INSW program;
- be registered in or have successfully completed INSW 346 at the time of application;
- must have twelve years of human service employment;
- must complete and submit the 12-year human service form; and
- consistently show professional behaviour as a social work student.

The 12-year Human Service form is available from the Saskatoon Campus, and this form must be completed and submitted to the SISW first along with a current résumé. When it is approved, they may pick up the application package.

The PLAR Application Package is available from the FNU, Saskatoon Campus. The completed application, which will indicate knowledge and skills gained during the human service employment, must be submitted to the Saskatoon Campus. The SISW PLAR Committee is comprised of three full-time SISW faculty and Elder.

A student may apply to have INSW 458, Practicum II, accepted through the PLAR process based on students not having the opportunity to apply for credit for INSW 448, because their twelve years of human service work was completed after taking INSW 448.

Social Work Transfer Credits from Other Universities

Social Work electives from the University of Regina can be credited towards the INSW elective portion of the DINSW and BINSW if they do not replicate SISW course numbers that have been taken. Program approval must be obtained prior to registration to avoid duplication of courses.

With permission of the SISW Chair, after consultation with the SISW faculty, credit hours may be used into the required portion of the BINSW if the courses are taken through off campus U of R Social Work programs that have been developed for communities with a high Indigenous population and if the specific course(s) have a strong Indigenous focus. Outlines will be reviewed by SISW Transfer Credit Committee. The number of credit hours is at the discretion of the SISW Chair in consultation with the SISW faculty.

A maximum of six (6) credit hours of social work courses can be transferred from other universities into the INSW electives portion of the DINSW program.

A maximum of nine (9) credit hours of social work courses can be transferred from other universities into the INSW electives portion of the BINSW program.

SISW Residency Requirements

Residency requirements are the minimum number of credit hours that must be taken through the SISW in the ISW portion of the DINSW or BINSW program.

Students must complete a minimum of 42 credit hours of the ISW portion of the DINSW, including all required INSW courses.

Students must complete a minimum of 63 credit hours for the ISW portion of the BINSW, including all required INSW courses.

This means that a maximum of six (6) credits hours of social work courses can be transferred into the DINSW or nine (9) credit hours of social work courses can be transferred into the BINSW from other universities into the social work portion of these programs.

Evaluation of Professional Performance

The First Nations University of Canada, School of Indigenous Social Work is a professional school mandated by First Nation elders and accredited through the Canadian Association of Social Work Education. As such, the school is obligated to uphold academic standards as well as ethical and moral standards. Ethical qualities, character and emotional development of students will be reviewed annually to determine the appropriateness of students remaining in the program and/or graduating.

Students who display unethical behaviour or lack of emotional development will face consequences and may be required to discontinue from the faculty for reasons of unsatisfactory professional development. Such behaviour may include racial slurs, physical or verbal attacks on other students/faculty, threats, sexual harassment, plagiarism, buying or selling papers and criminal charges/convictions. A conference may be held with the student(s) to assess the situation. Incidences that fall within these categories are subject to University of Regina Academic Regulations and disciplinary actions and the Faculty of Social Work, University of Regina: Policy and Procedures of Student Performance of Professional Responsibilities. See the policy at:

www.uregina.ca/socialwork.

Off-Campus Programs

The above policies and regulations apply to both on and off-campus programs. Exceptions and special considerations within off-campus community-based programs are negotiated between the SISW Chair and the relevant program coordinators. Questions or concerns about any of these regulations must be referred to the SISW Chair.

Graduation Requirements

Students must achieve a GPA of 70.00% on all INSW courses contributing to the degree or diploma and an overall PGPA of 70.00% on all courses contributing to the degree or diploma.

The School of Indigenous Social Work does not have "Distinction" or "Great Distinction" graduation categories for any of its programs.

SISW Policy Exceptions

Exceptions to any of the above criteria must be approved by the SISW Program Chair. Required averages for admission, specific courses and graduation are not subject to exceptions.

Centre for Continuing Education

CCE Programs and CCE Programs and Services

The Centre for Continuing Education is an approved academic unit of the University of Regina.

At CCE, we believe that learning is a lifelong experience and doesn't start or stop with a degree. To grow and thrive, both personally and professionally, each of us will continue building skills and knowledge across a career and a lifespan.

The Centre for Continuing Education (CCE) links the University's resources to our communities of individuals, employers and industry in Regina, across Saskatchewan, and beyond our borders, nationally and internationally.

The Centre for Continuing Education's mission is to meet lifelong learning needs by offering high quality, accessible, innovative and responsive education and training programs to learners of all ages by building on the strengths of, and collaborating with, the resources of the University and community.

A wide selection of programs is offered in seven general categories. CCE offers:

- Undergraduate certificate, diploma, and bridging programs for adults seeking to upgrade their qualifications or pursue new career paths. Programs can normally be completed within one to five years.
- All applicable degree, diploma and certificate program courses offered outside the traditional Monday to Friday schedule, including online, early morning, evenings, weekends and spring/summer offerings.
- Collaborative programming with University Faculties, Federated and Regional Colleges to deliver credit courses, including off-campus, face-to-face, live-streamed, online and blended classes, which carry credit toward a University degree.
- English as a Second Language programming, providing students with oral and written English language skills sufficient to meet requirements for admission to University certificate and degree programs, as well as the Government of Canada's Language Instruction for Newcomers LINC).
- Lifelong Learning Centre programming, offered in partnership with the Seniors' University Group, providing educational experiences and fostering a vibrant and engaging learning environment.
- Conservatory of Performing Arts programming, offering private music instruction and group classes in music, dance, theatre, digital and visual arts, for children and adults of all ages.
- Professional certificates, seminars, and microcredentials, supporting professionals in their career and development goals, including University of Regina alumni, by emphasizing real-world expertise while balancing theoretical and practical information in every course.

Student Academic Policies

Students enrolled in CCE programs at the University of Regina must follow the academic and other policies and procedures of the University. The following policies apply to students enrolled in credit and non-credit certificates, as well as students enrolled in the ESL program.

Academic Misconduct

Students enrolled in CCE programs at the University of Regina are expected to adhere rigorously to principles of intellectual integrity. Plagiarism is a form of intellectual dishonesty in which another person's work is presented as one's own. Plagiarism or cheating on examinations/assignments is a serious offense that may result in a grade of zero on an assignment, a failing grade in a course, or expulsion from the University. Refer to the Academic Regulations section in this Calendar for University regulations on academic misconduct.

Appeal Guidelines and Procedures

The CCE Student Appeals Committee (or its delegate) will hear all appeals and applications by students in connection with academic action decisions, including probation, discontinuance, re-admission after RTD, MW, and exceptions from program requirements. The committee does not hear appeals of grades; consult the Academic Regulations section.

Appeals are to be made in writing within two weeks of notification of the academic action and addressed to:

Chair, Student Appeals Committee
Care of the Dean's Office
Centre for Continuing Education, Room 219
College Avenue Campus, University of Regina
3737 Wascana Parkway
Regina SK S4S 0A2
Email: CCE.StudentServices@uregina.ca

Late appeals will not be heard.

Appeal guidelines and information about the supporting documentation that may be needed by the Student Appeals Committee are available at www.uregina.ca/cce.

Appeals of CCE decisions may be heard by the Council Committee on Student Appeals (see the Student Code of Conduct and Right to Appeal section). The decision of CCE with respect to admission and conditions for continuation is final.

Students may appeal the imposition or severity of a penalty for misconduct (academic or non-academic) to the Council Discipline Committee. Requests for a hearing must be submitted as per the procedure outlined in the Student Code of Conduct and Right to Appeal section for definitions and guidelines related to Academic and Non-academic Misconduct.

Career and Professional Development Division

General Information

The Career and Professional Development Division provides undergraduate level and non-credit courses and programs in flexible formats for those who wish to pursue their academic and personal career goals. The Career and Professional Development Division offers programs with non-traditional learners in mind.

Undergraduate level certificates offer students an opportunity to pursue a program that can ladder into an undergraduate diploma or degree. Courses are scheduled at a variety of times and a variety of locations. Most credit certificate programs require no minimum educational background for admission for students age 21 and over. On average, students studying part-time complete a certificate program within 2.5 to 5 years. Three-credit-hour courses include 39 hours of instruction and require an average of 4 to 8 hours of study per week outside the classroom. Please direct inquiries to Student and Instructor Services (Credit).

A wide range of non-credit professional development microcredentials, certificates and seminars provide training for busy professionals who want to stay competitive in our ever-changing economy. Emphasis is on real-world expertise, ensuring a stimulating balance between theoretical and practical information in every seminar. Professional development certificates include business analysis, project management, leadership, advanced leadership, organizational innovation and management. Career and Professional Development Division also offers a variety of professional seminars and corporate training. Please direct inquiries to Student Services (Non-credit).

Admission, Re-admission, and Transfer

Admission

All new applicants to certificate and transition programs (Casual Studies and High School Accelerated) must apply for admission directly to Student and Instructor Services (Credit), Centre for Continuing Education. Refer to the Admissions section for dates. Students can apply for admission, transfer, and readmission into Undergraduate Certificate Programs online at www.uregina.ca/cce/ or in person.

Applicants should see the admissions section of the Calendar. Students applying for regular admission must supply these documents:

High School Transcript

An official statement of Saskatchewan Division IV or Secondary Level grades or similar official statements from the provincial department of education where the applying student attended high school. Students are advised to request transcripts well in advance of applying for admission. Transcripts will not be returned.

Post-Secondary Transcripts (if applicable)

Students who have attended another university or college must have that institution forward an official transcript directly to the University of Regina Registrar's Office. Photocopies, faxes, and transcripts issued to students are not acceptable.

The Centre for Continuing Education reserves the right to refuse admission even when the stated requirements for entrance have been satisfied.

Stale-dated Courses

Students who are admitted or re-admitted to certificate programs in the Centre for Continuing Education, having completed courses in their program more than 10 years ago, may be required to update their knowledge by repeating or taking additional courses toward their program. Certificate programs that include courses academically housed in another academic unit are governed by the stale dated courses policies in the relevant faculty.

Concurrent Programs

Students in other faculties wanting to complete a CCE certificate program must submit a completed Application for Undergraduate Concurrent Program form. Signatures of approval are required from the Primary Program Advisor and the Secondary Program Advisor.

The application form for Concurrent Programs can be accessed at: www.uregina.ca/cce/concurrent-program-1-fillable.pdf

Residency and Transfer Credit

Residency Requirement

Students can complete the requirements for CCE certificates as part of a degree program. Students must apply for graduation from the certificate program within one year of the degree being awarded.

Students who have graduated with a Bachelor of Business Administration or Bachelor of Administration are not eligible to graduate with the Certificate in Administration, Level I and II.

Students taking diplomas and/or certificates concurrently may not have overlap of any more than half of the shortest program.

Transfer of Credit from Other Post-Secondary Institutions

For courses taken at other universities, students can receive transfer credit for up to 50% of their program. This regulation applies provided the courses have been evaluated by the University of Regina and are deemed to be equivalent. More information on the regulations and processes associated with transfer credit at the University of Regina can be found at:

www.uregina.ca/student/registrar/transfer-credit/

Minimum Grades Required for the Awarding of Transfer Credit from other Canadian Universities.

Grades in courses awarded transfer credit are not used in calculation of PGPAs in the Centre for Continuing Education.

Letter of Permission

CCE students who wish to take courses through other universities for credit towards their certificate programs must obtain permission prior to registering for the course(s). Letters of Permission are not granted automatically. Students must submit a request in writing and provide any supplemental documentation as required.

Students can receive transfer credit for up to 50% of the applicable courses in their certificate program. Transfer credit is not guaranteed, and students must ensure that courses taken at other post-secondary institutions are eligible for transfer credit and applicable to their program.

Once the course has been completed, the student must request that one official transcript be sent directly from the educational institution to the University of Regina's Registrar's Office. A transfer credit evaluation will be completed after transcripts have been received.

Credit by Challenge

Refer to the Admissions section for University regulations.

Challenge credit examinations may be permitted for CCE courses at the discretion of the Head of Career and Professional Development.

Transfer of Credit for Certificate Courses to Other University of Regina Faculties

Students who wish to take courses through Career and Professional Development and later apply the credit obtained in these courses to a degree program at the University of Regina, should enquire with the appropriate faculty before enrolling through Career and Professional Development. It is the responsibility of the various faculties to determine what amount of credit, if any, they will allow students to use.

Prior Learning Assessment and Recognition (PLAR)

The Centre for Continuing Education may evaluate and grant credit for previous formal, non-formal and informal learning up to a maximum of six credit hours toward credit certificate* or diploma programs offered through the Centre for Continuing Education. Credit will be awarded on a case-by-case basis for university-level knowledge, skills and abilities only. Credit will not be awarded for experience alone. Evaluation may include portfolio and/or interview. For more information contact Student and Instructor Services (Credit):

<https://www.uregina.ca/cce>.

*Currently Business Administration courses are ineligible for evaluation for PLAR credit. Students may still seek PLAR credit for any other courses or portions of the Certificates in Business Administration Levels I and II.

Academic Advising and Registration

Academic Advising

Academic advising is important. The Career and Professional Development Division encourages new and continuing students to receive program advising before registering.

Call the Student and Instructor Services (Credit) Office at 306-585-5807, email CCE.StudentServices@uregina.ca or book online at www2.uregina.ca/cce/advising to make an advising appointment. Each student is responsible for ensuring that program requirements are being met at each stage of progress. Students are required to fulfill all "Responsibilities of Students" found in the Academic Regulations section.

Repeating Courses

Students may repeat any course, passed or failed, once (English 100 may be repeated twice). The most recent grade is the one that is used in calculation of program GPAs. Written requests to repeat a required course an additional time are to be submitted to the Student and Instructor Services-(Credit) office.

Registration Permit/Override

Students may obtain Registration Permit/Overrides to register for a section when course or class prerequisites, co-requisites, repeat, link, program, faculty, campus and/or other registration restrictions are not satisfied.

This permission is based on the academic, course, and program regulations. It is not automatic and will be given only when the regulations are met and in exceptional circumstances.

The faculty or college office that offers the class determines who is qualified to grant and enter the Registration Permit/Override on the student's academic record. The Registration Permit/Override is assigned to the student for a course, or a section of a given term.

The Registration Permit/Override does not guarantee that the student will be registered, that space will be available in the section, or that the course will apply to the student's program. The permission only allows the student to bypass the registration restrictions of the course or section online. Once the permission is assigned the student may proceed with their registration in that course or section. Please consult the appropriate academic regulation, course, or program section of the Undergraduate Calendar to determine if you need Registration Permit/Override and how to obtain that permission if required. Career and Professional Development Division students should contact Student and Instructor Services (Credit) at 306-585-5807 or email CCE.StudentServices@uregina.ca if they require assistance in determining whether or not they need Registration Permit/Override before registering online.

Registration

Students may register online using UR Self Service found at: www.uregina.ca. If you require assistance please contact Student and Instructor Services (Credit).

In cases where students cannot register online, they may register by email: CCE.StudentServices@uregina.ca. Students will be required to provide their student number and birth date to register by email. Registration will not be accepted by voice mail. Students can also register in person at:

Student and Instructor Services (Credit) Office
Room 212, College Avenue Campus
2155 College Avenue
University of Regina
Regina, SK

The Student and Instructor Services (Credit) Office is open Monday to Friday, from 8:15 a.m. to 12:00 p.m. and 1:00 p.m. to 4:30 p.m.

Evaluation of Academic Performance

CCE Honours List

The list for part-time students is compiled once an academic year at the end of the spring/summer term. To be included on the CCE Honours List, a student must be a CCE student and identify a CCE program as their primary academic program and must achieve a GPA of at least 85.00% on a minimum of nine numerically-graded credit hours of University of Regina courses over an academic year (fall, winter, and spring/summer).

Inclusion on the CCE Honours List will appear on the student's official transcript.

Probation and Discontinuance

CCE follows the University guidelines for academic performance regulations as outlined in the Academic Regulations section. Refer to the Academic Regulations section for definitions of GPAs.

Deferral of Final Examination and/or Course Work

CCE follows the University policies and procedures regarding deferrals. Refer to the Academic Regulations section for more detailed information.

Failed Courses and Prerequisites

Failed courses include grades of "NP." If the failed course is a prerequisite to one in which the student has enrolled in the next term, it is the student's responsibility to drop the course.

Time Limits and Graduation Requirements

The minimum undergraduate program average (UGPA) and graduating program average (PGPA) for all Career and Professional Development Division programs is 60.00%. Refer to the [Graduation](#) section for University Graduation Requirements.

Completion of Discontinued Programs

When a program is discontinued, students will be informed of the date by which they must complete their program requirements. Students should also be aware of the policy relating to "Stale Dated Courses" in relation to the completion of their programs.

Completion of Old Programs

From time to time, CCE may change its program requirements. Students normally follow the program that is in effect at the time of their most recent date of admission, faculty transfer or re-admission, but may choose to follow program changes occurring after that date. Prolonged completion of a program may mean that specific courses academically housed outside of CCE but used in CCE programs are subject to that faculty's policy on outdated courses.

Time Limit for Completion of Non-credit Certificates

Students enrolled in Career and Professional Development programming have three (3) years to complete a non-credit certificate.

Applying and Approval to Graduate

Students who wish to have their certificate conferred as soon as possible after completing their requirements should apply while in their final term of courses. Application deadlines are outlined in the Graduation section of this Calendar.

Awarding of Concurrent or Additional Credentials

When a student who is enrolled in two certificate programs concurrently or in sequence, a minimum of 50% of new certificate course work must be completed for graduation to be approved. Graduation from multiple certificates will not be approved unless a minimum of 50% of the new certificate program has been completed.

Financial Awards Available

There are a variety of awards available for credit continuing education students, including specific awards for Certificate students, and the Dr. Brian H. Campbell Scholarship for distance students.

Continuing Education students are also eligible for many university-level awards. For information on this and other scholarship opportunities, contact:

Students must meet the following criteria to obtain a Certificate of Extended Studies in Inclusive Education (CESIE):

- The student must hold a BEd or its equivalent to be admitted to the program.
- The student must complete 30 additional credit hours for the CESIE beyond their degree(s).
- **Transfer Credits from Other Institutions:** Students accepted into a CCE program will be permitted to transfer only those courses that meet program requirements. See Admissions section in this Calendar - Transfer of Credit from Other Post-Secondary Institutions
- Students with a minor in Special Education as part of the BEd are eligible to enroll in the Certificate in Inclusive Education, provided that courses that have been used for the BEd are not used as part of the Certificate of Extended Studies in Inclusive Education. Decisions involving course work to be considered for substitution will be made by CCE, based on the approved list of courses from the Faculty of Education. Education will assist CCE to determine if the courses were used for the degree.
- **Stale-dated Courses:** Please refer to the Faculty of Education section of this Calendar.

Certificate in Local Government Administration

The Career and Professional Development Division, in cooperation with provincial government agencies and municipal organizations, offers a program leading to the Certificate in Local Government Administration. The program is designed to give students the knowledge and skills they need to assume positions in various fields of local government administration. The Urban and Rural Boards of Examiners have made completion of this program an educational requirement of certification for the offices of the administrator of a rural or an urban municipality. The program is delivered predominantly online. Students who wish to pursue further studies may apply the LG courses (15 credit hours) to the Advanced Certificate in Local Government Administration.

Liberal Arts Programs

The Faculty of Arts and the Centre for Continuing Education are pleased to partner on the Certificate in Liberal Arts (30 credit hours) and the Diploma in Liberal Arts (60 credit hours). These programs will meet the needs of students who wish to pursue liberal arts study but who may not initially want to pursue a full degree program. Students will have the opportunity to ladder from the certificate to the diploma and to a degree.

The flexibility of these programs will appeal to students who:

- live outside Regina and want to complete a stand-alone program remotely, in the evenings and/or weekends and Summer University;
- juggle work, family and academic responsibilities; and
- need to stop in and out of their university studies.

Programs in Partnership with First Nations University of Canada

CCE offers the following programs in cooperation with the First Nations University of Canada. Inquiries should be directed to First Nations University of Canada at 306-765-3333 (Northern Campus) or 306-790-5950 (Regina).

Admission

Students will be admitted to the certificate programs as CCE students with a campus identification of "F" (First Nations University of Canada). Applicants to the programs must meet the entrance requirements for the Centre for Continuing Education at the University of Regina and qualify under regular or open admission guidelines.

Awarding of Concurrent Certificates and Degrees

The Academic emphasis of each program must be distinct from another program a student pursues at the same time.

Students should apply to graduate with a certificate prior to graduating with a degree or diploma.

Certificate of Extended Studies in Aboriginal Education

This certificate is a dynamic, flexible, and developmental approach designed to fill a gap in cross-cultural teacher training. The core of this program is based on experiencing and building a greater awareness and understanding of Aboriginal history and culture that validates Aboriginal/Indigenous knowledge through working with Elders, going on field trips, listening to guest speakers, participating in simulations, and attending community events. Students will critically analyze and reflect on cultural bias, including one's own values and assumptions. The program will prepare sensitive educators to teach Aboriginal children, teach in inner city schools and teach all children about Aboriginal culture and history.

The Certificate of Extended Studies in Aboriginal Education is a 30-credit hour certificate program beyond the BEd degree. It is an Additional Qualification Certificate and teachers will be eligible for reclassification according to The Saskatchewan Education Teacher Certification and Classification Regulations 2002.

First Nations Language Instructor Certificate

This program, comprised of degree credit courses, provides training in First Nations Language instruction. It is designed for language instructors, teachers, and teachers' aides working in First Nations classrooms who are already fluent in a First Nations language with some literacy in the language as well. Students should also have some teaching experience and experience developing curriculum materials.

Additional requirements

Students must demonstrate competence in the target First Nations language they are teaching or plan to teach. First Nations University of Canada will compile a list of people competent to examine the prospective students. Students will be given the name of the examiner for their particular language. The onus will be on the student to take the test and provide proof of competence when they register for the program. Costs for this service will be incurred by the student.

Students must demonstrate competence in oral and written English, as described in the Admissions section of this Calendar.

This program consists of ten (3 credit hour) degree courses.

Certificate in Indigenous Access Transition Education

This program is designed to prepare students for a university level program of study thereby with a goal of increasing retention and success rates. The program is also designed to increase access for Indigenous students to post-secondary programs.

Program Description

The Indigenous Access Transition Education Certificate is designed as an eight-month, twenty-four credit certificate program. The program can accommodate up to forty students who will progress through the program as a single cohort, with each student taking the same courses at the same time as a single group. Students in the IATEC Program would progress through the following courses in the following sequence (this sequence may vary depending on program delivery contract).

Programs in Partnership with Luther College

Certificate in Nonprofit Sector Leadership and Innovation

The five-course undergraduate-level Certificate in Nonprofit Sector Leadership and Innovation (NSLI), in partnership with Luther College and the Faculty of Arts, gives students an introduction to leadership in nonprofit and voluntary organizations. This dynamic, multidisciplinary certificate is designed for students who want to acquire the expertise to pursue paid employment and/or voluntary work in the nonprofit (voluntary, community-based) sector.

The courses will provide the necessary background in the structure and roles of nonprofit organizations, organization management, human resources, communications, and strategic planning. All courses will be grounded in a community-engaged, experiential learning model. This program is currently designed for part-time study.

Flexible Learning (FL)

Flexible Learning (FL) works closely with the University of Regina academic faculties and support institutions to provide flexible learning options to students in Regina, across Saskatchewan and beyond. Classes are delivered using the following modes: Online, LIVE-streamed, Blended and a large selection of on-campus face-to-face courses with flexible class times from early morning to evenings, on Saturdays and in the spring and summer (May, June, July, and August).

Online Courses

The University of Regina is continually expanding its online course offerings. Students can access courses which are entirely online, or which utilize a combination of instructional methods.

LIVE-streamed Courses

LIVE-streamed courses are offered throughout the province. Students watch the class lecture LIVE via ZOOM on any device connected to the internet.

Off-Campus Face-to-Face Courses

Flexible Learning delivers many courses each year on a face-to-face basis through regional colleges and the Faculty of Social Work Saskatoon Campus.

University of Regina Faculty of Social Work

Flexible Learning offers Social Work programs on both full- and part-time basis in Saskatoon and throughout Saskatchewan.

Regional Colleges

Full-time first and second-year University of Regina studies are offered at most college locations.

Please visit www.uregina.ca/cce/flexible-learning/regional-colleges for more information regarding Regional Colleges.

Blended Courses

Blended courses employ a combination of the following: face-to-face, LIVE-streamed, online and/or video-conference instruction.

Early Morning, Evening and Saturday Courses

Flexible Learning offers early morning courses beginning before 8:30 am, evening courses beginning after 4:30 pm and Saturday courses, providing students with flexibility and convenience. All faculties offer a variety of courses scheduled from early morning to evenings as well as on Saturdays.

Spring and Summer University

Flexible Learning offers a large selection of courses in May, June, July and August, both on and off-campus. Spring and Summer University lets students:

- Finish a program faster.
- Lighten a course load during the fall and winter terms.
- Catch up on missed courses.

- Complete a class in a compressed time frame.

English as a Second Language Program (ESL)

University of Regina EAP Placement Test

For information on EAP Placement test dates and registration, contact the ESL Program at 306-585-4585.

English as a Second Language English for Academic Purposes (EAP) Program

The University of Regina EAP Program offers a 12-week Academic Program, three times per year coinciding with University of Regina academic terms for students 16 years of age and older. Students receive 252 hours of instruction per term from Languages Canada accredited ESL instructors. Instructional activities involve individual, pair, and group work. Evaluation is based on graded assignments and in-class examinations. Students are required to purchase course texts and other materials at an approximate cost of \$250.00 CAD.

Classes are held on campus and through remote and blended delivery modes with an average class size of 18 students. Upon successful completion, Advanced EAP students are awarded a total of 6 credit hours and receive a certificate of completion. EAP 100 Advanced English Reading and Communication and EAP 101 Advanced English Writing and Research carry 3 credit hours each.

Many EAP learners need to satisfy the English language proficiency (ELP) requirement to remove conditions for admission pertaining to language in order to pursue their degree programs. Passing Advanced EAP (EAP 100 Advanced English Reading and Communication, AND EAP 101 Advanced English Writing and Research) of the EAP Program satisfies the University of Regina ELP requirement. Passing Advanced EAP only removes conditions relating to English language proficiency and does not change any academic conditions relating to admission. Students who are conditionally admitted to the University of Regina can continue their credit studies in the term immediately after successfully completing their EAP studies. (See the EAP+1 Program section which enables students to take additional credit classes while studying at the Advanced EAP level).

Mandatory Orientation and Placement Testing

New students write an on-line placement test and are placed in one of six levels:

- EAP 005 Foundations 1 (Beginner) *not being offered in 2024-2025
- EAP 010 Foundations 2 (Elementary)
- EAP 020 Vantages 1 (Low Intermediate)
- EAP 030 Vantages 2 (Intermediate)
- EAP 090 High Intermediate
- EAP 100 Advanced

An approved ELP Placement test score is required for admission to the EAP program.

Applicants who have submitted proof of an overall IELTS (Academic) Band score of 6.0 with no IELTS Band score less than 5.0 or a TOEFL iBT score of 70 with no skill below 17, or a TOEFL Paper score of 525, or a

CAEL score of 50, or a Duolingo score of 110 will be directly admitted into Advanced EAP.

Applicants who completely achieved Canadian Language Benchmark (CLB) 7 or 8 through participating in Language Instruction for Newcomers to Canada (LINC) classes will be directly admitted into Advanced EAP.

Applicants who have submitted proof of an overall IELTS (Academic) Band score of 5.5 with no IELTS Band score less than 5.0, or a Duolingo score of 100 will be directly admitted into High Intermediate EAP.

Applicants who completely achieved Canadian Language Benchmark (CLB) 6 through participating in Language Instruction for Newcomers to Canada (LINC) classes will be directly admitted into High Intermediate EAP.

Applicants who have submitted proof of an overall IELTS (Academic) Band score of 5.0 with no IELTS Band score less than 4.5, or a Duolingo score of 90 will be directly admitted into EAP 030 Vantages 2 (Intermediate).

These scores must be submitted with the admission application to the program.

Applicants who do not qualify with the above test scores must take our on-line EAP Placement exam which is scheduled bi-weekly. Test results may not be more than 2 years old at the time of application to the EAP program if they are to be considered for placement.

English for Academic Purposes Program Curriculum

Within the English for Academic Purposes (EAP) Program, for levels 005 to 090, the curriculum consists of integrated core courses supplemented by a seminar per level. Within the integrated courses, students study listening, speaking, reading, and writing through a theme-based integrated curriculum. The course includes 21 hours of instruction per week.

The seminars focus on specific language skills and are offered through classroom instruction, workshops, and examinations. Levels 005-090 seminars consist of writing and/or communication and include 6 hours per week.

In EAP 100 Advanced, there are two courses at the level.

Courses are graded numerically and EAP 100 Advanced English Reading and Communication and EAP 101 Advanced English Writing and Research carry 3 credits each. A student who passes EAP 090 High Intermediate is eligible to take EAP 100 Advanced English Reading and Communication and EAP 101 Advanced English Writing and Research.

Performance Regulations

In EAP courses 005 to 090, to pass the level, the student must achieve a minimum grade of 60% in the integrated course.

In EAP 100 and EAP 101, students must achieve a minimum grade of 60% in each course to pass the level.

Full admission (the removal of conditions pertaining to language proficiency) will be confirmed or revoked by the University of Regina Admission Offices upon receipt of the final grades in EAP 100 Advanced Level including both EAP 100 and EAP 101 courses.

The English for Academic Purposes program allows for courses EAP 005-101 to be repeated twice. After two failures at the same level (including an unofficial 'drop' after mid-terms - a grade of NP),

students will be placed on probation. If the student fails the level for a third time, the student will be required to sit out from the EAP Program for one term. Failures do not have to be in consecutive terms. After one term of absence from the program, the student can apply to take the course again. The student must meet with the Student Advisor/Counsellor during the first week of classes, and every second week after that, to discuss their study habits, goals, and future plans before continuing their studies in the EAP Program. If a student fails a level for the fourth time after readmission, the student will be withdrawn from the EAP program and will be Required to Discontinue (RTD) indefinitely.

ESL English for Academic Purposes Program Dates

Registration follows a first-come, first-served basis. Students are recommended to apply as early as possible so that they can ensure a spot in their chosen term.

ESL Tuition Fees

All fees are subject to change without notice.

A tuition deposit is required for any new admission to each session. The first deposit is non-refundable. The remainder of the tuition fees are due on the first day of classes.

Tuition fees for International students in the Academic Program are per the Undergraduate International Fee Schedule. Tuition fees for Permanent Residents and Canadian Citizens are per the Undergraduate Domestic Fee Schedule with an approximate additional cost of \$250 for materials.

Deadline

The deadline for the submission of applications is approximately one month before classes start: August 1 (fall term), December 1 (winter term), and April 1 (spring/summer term). Late applications may be considered after the deadline, but some classes may be at full capacity. Courses may not be offered or canceled due to enrolment numbers

ESL Scholarships

Current and incoming ESL students are eligible for a variety of ESL-specific scholarships. Please consult the [Student Awards and Financial Aid website](#) for details.

EAP + 1 Program

The following students will qualify for admission to the EAP+1 Program: Students who qualify to take an Advanced EAP class (via passing EAP High Intermediate level) or by achieving an appropriate score on the EAP placement exam or submitting an IELTS (Academic), TOEFL, Duolingo, or CAEL score with an acceptable score to allow for direct entry into Advanced EAP, as per the Mandatory Orientation and Placement Testing in this section, and who are offered conditional admission to a credit undergraduate program at the University of Regina in the Faculties of Arts (Economics only), Business

Administration, Engineering and Applied Science, Science, or the Centre for Continuing Education.

EAP students participating in this program may take an undergraduate credit course from the authorized course list while enrolled in Advanced EAP. Courses not on the authorized list may qualify but require prior approval from the Dean of CCE and the advisor of the Faculty the student is conditionally admitted to.

Admission will be completed or revoked upon receipt of the final grade for Advanced EAP. Because students must pass Advanced EAP to be admitted to the University, students must pass both Advanced EAP and the credit course to receive credit for the credit course. Students who initially fail Advanced EAP but pass the credit course, and who successfully retake Advanced EAP and are admitted to the University, may then receive credit for the previously completed credit course.

Students must consult with the ESL department and the Faculty that has conditionally accepted them to ensure their course choice is appropriate for their program, and that the credit for the course can be used in the program. The Faculty of Engineering and Applied Science requires students receive permission from one of their faculty advisors before registering in a credit course.

Students are responsible for having the appropriate academic prerequisites for any courses they take.

Advising support and tutorial support will be provided, but it is the responsibility of the student to ensure that they can handle the workload of the EAP courses and the additional credit course.

Students who drop the Advanced EAP course will be dropped from the credit course (with refunds based on the normal refund schedule). This may affect the student's immigration status.

ESL Courses

FastTrack Courses

1. FastTrack 020 (ESLF 020) is an intensive, condensed version of the academic program Low Intermediate EAP 020 Vantages 1 Level. Students must have successfully completed level EAP 010 Foundations 2 (Elementary) or attempted level EAP 020 within the last two terms of the academic program. Placement into Level EAP 020 is not sufficient to study in the fast-track program.
2. FastTrack 030 (ESLF 030) is an intensive, condensed version of the Academic program Intermediate EAP 030 Vantages 2 Level. Students must have successfully completed level EAP 020 Vantages 1 or attempted level EAP 030 within the last two terms of the Academic program. Placement into Level EAP 030 is not sufficient to study in the fast-track program.

These courses are intended for highly motivated and dedicated learners who would like to accelerate their progress through the EAP program.

Fundamentals for Success Courses

Fundamentals for Success Courses help ESL students improve their chances of academic success and help members of the community improve their language skills for professional or personal reasons. Proficiency in the Fundamentals for Success classes does not satisfy the English Language Proficiency requirement for University admission; however, students who want to be admitted to the

University of Regina can improve their skills in order to prepare for a University entrance exam, such as the EAP Placement test, the IELTS, TOEFL or Duolingo. Fundamentals for Success classes are offered on a part-time basis during the Academic EAP Program term and on a full-time intensive basis during the time between terms. They are not graded and are pass/fail courses.

Fundamentals for Writing Success

In this course, learners will improve their writing skills through close reading and studying the writing styles and techniques of academic writers as well as offering important self-editing skills. Fundamentals for Writing Success is recommended and specifically designed for intermediate EAP students (such as those who are in Level EAP 020 Vantages 1 (Low Intermediate) or above in our Academic Program) who wish to improve their writing skills.

Fundamentals for Communicative Success

The most common English skills in our daily communication are speaking and listening. Fundamentals for Communicative Success will enhance the ability to comprehend and articulate words and sentences in English accurately and fluently.

This course includes intensive coverage of decoding (sound recognition) of different vowel and consonant sounds, sentence-level grammar in context, and thematic vocabulary development.

Fundamentals for Workplace Success

This is a course recommended and specifically designed for intermediate EAL students who have attained at least CLB level 2, and who are looking to improve their Communicative English skills. In this course, you will develop confidence and skill with communication in English using key speaking and listening strategies that will benefit you in the workplace, whether you are already working or seeking employment.

Lifelong Learning Centre

The Lifelong Learning Centre (LLC), now working in partnership with the Seniors' University Group (SUG), was established in 1977 to provide lifelong learning opportunities for older adults in Regina and the surrounding area. In 2024, more than 45 years later, the LLC and the SUG have signed a new Memorandum of Understanding that strengthens their long-established collaboration and charts a course that will provide and expand lifelong learning opportunities. Classes and lectures will continue to be held on the College Avenue campus with course scheduling, registration and membership being managed by SUG. The LLC remains committed to providing educational experiences and fostering a vibrant and engaging learning environment.

The Conservatory of Performing Arts

The Conservatory of Performing Arts offers high quality private music lessons and group classes in music, musical theatre, drama, and dance. Many of the Conservatory private instructors are active performers with their own groups and/or members of the Regina Symphony Orchestra. Conservatory students range in age from newborn to adult and from beginner to advanced professional. Private music instruction is available in a wide range of instruments including piano, violin, cello, guitar, voice, percussion, most winds and brass instruments, and bagpipes. Conservatory ensembles include a beginner string orchestra, choirs and a pipe and drum band. Group classes include campfire guitar, musical theatre, drama, and First Nations arts. Some Conservatory students choose to work towards a recognized certificate in their instrument and many take classes and lessons for personal enjoyment.

Mission Statement

The mission of La Cité universitaire francophone is to fulfill the university education needs of Saskatchewan's Francophones, whatever their first language. La Cité plays an active part in the cultural, linguistic and professional development of the Fransaskois community by offering credit and non-credit courses and programs.

In this context, La Cité initiates, encourages, develops and supports research and the dissemination of academic work in French on issues of concern to Francophone minority communities. La Cité fosters an accessible and stimulating Francophone environment and living space on the University of Regina campus.

Admission, Re-Admission, and Transfer

Please refer the [Admissions section in this Calendar](#) for University policies on Admission, Re-admission, and Transfer.

Stale-dated Courses

Students who are admitted or re-admitted to La Cité, having completed courses in their proposed major more than 10 years ago, may be required to update their knowledge by repeating or taking additional courses in their major. These decisions are made by the recommendation of the head of the department offering the major or program. The earlier attempt at any passed courses that must be repeated under this regulation can be counted for elective credit.

Placement and Transfers into French Language Courses

Upon taking La Cité's placement test, students will be directed to register in a course at the appropriate level. Given that placement test results do not always correspond to a student's ability, La Cité may direct a student to register in a course at a higher or lower level to ensure their learning and success. Transfer credits or equivalences may be granted for specific courses or programs, but will not be granted for having achieved French proficiency. Students placed beyond the existing language courses (e.g. FRN 301) will be required to take the equivalent number of FRN courses to complete the requirements of their program. No courses at La Cité may be challenged for credit.

Residency Requirements

For all programs, students must complete at least half of all credits at the University of Regina. Students may be required to do more than the minimum number of credit hours at the University of Regina.

Students registered in the BA/BED in collaboration with the Baccalauréat en éducation française must normally complete at least half of the BA part of the program, as well as half of the required FRN courses, at the University of Regina. Students in programs with La Cité may complete courses at other post-secondary institutions by obtaining permission in advance.

Academic Advising and Registration

Academic Advising

Academic advising at the Centre de services aux étudiants is designed to help students to understand their academic options and program requirements, outline support services, and highlight opportunities in French on campus and in the Fransaskois community. Students enrolling with La Cité are encouraged to arrange for academic advising upon receipt of their letter of admission or transfer by calling the Centre de services aux étudiants at 306-585-4828 or by e-mail at: cite@uregina.ca. Advising is recommended prior to registration in the first term, and it is encouraged to consult an advisor at least once a year, or more frequently (once a term) if preferred.

The Centre de services aux étudiants will provide a printed program audit upon request. Students may access (and print) program outline forms at: www.lacite.uregina.ca/en/study-here/academics/undergraduate-programs.

Other general information about services offered en français at the Centre de services aux étudiants is available at: <https://lacite.uregina.ca/en/uni/services>.

Students are required to fulfill all of the "Student Code of Conduct" as described in the Academic Regulations section.

Evaluation of Academic Performance

Dean's Honours List

The Dean's Honours List is compiled each term. The list has two parts, one for full-time students and the other for part-time students. To be included on the full-time list, students must have completed a minimum of 12 credit hours of numerically graded University of Regina courses in the current term and have achieved a term grade point average (TGPA) of at least 85.00%.

Students will be included on the part-time list if they took at least three but less than 12 credit hours of numerically graded University of Regina courses in the current term and achieved a GPA of at least 85.00% across all of the most recent terms needed to complete a minimum of 12 credit hours of numerically graded University of Regina courses since the term in which they were last on the Dean's Honours List (or, in the case of students who have never previously been on the Dean's Honours List, since they were admitted to the University of Regina).

Inclusion on the Dean's Honours List will also be noted on students' official transcripts.

Requirements for Special Mentions:

- Bilingual mention/mention bilingue:** A minimum of 40% and maximum of 60% of courses counted towards the degree program taken in French, including at least 3 courses from departments other than French (but must be from the Faculties of Arts, Media, Art, and Performance, or Science).
- International Designation:** completion of at least one of the following international experiences:
 - a one term (or more) out-of-country co-op work term, internship, or practicum, or
 - a three credit hour (or more) University of Regina course (or a course taken on a letter of permission at another Canadian post-secondary institution) that includes at least two weeks out of the country. If the course includes less than two weeks out-of-country experience, the approval of the Dean or designate will be needed for the student to receive international designation, or participation in an international exchange program, completing three or more credit hours, or
 - a minimum of three credit hours of courses taken by prior permission of the University of Regina at an out-of-country post-secondary institution, or
 - Other international experiences will be considered on a case-by-case basis.
- Distinction:** For degrees (except Honours), a minimum graduating program GPA of 80.00%.
- Great Distinction:** For degrees (except Honours), a minimum graduating program GPA of 85.00%.
- High Honours:** For the BA Honours, a minimum Honours major GPA of 85.00%

Other Faculty Regulations

Awarding of Concurrent and Additional Degrees

Refer to the [Graduation section](#) in this Calendar.

Deferral of Final Examination and/or Course Work

Students who are unable to complete a course for serious medical or personal reasons may be eligible to defer some of the course work. Students in this situation should consult the Centre de services aux étudiants or Registrar's Office of the relevant Federated College, as quickly as possible.

Extensions on deadlines for completion of assignments or writing of final examinations may be granted to students on the basis of illness, accident, or other extreme and legitimate circumstances beyond their control. If students become very ill or encounter other serious difficulties early in the term or when no course work has yet been completed, withdrawal may be a better option. Refer to the Academic Regulations section.

Majors and Minors

Major: (36-45 credit hours)

Students of La Cité can choose to do two majors. A double major is permitted provided that students meet the course requirements for each program. Students must consult with the Associate Deans or Department Heads in both disciplines.

Minor (optional): (18 - 24 credit hours)

Students of La Cité can declare up to two minors. For detailed information on the minor requirements, please refer to the faculty and/or department offering that minor.

Courses

Failed Courses

If students fails a course that is a prerequisite to one in which they have enrolled in the ensuing term, it is their responsibility to drop the latter course. Whether or not they drop, they will be refused credit for the latter course, even if it is successfully completed.

Elective Courses

The following courses are not considered to be university-level and so may not be taken for credit towards a La Cité degree or certificate program: AE 19 and 29; CHEM 100; AMTH 091 and 092.

Students will receive elective credit for ACAD 100 toward any Cité program if it is completed prior to the successful completion of ENGL 100, or with permission of the Dean, or designate, if taken afterward. A maximum of 6 credit hours of activity-based KHS courses may be included in a Cité degree, diploma or certificate program. These courses include KHS 131, 132, 135, 231, 232, 233.

Repeating Courses

Normally students may only repeat a course once (the exception is English 100 [ENGL 100], which may be repeated twice).

Students wishing to repeat a course more than once (or more than twice in the case of ENGL 100) must make [written application](#) to [Le](#)

[Centre de services aux étudiants](#) (or, for students registered through a Federated College, to their College's Academic or Registrar's Office). Such requests are approved only in exceptional circumstances.

Students must also obtain [Registration Permit/Override Permission](#) from the [Le Centre de services aux étudiants](#) or from their federated college to register online in a third (or fourth for ENGL 100) attempt at a course. Refer to the Class Registration and Withdrawal section.

For students with repeated courses, GPAs will be calculated using the most recent grade attained in that course. Refer to the Academic Regulations section in this Calendar.

Introductory Courses

A maximum of 48 credit hours may be taken in 100-level courses.

Faculty Appeal Procedures

Students seeking information about the Faculty's appeal procedures should consult the general regulations under Student Code of Conduct and Right to Appeal section in this Calendar or contact [Le Centre de services aux étudiants](#) of La Cité.

The Committee does not hear appeals of grades or placement on probation; consult the Reassessment of Grades section in this Calendar.

The decision of the Faculty with respect to admission and conditions for continuation is final.

Academic Programs

Bachelor of Arts (BA) in French and Francophone Intercultural Studies

The BA is a four-year, 120 credit hours degree consisting of a set of core requirements (designed to achieve breadth), one or two majors (to achieve depth), and electives (free choices). Minors are optional. Students are allowed to count a maximum of 48 credit hours of introductory level courses towards their program.

The French Major requires 39 credit hours (13 courses), with at least 15 credit hours at the 300- or 400-level. Combined majors have a minimum of 60 credit hours (20 courses).

Note: FRN 100, 101, 110, and 200 do not count towards a French major or minor, but each receives degree program credit.

Students given advanced standing in French, based on the French pre-registration assessment, may be exempted from taking the language courses below the standing they are granted. The course(s) from which a student is exempted will be determined by the Department of French and Francophone Intercultural Studies. However, students will generally be required to take further courses at levels equivalent to the language courses from which they are exempted to obtain the same total number of credits.

BA Honours (BA Hons) in French and Francophone Intercultural Studies

Requirements

The BA Honours program consists of a minimum of 120 credit hours and must include the following:

- all of the BA core requirements;
- a requirement of 48 credit hours in the major as determined by the Department of French and Francophone Intercultural Studies (Students should check the calendar entry of the department concerned for specific requirements.); and
- an honours paper (FRN 499 Dissertation spécialisée).

Special Regulations for Honours Programs

Students who fail more than 9 credit hours after their first academic year (i.e., after the first 30 credit hours attempted) are not eligible to enter or complete an Honours program. If there are extenuating circumstances, they may appeal to La Cité to have this regulation waived. If the Committee grants the appeal, the student must still comply with all other regulations governing admission and graduation and will be allowed no further failed courses.

Students given advanced standing in French, based on the French pre-registration assessment, may be exempted from up to nine of the required 48 credit hours, according to the standing they are granted. The course(s) from which a student is exempted will be determined by the Department of French and Francophone Intercultural Studies. However, students will generally be required to take further courses at levels equivalent to the language courses from which they are exempted.

Honours students shall maintain an average of 75.00% in their major courses.

Individual Major

If concentration in one subject area does not completely fulfill the pursuit of a specific goal, students have the option of pursuing an individualized interdisciplinary major. Students have the flexibility to create a major involving course from several different subject areas which share a common theme. Individual majors have been pursued in topics such as Canadian studies, cognitive science, development studies, and social sciences.

Students who want to pursue the interdisciplinary study of a different particular theme should consult the [Centre de services aux étudiants](#) (or, for students registered in a Federated College, their College's Academic or Registrar's Office) for information about individual majors.

Integrated Pathway in French and Francophone Intercultural Studies and Law – Bachelor of Arts (BA) and Juris Doctor (JD)

In partnership with the Programme de Common law en français (PCLF) at the University of Ottawa, La Cité offers an Integrated Pathway allowing students to earn a BA in FFIS and a JD in six years of study. In the first three years, students complete 90 credit hours in FFIS at the University of Regina, including all of the Major requirements and the Arts Core requirements. In the final three years, students complete 95 credits in the PCLF at the University of Ottawa. After having successfully completed the first year of Law at the University of Ottawa, students in the Integrated Pathway are eligible to graduate with a BA in FFIS. Upon successfully completing three years of study in the PCLF, students in the Integrated Pathway receive the JD from the University of Ottawa.

Admission requirements

Students must first meet La Cité’s admission requirements as outlined in the Admissions section of the Calendar. Following admission to the FFIS Program, students may apply to the Integrated Pathway by contacting the Associate Dean of La Cité prior to April 1 of their first year of study. To be admitted into the Integrated Pathway, students must have obtained an average of 85.00% or more in their six highest 30 level (Grade 12) high school courses; must have completed 30 credit hours in the FFIS program and must have a CGPA of 80.00% or more in their post-secondary studies.

Language requirements

Students in the Integrated Pathway must take a minimum of 45 credits in French over the course of their three years in the FFIS Program. The University of Ottawa may, at its discretion, require that a student who has completed the first three years of the Integrated Pathway pass a French-language competence test before admitting the student into the PCLF Program.

Certificate in French as a Second Language

This intensive program leads to the Certificate in French as a Second Language. Students must take nine prescribed courses (a total of 30 credit hours) in French over two consecutive terms. To be granted the Certificate, students must have a PGPA of 60.00%. Students achieving a PGPA of 80.00% or more will receive the mention "with Distinction" on their transcripts.

Conditions d'admission / Admission requirements

Students must take two mandatory placement tests. They must place at the FRN 101 level and reach the "Intermediate Low" level on the TCOF ([Test de compétence orale en français](#)) and/or obtain the permission of the Department head. Students will typically meet these requirements with the completion of Grade 12 Core French or FRN 101.

Minimum enrolment is required for the Certificate program to be offered. See description of FRLS courses in UR Self-Service or the Courses section in this Calendar.

La Cité Co-operative Education Program

La Cité's co-op program provides a unique opportunity for students to develop their French language skills and gain experience in the labour market while completing their university degree.

Students who enrol in the co-op program significantly increase their chances of getting a job upon completion of their university studies. Enrolled students have special access to a job bank (PlacePro) and the support of professionals in preparing an application. Jobs may be in Saskatchewan or elsewhere in Canada.

Terms and conditions

Students enrolled in La Cité's Co-op program are required to:

- Take part in a Francophone (or bilingual) work environment for three periods of four months each;
- Alternate between a term of university classes and a term of work placement;
- End their program with an academic term;
- Take job search preparation workshops.

La Cité students have flexibility with respect to the sequence of work placements and university classes. It is possible to request a double placement period, i.e., eight consecutive months in a work environment. Students can take advantage of up to two consecutive workplace periods during the spring/summer term. The program also allows for participation in a fourth work placement period on an optional basis.

The following is one possible sequence of university classes and work placement:

Fall 1	Winter 2	Spring/ Summer	Fall 3	Winter 4	Spring/ Summer
Classes	Classes	Work Placement	Classes	Classes	Work placement
Fall 5	Winter	Spring/Summer 6	Fall	Winter 7	Spring/ Summer 8
Classes	Work Placement	Classes	Work Placement (optional)	Classes	Classes

Eligibility criteria

The student must:

- Have a program (GPA) of at least 67.5%;
- Be enrolled in a minor in Francophone and Intercultural Studies or a major in Francophone and Intercultural Studies;
- Have reached the language level requirement for French 200;
- Have of a minimum of 30 and a maximum of 84 credit hours in an acceptable degree program as noted above (2). Student may apply in the term in which they will complete 30 credits hours;
- Have completed at least two courses in their major or one in their minor;
- Be a full-time registered student.

The Co-op program is not intended for students enrolled in the French as a Second Language Certificate Program, nor for part-time students.

To register, complete the form provided on La Cité's website and submit it to the e-mail address indicated on the form. Registration fees are payable for each work placement. The University of Regina is accredited by the Canadian Association for Co-operative Education (CAFCE).

Assistantships and Exchanges

Assistantships in France

The Ministère de l'éducation nationale in France employs post-secondary students in one-year posts as English language assistants in schools. Duties consist of up to 12 hours per week of conversation or language laboratory work. La Cité encourages senior students wishing to perfect their French and to acquaint themselves with French life and culture to apply for these posts.

Study in Quebec or Abroad

Students (normally those entering their third year of study at the University of Regina) may apply to study for one term or one year in a Francophone post-secondary institution. Students studying in Quebec or abroad must have their courses approved in advance to ensure that they are eligible for transfer credit. Students planning to undertake study in Quebec or abroad should contact the Centre de services aux étudiants about scholarships for which they may apply.

French Course Selection

Placement in French courses is usually based on a pre-registration assessment which can be done online at:

<https://lacite.uregina.ca/en/uni/services/tests>.

Students who have never studied French may register in FRN100 without doing the assessment. However, ALL students with any background in French (including elementary school, high school, immersion, living or studying in a French speaking environment) registering in their first course at the university MUST take the mandatory assessment. Students who have a background in core French would normally begin their studies at the 100 level (100, 101, etc.). Students with Grade 12 French immersion would normally begin their studies at the 200- or 300-level (201, 300, and 301).

Students who have already received credit for a French course at the University of Regina may take or repeat a course at a lower level only with permission of La Cité. Permission to take or repeat a course at a lower level will normally be granted only in cases where the higher-level course has not been completed in the previous 5-year period.

Note: FRN 100, 101, 110, and 200 do not count towards a French major, but each receives degree program credit, and can count towards a minor in French as a Second Language.

Non-Credited Courses

To obtain a certificate of participation in non-credit courses at La Cité, the participant must attend at least 70% of the courses. A minimum number of registrations must be reached before these courses are offered. To know more about courses in this program, please see: <https://lacite.uregina.ca/en/centrefr>.

Mission

La Cité universitaire francophone a pour mission de répondre aux besoins éducatifs universitaires des francophones de la Saskatchewan quelle que soit leur langue première. La Cité participe activement au développement culturel, linguistique et professionnel de la communauté francophone en offrant des cours et programmes crédités et non crédités.

En ce sens, La Cité initie, encourage, développe et soutient la recherche et la diffusion des travaux scientifiques en français sur les enjeux propres à la francophonie en milieu minoritaire. La Cité cultive un milieu de vie et un environnement francophone accessible et stimulant sur le campus de l'Université de Regina.

Admission, ré-admission et transfert

Veillez consulter les politiques de l'Université ayant trait à l'admission, la réadmission et le transfert (Undergraduate Admissions section dans ce Calendrier).

Cours Obsolètes

Tout étudiant, admis ou réadmis à La Cité et ayant terminé des cours de son éventuelle majeure il y a plus de dix (10) ans, peut avoir à remettre ses connaissances à jour en reprenant des cours ou en prenant des cours supplémentaires pour sa majeure. Tout cours réussi

qui doit être repris en vertu de ce règlement peut compter comme crédit facultatif.

Placement et transfert dans des cours de langue française

Après avoir fait l'évaluation linguistique de La Cité, l'étudiant sera dirigé vers un cours correspondant à son niveau. Aux fins d'apprentissage et de réussite, et puisque les évaluations ne reflètent pas toujours les capacités, La Cité pourrait rediriger un étudiant vers un cours de niveau supérieur ou inférieur. Il est possible d'obtenir une équivalence ou un transfert de crédits pour certains cours ou programmes, mais aucune équivalence et aucun transfert ne seront accordés pour l'atteinte de la compétence en français. Les étudiants placés à un niveau supérieur aux cours de français offerts (par ex., FRN 301) devront s'inscrire à un nombre équivalent de cours FRN pour répondre aux exigences de leur programme. Aucun cours offert à La Cité ne peut faire l'objet d'une revendication de crédits.

Exigence minimale de résidence

Pour tous les programmes, les étudiants doivent obtenir au moins la moitié de leurs crédits à l'Université de Regina. Dans certains cas, les étudiants devront peut-être obtenir plus que le nombre minimal d'heures-crédits à l'Université de Regina.

Les étudiants inscrits au BA/BEEd en collaboration avec le Baccalauréat en éducation française doivent normalement faire au moins la moitié de la partie BA de leur programme, ainsi que la moitié des cours FRN requis, à l'Université de Regina. Les étudiants inscrits dans les programmes de La Cité peuvent suivre des cours dans d'autres établissements postsecondaires en obtenant la permission à l'avance.

Orientation universitaire et inscription

Les services d'orientation académique offerts au Centre de services aux étudiants sont conçus pour aider l'étudiant à comprendre ses options universitaires ainsi que les exigences des programmes, donner un aperçu des services offerts et mettre l'accent sur les possibilités existant en français sur le campus et dans la communauté francophone. On encourage tout étudiant qui s'inscrit à La Cité de fixer une rencontre d'orientation académique dès qu'il reçoit sa lettre d'admission ou de transfert en appelant le Centre de services aux étudiants au 306-585-4828 ou en adressant un courriel à cite@uregina.ca. Il est préférable d'avoir une séance d'orientation avant de s'inscrire à la première session et il est bon de consulter un conseiller au moins une fois par an, ou plus souvent (chaque session) si on le souhaite.

Le Centre de services aux étudiants fournira sur demande un document détaillé des cours que l'étudiant doit suivre pour obtenir une majeure en français. Ce dernier peut accéder aux formulaires de profil du programme et les imprimer. D'autres renseignements sur les programmes universitaires et l'inscription sont aussi disponibles sous la rubrique <https://lacite.uregina.ca/fr/uni/programmes>.

D'autres renseignements généraux sur les services offerts en français au Centre de services aux étudiants sont disponibles à :

<https://lacite.uregina.ca/fr/uni/services>.

L'étudiant doit respecter toutes les responsabilités de l'étudiant (« Student Code of Conduct ») décrites dans l'Academic Regulations section de ce Calendrier.

Évaluation de la performance universitaire

Tableau d'honneur du Doyen

Le Tableau d'honneur du doyen est établi pour chaque session. Il comporte deux sections : l'une pour les étudiants à temps plein et l'autre pour les étudiants à temps partiel.

Pour être inclus dans la liste à temps plein, l'étudiant doit avoir terminé au moins 12 heures-crédits de cours de l'Université de Regina notés numériquement pendant la session en cours et obtenu une MPC d'au moins 85.00% au cours de cette session.

L'étudiant est inclus dans la liste à temps partiel, s'il a suivi au moins 3 mais moins de 12 heures-crédits dans des cours de l'Université de Regina notés numériquement pendant la session en cours, et obtenu, depuis la dernière session où il a figuré au Tableau d'honneur du doyen (ou, si l'étudiant n'a jamais figuré sur le Tableau d'honneur du doyen, depuis son admission à l'Université de Regina), une MPC d'au moins 85.00% à travers toutes les sessions les plus récentes dont il a besoin pour terminer un minimum de 12 heures-crédits dans des cours de l'Université de Regina notés numériquement.

L'inclusion au Tableau d'honneur du doyen apparaîtra également sur le relevé de notes officiel de l'étudiant.

Exigences pour l'obtention d'une mention

Mention bilingue : au minimum 40% et au maximum 60% des cours comptant pour le diplôme ont été suivis en français, y compris trois cours dans des départements autres que le Département de français (mais doivent être des cours des Facultés des beaux-arts, des arts ou des sciences).

Désignation internationale : avoir terminé au moins une des expériences internationales suivantes :

- une période de travail (travail-études), d'internat ou de stage pratique pendant une session ou plus, ou
- un cours de l'Université de Regina de trois heures crédits ou plus, (ou un cours suivi sur lettre d'autorisation dans une autre institution postsecondaire canadienne) qui comporte au moins deux semaines passées à l'extérieur du pays (si le cours comprend moins de deux semaines d'expérience à l'extérieur du pays, l'étudiant doit obtenir l'approbation du doyen ou de son représentant désigné pour obtenir la désignation internationale); ou participer à un programme d'échange international donnant trois heures-crédits ou plus, ou
- un minimum de trois heures-crédits dans des cours suivis sur autorisation préalable de l'Université de Regina dans une institution postsecondaire à l'extérieur du pays.
- D'autres expériences internationales seront prises en considération au cas par cas.

Distinction : pour les diplômes (sauf Honours/Spécialisation), une MPC minimum de 80% dans le programme du diplôme.

Grande distinction : pour les diplômes (sauf Honours/Spécialisation) une MPC minimum de 85.00% dans le programme du diplôme.

Haute distinction : pour le BA Honours/Spécialisation une MPC minimum de 85.00% dans la majeure Honours/Spécialisation.

Autres Règlements de la Faculté

Octroi de diplômes parallèles et supplémentaires

Voir la section « Graduation » de ce Calendrier.

Report de l'examen final et/ou des travaux de la session

Un étudiant qui, pour des raisons médicales ou personnelles sérieuses, ne peut pas terminer un cours pourrait recevoir la permission de reporter la remise de travaux. Un étudiant se trouvant dans cette situation doit prévenir le Centre de services aux étudiants, ou bien le bureau académique ou le bureau du registraire du Collège fédéré pertinent, aussi rapidement que possible.

La prolongation de délais de remise de travaux ou un report du passage d'un examen final peut être accordé à l'étudiant si une maladie, un accident ou d'autres circonstances extrêmes et légitimes indépendantes de sa volonté en sont à l'origine. Si l'étudiant tombe gravement malade ou rencontre d'autres difficultés sérieuses tôt pendant la session ou avant que des travaux n'aient été rendus, le retrait est peut-être une meilleure option. Voir la section « Academic Regulations ».

Majeure et Mineure

Majeure : (36-45 heures-crédits)

Un étudiant à La Cité peut choisir de faire deux majeures. Il est permis de faire une double majeure si l'étudiant satisfait aux exigences de chaque programme. L'étudiant doit rencontrer les doyens associés ou les chefs de département de chaque discipline.

Mineure (facultatif) : (18 - 24 heures-crédits)

Un étudiant à La Cité peut entreprendre deux mineures. Pour en savoir plus sur les exigences d'une mineure, veuillez consulter la faculté et/ou le département qui l'offre.

Cours

Échec à des cours

Si un étudiant échoue à un cours qui est un préalable à un autre auquel il s'est inscrit pour la session suivante, il est responsable d'abandonner ce dernier. Qu'il l'abandonne ou non, les crédits pour celui-ci lui seront refusés même s'il le réussit.

Cours à option (Electives)

Les cours suivants ne sont pas considérés comme cours de niveau universitaire et ne peuvent donc pas être suivis pour obtenir des crédits au sein d'un programme de diplôme ou de certificat de La Cité : AE 19 et 29; CHEM 100; AMTH 091 et 092.

Un étudiant obtiendra un crédit libre pour ACAD 100 qui peut compter pour tout programme de La Cité s'il termine ce cours avant de suivre

avec succès ENGL 100, ou s'il le suit après avec l'autorisation du Doyen ou de son représentant désigné. Un maximum de 6 heures- crédits provenant de cours KHS fondés sur des activités peut compter pour un programme de diplôme ou de certificat. Ces cours comprennent KHS 131, 132, 135, 231, 232, 233.

Cours Repris

Normalement, un étudiant peut reprendre un cours une fois seulement (à l'exception de English 100 [ENGL 100] qu'on peut reprendre deux fois).

Un étudiant qui souhaite reprendre un cours plus d'une fois (ou, dans le cas de English 100, plus de deux fois) doit en faire la demande par écrit au Centre de services aux étudiants (ou dans le cas d'un étudiant inscrit à un Collège fédéré, auprès du bureau académique ou du bureau du registraire). De telles requêtes ne sont approuvées que dans des circonstances exceptionnelles.

L'étudiant doit également obtenir l'autorisation (Registration Permit/Override Permission) au bureau des services aux étudiants ou de son collège pour s'inscrire en ligne pour une troisième tentative (ou quatrième dans le cas de ENGL 100). Voir Class Registration and Withdrawal.

Pour l'étudiant qui reprend un cours, la MPC sera calculée en se servant de la note la plus récente obtenue dans ce cours. Voir Academic Regulations.

Cours d'introduction

Un maximum de 48 crédits peut être obtenu dans des cours de niveau 100.

Procédure d'appel de la Faculté

Tout étudiant cherchant des renseignements sur les procédures d'appel de la Faculté doit consulter les règlements généraux sous la section « Student Code of Conduct and Right to Appeal » de ce Calendrier ou contacter le Centre de services aux étudiants de La Cité.

Le Comité n'entend pas les appels ayant trait aux notes ou au placement probatoire; consultez la section Réévaluation des notes (Ressement of Grades) de ce calendrier.

La décision de la Faculté en ce qui concerne l'admission et les conditions pour la continuation des études est finale.

Programmes Académiques

Baccalauréat ès arts (BA) – Majeure en français et en études interculturelles francophones

Le BA est un diplôme qui s'étale sur 4 ans et comporte 120 heures-crédits. Il compte des exigences fondamentales (diversité), une ou deux majeures (portée) et des choix libres. Les mineures sont facultatives. Un étudiant peut inclure dans son programme un maximum de 48 heures-crédits obtenus dans des cours d'introduction.

La majeure en français exige 39 heures-crédits (13 cours), dont au moins 15 heures-crédits aux niveaux 300 ou 400. Des majeures combinées comptent un minimum de 60 heures-crédits (20 cours).

Note : FRN 100, 101, 110, and 200 ne comptent pas pour l'obtention d'une majeure ou mineure en français, mais chacun donne des crédits pour le programme de diplôme.

Un étudiant qui reçoit une équivalence en français à la suite de l'évaluation préalable à l'inscription peut recevoir une exemption pour les cours au-dessous du niveau indiqué par l'évaluation. Le Programme d'études francophones et interculturelles identifiera les cours dont l'étudiant est exempté. Toutefois, les étudiants devront normalement prendre d'autres cours de niveaux équivalents aux cours de langue dont ils sont exemptés pour obtenir le même nombre de crédits au total.

Baccalauréat ès arts honours (Spécialisation) majeure en français et études interculturelles francophones

Exigences

Le programme Baccalauréat ès arts avec spécialisation (honours), majeure en français et études interculturelles francophones comporte un minimum de 120 heures créditées et doit inclure ce qui suit :

- Toutes les exigences de base du BA.
- Une exigence de 48 crédits dans la majeure tel que déterminé par le Département de français et d'études interculturelles francophones. L'étudiant devrait vérifier ce qui apparaît dans le calendrier du département concerné pour toute exigence particulière.
- Une dissertation spécialisée (FRN 499 Dissertation spécialisée). Règlements spéciaux pour les programmes de spécialisation

L'étudiant qui, après sa première année universitaire, a échoué à plus de 9 crédits (i.e., après une tentative d'obtenir les 30 premiers) n'est pas admissible à s'inscrire ou à suivre le programme de spécialisation. S'il existe des circonstances atténuantes, il peut faire appel auprès de La Cité pour que ce règlement soit levé. Si le Comité accepte l'appel, l'étudiant doit malgré tout se conformer à tous les autres règlements régissant l'inscription et la remise du diplôme, et il ne lui sera plus possible d'échouer à un cours.

120.0	Total : une MPCP de 70.00% & une MPCU de 60.00% sont exigées.

L'étudiant qui reçoit une équivalence en français s'appuyant sur l'évaluation préalable à l'inscription peut obtenir une exemption allant jusqu'à 9 des 48 heures-crédits, selon l'équivalence accordée. Le Département de français et d'études interculturelles francophones identifie le(s) cours pour lesquels l'étudiant bénéficiera d'une exemption. Toutefois, les étudiants devront normalement prendre d'autres cours de niveaux équivalents aux cours de langue dont ils sont exemptés.

Un étudiant qui se spécialise doit maintenir une moyenne de 75.00% dans les cours de sa majeure.

Majeure individualisée

Si la spécialisation dans un sujet ne répond pas complètement à la poursuite d'un objectif particulier, l'étudiant peut faire une majeure interdisciplinaire individualisée. Il peut alors créer une majeure avec des cours pris dans plusieurs disciplines mais qui ont un thème commun. Des majeures individualisées ont, par exemple, été effectuées en Études canadiennes, Science cognitive, Études du développement et Sciences sociales.

Un étudiant qui souhaite poursuivre une étude interdisciplinaire sur un thème particulier autre, doit consulter le Centre de services aux étudiants (ou, pour l'étudiant inscrit à un Collège fédéré, le bureau académique ou le bureau du registraire de son collège) pour en savoir plus au sujet des majeures individualisées.

Cheminement intégré en droit et études francophones et interculturelles -- Baccalauréat ès arts (BA) et Juris Doctor (JD)

En partenariat avec le Programme de Common law en français (PCLF) de l'Université d'Ottawa, La Cité offre le Cheminement intégré grâce auquel les étudiants, au terme de six ans d'études, obtiennent un BA en études francophones et interculturelles et un JD. Au cours des trois premières années, ils achèvent à l'Université de Regina 90 heures-crédits dont toutes les exigences de la majeure et les exigences de base du BA. Aux trois dernières années, alors inscrits au PCLF de l'Université d'Ottawa, ils devront achever 93 crédits et, une fois y avoir réussi la première année de droit, ils auront rempli les conditions les qualifiant à recevoir le diplôme BA. Au terme des trois années d'études au PCLF, les étudiants inscrits au Cheminement intégré se verront décerner le JD de l'Université d'Ottawa.

Conditions d'admission

Pour commencer, les postulants doivent satisfaire aux conditions d'admission de La Cité telles qu'elles sont énoncées dans la section Admissions du Calendrier. Une fois admis au Programme d'études francophones et interculturelles (PÉFI), les étudiants peuvent postuler au Cheminement intégré en se déclarant auprès du doyen associé de La Cité au plus tard le 1er avril de leur première année d'études. Pour être admis au Cheminement intégré, les postulants doivent justifier d'une moyenne d'au moins 85 % dans leurs 6 cours du secondaire de niveau 30 (12e année) les mieux notés, avoir achevé 30 heures-crédits au PÉFI et bénéficier d'une MPC d'au moins 80 % dans leurs études postsecondaires.

Exigences linguistiques

Les étudiants inscrits au Cheminement intégré doivent avoir acquis un minimum de 45 crédits en français au cours de leurs trois années d'études au PÉFI. L'Université d'Ottawa peut, à sa discrétion, exiger à ce que tout étudiant ayant terminé les trois premières années du Cheminement intégré subisse avec succès un examen de compétence linguistique en français, avant de l'admettre au PCLF.

Mineure bilingue en études africaines

La mineure bilingue en études africaines permet aux étudiants de se familiariser avec l'histoire, la culture, la politique et les réalités sociales du continent africain. Les étudiants développent leur compréhension des relations interculturelles, leur esprit critique et leurs compétences en communication en français et en anglais. Le programme comporte deux cours obligatoires et quatre cours au choix. Une option d'études à l'étranger en Afrique francophone est offerte tous les deux ans.

Exigences linguistiques

Les étudiants doivent obligatoirement réussir neuf crédits en français. Pour chaque cours, les exigences linguistiques peuvent être atteintes avec :

- des préalables comme FRN 200, 201, 300, ou 301, selon le cours;
- l'apprentissage du français dans un autre contexte (p. ex. programme d'immersion française de 12^e année, aisance comparable à la langue maternelle) et résultat à un test de placement conforme ou supérieur au niveau du préalable.

Certificat en français langue seconde

Ce programme intensif permet d'obtenir le Certificat en français langue seconde. Les étudiants doivent s'inscrire à 9 cours de français (pour un total de 30 crédits) pendant deux semestres consécutifs. Ces cours sont prescrits par le programme. Afin de recevoir le Certificat, les étudiants doivent obtenir une MCPP de 60.00%. Une MCPP de 80.00% ou plus pour l'ensemble des cours du Certificat donne droit à la mention «avec distinction».

Conditions d'admission

Les étudiants doivent passer deux tests de placement obligatoires. Ils doivent se placer au niveau FRN 101 et atteindre le niveau «Intermédiaire bas» au Test de compétence orale en français (TCOF) et/ou obtenir la permission du Chef du département. De façon générale, les étudiants pourront répondre à ces exigences après avoir complété le Français de base (Core French) de la douzième année ou FRN 101.

Un nombre minimum d'inscriptions régit l'offre de ce programme.

Programme co-op de La Cité

Le programme d'alternance travail-études de La Cité offre une occasion unique de renforcer ses compétences linguistiques en français, acquérir de l'expérience sur le marché du travail tout en terminant son diplôme universitaire.

Les étudiants qui s'inscrivent au programme co-op augmentent considérablement leur chance d'obtenir un emploi au terme de leurs études universitaires. Les étudiants inscrits ont un accès privilégié à une banque d'emplois (PlacePro) et à l'appui de professionnels dans la préparation d'une candidature. Les emplois peuvent être en Saskatchewan ou ailleurs au Canada.

Modalités

Les étudiants inscrits au programme co-op de La Cité doivent obligatoirement :

- participer à trois périodes en milieu de travail francophone (ou bilingue) d'une durée de quatre mois chacune,
- alterner entre un trimestre de cours universitaires et un trimestre de placement en milieu de travail,
- terminer leur programme par un semestre académique,
- suivre des ateliers de préparation à la recherche d'emploi. Les étudiants de La Cité ont la flexibilité dans la séquence des placements et des cours universitaires. Il est possible de demander une double-période de placement, soit huit mois consécutifs en milieu de travail. Les étudiants peuvent bénéficier d'un maximum de deux périodes consécutives en milieu de travail au cours du trimestre printemps/été. Le programme permet, de façon facultative, la participation à une quatrième période de placement en milieu de travail.

Voici une séquence possible entre les cours universitaires et le placement en milieu de travail :

Aut	Hiv	Printemps/Été	Aut	Hiv	Prin
1 Cours	2 Cours	Placement de travail	3 Cours	4 Cours	Placement de travail
Aut	Hiv	Printemps/Été	Aut	Hiv	Prin
5 Cours	Placement de travail	6 Cours	Placement de travail (optionnel)	7 Cours	8 Cours

Critères d'admission

L'étudiant :

- Doit avoir une moyenne (PGPA) de 67.5%;
- Doit être inscrit à la mineure ou la majeure en études francophones et interculturelles;
- Doit avoir atteint le niveau de compétences linguistiques du cours FRN-200;
- Doit avoir complété un minimum de 30 et un maximum de 84 crédits dans un des programmes ci-haut mentionnés (2). L'étudiant(e) peut s'inscrire lors du semestre où il complètera 30 crédits;
- Avoir complété au moins deux cours de leur majeure ou un cours de la mineure.
- Être un étudiant à temps plein.

Le programme co-op ne s'adresse pas aux étudiants inscrits dans le Certificat en français langue seconde ni aux étudiants à temps partiel.

Pour s'inscrire, il importe de remplir le formulaire disponible sur le site de La Cité et de l'acheminer à l'adresse électronique indiquée sur le formulaire. Des frais d'inscription sont requis pour chaque placement en milieu de travail. L'Université de Regina est accréditée par l'Association canadienne de l'enseignement coopératif (ACEC).

Assistanat et échanges

Assistanat en France

En France, le Ministère de l'éducation nationale emploie des étudiants du postsecondaire comme assistants de langue anglaise dans des écoles pour une période d'un an. Les tâches consistent à offrir chaque semaine jusqu'à 12 heures de conversation ou de laboratoire. La Cité encourage les étudiants avancés dans leurs études qui souhaitent perfectionner leur français et apprendre à connaître le mode de vie et la culture française, à faire demande pour un de ces postes.

Études à Québec ou à l'étranger

Un étudiant (normalement, un étudiant qui commence sa 3e année d'études à l'Université de Regina) peut faire une demande pour étudier pendant une session ou une année dans une institution postsecondaire francophone. L'étudiant qui poursuit ses études à Québec ou à l'étranger doit faire approuver ses cours à l'avance pour être sûr qu'ils seront reconnus lors du transfert de crédits. L'étudiant qui prévoit étudier au Québec ou à l'étranger devrait contacter le Centre de services aux étudiants au sujet des bourses auxquelles il peut être admissible.

Sélection des cours de français

Le placement dans des cours de français s'appuie en général sur une évaluation préalable à l'inscription qui se trouve en ligne à <https://lacite.uregina.ca/fr/uni/placement>.

L'étudiant qui n'a jamais étudié le français peut s'inscrire directement en FRN100 sans faire l'évaluation. Toutefois, TOUS les étudiants qui ont acquis des connaissances en français (que ce soit à l'école primaire, secondaire, dans le programme d'immersion, ou en vivant ou étudiant dans un milieu francophone) et qui s'inscrivent à leur premier cours universitaire de français DOIVENT passer cette évaluation obligatoire. L'étudiant qui a suivi le programme de français de base commencera, en général, au niveau 100 (100, 101, etc.). L'étudiant qui a terminé la 12e année du programme d'immersion commencera, en général, au niveau 200/300 (201, 300, 301).

Un étudiant qui a déjà obtenu un crédit pour un cours de français à l'Université de Regina peut SUIVRE OU REPRENDRE un cours à un niveau plus bas uniquement s'il a l'autorisation de La Cité. L'autorisation de suivre ou reprendre un cours de niveau plus bas ne sera normalement accordée que dans les cas où le cours de niveau plus élevé n'a pas été terminé au cours des cinq (5) dernières années.

Note : FRN 100, 101, 110, et 200 ne comptent pas pour l'obtention d'une majeure en français, mais chacun donne des crédits pour le programme de diplôme, et peuvent compter pour l'obtention d'une mineure en français langue seconde.

Cours non crédités

Pour obtenir une attestation de participation aux cours non crédités de La Cité, le participant doit assister à au moins 70% des cours. Un nombre minimum d'inscriptions doit être atteint avant que ces cours ne soient offerts. Pour en savoir plus sur les divers cours au programme, consultez : <https://lacite.uregina.ca/fr/centrefr>

Professional Pathways and Transfer Opportunities

Introduction

The University of Regina makes every effort to ensure that the information in this section is accurate; however, other institutions may make changes to their policies, regulations, or application deadlines without notice, or after the University of Regina Undergraduate Calendar has been published. In such cases, the University of Regina assumes no responsibility for the accuracy of the information in this section of the Calendar.

Students are urged to consult their faculty advisor for accurate information on admission, program requirements, and applicable deadlines and to consult the website or most recent calendar of the applicable institution. For admission requirements to programs offered by the University of Saskatchewan, students should consult the website:

<https://artsandscience.usask.ca/undergraduate/info/firstyear/professionalcollege.php>

The professional programs described in this section have limited intakes. Students who complete the qualifying requirements are not guaranteed admission. The following points are important:

- students are often not accepted on their first application to the professional college, faculty, or school;
- many professional programs look for much more than the minimum requirements;
- many professional programs look for students who have already completed a degree;
- many professional programs have selection criteria in addition to academic performance (e.g., interviews, entrance examinations).

The courses required for admission to the targeted program should be taken as part of studies towards a bachelor's degree offered by the University of Regina.

Students in high school who are considering one of these programs (except for Law) should take as many mathematics and science courses as possible.

Agriculture and Bioresources University of Saskatchewan

Dentistry, University of Saskatchewan

Doctor of Dental Medicine (DMD)

The College of Dentistry offers a fully accredited four-year Doctor of Dental Medicine program with a proud tradition of excellence in teaching and research. Innovative learning, research, and clinical experiences are provided for students during the academic year.

More information and full admission requirements can be found online at: <https://admissions.usask.ca/dentistry.php#About>.

University Prerequisite Courses for Dentistry

1. Completion of THREE (3) 30 credit-unit academic years of university level course work towards the requirements of an undergraduate degree. An academic year is defined as TWO standard academic terms consisting of eight (8) consecutive months (September – April).
2. A cumulative weighted average of 75.00% over the TWO best academic years of study.
3. Completion of 39 credit units of required pre-dentistry courses (or equivalents) with a minimum overall average of 70.00%.

Credit hours	Required pre-dentistry courses
3.0	BIOC 220
3.0	BIOC 221
3.0	BIOL 100
3.0	BIOL 101
3.0	CHEM 104

3.0	A course in Microbiology: BIOL 224, 302, or 310
6.0	Two courses from the Faculty of Arts or La Cité (humanities or social sciences)
39.0	Total

Required Grades and Averages

The overall pre-dentistry average and academic average will determine the applicant's eligibility for further admission consideration. All required pre-dentistry courses must be completed by the end of April the year in which admission is sought with an overall average of at least 70.00% to be eligible. Applicants who have not completed this requirement will not be considered.

Applicants may schedule their pre-dentistry courses as they wish (i.e., in the summer) provided a 30-credit hour course load is maintained per academic year.

In addition to completing the specified required pre-dentistry courses, students should choose a program and courses that will lead to an alternate career if dentistry is no longer a viable option.

It is recommended that applicants' program of studies be in the area of the natural sciences.

Other Admission Requirements and Selection Criteria

Applicants to the dentistry program must take the Dental Aptitude Test (DAT) administered by the Canadian Dental Association. Further information may be obtained from the Canadian Dental Association's website at www.cda-adc.ca/dat.

To apply as a Saskatchewan resident, applicants normally must have resided in Saskatchewan for at least four years immediately prior to September 1 of the year in which admission is being sought. Visit the College of Dentistry's website for more information.

Interviews are granted based on the academic record as of the deadline date for receipt of applications.

Selection is based on the applicant's academic record (that is, the two best full academic years), weighted 65%; the DAT, weighted 15%; and the interview, weighted 20%.

Additional Information and Application for Admissions

The College of Dentistry accepts online applications. For more information on applying to the College refer to the website: <https://admissions.usask.ca/dentistry.php#Applying>.

Law, University of Saskatchewan

Juris Doctor (JD)

The program requires three years of full-time study following admission to the College of Law (a part-time program is also offered). Applicants are required to have completed a minimum of two years (60 credit hours) of pre-law studies; however, a minimum of 24 credits in each of these two years will be accepted for GPA purposes. An applicant is still required to have completed 60 credits in order to apply.

High school prerequisites for Admission to University of Regina

See the Admissions section in this Calendar. Applicants to the University of Regina may request admission to any faculty to qualify for Law. Most applicants request admission to the Faculty of Arts (pre-Law).

University Prerequisite Courses for Law

There are no prerequisite courses. Humanities courses are recommended but not required for admission.

Required Grades and Averages

The required average for admission varies depending on the number of applications. Past experience indicates that applicants with an 80.00% CGPA and a score of 157 on the LSAT (see next section), or an equivalent combination of CGPA and LSAT score, will be competitive.

Other Admission Requirements and Selection Criteria

Applicants must write the Law School Admission Test (LSAT) no later than February of the year for which admission is sought. Applications to write the test must be submitted well in advance of (usually at least 4 weeks before) the test dates. The LSAT is offered at the University of Regina in October, December, and February; further information about test dates is available from the Registrar's Office.

Applicants must also compose and submit a personal statement of no more than 500 words, detailing special academic interests and achievements, work experience (including volunteer experience), special skills and personal attributes as well as any other significant life experiences (e.g. family, travel).

Admission to the College of Law is decided on a competitive basis considering the academic record, the LSAT score, and any special circumstances. A slight preference is given to students who are Saskatchewan residents or residents of the Yukon, Northwest Territories, Nunavut, Prince Edward Island, or Newfoundland.

Discretionary Applicants

Special consideration will be given to applicants whose educational opportunities have been hindered by circumstances such as cultural or economic disadvantage, physical impairment or learning disability, or significant interruption of the pursuit of post-secondary education. Applicants who wish to have such circumstances considered must attach a supporting statement with documentation and letters of reference. Refer to: <https://law.usask.ca/students/becoming-a-law-student/applying-to-law.php#Categoriesofapplicants>.

Indigenous Applicants

Some Indigenous applicants may be required to successfully complete the Indigenous Law Centre's Summer Program, held in the late spring and summer at the University of Saskatchewan, College of Law, to be admitted to the College of Law. For more information contact:

The application for admission is an online form available on the College of Medicine website. Deadline for applications is October 1 for the following fall.

Nutrition, University of Saskatchewan

Bachelor of Science in Nutrition BSc (Nutr)

The Bachelor of Science in Nutrition program involves an exciting and unique structure and a partnership with the Regina Qu'Appelle Health Region (RQHR) and Saskatoon Health Region (SHR). One year of pre-Nutrition studies is required, after which students may apply to enter the BSc (Nutr.). This program requires four years of full-time study following admission to the College of Pharmacy and Nutrition. Pre-Nutrition is a one-year (30 credit hour) program which may be completed at the University of Regina. On completion of a national examination, graduates qualify for professional registration and membership in the provincial and national association for dietitians/nutritionists (Dietitians of Canada).

University Prerequisite Courses for Nutrition

Credit hours	Pre-Nutrition
3.0	BIOL 100
3.0	BIOL 101
3.0	CHEM 104
3.0	CHEM 140
3.0	ENGL 100 and ENGL 110
3.0	or FR 201 and FR 202
6.0	Two from: PSYC 101, 102, SOC 100, or SOC 200-level
6.0	Two Open electives
30.0	Total
Note: The requirement for "English" must include English Literature and Composition. A general academic writing course is not sufficient.	

Applicants must have completed at least 30 credit units of course work at the university level before April 30 in the year in which they wish to be considered for admission. Applicants may be admitted with a deficiency in up to 6 credit units of electives except for BIOL, CHEM, PSY and ENG courses; these applicants may be considered only if they have completed 30 credit units and the courses they have taken instead of the electives are included in the first year of the Nutrition program. Any deficiency must be made up prior to entry into the second year of the BSc (Nutr.) program.

Required Grades and Averages

Students must have a minimum CGPA of 70.00% to apply.

Other Admission Requirements and Selection criteria

Applicants for Nutrition are selected on a competitive basis in which overall performance, including academic performance and other factors, is considered. Assessment of academic performance uses an *Admission Average* based on the 30 credit units of required subjects [weighted as 40% of the overall average] and the cumulative average obtained at the university level [weighted as 60% of the overall admission average]. Assessment of other factors includes a *Test of Critical Skills* and a *Personal Interview*. Each eligible applicant (i.e. meeting all requirements), for whom all required information has been received, is assigned an Admission Score calculated from the academic and non-academic data combined. Applicants for each program are divided into two groups [Saskatchewan residents and non-residents] determined by their permanent home location and their Admission Scores are ranked. Candidates are then offered a seat

in the program, until the respective admission quotas for each program are met.

In the final selection of applicants, the College chooses those who not only demonstrate academic potential, but who most aptly display a motivation for and understanding of a career in pharmacy or nutrition/dietetics. Successful candidates must also demonstrate that they possess the critical qualities and skills most valuable to be an effective professional, including the ability to read, write, and think critically. Reference letters and other items such as award letters are not used in the selection process and should not be sent in support of the application. Supplementary documents are used only if specifically requested by the College.

Occupational Therapy, University of Alberta

Master of Science in Occupational Therapy (MSc OT)

The University of Alberta MSc OT program is designed to address practice and theoretical issues within a broad range of settings. It is a year-round, full-time program and can be completed within 26 months of study in either Edmonton or Calgary.

MSc course-based – The deadline for receipt of applications is Jan 31 for September admission. Minimum requirements include:

- A four-year baccalaureate degree or its academic equivalent from an academic institution recognized by the University of Alberta.
- 3.0 GPA on a 4.0 scale (approx. 75.00%) on the most recent 60 credit hours of full-time study (or equivalent).
- Completion of STAT 160 and KIN 260.
- The degree requirements must be completed, and grades must appear on a transcript by June 30 of the admission year.

Other Requirements

A curriculum vitae/résumé provided in a pre-set format or your own personal format, including two letters of reference, and a personal statement letter describing knowledge of occupational therapy.

For complete admissions criteria, applicants should consult the Application Requirements webpage:

<https://rehabilitation.ualberta.ca/departments/occupational-therapy/msc-in-occupational-therapy/application-requirements>.

Grades and Averages

Applicants must normally have a CGPA of at least 78.00% to be considered.

Other Admission Requirements and Assessment

Applicants are initially ranked according to their pre-professional composite GPA which is made up of the required courses plus electives

for a total of 60 credit hours. Applicants who have completed 30 credit hours over two consecutive terms are ranked above those who have taken fewer than 30 credit hours. All aspects of a student's record, including failures and withdrawals, are considered by the Admissions Committee. Students who have received a failing grade in any post-secondary course or courses may submit a letter to the Admissions Committee explaining circumstances which contributed to an unsatisfactory standing.

Application Deadline

Applications for fall admission must be received by the University of Alberta by January 31 and the required documents by June 30 of the year in which admission is sought.

Optometry, University of Waterloo

Doctor of Optometry (OD)

A minimum three years of pre-Optometry studies in the Faculty of Science are required to be eligible to apply; these may be completed at the University of Regina. This program requires four years of full-time study after admission to the School of Optometry, University of Waterloo.

University Prerequisite Courses for Pre-Optometry

Students should pursue a course of study leading to a BSc degree in the Faculty of Science since competition for spaces in the School of Optometry is considerable. A minimum of three years of study towards a BSc program is required. Prerequisite courses are as follows.

Pre-Optometry (University of Waterloo): Required Prerequisites (1 term = 4 months)	University of Regina Courses
General Biology (with lab) 2 terms	BIOL 100 and BIOL 101
General Chemistry (with lab) 1 term	CHEM 104
Physics (with lab) 2 terms	PHYS 109 and 119 or PHYS 111 and 112
Calculus 1 term	MATH 110
Introductory Psychology 1 term	PSYC 101 or 102
English/Writing 1 term	ENGL 100
Physiology (Human or Mammalian) 2 terms	KIN 267 and KIN 268
Biochemistry 1 term	BIOC 220
Introductory Ethics 1 term	PHIL 270, 272, 273, 276, or 277
Microbiology 1 term	BIOL 220
Organic Chemistry 1 term	CHEM 140
Statistics 1 term	STAT 100 or 160

Required Grades and Averages

The average of all courses that students have taken in BSc studies are included in the overall average calculation. The average is not limited to the prerequisites. Students' average must be at least 75.00%. In recent years, the actual averages of students that have been accepted into the program have ranged from 79.00% to 92.00%.

Other Admission Requirements

Admission to the School of Optometry is restricted to Canadian citizens and permanent residents of at least 12 months' standing. In special circumstances a limited number of international students may be admitted.

All applicants must write the Optometry Admissions Test (OAT) within the two years before application to the School. The OAT is a standardized test administered by the Association of Schools and Colleges of Optometry. It is based upon having completed one year of University Science and organic chemistry. All inquiries regarding the OAT, as well as online applications can be made at: <https://optometriceducation.org/>

Additional Information and Applications

All applicants have an equal chance at one of 90 first-year placements.

In July, interested students should check the School of Optometry, University of Waterloo website <https://uwaterloo.ca/optometry-vision-science/future-optometry-students> for the online application and to obtain information on the procedures for admission.

Pharmacy, University of Saskatchewan

Doctor of Pharmacy (PharmD)

Students are encouraged to review the [University of Saskatchewan](https://www.usask.ca) website for updates.

This program requires four years of full-time study after admission to the College of Pharmacy and Nutrition at the University of Saskatchewan. Qualifying studies, consisting of at least 60 credit hours of university courses, may be completed at the University of Regina.

University Prerequisite Courses for Pharmacy

Applicants must have completed at least 60 credit hours of pre-pharmacy courses, including the following or their equivalent:

Credit hours	Pre-Pharmacy (U of S)
3.0	BIOL 100
3.0	BIOL 101
3.0	CHEM 102 or 104
3.0	CHEM 140 or 240
3.0	CHEM 241
6.0	ENGL 100 and 110* or FR 201 and 202
3.0	BIOC 220
3.0	BIOC 221 or 320
6.0	BIOL 110 and 111 or KIN 267 and 268 or KIN261 and 262
3.0	MATH 110 or MATH 103 (if grade higher than 60%)
3.0	STAT 160 or STAT 100 and 200
3.0	BIOL 220 or 222 or 224 or 302 or 310
3.0	KIN 275 or KHS 470
6.0	Two electives from PSYC, SOC, INDG, or PHIL
9.0	Three Open Electives
60.0	Total

Note: The requirement for "English" must include English Literature and Composition. A general academic writing course is not sufficient.

Applicants must have completed 60 credit hours (or equivalent) by April 30 of the year admission is desired.

The coursework must include 24 credit hours taken in at least one academic year (September to April).

Prerequisite courses completed more than 10 years ago are not normally considered for credit as part of the admission application and will need to be repeated. As each situation is unique, students can request a review by contacting the [College of Pharmacy and Nutrition](https://www.usask.ca) directly.

Required Grades and Averages

Students must have a minimum CGPA of 70.00% to apply. The Pharmacy program is highly competitive so most admits have averages above 75.00%.

Admission Requirements and Selection Criteria

Acceptance is based on the following:

- academic requirements;
- test of critical skills; and
- a personal video interview.

Admission Categories

Currently, up to 90 candidates are admitted; up to 14 may be non-residents of Saskatchewan (including both out-of-province and international students). A maximum of four Saskatchewan resident spaces are reserved for Saskatchewan Aboriginal students who self-declare and provide proof of their Aboriginal ancestry. One Saskatchewan student may be admitted under special circumstances or for compassionate reasons.

Application Deadline

Applications open in early November. Deadline to apply is March 15.

Physical Therapy, University of Saskatchewan

Master of Physical Therapy (MPT)

Students entering the MPT program will be engaged in academic activities for 11 of 12 months of the year, for 2 years and 6 weeks. The curriculum is made up of 10 modules of varying lengths. It differs from most university programs which provide courses in two regular terms (Sept. to Dec., Jan. to April). The MPT program at the U of S provides opportunities for each student to participate in a major project, clinical education, case integration courses, and integrated evaluation.

The program has been designed to offer students a high-quality educational experience that is consistent with national accreditation standards. Students will graduate with the entry-level clinical requirements to obtain a license to practice physiotherapy in Saskatchewan and Canada. Initial work expectations of graduates will be primarily the provision of direct client care rather than advanced research and/or management.

The prerequisites for the Master of Physical Therapy are:

- Applicants must hold a 4-year baccalaureate (in any discipline) from a college or university of acceptable standing.
- Applicants must satisfy residency qualifications. See www.medicine.usask.ca/pt/admission/residency-requirements/

- Minimum 75% average normally calculated using the most recent minimum 60 credit hours of university course work.
- Additional prerequisites are:
 - Human Physiology (KIN 267 and 268)
 - Human Anatomy (KIN 260)
 - Statistics (STAT 100 and 200 [together only] or STAT 160)

Required Grades and Averages

The minimum admission average that will be accepted is 70.00%. The admission average is a weighted average calculated using a minimum of 60 credit units of study. The most recent credit units at the time of application are used. For the purpose of calculating the admission average, all courses in a given term will be used.

Selection Criteria and Other Admission Requirements

Meeting the admission requirements does not guarantee admission to the School of Physical Therapy as each year there are more applicants than available positions.

Selection for admission is based upon academic performance (i.e. admission average) and interview performance. The minimum admission average that will be accepted is 70.00%. The admission average is a weighted average calculated using a minimum of 60 credit units. The most recent credit units at the time of application are used (up to and including term 1 if currently studying).

For the purpose of calculating the admission average, all courses in a given term will be used. Applicants are ranked according to their admission average and the top 100 applicants are granted interviews. When computing applicants' total admission scores, the admission average is weighted 60% and the interview score is weighted 40%.

From the 100 applicants interviewed, 40 will be offered admission (34 top ranked applicants from the general pool and 6 top ranked applicants from the education equity pool).

For more information on complete Application Procedures, please visit the University of Saskatchewan website:

<https://rehabscience.usask.ca/mpt-admission.php#1Preapplicationchecklistandrequirement>

Special Admission Categories

Education Equity Program – The purpose of this program is to encourage enrolment by applicants of Indigenous ancestry. The program is open to all Canadian citizens regardless of Saskatchewan residency status.

Each year, six positions for admission to the Master of Physical Therapy program are designated for applicants of Canadian Indigenous descent who meet admission requirements. To be considered for the Education Equity Program for Indigenous students, applicants of First Nations, Métis, or Inuit ancestry must indicate this status when completing the School of Physical Therapy. Proof of Indigenous ancestry is required. Self-identification of Indigenous ancestry does not exclude applicants from being considered in the general applicant pool.

Additional Information and Application Forms

Students must first complete the online MPT application form available on the School of Rehabilitation Science website to ensure

that they meet admission requirements before applying through the College of Graduate Studies and Research.

For further information, students should consult the Academic Program Assistant at the School of Rehabilitation Science:

Academic Program Assistant

Tel: 306-966-6579; Fax: 306-966-6575
Website: <https://rehabscience.usask.ca/programs/MPTprogram.php>

Application Procedures and Deadline

The deadline for receipt of applications and all supporting documents is December 15 each year.

Students must first complete the online MPT application form available on the [School of Rehabilitation Science](https://rehabscience.usask.ca) website to ensure that they meet residency and admission requirements before applying through the College of Graduate Studies and Research. A *non-refundable* application fee of \$90.00 is required as part of the College of Graduate Studies and Research application.

Please Note: Reference letters normally required for a Graduate Studies application *are not required* for the MPT and will not be accepted as part of the applicant's file. Any applicant who may require disability accommodations for the admissions process should be registered with Disability Student Services and all requested accommodations must be received by the deadline for application (December 15).

Radiation Therapy, University of Toronto/ The Michener Institute at UHN Joint Program

The Saskatchewan Cancer Agency has an agreement with the University of Toronto/Michener Institute Joint Diploma/Degree in Medical Radiation Sciences Program in Radiation Therapy to nominate and sponsor selected Saskatchewan students. The Saskatchewan Cancer Agency will be the clinical site for successful applicants. Visit the Saskatchewan Cancer Agency's website www.saskcancer.ca for information regarding the application process for sponsorship.

Degree Program

At the successful completion of the program, students will receive a Bachelor of Science in Medical Radiation Sciences from the University of Toronto and an Advanced Diploma in Health Sciences from The Michener Institute of Education at UHN.

As a Radiation Therapist, graduates of this program will work within an interdisciplinary oncology team consisting of physicians and other healthcare providers in cancer centres. Graduates will use advanced computer systems and sophisticated radiation therapy equipment to deliver radiation beams to destroy tumours. Graduates will also play an important role in providing patient support throughout the treatment process, including counselling patients on expected radiation side effects and ways to minimize them.

Future career opportunities as a Radiation Therapist include (but are not limited to) research activities, advanced roles such as the Clinical Specialist Radiation Therapist (CSRT), management, education,

sales/marketing, other specialties such as magnetic resonance imaging (MRI) and computed tomography (CT), and higher education such as the Master of Health Science in Medical Radiation Sciences at the University of Toronto.

To qualify for admission to this program, applicants can be in any U of R program and are required to have completed one full year of studies (30 credit hours) at a recognized university.

Credit hours	Recommended courses for Radiation Therapy (MRS)
3.0	Biology
3.0	MATH 111 or 112
3.0	PHYS 109
3.0	Social Science
Minimum of 18 additional credit hours	Any discipline

Graduates of any University of Regina program are also eligible to apply provided their degree included the required courses above.

Required Grades and Averages

The minimum GPA required to be considered for admission is B- (70.00% to 72.00%). Applicants with Master’s or PhD degrees will still have their undergraduate courses reviewed to ensure that students have the background necessary to be successful in the program.

Other Admission Requirements and Selection Criteria

Because all lectures, seminars and clinical laboratory sessions, and other activities are conducted in English, it is essential that students have an adequate knowledge of written and spoken English. Applicants for whom English is a second language must provide proof of an English language assessment. Visit the [University of Toronto’s website](http://www.utoronto.ca) for details.

Additional Information and Application Forms

Visit The [Michener Institute of Education](http://www.michener.edu) website for further information on the application process and application deadlines for this program.

Veterinary Medicine
University of Saskatchewan

Doctor of Veterinary Medicine (DVM)

The Western College of Veterinary Medicine is located on the campus of the University of Saskatchewan, Saskatoon, SK and provides education in veterinary medicine for the four western provinces.

Degree Program

This program requires four years of full-time study after admission to the Western College of Veterinary Medicine and is preceded by a minimum 60 credit hours of qualifying university studies, which may be completed at the University of Regina. Applicants to the University of Regina should request admission to the Faculty of Science (Pre-Veterinary Medicine).

University Prerequisite Courses for Veterinary Medicine

Since competition for admission to the College is very keen, students interested in veterinary medicine should pursue a degree program in

the Faculty of Science and should choose the elective courses to fit such a program. Most students admitted to the College have more than the minimum two years (60 credit hours) of pre-veterinary medicine.

Most applicants have more than two years of university. However, neither the number of years of pre-professional study nor the degree(s) held are factors in selecting students.

Credit hours	Pre-Veterinary Medicine (U of S)
3.0	BIOC 220
3.0	BIOL 100
3.0	BIOL 101
3.0	BIOL 205
3.0	BIOL 224
3.0	CHEM 104
3.0	CHEM 105
3.0	CHEM 140
3.0	ENGL 100
3.0	ENGL 110
3.0	MATH 110
3.0	MATH 111 or STAT 160
3.0	PHYS 109 or PHYS 111
21.0	Seven electives towards a BSc degree
60.0	TOTAL

Required grades and averages

A minimum CGPA of 75.00% is required. All grades are converted to a common scale for comparative purposes and this converted average is used.

There are no "preferred" electives: the choice of electives should be based upon the requirements of the program in which the student is enrolled or the student's general interests. Students are encouraged to select electives that will liberalize or broaden their perspective.

Selection Criteria

Selection is based upon assessment of a number of factors including:

- mental aptitude
- academic performance
- motivation
- maturity
- experience with animals
- leadership qualities
- social awareness
- communication skills
- an understanding and knowledge of the veterinary profession

Degrees or diplomas held are not factors in the selection process.

The weighting of selection factors is 60 per cent academic and 40 percent non-academic. The weighting is used to establish the rank order of applicants who will be offered admission.

Transcripts and academic performance

Mental aptitude and academic performance are mainly evaluated by academic transcripts.

All university work undertaken is considered when evaluating academic performance. The course load of the applicant is a consideration.

Interviews

The academic score, as outlined below, is the basis for interview offers:

- 2/3 overall average (all university courses completed) — require a minimum average of 75 per cent
- 1/3 best full year average*

*The definition of a full year for this purpose is a minimum of 24 credits (eight or more one-term courses excluding labs) completed within the regular September-April academic year.

References

Applicants are required to nominate two referees to support their WCVM application. One referee must be a veterinarian while the other must be an individual who has an animal-related or agricultural background. Space is provided on the application form to list referees name and email address.

Campion College

Campion College is a federated Liberal Arts college offering courses in the Humanities, Social Sciences, Sciences, and Media, Art, and Performance. It is a Roman Catholic College administered by the Jesuit Fathers of Saskatchewan and its Board of Regents. The College is a fully accredited member of the Association of Universities and Colleges of Canada, and its graduates receive the degrees of the University of Regina.

The College was established in December of 1917, with its first students arriving in September of 1918. Campion was affiliated with the University of Saskatchewan in 1924 and federated with the University of Saskatchewan, Regina Campus in 1964; it came on campus in 1966.

As members of a federated college, Campion students take advantage of all the programs and services the College offers as well as the extensive resources and course offerings of the University of Regina.

A smaller student body allows Campion faculty and administrative staff to offer students extraordinary attention in areas of academic, personal, and spiritual counselling, registration, and other student services.

Application and Registration

Campion faculty are members of the University of Regina Council and all Campion students are fully accredited students of the University of Regina. Tuition fees are identical to those of the University. Academic advising, course registration, and fee payment are all completed at Campion College.

Mature admission may be granted to applicants who meet the following criteria: Canadian Citizen, Refugee, Protected Person, or Permanent Resident, have attempted fewer than 15 credit hours of approved post-secondary courses, will be at least 21 years of age before the start of the term to which they are applying, and can demonstrate the ability to succeed at university through life or work-related experiences. Mature applicants who do not meet the standard admission criteria for their faculty of choice, may be admitted to the Faculty of Arts, Faculty of Education, (including the Indigenous Education Program), Faculty of Media Art and Performance, Faculty of Kinesiology and Health Studies, Faculty of Science (through the Science Qualifying Program), Faculty of Social Work, and the Centre for Continuing Education to qualify for transfer. See the Admissions section of this Calendar.

Library Services

The First Nations University of Canada Library, Regina Campus, houses approximately 70,000 items, including 66,000 volumes, monographs, periodicals, newspapers, government publications, microform, and AV materials. There is also a Special Collections that houses rare items and publications. The Library collection focuses primarily on the Indigenous Peoples of North, South and Central America, of Indian, Inuit, and Métis ancestry and supplements the courses offered by both the First Nations University and the University of Regina. Library orientations are offered upon request through the First Nations University Libraries.

The Saskatoon Campus Library collection supports the courses offered at the FNUUniv Saskatoon campus as well as ongoing academic research by faculty, graduate students, and others. The focus of the collection is the Indigenous people of North, South and Central America. Areas of strength include Indigenous studies and social work.

The Northern Campus Library, located in Prince Albert supports the courses offered at the FNUUniv Northern Campus. They also offer an extensive range of resources and services to support teaching and research. The focus of the collection is the Indigenous people of North, South and Central America. Areas of strength include Indigenous Studies, Indigenous Social Work, Indigenous Education, and material related to Northern Canada.

The First Nations University of Canada Libraries are available to all registered students of the First Nations University of Canada as well as students of the University of Regina, Campion College, and Luther College.

Student Services

Student Success Services at the First Nations University of Canada is the main support system for students as they work toward their academic goals.

Student Success Services assists students in planning their academic careers and offers a wide range of academic support, including tutors and writing clinics, to ensure students successfully complete their program of study. Elders provide students with personal, cultural, and spiritual guidance.

The First Nations University of Canada Registrar's Office provides the academic regulation function, which is vital to the ongoing registration and convocation of students.

Registration with First Nations University of Canada

Students wishing to register with the First Nations University of Canada should indicate their intention by identifying the First Nations University of Canada in the space provided on the University of Regina's on-line application form.

The University of Regina timetable the courses offered by the First Nations University of Canada. Academic Staff at the Regina, Saskatoon, and Northern campuses should be consulted.

Luther College

General Information

Luther College is a federated college at the University of Regina and offers programs in the social sciences and humanities, sciences, and fine arts, with excellent pre-professional program options. With an enrolment of approximately 60 students, Luther College is committed to retaining a personal atmosphere, individual attention, and sense of community. Luther College is a place for those who share our vision of making transformative change for a more grace-filled, just, and joyful world.

Luther College provides the highest quality of teaching and fosters outstanding research, offering courses in co-operation with various departments of the University. Students benefit from Luther's student-centered approach to teaching and its small classes.

Whether pursuing pre-professional studies, a certificate, diploma, or degree program, students receive one-on-one academic advising throughout their time at Luther. The College is known for making the transition from high school to university easy. Designed to give students a successful start to university, optional groups of courses, called Bundles, can be chosen when registering for first semester. Luther students are U of R students, pay the same tuition and fees, and receive a U of R credential.

Luther College is rooted in the Lutheran intellectual tradition and open to insights from other religious, spiritual, and secular traditions. A Chaplain is available to all students for connection and conversation. An Elder-in-Residence shares knowledge and traditions with all students. Luther College is a member of the Positive Space Network. Students from all faiths and no faith are welcome!

Academic Programs

The following programs are available to Luther students:

Luther Arts

See list of program options in the [Faculty of Arts](#) section.

Luther La Cité universitaire francophone

See list of program options in [La Cité universitaire francophone](#) section

Luther Media, Art, and Performance

See list of program options in the [Faculty of Media, Art, and Performance](#) section.

Luther Science

See list of program options in the [Faculty of Science](#) section.

Pre-Professional Programs

[Pre-Professional Programs](#) are offered in the following areas: chiropractic, dentistry, journalism, law, medicine, nutrition, optometry, pharmacy, physical therapy, and veterinary medicine.

Courses

Luther courses are open to all students at the University. The students who have registered through Luther College are free to choose Luther courses, courses offered by the Faculties of Arts, Media, Art, and Performance, or Science, as well as courses for elective credit from other faculties and federated colleges as part of their programs.

Application and Registration

Any student who meets the admission requirements of the University of Regina may enrol through Luther for programs offered in the following faculties: Arts, La Cité, Media, Art, and Performance, or Science. Students wishing to do so can apply indicating Luther as their choice of college. Students may [apply online](#) or use the printed form. Students transferring from other faculties or federated colleges into Luther submit the transfer request online or submit an [Application for Re-Admission or Faculty Transfer](#) form.

After the University of Regina has granted admission, Luther students will, with the help of Luther advisors, select courses from the many offerings of the University and its federated colleges. All students are strongly encouraged to receive academic advising.

Students may register in person or on the web using [UR Self-Service](#).

Tuition fees are identical to those of the University. Academic advising, course registration and fee payment are all completed at Luther College.

The Student Village at Luther College

The Student Village housing residence is located on the U of R campus, and is open to any post-secondary student, not just those from Luther College. The all-inclusive atmosphere lets students adjust to university life slowly, so they can focus on studying, making friends, and their overall wellness. All rooms have been completely renovated and come with a meal plan, free laundry, free Wi-Fi, and a great sense of community.

All residence rooms are single occupancy, and furnished with a bed, desk, large window, wardrobe, bookshelves, drawers, and temperature controls. The private showers and washrooms are cleaned daily by staff. Students also love hanging out in The Cellar, a large lounge area featuring TVs, game areas, a pool table, and a foosball table!

Students living at Luther can choose from a variety of meal plan options, tailored to their needs. Declining balance meal cards are also available, and students can also take meals to-go if that works better for their schedule.

With a library down the hall, study rooms on each floor, and the convenience of campus, students can focus their studies and making friends, without worrying about all the extra work that comes with running a home.

For more information about becoming a Luther student or living in our residence, contact: luther.recruitment@uregina.ca, 1-800-LUTHERU, or our website: www.luthercollege.edu/residence.

Luther Food Services

The Luther Cafeteria is a well-known campus gem, offering freshly prepared meals for everyone on campus. The all-you-care-to-eat style of dining is available for breakfast, lunch, and supper. Meal plans and declining balance meal cards are available to all students from across campus.

Explore the weekly menu at www.luthercollege.edu/cafeteria so you don't miss out on your favourite food! Luther also offers catering services to the entire campus and community. For more information on our food services, contact the Manager at 306-206-2127 or luther.cafeteria@uregina.ca.

Luther College Awards

Luther College students are eligible for awards offered through both Luther College and the University of Regina. To be eligible for College awards, students must be enrolled through the College and must remain registered in at least 9 credit hours for the fall term. Students in the co-operative education program and students with special needs can be accommodated. Awards for part-time students are also available.

Applicants for Luther College awards apply online at: www.luthercollege.edu/awards by the May 15 deadline. For more information on awards and scholarships, contact luther.registration@uregina.ca, 306-585-5444, or stop by the Luther College Academic office at LC200.

Convocation Award

Luther Medal of Distinction Value: Medal

Number: One

Eligibility: Awarded to a Luther student who is graduating with a superior academic record, with a minimum UGPA of 85.00%, and who has demonstrated leadership and service in the community according to the goals of Luther College.

Glossary and Abbreviations

Academic Action

Possible penalties which may be applied to a student for academic or non-academic misconduct.

Academic/Faculty Advisor

Specific University staff members who provide academic advice about degree programs and academic regulations, practices, and procedures; and who help students decide which classes to take. Usually, the advisor works in the academic area through which a student is registered.

Academic Advising

Meeting with an academic/faculty advisor that helps students decide which classes to take and to receive academic advice about degree programs and academic regulations, practices, and procedures.

This is different from counseling, which provides support for personal problems through [Counselling Services](#).

Academic Area

A University of Regina faculty, federated college, school, department, or institute.

Academic Misconduct (XF)

A grade which is assigned to students by the dean of a faculty or college offering a course and is entered by the Registrar's Office for a course from which a student is removed for disciplinary reasons and for which the appeal process has been exhausted.

Academic Probation

A trial period for a student whose registration is subject to academic conditions. Failure to satisfy these conditions may result in the student being required to withdraw from the University.

Academic Schedule

The official listing that outlines the start and end patterns and dates associated with the delivery of instruction.

Academic Year

May 1 to April 30.

Admission

Acceptance to the University following application.

Admission Requirements

These may include specific high school courses and minimum averages. Some programs have additional requirements such as an audition, portfolio, interview, or personal statement. Refer to the [Admissions website](#).

Advisor (Degree Audit)

Our degree audit tool which helps faculty, staff, and students track and plan academic progress in the student's chosen program. The system allows registered students to see how their completed courses fit in their program, what requirements still need to be completed, and run "what if" scenarios to see their progress in a program if they changed their faculty, program(s), major(s), minor(s), etc.

Aegrotat Standing

Refer to the [Grading and Averages](#) section.

Affiliated College

A post-secondary institution associated with the University but legally and financially independent.

Alternate Credit

One of two possible credit values which may be granted for a course.

Application/Applying

The first step to being admitted to the University is submitting of a University of Regina application form, high school, or post-secondary transcript(s), application fee, and other documents as required.

Approvals

Authorization from the appropriate designate for courses that are restricted and require approval before registration.

Approved Post-Secondary Courses

Courses completed in an academic-based program from a recognized post-secondary institution.

Asynchronous

A course offering that does not require a student to attend (either virtually or in-person) at a scheduled time.

Athletic Award

A grant of money to a student who participates in U Sports competition. These awards are governed by U Sports regulations.

Audit (AU)

The grade earned for attending a course without the benefit of earning formal credit hours. Students participate in classes only to the extent permitted by the instructor.

Audit (a course)

A student is given special permission to attend lectures and may participate in classes to the extent permitted by the instructor. A grade of AU, no academic credit, is earned. Audit courses appear on a student's transcript.

Award

Recognizes achievement or involvement in extra-curricular activities such as sport, student clubs and societies, community service, student government, etc. Students must achieve a minimum grade point average of 65%. Awards will appear on a student's transcript.

Awarded (AW)

The status applied to students who have completed their program requirements and have been approved by Executive of Council to graduate.

Blended Course

A course taught by employing a combination of the following teaching options: face-to-face, LIVE-streamed, online and/or video-conference. For more information, visit [CCE](#).

Building Codes

Refer to the website: www.uregina.ca/contact/maps-directions/buildings.html

Business Days

The days of Monday to Friday inclusive between 8:15 a.m. and 4:30 p.m. Saskatchewan Time, with the exclusion of published statutory holidays and the closure of the University between 3:00 p.m. December 24 and 8:15 a.m. January 2 in the following year inclusive.

Bursary

Primarily designed to assist students with financial need. Recipients must be in good academic standing. Bursaries do not appear on a student's transcript.

Catalogue/Catalogue Term

A set date or period of time that identifies which rules to follow. A course may have a different prerequisite depending on the catalogue term. For example, a student admitted in the fall term may follow different program requirements than a student admitted in the winter term.

Challenge Credit

Credit granted for demonstrating mastery of the content of a course and hence obviating the need to take the course. See the [Admissions section](#).

Class

An individual meeting of the instructor with the students enrolled in a section of a course. Students enrol in sections of courses and attend classes. See also [Year of Study](#).

CICIC

Canadian Information Centre of International Credentials

CMEC

Council of Ministers of Education, Canada

Cognate Course

A course with content closely relating to and supporting the content of another course.

Collaborative Program

A formalized collaboration between the University of Regina and a partner institution to offer a degree program or a combined degree program. In this model, both institutions have general responsibilities in the development and the delivery of curriculum. It generally results in a U of R credential with recognition of the collaboration on the parchment issued. "In collaboration with XXXX". This is also known as a Joint Program.

Combined Degree Program

Normally offered by two institutions under formal agreement leading to the outcome of two credentials, one from the U of R and one from the other institution.

Combined Major

A major that combines two subject areas to form a field of specialization.

Community Education Centres (CECs)

These are satellite educational locations intended to assist in the development of province-wide practicum resources and to make part-time studies accessible to an increased proportion of the province's population.

Compulsory Withdrawal (CW)

The grade of CW, entered by the Registrar's Office, is for students who have been required to withdraw from a course for which they were formally registered.

Concentration

A focus within a program, usually within a major, comprising a cluster of courses on a particular theme or topic – or – a disciplinary component of a multidisciplinary degree program. For example: A major in Biology with a concentration in Microbiology.

Concurrent Course Registration

Usually referred to as a prerequisite where enrolment is permitted in two courses at the same time. For example, if a student is deficient in a prerequisite course, it may be taken simultaneously with the course for which it is required.

Concurrent Enrolment

Refers to the process of admission to two programs at the same time.

Concurrent Programs

Two credentials being pursued at the same time. Concurrent programs issue two credentials, which may be conferred at the same time or at different times. Students who enrol in concurrent programs must meet the requirements as outlined in the [Graduation section](#). Students who enrol in concurrent programs at different institutions must obtain prior permission from their University of Regina faculty, federated college, or academic unit (see the [Admissions section](#)).

Confirmation of Enrolment

An official listing of a student's course registrations by term.

Conjoint Program

Refers to a program involving two or more faculties in cooperation to offer a dual degree program.

Convocation

An assembly of the members of the University to recognize the admission of students to degrees, diplomas, and certificates and to announce prizes, awards, and honours.

Convocation Ceremony

The event held annually in the spring (June) and fall (October) to recognize students' graduation from a University program.

Co-operative Education Program

A program wherein students spend alternate terms engaged in paid employment that closely relates to and enhances their academic studies. This program is also referred to as Work/Study program.

Corequisite

A required course that must be taken simultaneously with another.

Course

A set of lectures or directed readings, and related sessions (such as labs and seminars) dealing with a particular topic or a number of related topics. Normally courses at the University of Regina are delivered in a term(s) and are 3 credit hours.

Course Attribute

An element used to categorize specific groups of courses.

Course Codes

See the Courses section or consult [UR Self-Service](#).

Course Number

A number assigned to courses to show their depth and breadth of study.

Course Registration Number (CRN)

A unique identifier assigned to each course offering in a given term.

Course Restriction

A rule added to a particular course or section that determines which particular students can register in that course or section. May be based on department, field of study, class, level, degree, program, campus, college, student attribute, and cohort.

Credential

A degree, diploma, or certificate.

Credit for Completion (C)

The grade assigned for a “Credit/No Credit” course, where the course has been successfully completed.

Credit Hour

The unit measuring academic credit, usually consisting of one weekly period lasting approximately one hour, or a given number of periods of laboratory work throughout one term(s). A course timetabled to run three hours each week will usually carry 3 credit hours. Some courses carry fewer credit hours, some more.

Deferrals (DE)

Postponement of course work and/or final examinations for legitimate reasons, with special permission (see the [Academic Regulations](#) section).

Degree

A credential awarded to a student who has successfully completed a required course of study, typically of 120 credit hours or more.

Department

Academic and administrative areas within a faculty with a specific focus or discipline of study.

Digital Parchment

A secure, electronic version of an official parchment issued through [MyCreds™](#).

Direct Entrance Student

A student that been accepted to and will be attending University for the first time in the term immediately following high school graduation, and who has had no previous attendance at a post-secondary institution (excluding accelerated students or students who took a University class while simultaneously completing high school).

Discipline (as subject area)

A branch of learning or field of study. A precise area of academic study, e.g. mathematics, philosophy, art.

Distance Learning

Courses that may be taken online, LIVE-streamed, or face-to-face at Saskatchewan Polytechnic campuses and Saskatchewan Regional Colleges.

Distinction

Awarded for a Program Grade Point Average (PGPA) of 80.00% to 84.99%, at the time of graduation, for degree programs, and may not be awarded in all programs. Consult program specific graduation requirements.

Great Distinction

Awarded to students graduating with a PGPA of 85.00% or higher. May not be awarded in all programs. Consult program specific graduation requirements.

Double Major

A program component satisfying requirements for subject majors in two disciplines. Double majors require approval and advising from both departments concerned.

Dual Degree

A conjoint program that provides the outcome of two different degrees. This can be internal ([conjoint](#)) or external ([combined](#)).

Early Conditional Admission

The category under which students may be admitted to the University while they are still in high school. This type of admission is based either solely on grade 11 marks or a combination of grade 11 and 12 marks. Admission is contingent upon satisfactory completion of a high school diploma.

Effective Term

The point at which academic program changes are effective. For example, if a course is deleted effective in a specific winter term, it may not be offered in subsequent terms.

Elective

A course of the student’s choosing as opposed to a defined program requirement.

Equated Credits

The number of contact hours (time spent in class) in specific programs that aids students in maintaining full-time status while they progress in their course of study. Specific programs may include, but are not limited to, Co-op work terms, Academic Recovery Program, Arts Transition Program, Arts Qualifying Year, and Summer Bridge Program. Equated credit hours are not included in the total credit hours required for a credential.

Equivalent Course

A course with content that is the same as or similar to another course. Credit will be given for only the most recent attempt of an equivalent course.

Exemption (EX)

A notation when previous education, training or experience excuses a student from having to take certain prerequisites or fulfill specific requirements. No credit hours are attached. Students may be required to take another course in lieu of the one for which an exemption is granted. Exemptions are granted by the student’s faculty or college.

Expulsion

Dismissal for an indefinite period (in no case less than two calendar years). Students must petition to the Council Discipline Committee for permission to apply for re-admission.

Faculty

Related academic disciplines grouped together for the purposes of administration and academic planning, e.g. Faculty of Arts, Faculty of Education, Faculty of Science. Also, collectively, all professors, instructors, and lecturers who teach university courses.

Federated College

A college federated with the University is a post-secondary institution, legally and financially independent, but academically integrated with the University. Campion College, First Nations University of Canada, and Luther College are colleges federated with the University of Regina.

Full Course Load

In most undergraduate programs, fifteen credit hours (normally five three-credit-hour courses) per term. Individual programs may have exceptions.

Full-Time Student

For undergraduate students, a full-time student is one who is registered in nine or more credit hours of study per term.

Good Academic Standing

Undergraduate students are in Good Academic Standing when they maintain a minimum undergraduate grade point average (UGPA) of 60.00% or higher and maintain the minimum prescribed academic standards of their faculty.

Grade Point Average (GPA)

A GPA is an average of numeric grades, adjusted for variations in the credit hours that are assigned to the courses in which the average is based. GPAs are calculated at the University of Regina for each term (Term GPA – TGPA), for a student’s previous academic session (Sessional GPA – SGPA), for a student’s program (Program GPA – PGPA), and for a student’s whole academic record (Undergraduate GPA – UGPA, and Cumulative GPA – CGPA). For transfer admissions, the Admission Grade Point Average – AGPA is calculated by combining all recognized academic post-secondary courses with any attempted U or R courses.

Grades/Marks

Grades for most courses range from 0% to 100%. Alphabetic grades are assigned in some courses. For a complete description of the grading system, see the [Academic Regulations section](#).

Grade Mode/Grading Mode

A code that denotes how a course is graded. Examples: N – Normal (percentage grade), P/F - Pass/Fail, C/NC - Credit/No Credit, M – Maintenance of Candidacy, T- Transfer Credit, X – Non-graded.

Grading Term

A set period from the first day of the term to the end of the term for the purpose of grading a course of study.

Graduand

A person who is eligible to graduate but whose credential is yet to be conferred.

Graduate

A person who has successfully completed a course of study and their credential has been conferred.

Graduate Student

A student who is completing a master’s or doctoral credential.

Graduation

The receipt of an academic degree, diploma, or certificate, marking the completion of studies. Students are required to apply to graduate, it is not an automatic process. The ceremony where credentials are conferred is called Convocation.

Holds

Conditions that may prevent registration, release of documents, re-admission, etc.

Honours

A degree program in which students take a more intensive concentration in their major area. Graduating students will be awarded Honours or High Honours, depending on their graduating average (PGPA).

Hybrid-Onsite

A course offering where a student attends in-person but other students are attending remotely at the same time. See Remote Class

Hybrid-Remote

A course offering where a student attends remotely but other students are attending in-person at the same time. See Onsite Course.

Hyflex Online/Onsite Flexible

A course offering that provides students the opportunity to attend class sessions on-site or remotely either partially or fully.

Incomplete (IN)

An interim grade assigned when course work is delayed for legitimate reasons; an extension has been granted.

International Exchange Agreements

Agreement between a postsecondary institution outside of Canada and the University of Regina that includes the general objectives of the exchange, the start and completion dates of the agreement, and the terms of agreement of the exchange. Exchange agreements may involve students, research, instructors, etc.

International Student

Any student who is not a Canadian Citizen or Permanent Resident in Canada. This includes students from the United States of America.

In Progress (IP)

The grade assigned to the first term or the first and second term of a single term scheduled course which is offered across two or three terms respectively.

Joint Program

See [Collaborative Program](#).

Lab

Secondary instructional component of a course where learning from lectures can be applied.

Laddering

The process that allows students to build a second credential on to their first one; for example, a diploma that ladders into a degree program means students get up to two years of credit for their diploma and only have to complete two more years to earn their degree.

Lecture

Main instructional component of a course where an instructor introduces academic discourse before a group.

Letter of Permission (LOP)

An approval that is required for students wishing to take a course(s) at another institution for transfer credit toward their University of Regina program. A letter must be obtained before going to another institution to take a course(s). Requirements for LOPs are described in Faculty program sections of this Calendar.

LIVE-Streamed Course

A course taught via the eCast Network on any device connected to the internet, which is then broadcast to various locations throughout the province. For more information, visit [CCE](#).

Maintenance of Candidacy (MC)

The grade assigned for graduate students who have completed the credit hour components of their program of studies, but have not completed all degree requirements (e.g., thesis, project, practicum, internship). For further information, consult the [Graduate Calendar](#).

Major

The primary area of specialization in a degree program. Details of course and grade point average requirements are stated in Faculty program sections of this Calendar.

Matriculation

To matriculate is to be officially admitted to the University after having met entrance requirements.

Mature Applicant

A student who is 21 years of age or older before the start of the term for which they are applying. [See Admissions.](#)

Microcredential

A series of courses in a specific subject area that normally provide opportunities for academic or professional development.

Minor

A secondary area(s) of specialization in a subject outside of the [Major.](#)

Mutually Exclusive Course

A course that is considered to be similar to another course, but not exactly the same. Students are prevented from automatically registering in both courses without receiving an override.

MyCreds™

A secure, digital platform for certifying, sharing, and verifying academic credentials.

Non-Contributory Courses - Pass/Fail Grading

In some faculties, students may have the privilege of designating a limited number of credit courses as being non-contributory to the computation of their GPA. This means that they will not be included in the calculation of their GPA. Courses to be taken on a non-contributory basis must be so designated at the time of registration and must be approved by the student's faculty or college. For more information on non-contributory (pass/fail) courses, students should contact their faculty offices.

Non-Numeric Grades

Grades for which there is no numeric value. See the [Academic Regulations section.](#)

Not Passed (NP)

NP is a failing grade that may be assigned in three cases:

1. When a student does not successfully complete an element of a course, and that element has been explicitly identified in the syllabus as essential to passing the course. Successful completion of the final examination, a laboratory component, or a term paper are examples of elements that could be so identified.
2. When a student has abandoned a course without formally withdrawing.
3. When a course is dropped after the last day to receive a W. For the purposes of the calculation of a GPA, the NP is interpreted as a grade of 40 for undergraduate students and 55 for graduate students to reflect the difference in the passing grade. When a letter grade is not assigned, the actual numerical grade earned should be entered. 40 should not be substituted for the actual earned grade.

Not Reported (NR)

An interim grade used when a student's completion of a course is delayed for reasons intrinsic to the course (e.g. unavailability of a lab, delay in obtaining ethics approval of a project, difficulty in setting up an examining committee), or when an investigation or appeal of academic misconduct in the course is in progress.

Numerically-Graded Course

A course graded on the percentage scale. Grades of 0-100%, NP (40%) and XF (0%) are considered numeric grades.

Off-Campus Course

A course offering that can be taken in its entirety at a location that is not at the Regina main campus.

Online Course

A course that is taught via web-delivery. Courses of this kind will often include online chats, discussion boards, online tutorials, and online assignment submission. For more information, Visit [CCE.](#)

On-Site Course

A course offering scheduled for specific days/times and assigned a classroom by the Registrar's Office at the University of Regina main campus, the Federated Colleges (Campion and Luther) and First Nations University of Canada (Regina Campus).

Open Elective

A course of the student's choosing from any faculty.

Orientation

A day-long event that prepares first year, international, mature, and transfer students for university. May include a campus tour, information sessions, lunch, and a chance to meet faculty representatives.

Overload

More credit hours than a full course load. Must be approved in advance by the student's faculty, federated college, or academic unit.

Parchment

The document a student receives after conferral of the credential. The parchment includes the full legal name of the student, the credential earned including major(s), as appropriate, and high honours, distinction or great distinction for specific degree programs. The logo, seal and signatories are included.

Part-of-Term (POT)

The length of time over which a course section is to be offered, normally excluding examination days. For example, in the fall term and the winter term, Part of Term 1 runs from the first day of classes to the last day of classes.

Part-Time Student

1. An undergraduate student who is registered in fewer than 9 credit hours of study per term.
2. A graduate student who is registered in fewer than 6 credit hours of study per term.

Pass/Fail Grading

See [non-contributory courses.](#)

Permit Override

An exception that allows a student to register for a course when the restriction has not been met. Permit Overrides must be approved by the faculty, federated college, or academic unit offering the course.

Plagiarism

To take the ideas, writings, findings, computer software, etc. of another and present them as one's own. Plagiarism is a very serious offence within the academic community. See [Student Code of Conduct and Right to Appeal.](#)

PLAR (Prior Learning Assessment and Recognition)

When an individual's knowledge and ability is assessed in relation to a specific academic program. See [Centre for Continuing Education](#)

Pre-Professional Program

The period preceding specific study for or practice of a professional program such as Medicine or Dentistry. See [Professional Pathways and Transfer Opportunities](#) section in this calendar.

Prerequisite

A requirement that a student must complete before being eligible to register in the subsequent course.

Prize

A prestigious recognition, which may or may not have monetary value. It recognizes academic achievement in a course, cluster of courses, field of study or an academic piece of work, as defined by a minimum grade point average of 80%; or top academic performance, when an award evaluates students' marks in comparison to their peers; or talent or promise. Prizes will appear on a student's transcript.

Program

A prescribed set of courses leading to a degree, diploma, or certificate.

Prospective Student

A person who will potentially attend the University of Regina, but who has not yet applied or been accepted to the University. This could include high school students, home-based learners, international students, or mature students.

Competitive Entry Programs

Programs with limited enrolment. Not all students who apply will be admitted.

Registration

The selection of courses once a student has been admitted to the University.

Registration Restrictions

A limit placed on courses to permit only a specific group of students to register.

Required Course

A course that must be taken as part of a student's academic program.

Residency

The minimum number of University of Regina credit hours that a student must complete within their credential completion requirements (see the Graduation section for more information).

Schedule Type

The delivery of instruction of a course. Examples: Lecture (the most frequent), Directed Reading, Project, Studio, etc.

Scholarship

Recognizes exceptional talent/promise or academic excellence, as defined by a minimum grade of 80% for students entering from secondary school; or a minimum grade point average of 80% for current students; or top academic performance, when an award evaluates students' marks in comparison to their peers. In some cases, scholarships may also include non-academic criteria (e.g. financial need, residency, etc.). Scholarships will appear on a student's transcript.

Section Number

Numbers which distinguish different sections of the same course offered on different days and times in a given term(s).

Seminar

A small group of students under the direction of an instructor for the purpose of presenting and exchanging ideas or research findings via lectures, reports, and discussions.

SEP (Student Exchange Program)

A special subject code for a course used to indicate that an outbound student is paying tuition and fees at the University of Regina while enrolling in courses at another institution, and that an inbound student is attending the University of Regina as a participant in a formal exchange.

Specialization

A focused area of study attached to a specific major, with specific course work that is required beyond major requirements. Specialization are not normally offered at the undergraduate level unless they are attached to an honours program.

Student Identification Number (SID)

A nine-digit identification number that is displayed on a student's Photo ID card and which is used to access services and facilities and for identification purposes.

Studio

A course incorporating practical experience where students receive individualized instruction and lectures in a studio setting.

Subject Area (as discipline)

A branch of learning or field of study. A precise area of academic study, e.g. mathematics, philosophy, art.

Subsequent Credential

A certificate, diploma, or degree that is earned after completing a previous credential.

Supplemental Examination

Repeating a course by rewriting the final examination only. The remainder of the grade is based on the course work completed in the previous attempt.

Suspended Program

A program (major or minor) that is no longer accepting students. It may be going under review and may be permanently terminated.

Suspension

Dismissal from the University for a fixed period. Students may apply for re-admission for the first term after expiration of the penalty; no petition is required.

Syllabus

An outline describing the details of the course provided by every professor at the beginning of the term.

Synchronous

A course offering that requires a student to attend (either virtually or in-person) at a scheduled time.

Term

The periods of instruction into which the academic year is usually divided. The fall term begins in September and ends in December (13 weeks), the winter term begins in January and ends in April (13 weeks). The spring/summer term includes shorter periods of instruction between May and August.

Time-Ticket

The day and time when a student may first be able to register for classes. Students are permitted to add and drop classes from that point forward.

Transcript

An official document of a student's academic record that includes courses taken and grades earned at the University of Regina.

Transfer (between faculties and/or colleges)

A formal process involving an application to move from one faculty and/or federated college to another.

Transfer (between universities)

To withdraw from one educational institution and enrol at another.

Transfer Credit

Credit given by the University of Regina for academic work done at other institutions.

Tuition

The cost of taking courses at the University usually based on the number of credit hours in which a student is registered.

Undergraduate Student

A student who is working towards a bachelor's degree, diploma, or certificate.

University Transfer Courses

Courses offered by Canadian colleges as part of a formal University Transfer program.

UR Self-Service

A secure section of the University of Regina website for students to check their course schedules, register for classes, pay fees, check grades, buy textbooks, and more.

Variable Credit

The range of credit values for which these courses may be granted credit.

Video Conference

Live video-based (Zoom) meeting between instructor and students.

Visiting Student

A student who has not been formally admitted to the University but who, as a bona fide student of another accredited degree granting institution, is permitted to take courses for credit at the University of Regina to be applied to a degree program at the student's home institution.

Visual Schedule Builder (VSB)

A software system that assists students with creating an optimal schedule based on personal and academic needs.

Waitlist

A registration function in UR Self-Service that is available on select courses, allowing students to be added to a waitlist and notified if/when a space becomes available in that course section. There is a time limit on registration once a spot becomes available and there is a limit on how many students can be on a waitlist. Being on a waitlist does not guarantee a student is eligible to register for the course.

Withdrawal

Formal procedure by a student to voluntarily discontinue from a course or academic program. Non-attendance does not constitute withdrawal. There are deadlines beyond which a withdrawal will be assigned: 1) a grade of W; or, 2) a failing grade of NP. Both grades appear on the transcript. Refer to the [Class Registration and Withdrawal](#) section of this Calendar.

Withdrawal from Course (W)

The grade assigned to any student who has formally withdrawn from a course for which they were formally registered during a specific time period. Refer to [Deadlines and Important dates](#) in this Calendar.

Year of Study

Degrees, diplomas, and certificates are defined academically in terms of credit hours, not years of study.

For administrative purposes, the University defines year of study for undergraduate students as follows:

- Year 1: 0-23 credit hours successfully completed
- Year 2: 24-53 credit hours successfully completed
- Year 3: 54-83 credit hours successfully completed
- Year 4: 84-113 credit hours successfully completed
- Year 5: 114-143 credit hours successfully completed
- Beyond Year 5: 144 or more credit hours successfully completed

When certification is required, the University certifies credit hours successfully completed, including credit hours that may be extra to the current program.
