Re: Verbal Response: Faculty of Kinesiology and Health Studies External Review

Dear Dr. Reimer,

Thank you for attending the November 8, 2022, Council Committee on Academic Mission meeting and providing us with a verbal report on the external review.

We recognize that the COVID-19 events have significantly impacted all faculties and departments at the University of Regina. With the resumption of on-campus classes and activities, KHS is well positioned for a curriculum renewal project. The CTL and external consultants may have insights to assist you in mapping your curriculum and identifying creative ways of delivering courses.

The Committee wishes your faculty all the best as you begin the critical work of curriculum mapping and renewal. We look forward to hearing more about your progress at the 18-month follow-up.

Sincerely,

Dr. David Gregory,
Interim Provost and Vice-President (Academic)
