Re: Library AUR 5 year follow up report with CCAM

Dear Mr. Waytuck,

Thank you for meeting with CCAM on March 1<sup>st</sup> to discuss the Library's implementation of the Academic Unit Review recommendations. The Committee has appreciated your clear and thoughtful overview of how the Library addressed the reviewers' recommendations and future plans. We acknowledge the many important initiatives the Library has undertaken to date as a result of the Academic Unit Review process.

We especially appreciate your acknowledgment of the need to make difficult choices in a situation of budget constraint to continue to provide higher priority services to faculty, students, and staff in the best possible way. In this current context of significant fiscal challenges faced by the University, we encourage you to pursue further the necessary adjustments to the Library's plans while continuing to do your very good work in serving this academic community.

The Committee also recognizes and appreciates the Library's very important work and commends you on the robust team that has been cultivated under your leadership.

Sincerely,

Dr. David Gregory, Interim Provost  
and Vice-President (Academic)

Dr. Kathryn Ricketts, Acting Chair  
Council Committee on Academic Mission
