Re: 5–Year Academic Unit Review Follow-up

Dear Professor Bracht:

Thank you for attending the May 3, 2023, Council Committee on Academic Mission (CCAM) meeting and providing an update on your academic unit's implementation of recommendations from its 2018 Academic Unit Review.

On behalf of CCAM, we want you to know that we very much appreciate the thoroughness of your written and verbal reports. We recognize that your department is experiencing strained resources, resulting in many challenges due to limited resources, including funding. We encourage you and Dean Dick to chart strategically your future direction with targeted recruitment and revenue generation activities to sustain your programs.

We also recognize the ongoing importance of your work regarding community connections and partnerships, particularly with Indigenous groups and beyond. These connections and potential partnerships can create more opportunities for your programs. We look forward to hearing more about these partnerships in the future.

Congratulations on the progress you have made to date. Please do not hesitate to contact us with any questions should you need assistance.

Sincerely,

Dr. David Gregory,  
Interim Provost and Vice-President (Academic)

Dr. Laurie Clune  
Chair, Council Committee on Academic
