$$K = \text{Number of Students on Council} = \frac{\text{Number of Non-student Council members}}{10}$$

$$\text{Student Representation from each Faculty (A)*} = \frac{\text{Number of Students in A}}{\text{Total Number of Students}} \times K$$

\*Faculty includes: Arts, Business Administration, Centre for Continuing Education, Engineering and Applied Science, Graduate Studies, Kinesiology and Health Studies, La Cité universitaire francophone, Media, Art, and Performance, Nursing, Science, Social Work.

- c. No Faculty as defined in section b (above) shall have less than one student representative.
- d. A student elected to Executive of Council will automatically become a student representative on Council.

Voting will normally be done at the call of the Chair by a show of hands for in person attendees; and through a means of electronic voting as determined by the University Secretary ahead of the approval of the agenda.

However, with the agreement of the majority at the meeting, Council may agree to have the vote done by secret ballot at a meeting. For online voting in such cases, an anonymous poll option will be used as determined by the University Secretary. Also, with the agreement of the majority, a motion can be put to the entire membership of Council which would happen subsequent to a meeting of Council and would normally be conducted by the University Secretariat within five business days of the meeting by electronic ballot, allowing up to seven business days for the vote to take place.

- c. reports from standing Committees and *ad hoc* Committees of Council (when applicable); and,
- d. any other information and/or recommendations from members of Council that have been approved by the Council Agenda Committee for inclusion on the agenda.

A notice of meeting will be issued by the University Secretary no later than 21 days prior to a regular meeting of Council. Reports from Council committees for inclusion on the agenda must be submitted to the University Secretary no later than 14 days prior to a meeting of Council.

Individual members of Council may present motions to Council by sending a notice of motion no later than 14 days prior to a meeting of Council with supporting documentation to the University Secretary for consideration by the Council Agenda Committee.

Motions from the floor at the meeting of Council that introduce 'new' business to be considered at the meeting will not be permitted and will be deferred to the next regular meeting of Council.

The University Secretary will announce to Council the result of the election.

### **2.3.5 Term of Office**

The Faculty representative of Council to the Board of Governors will hold office for a term of three years and until such time as a successor is elected. The Faculty representative to the Board of Governors is eligible to serve no more than two consecutive terms.

### **III. Committees of Council**

#### **3.1 Authority**

Section 78(1)(a) of the Act states that Council shall establish committees as required. Council has further delegated to Executive of Council the power to create or dissolve such committees as are consistent with Council's obligations and wishes. All committees' terms of reference, including revisions thereto, are subject to the approval of Executive of Council, except where Council has expressed its will.

#### **3.2 Establishment of Committees**

Each standing and *ad hoc* special committee shall have written terms of reference outlining the committee's mandate, composition and accountabilities. *Ad hoc* special committees' terms of reference will include clear outcomes and a termination date for the work of the committee.

Committees of Council report to Executive of Council and/or Council, at least once per year, or more frequently as required, as defined in the committee's terms of reference.

Committees of Council will be required to review their terms of reference no less than once every five years, reporting to Executive of Council that this has been done.

#### **3.3 Inactive Committees**

Any standing committee of Council that has had no business meetings during the year must nevertheless report to Executive of Council justifying its status. If no such report is made before the June meeting of Executive of Council, the University Secretary shall inform all members of the committee that the committee is to be changed to *ad hoc* status with a one-year time limit and subsequently disbanded if no further activity has taken place over the course of the ensuing year. The University Secretary will report any such actions taken due to inactive committees to the June meeting of Executive of Council.

#### **3.4 Membership and Term of Office**

All members of Council are eligible to serve on committees of Council.

Membership on any committee of Council shall be drawn from Council, unless specific membership is otherwise stated in the committee's terms of reference.

Student representatives to Council, who are members of any committees of Council, shall enjoy all rights and responsibilities of membership.

Membership on the Executive of Council will be determined by election based on the procedures as outlined in section 4 of these Rules and Regulations.

For all other committees, an annual call for volunteers to fill vacancies on committees requiring Council membership will be made by the University Secretary. Depending on the response to this annual call, the Council Nominating Committee will determine if an election is required. Should an election be required, the University Secretariat will carry out the election consistent with the procedures outlined in section 3.6 of these Rules and Regulations regarding elections of Council members to committees.

The Council Nominating Committee will prepare a nomination slate, including those positions filled by election, for committees of Council that will be approved by Executive of Council. Committee members' terms (with the exception of student members) will be effective July 1 and run for three years unless otherwise stated in the committee's terms of reference. Student committee members' terms are for one year effective May 1 of the applicable year.

In the event that a Council committee experiences the resignation of a committee member or a member who takes leave for a part of the member's allotted term, the Committee Chair may after consultation with the committee member request that the Council Nominating Committee find a replacement either for the remainder of the resigned member's term or for the duration of the period that a member is on leave. Replacements would conform to the criteria of membership outlined in that committee's terms of reference in Section 5 of the *Council Rules and Regulations*, by using names (if any) of those who volunteered for the Committee membership at the time of the last call for membership or if need be a new call for volunteers. The Council Nominating Committee may propose these replacements with a motion brought to Executive of Council at its next meeting.

Unless otherwise noted in the terms of reference, positions on committees will not *normally* be filled by the same individual for consecutive terms.

### **3.5 Membership on more than one committee**

*Normally* a member should be nominated or elected to serve on no more than one committee of Council. Membership on Executive of Council is not included when determining on how many committees a member of Council is serving.

### **3.6 Nomination and Election process for Committees**

Should multiple nominations be received for a vacancy on a committee, the Council Nominating Committee will be so advised by the University Secretary and will recommend committee members to fill vacant positions, considering the benefit of committee turnover, the limitation of 3.5, preferences of council members, as well as faculty representation on committees. If necessary, the Council Nominating Committee has the discretion to instead hold an election to determine the person that will fill the vacancy.

The University Secretary will determine the date for these elections to be held. These elections will *normally* only be conducted once per year, at such time that committee member terms can start on July 1 of each year. For these elections, a brief biography (100 words or less) may be required to accompany the nomination.

### **3.7 Committee Chair and Chair responsibilities**

For those committees that do not have a Chair, it is the responsibility of the University Secretary to call the first meeting for the purpose of selecting a Chair. The agenda for this first meeting shall confirm the selection of the Chair and set the meeting schedule for the year.

Unless otherwise specified in the terms of reference, each committee should *normally* elect its own Chair from those nominated or elected members who have served on the committee during the preceding year.

The Chair of a Council committee, if not a member of the Executive of Council, will be permitted to move motions which are being presented to Executive of Council by the committee.

The Chair or designate of each committee will be responsible for keeping records of the activities of that committee.

The Chair of each committee will make a written report to Executive of Council and/or Council at least once per year.

### **3.8 Conflict of Interest**

A conflict of interest, be it real, potential or apparent, whether personal, financial or otherwise, may arise when the private interest(s) of a Council member is/are or may be in conflict with the interests of the University.

It is incumbent upon Council members to declare, at any time, if a conflict of interest exists, be it real, potential or apparent, financial or otherwise, prior to discussion of and decision on an issue. Having declared that interest, the Council member shall refrain from voting, and, at the discretion of the Chair, may be requested to withdraw from the meeting for that item.

The minutes will reflect any declarations made.

University Policy number GOV-022-010 <http://www.uregina.ca/policy/browse-policy/policy-GOV-022-010.html> is applicable to all Council members.

### **3.9 Circulation of Reports and Minutes**

Each Committee will send its agenda, supporting documents, and minutes to the University Secretary.

Written reports from committees should be submitted to the University Secretary by the deadline issued in the notice of meeting which is normally at least ten calendar days prior to the meeting of Executive of Council or 14 days prior to the meeting of Council.

Committees will *normally* report in the first instance to Executive of Council.

### **3.10 Use of Sub-Committees**

Committees can appoint sub-committees for specialized functions; however, these sub-committees will be under the authority and direction of the committee of Council.

### **3.11 Minority Reports**

If a committee is seriously divided on an issue, Executive of Council and Council may be so informed by the attachment to the committee's report that there is a dissenting report which will be provided by those with the dissenting opinion, indicating the basis for the divergence of view.

### **3.12 Appearance before Committees**

Any member of Council, and as required, members of staff, may request or be requested to meet with any committee to discuss matters within the terms of reference of that committee.

### **3.13 *Ex officio* representation by Federated Colleges**

If *ex officio* representation from Federated Colleges is required on a Council committee, there will be one designate from each of the Federated Colleges.

### **3.14 Quorum and Voting**

Quorum for any committee meeting shall be 50 % + 1 unless otherwise noted in the committee's terms of reference.

On any committee of Council, all committee members including students will have voting rights, unless otherwise specified in the committee's terms of reference.

#### **3.14.1 Normal Voting**

Unless otherwise noted in the committee's terms of reference, voting will be done by a show of hands at the call of the Chair. In the event that a Council member attends a committee meeting remotely, the Council member will vote by verbal affirmation.

#### **3.14.2 Alternative Voting Procedures and Authorized Media**

A vote by written resolution (through electronic or authorized media) may be called if required in order to deal with a matter outside of a regularly scheduled committee meeting, at the determination of the Chair of the committee.

The regulations for voting by electronic or authorized media of committees of Council are as follows:

- a. Decision by electronic ballot shall require an eighty percent (80%) return of responses and a two thirds (66.6%) majority of those voting.
- b. Three business days from date of notification for the vote shall be allowed to complete the poll.
- c. Committee decisions by electronic or authorized media will be recommended to Executive of Council for approval at its next meeting.

### **3.15 Joint Committees**

Joint committees are those committees that are comprised with joint representation of Senate and Council and are required to report and make recommendations to both Senate and Council (or Executive of Council) prior to the motions presented by these committees being adopted.

### **3.16 Advisory Committees**

Advisory Committees are established by the President or Vice-Presidents and are not committees of Council, although members of Council are entitled to serve on these committees, as required and outlined in the committee's terms of reference. The senior executive responsible for such committees is responsible for ensuring the committee is duly constituted.

## **IV. Executive of Council**

### **4.1 Terms of Reference**

At a meeting held April 29, 1976, Council empowered Executive of Council, a standing committee of Council, to act on its behalf in all matters with the provision that a decision of the Executive may be challenged by requesting a Special Meeting of Council. Such a request may be made by at least 20 members of Council, no more than ten of whom should be Executive of Council members, and the request must be filed with the University Secretary within ten business days of the issuance of the approved minutes of Executive of Council.

### **4.4 Election of Council members to Executive of Council**

For any University election held under the jurisdiction of the President's Office and organized by the University Secretariat, the University Secretary is assumed to have the duties and responsibilities normally associated with a chief electoral officer.

The University Secretary interprets the proposed rules for purposes of the election. Further, on an annual basis the University Secretary shall determine the number of persons eligible for election from each electoral

unit and shall coordinate the timing of the various electoral unit elections which are *normally* conducted in the winter semester.

The electorate consists of all members of Council in their respective electoral units. *Ex officio* members described in section 4.3.4 are not members of the electorate while holding their *ex officio* role. The University Secretary will call for nominations in each electoral unit to fill the vacancies that have been determined, allowing three weeks for individuals to submit their nomination which must be endorsed by three members of the electoral unit that they are representing and must be received by the University Secretariat no later than 4:00 p.m. on the last day for nominations.

At the close of nominations, if the number of nominations received is less than or equal to the number of vacancies, the University Secretary will announce that those nominated have been acclaimed to fill the vacant positions on Executive of Council. If more nominations are received than what is needed to fill the vacancies in an electoral unit, the University Secretariat will announce that an election will be held within that electoral unit to elect those that will be elected to fill the vacant positions on Executive of Council. Should an election be required, this will *normally* happen five business days after the close of nominations and the voting deadline will be seven business days after the ballots have been sent.

Voting will be done by electronic ballot circulated to Council members of the applicable electoral unit. The electronic ballot will include a link to an online voting system, along with an individual password used to login for voting.

As no member may represent more than one electoral unit, the election for the Faculty of Graduate Studies and Research is held immediately after the election for other electoral units. The timelines for nomination and election for the Faculty of Graduate Studies and Research (as required) will follow the process outlined above.

Positions left vacant by persons going on leave will be filled, for the duration of the absence, by using names (if any) of those receiving the next highest number of votes for each electoral unit. If no additional persons are available to fill the vacant position, the position will remain vacant until the next call for nominations.

#### **4.5 Election of student representatives to Executive of Council**

Student representatives to Executive of Council will be elected pursuant to the bylaws of URSU.

Consistent with the Act, students must have full-time status at the time of election and must maintain full-time status while serving as elected student representatives to Executive of Council.

Student representatives elected to Executive of Council will serve for a one year term from May 1 to April 30 of the following year.

The number of student members to be elected to Executive of Council will be determined according to the following formula:

Number of Non-Student Members on Executive of Council (Elected members only)

10

Additionally, at a minimum, each Faculty of the University will have no less than one student representative on Executive of Council.

If and when the formula allows for more than ten student representatives, representation will be increased to two students per Faculty with first priority given to the Faculty with the highest student enrolment. With regard to student representation and enrolment figures, students registered through Campion College, Luther College, and First Nations University of Canada will be considered to be students in whichever Faculty they are registered.
