Re: Department of Film - Verbal Response:

Dear Professor Rolo:

Thank you for attending the December 13, 2022 Council Committee on Academic Mission (CCAM) meeting and providing us with a verbal update on your academic unit review.

We want to begin by recognizing the excellent work being done in the Department of Film. The student film festival is a wonderful example of the Department's success. We encourage you to continue with this flagship initiative and use the opportunity for broader outreach and recruitment of future students. You also have a tremendous opportunity to harness the power of your alumni to bring more attention to the great work you do.

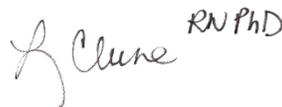

Please engage in developing a human resources plan to consider your faculty complement given upcoming retirements. While we are in fiscally challenging times at the University, a formal plan may assist in identifying your department needs.

Please do not hesitate to contact us if you have any questions or require any assistance.

Sincerely,

Dr. David Gregory,
Interim Provost and Vice-President (Academic)

Dr. Laurie Clune
Chair, Council Committee on Academic Mission
