Re: Accreditation/Program Approval Update

Dear Dr. Brown,

I write on behalf of the Council Committee on Academic Mission (CCAM), to thank you for taking the time to update us on March 15, 2023 with regards to your ongoing accreditation and program approval processes. I hope you found your discussions with the committee productive. CCAM is mindful and appreciative of the time and effort these undertakings demand of you and your faculty.

CCAM is eager to reconvene with you to discuss the external reviewers' reports once they have been received and will, no doubt, have more detailed feedback of its own at that time. For now, our discussion of your presentation has yielded just the following suggestion: namely, to include, as part of our next conversation, some consideration also of your Faculty's graduate programming.

Please let us know if you have any additional questions.

Again, thank you for your presentation and all your work on this file. We look forward to meeting with you again the coming months.

Sincerely,

Dr. David Gregory
Provost and VP Academic

Dr. Marcel DeCoste
Acting Chair, CCAM
