Swamp

~~But~~ Let's ^{start at the beginning} ~~not~~ start there.

It was 1923, the Jazz Age

Sir Reginald came to the swamp
just as his father did, and his father's father before that.

He had a duty to find a monster, kill a monster,
and publish a best selling memoir on the topic

But what did he find
in the Swamp?

SWAMP.

JAW UP+DOWN

So he pondered and pondered
until the ~~the~~ he
was finished he 2nd piece
of single bubble gum
and

Gum all over page
hands come in to fix/clean it

Perhaps there
was something in
the wax paper that day,
or perhaps the spiders had laid
some particularly radioactive eggs
in the Chicory.

but eventually they settled down

to open a
restaurant
on the edge of
the swamp.

Reginald finally wrote his memoirs
and Swampy tested his new 10 pepper
jumpalin on the unsuspecting public

The Rest
is history.
