Student Feedback On Teaching

Name of Staff: Yow Kin Choong

Subject: Mathematics I/ Foundation Mathematics (CPE103/CSc103)

Class Type: Lecture/~~Tutorial~~

Comments

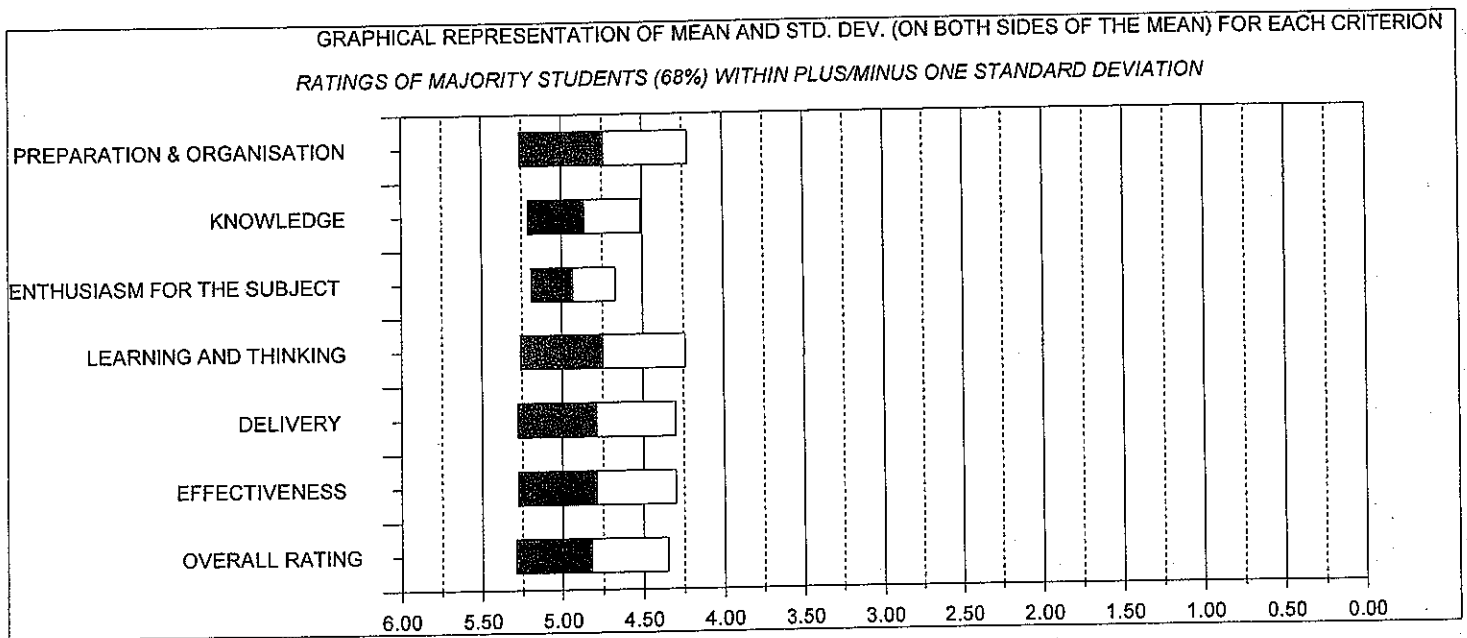

Strengths		Improvements	
1.	He explains the slides in a more detailed way.	1.	Video recording for lecture.
2.	He understands the class's pace. May not be as fast and slow down to suit the class.		
3.	He shows steps in problem solving very clearly.		
4.	He is willing to help and has lots of patience with all the questions asked.		
5.	He is a very patient professor. His way of teaching Math is understandable and his teaching style is good.		
6.	He explains the subject very clearly.
