Re: 15-18 month AUR Follow-up with CCAM

Dear Dr. Battis,

Thank you for meeting with CCAM on March 4th to discuss the Department's progress on the implementation of the recommendations. We recognize the work to date as a result of the Academic Unit Review process and encourage the Department to continue to prioritize the reviewers' recommendations as it may not be possible to address all of their suggestions. We would appreciate a follow-up message about the status of the ENGL 100 review as it was not clear as to us if the consultation process with all faculties has been completed or if it is ongoing.

In three years, it is anticipated that the Department will submit a final update to CCAM demonstrating the achievements of the program as a result of the Academic Unit Review process.

Sincerely,

Christina Winter, Chair  
Council Committee on Academic Mission
