

Stat 351 Fall 2008  
Assignment #4

This assignment is due at the beginning of class on Monday, September 29, 2008. You must submit all problems that are marked with an asterisk (\*).

As indicated on the course outline, solutions will be graded for both content and clarity of exposition. The solutions that you submit must be neat and orderly. Do not crowd your work or write in multiple columns. Your assignment must be stapled and problem numbers clearly labelled.

- 1.** \* Problems #3, #9, #10, #18 on pages 55–58 are required.
- 2.** Problems #11, #12, #13, #14, #15, #16 on pages 55–57 are optional.
