## COUNCIL DISCIPLINE COMMITTEE REPORT TO EXECUTIVE OF COUNCIL FOR THE PERIOD 1 JULY 2017 TO 30 JUNE 2018

Per section 5.14.1 of the *Undergraduate Calendar*, the Council Discipline Committee (CDC) hears appeals of decisions concerning academic and non-academic misconduct.

CDC has the authority to uphold the original penalty, overturn it, assign a lesser penalty, or increase the penalty.

As with instances of academic misconduct reported by Faculties to the University Secretariat, the number of appeals has increased. Since 2013-14, appeals to CDC have more than doubled.

During the 2017-18 academic year, CDC considered 25 appeals and 1 petition to return. There are 2 appeals pending in June, and 6 appeals pending in the Fall.

A summary of CDC decisions follows. Of the 25 appeals made to CDC, over half (14 of 25) were from repeat offenders. 9 of the appeals came from students with 3 or

more instances of academic misconduct on their record.

Of the 23 appeals heard by CDC to date, 19 (83%) were denied. Of the CDC decisions further appealed by students to the Senate Appeals Committee (SAC), all findings of academic misconduct have been upheld to date, though in one case the penalty assigned at the Faculty level and upheld by CDC was reduced by SAC.

#### COUNCIL COMMITTEE ON STUDENT APPEALS REPORT TO EXECUTIVE OF COUNCIL FOR THE PERIOD OF JULY 1, 2017 TO JUNE 30, 2018

Appeals by students in connection with academic decisions of any Faculty will be heard by the Council Committee on Student Appeals (CCSA) except for matters of discipline which will be heard by the Council Discipline Committee (CDC). Matters such as grades assigned for individual classes or credits given for classes transferred from other institutions will normally not be considered by the CCSA.

The CCSA considered 9 appeals during the 2017-18 academic year, with 6 appeals pending.

## REPORT TO EXECUTIVE OF COUNCIL – June 20, 2018 From the 14 June 2018 Council Committee on Undergraduate Admissions and Studies Meeting

#### APPROVAL ITEMS FOR EXECUTIVE OF COUNCIL

#### 1. Faculty of Arts

#### 1.1 Science and Technology Studies Minor

#### **MOTION 1: Program Deletion**

To delete the minor in Science and Technology Studies and all STS courses, **effective 201830**.

**Rationale**: The required STS courses have not been offered in some time and there is no plan to do so again; thus, making it impossible for students to complete this minor. Students registered in the minor have completed all the required STS courses.

#### Science and Technology Studies Minor

This program provides students with an appreciation of the historical, philosophical, social and ethical issues of science. The effects on changes in technology and the science form an important part of these courses. For students who are pursuing a degree in science, the minor should provide an important adjunct to their existing studies. For students outside the Faculty of Science, the program will provide an important degree of scientific literacy and appreciation. Courses in this program are open to students in any program within the University.

#### 1.2 School of Journalism

#### **MOTION 2: Admissions Standard Revision**

To revise the admission requirements for the Bachelor of Arts in Journalism and the Bachelor of Journalism to no longer require completion of an entrance examination and interview, **effective 201830**.

Rationale: The School of Journalism wishes to update its undergraduate entrance process to reflect current practice and to streamline and simplify the process for prospective students. The academic requirements will remain unchanged – these proposed changes are in reference to process for selection of students, as described in the university calendar. The first change, deleting the reference to the number of students, is an update to accommodate the impact of our newly established MJ and Bridging programs. The current practice is to fill the 26 seats from both the graduate and undergraduate programs, not 26 undergraduates only. The mix is expected to fluctuate from year to year, depending on demand for the various programs, and we may expand the number of available seats in future. Therefore would like to drop the reference to precise numbers accepted, as it is no longer a valid description of our annual intake, and in any case is not highly relevant information for applicants. We would also like to delete reference to a two-year program, as the Bridging program is one year of undergraduate studies. Regarding the change to the portfolio submission, we would like to add 'web links' and delete reference to 'audio or video tapes' to reflect technological change. Finally, we propose to end the practice of an entrance exam and panel interview for the two-year undergraduate program. We feel that the current process overly discourages potential applicants from attempting to enter the School, and that it does not add much value to what we can learn through examining the student's academic record and written submissions. This change will also allow us to respond to students in a much more timely fashion. Currently it takes well into May to inform them if they have been accepted or not, which is far too long a time to be held waiting. Regarding Bridging students, we propose to retain the interview, as we feel it is an important opportunity to learn more about potential graduate students, including their needs and scholarly interests so that we can prepare groundwork for a successful transition to graduate studies. In this case, the interview is something that can be completed in a timely fashion in February and early March, when we do our other MJ interviews.

#### Page 7:

#### School of Journalism

The School currently accepts an annual total of 26 students to its two-year programs. Admission is for the Fall term (semester) only. Applicants complete an Application for Admission to the School of Journalism\* (available at www.uregina.ca/arts/journalism) and must include the following:

- a cover letter (maximum of 2 pages) indicating the reasons for application and summarizing any media experience;
- a resumé (maximum of 2 pages);
- supporting documents (maximum of 10 pages) which may include samples of published or unpublished writing, reference letters, web links, and any other relevant material; photocopies are acceptable. (no audio or video tapes).
- \* Current U of R students are to submit the Internal Application for Admission to the School of Journalism. Students not currently in the Faculty of Arts must also submit an

Application for Re-Admission/Faculty Transfer.

The selection process includes an entrance examination (usually in February or March) and panel interviews (usually in April) for short listed applicants. Offers of admission are made in May, and must be accepted by the deadline stated in the letter, normally within 2 weeks.

The selection process for Bridging students includes a panel interview.

The School advises all applicants, in writing, of the outcome of their application.

#### 1.3 Arts Pathway Program

#### **MOTION 3: New Program**

To approve a Pathways Program with the conditions indicated below as an alternative means of admission to the Faculty of Arts, **effective 201830**.

Rationale: Students who have applied for admission to a Faculty, but whose marks have fallen short of the high school admission requirements are currently directed to either Casual Studies, upgrading, or told to wait until they are 21 years of age when they qualify for Mature admission. Giving students an alternate entry point to University will provide an opportunity to those who may have been systemically disadvantaged or unable to access certain courses in high school. The Pathway Program provides a highly supported learning environment that allows students access to higher education and a way for them to earn their admission qualification in an alternate way. The Pathway Program also provides a mechanism for students to transition into University so they can be successful in their studies.

To be published in the Calendar, in an appropriate area of the Admissions section: Admission Requirements to the Faculty of Arts Pathway Program:

- 1. English Language Proficiency
- 2. Grade 12 Diploma
- 3. One of:
  - a. Five grade 12 subjects, or
  - b. Grade 11 or 12 English course plus five subjects at the grade 11 or 12 level
- 4. Minimum age of 17
- 5. Pathway Program Letter for Admission outlining the student's academic goals and strategies for success
- 6. Fewer than 15 credit hours of attempted post-secondary courses

To be published in an appropriate area of the Faculty of Arts section of the Calendar:

#### **Arts Pathway Program**

The Arts Pathway Program is an alternative way by which students may qualify for admission to the Faculty of Arts. It can only be attempted on a full-time basis, and is structured as follows:

Term 1	Term 2
ARTS 099 (0 credit hours)	ENGL 100 (3 credit hours)
ACAD 100 or RDWT 120 (3 credit hours)	SSW AACRE (0 credit hours)**
SSW 010 (0 credit hours)	Faculty of Arts course (3 credit hours)*
SSW AACRE (0 credit hours)**	Faculty of Arts course (3 credit hours)*
Faculty of Arts course (3 credit hours)*	
Faculty of Arts course (3 credit hours)*	

<sup>\*</sup> Courses should make-up any missing admission requirements

To proceed to Term 2, students must complete successfully each course taken, as well as pass all the zero credit hour requirements in Term 1. Failure to do so will result in the student being Required to Discontinue from studies in the Faculty of Arts for a minimum of 3 terms.

To complete successfully the Arts Pathway Program, students must:

- Receive a 50% (pass) in ACAD 100 and ENGL 100
- Receive a 50% (pass) in all other courses taken in the program
- Receive a "P" (pass) in ARTS 099
- Receive a "P" (pass) in SSW 010
- Receive a "P" (pass) in SSW AACRE in both terms
- Have a minimum UGPA of 60.00% by the end of term 2
- Completion of university-level equivalents of missing admission requirements (if any)

Successful completion of the Arts Pathway Program will allow students to register in a major (pending satisfaction of any further requirements of the program/major) or general program in the Faculty of Arts. Upon successful completion of the program, the Faculty will update the students' program.

Unsuccessful completion of the program will result in students being dropped from courses in future terms, an admissions hold being placed on their account, and the student being required to discontinue studies in the Faculty of Arts for a minimum of three terms. The admissions hold will remain on the student account to prevent future registration until a new and alternate basis of admission has been achieved.

#### 2. Faculty of Business Administration

### 2.1 Bachelor of Business Administration (BBA), International Business (IB) Major

#### **MOTION 4: Program Revision**

To change the requirements for the International Business (IB) Major as follows: Total 15 credit hours (5 courses), **effective 201830.** 

Rationale: The current International Business Major requires 6 courses:

- BUS 308
- Four of BUS 309, BUS 364, BUS 415, BUS 491\*\*, ECON 341, up to one of BUS 408AA-ZZ or BUS 474AA (most of these study trip courses are no longer offered)

<sup>\*\*</sup> Students are charged a fee to cover the costs of the program.

- One of ECON 211, ECON 235 (course is no longer offered), ECON 342\*\*, PSCI 240, SOC 201, an approved language (not student's first language)
- \*\*Students currently cannot count both of ECON 342 and BUS 491 in the major.

Reducing the number of courses from 6 to 5 brings the IB major in line with some of the other majors (Marketing, HR, Entrepreneurship, Management) and it makes it more accessible, consequently increasing the number of students engaging in international opportunities: study trips, exchange programs, etc.

Inte	International Business Major (5 courses):		
Red	quired:		
	BUS 308 International Business		
Mu	st include <u>at least two</u> of:		
	BUS 309 International Trade Management		
	BUS 364 Managing a Diverse Workforce		
	BUS 415 International Marketing		
	Only one of BUS 491 International Financial Management or ECON 342 Global Financial Markets		
Oth	ner International Business Courses:		
	Only one of: ECON 211 Development Economics; PSCI 240 World Politics; SOC 201 Globalization and Development; an approved Language course (not the student's first language). A language course is encouraged.		
	ECON 311 Economics of Developing Countries		
	ECON 341 International Trade		
	IS course numbered IS 300 or higher		
	PSCI 340 International Law		
	PSCI 343 International Political Economy		
	PSCI 344 Political Economy of Development and Underdevelopment		
	One course completed as part of an International Study Abroad Trip, or an approved International Student Exchange Program. This includes but is not limited to BUS 408AA-ZZ and BUS 474AA. Other international trips such as SEP xxx and ISEP xxx are included. Students should consult with the Program Coordinator to confirm that the trip is approved and ensure that transfer credits taken as part of the study trip have been evaluated.		
	One approved International course (must be approved by Associate Dean, Undergraduate) (See note 1)		
(er	(end of motion 4)		

#### 2.2 Bachelor of Business Administration (BBA), Entrepreneurship Major

#### **MOTION 5: Program Revision**

To change the Entrepreneurship Major requirements to the following, effective 201830.

**Rationale:** To add the new courses, BUS 403 and BUS 376AA-ZZ, to the major requirements.

#### **Entrepreneurship Major (5 courses):**

Re	Required:			
	BUS 302			
	BUS 304			
	One of BUS 402 or BUS 403			
Tw	o of:			
	BUS 301			
	BUS 303			
	BUS 314			
	BUS 394			
	BUS 335 AB			
	BUS 376 AA-ZZ			
	BUS476 AA-ZZ			
	BUS 402 or BUS 403 (if not used as a required)			
	One approved Entrepreneurship-related course (must be approved by the Associate Dean – Undergraduate)			
(er	(end of motion 5)			

#### 2.3 Bachelor of Business Administration, Institutional Honours: International

#### **MOTION 6: Academic Policy Revision**

To approve the Institutional Honours: International, with the following requirements, effective 201830.

**Rationale:** Our Faculty does not currently have such a mention for the Undergraduate students. This mention will potentially increase the number of students that will engage in international opportunities (giving them recognition for the experience). This is in line with other Faculties' mentions (Arts, Education).

Students may apply to have Institutional Honours: International, added to their Bachelor of Business Administration OR Bachelor of Administration degree if they successfully complete BUS 308 and at least one of the following international experiences:

- a minimum of three credit hours of pre-approved coursework taken at an out-of-country post-secondary institution as part of an approved International Exchange Program
- a minimum of three credit hours of pre-approved coursework taken at an out-of-country post-secondary institution as part of an approved Study Abroad Trip
- a minimum of three credit hours of pre-approved coursework taken at an out-of-country post-secondary via a Letter of Permission from the University of Regina
- a minimum three credit hour course offered by the U of R that includes a required minimum one-week out-of-country experience

Other international experiences may be considered on a case-by-case basis. Students

should meet with the Undergraduate Program Coordinator to determine if an international experience meets the criteria for Institutional Honours: International.

(end of motion 6)

#### 3. Faculty of Education

#### 3.1 Elementary Education Program

#### **MOTION 7: Program Revision - PGPA Requirements**

That the PGPA required for Elementary students be 65.00%, effective 201830.

**Rationale:** Currently, the average required to progress from one term to the next is 70.00% PGPA. The requirement has proved to be an obstacle for many 1st year students. The proposed motion provides students the opportunity to meet required the academic standard. This PGPA is not for admission into the program, but for students already in the program.

#### **Faculty Action**

At the end of each term, students with poor academic records and/or unsatisfactory professional development will be subject to faculty action; students may be required to discontinue or be placed on faculty probation. Students must have a PGPA of at least 65.00%, or 70.00% for the Elementary Teacher Education Program (with the exclusionof SUNTEP, YNTEP, NTEP, FNUniv and Community-based programs. In other words, the Elementary Education program in Regina is the only program with this requirement), and satisfactory professional development at the end of each term of the program. Students who have a PGPA less than 65.00%, or 70.00% (Elementary), and/or unsatisfactory professional development will be placed on faculty probation or required to discontinue (RTD) from the Faculty of Education for at least two terms including spring and summer sessions. Those students who are required to discontinue must re-apply for admission to the University and the Faculty of Education. Their application will be given a low place on the priority list for acceptance. Students who have been required to discontinue and who upon return maintain a poor academic record may be required to discontinue indefinitely from the Faculty of Education. Students may also be required to discontinue from one faculty but remain eligible for others. For information on applying for re-admission, refer to the Admission-Applicants in Unsatisfactory Standing section of this calendar. Students who fail more than 15 credit hours during their Education program will be required to discontinue from the faculty indefinitely. Students may be required to discontinue from the faculty for a specified period or indefinitely for unsatisfactory professional development.

(end of motion 7)

#### 3.2 Elementary Program Internship

#### **MOTION 8: Program Revision - PGPA Requirements**

That the PGPA required for Elementary students to move to internship be 70.00%, **effective 201830.** 

**Rationale:** The proposed change to this academic requirement is consistent with the Secondary Program.

#### **Overview of the Four-Year Elementary BEd Program**

The 4-Year (8-term) BEd Elementary Program requires 120 credit hours. The program consists of both academic courses taken outside the Faculty of Education as well as professional courses taken within.

Course requirements for the 4-Year BEd Program are listed below by term. While some flexibility exists in the placement of courses by term, in certain terms there is little or no flexibility. Students expecting to take the program on a part-time basis will need to plan their program carefully in consultation with an advisor. Elementary Program students (with the exclusion of SUNTEP, YNTEP, NTEP, FNUniv and Community-based programs) are required to have a minimum average of 70.00% to proceed to internship. The Elementary Education Program includes extensive field experiences. Classroom-based field experiences occur with ECS 100 in year one, as components in the preinternship terms (terms five and six), and the sixteen-week internship in the final year. In addition, students will engage in professional learning as community experience (PLACE) which is scheduled in the first pre-internship term. Most classroom-based field experiences occur in schools in or near Regina. Placements for internship may be at various locations in southern Saskatchewan.

(end of motion 8)

#### 3.3 Secondary English Education

#### **MOTION 9: Program Revision**

That ELNG 450 Issues in Secondary English Education be replaced by ELNG 200 in the Secondary English Education template, **effective 201830.** 

**Rationale:** To support Continuous Evaluation of Applications to the Faculty of Education, this change will permit students admitted to Secondary English Education to complete the program in four years by eliminating the post-internship requirement.

  1. GEOG 316 (Geography of the Third World) is also an option with the Geography Department's approval.

  2. Major approved electives include 200-level or higher courses in Anthropology, Economics, Geography, History, Indigenous Studies, Political Science, or Sociology.

**Rationale:** The proposed change provides more flexibility in the template, particularly for after-degree students, and allows for students in the four-year program to accelerate program completion.

#### 3.5 BEd Secondary Mathematics Major (EMTH)

#### **MOTION 11: Program Revision**

That KIN 120 Rec – Persons with Disabilities in the Secondary BEd Program – Mathematics Major (EMTH) be replaced by Elective (3), **effective 201830.** 

**Rationale:** The removal of the named KIN 120 course provides the opportunity to increase mathematics content in the Major.

#### 3.6 BEd Secondary Mathematics Major (EMTH)

#### **MOTION 12: Program Revision**

That the Elective in Term 8 be replaced by one of EMTH 325, 326, 327, 335, 425, or 426, effective 201830.

**Rationale:** By replacing the elective with specific mathematics curricular content courses, graduates will be better prepared to teach mathematics in grades K-12.

#### 4. Faculty of Engineering and Applied Science

#### 4.1 Enviornmental Systems Engineering Program

#### **MOTION 13: Program Revision**

To replace CS 215 Web and Database Programming in Term 6 with CS 335 Computer Networks and add CS 215 to the approved "Software Electives" list, **effective 201910**.

Rationale: CS 335 Computer Networks is being added as a required course and CS 215 Web and Database Programming is being moved to the approved 'Software electives' list. The ESE program has been deficient in computer networks from 2010-2016 when ENEL 492 was not being offered due to limited resources in the ESE program. ESE's Industry Advisory Committee identified computer networks as being a deficiency in the ESE program. With the addition of a new Faculty member (Al-Anbagi), it was decided that the terminal course in the 'communications' stream would be ENEL 492 Design of Computer Networks (instead of ENEL 494). The need for an earlier course in computer networks was determined through the OBA process from data gathered in 201710.

	Term 6 (Spring/Summer)
3.0	BUS Elective Choose 1: BUS 210, 250, 285 302
3.0	ECON 201
3.0	ENEL 380

3.0	ENEL 390
3.0	CS 215 CS 335

Approved List (includes Technical, Software, and Risk and Industrial Safety):

Software Electives (choose at most one): <u>CS 215</u>, CS 330, CS 340, CS 350, CS 372, CS 375 or any ENSE class except ENSE 477

#### 5. Faculty of Science

#### 5.1 Department of Biology

#### Motion 14: Program Revision

To remove BIOL 401 from List A and List B, effective 201830.

Rationale: BIOL 401 no longer exists and is, therefore, not a possible choice.

#### List A: Cellular and Molecular Biology Concentration

BIOL 302, 303, 310, 366, 390, 395, <del>401,</del> 405, 406, 407, 410, up to two of BIOC 221, 300- or 400-level

#### List B: Ecology and Environmental Biology Concentration

BIOL 302, 316, 335, 341 (or STAT 342), 356, 365, 366, 367, 375, 376, 380, 385, 401, 425, 435, 456, 457, 463, 485

(end of motion 14)

#### **MOTION 15: Program Revision**

To remove BIOL 435 from List B and List C, effective 201830.

**Rationale:** BIOL 435 is in the process of being archived, therefore it will not be offered in the foreseeable future.

#### List B: Ecology and Environmental Biology Concentration

BIOL 302, 316, 335, 341 (or STAT 342), 356, 365, 366, 367, 375, 376, 380, 385, 401, 425, 435, 456, 457, 463, 485

#### **List C: Environmental Biology**

BIOL 316, 335, 341 (or STAT 342), 356, 365, 367, 376, 380, 385, 402, 435, 456, 457, 463, 485

(end of motion 15)

#### 5.2 Department of Mathematics and Statistics

#### **MOTION 16: New Program**

To create a Certificate in Statistics as outlined in the template below, effective 201910.

**Rationale:** This certificate was previously submitted and approved, along with a second certificate with Co-op option (as one motion). However, the Co-op option did not meet the requirements of attaining the "Co-op" designation, and the motion was rejected at CCUAS. This is a re-submission of the certificate program without the Co-op option.

Credit hours	Certificate in Statistics, required courses
3.0	CS 110
3.0	MATH 110
3.0	MATH 111
3.0	MATH 122
3.0	STAT 160
3.0	STAT 251
3.0	STAT 252
3.0	STAT 354
3.0	STAT 300- or 400-level
3.0	STAT 300- or 400-level
30.0	Total - 65.00% GPA required

**Note:** Due to the prerequisite structure of the Certificate in Statistics, completion of the listed courses will require a minimum of four terms.

### GRADUAND LISTS FOR THE 20 JUNE 2018 MEETING OF EXECUTIVE OF COUNCIL

#### 7. Graduand Lists

7.1 Graduand Lists for Approval – Omnibus Motion

**Motion 1:** To approve that all students whose names appear on the lists as distributed at the meeting and appended to the official file, having satisfied the requirements, be granted the degrees, diplomas and/or certificates as designated.

7.2 Correction of Errors to Previously Approved Graduates

**Motion 2:** To approve the errors to the credentials of previously approved graduates whose names appear on the lists as distributed at the meeting and are appended to the official file.
